Mrs. J. P. Asp of Mayfield twp., who is leaving for an indefinite visit with her sister at Sauk Center, will be honored at a farewell party Sunday afternoon, May 28. A pot-luck lunch will be served and it has been announced that the public is invited.

Auxiliary Notes

By Mrs. J. W. Stewart, Publicity Chairman

Saturday is Poppy day on the streets of Thief River Falls, and it is the hope of every Legionnaire and Auxiliary member that this will be the biggest poppy day on record in our city.

Every penny from poppies sold on the streets of this and thousands of other towns in this country is contributed to the welfare and rehabilitation work of the American Legion and auxiliary. Because this work is being done by volunteers, the money goes a long way. Many people have wondered what becomes of the money collected by these volunteer workers on Saturday. Children left fatherless and destitute by the two world wars are the special concern. Their needs are often very great. The Legion tries to give them comfort both for the body and mind.

We hope that this year more people than ever will buy and wear the poppies and thereby show their interest and sympathy for the men who have fought for them, and are now struggling to get back to the point where they can again become self-supporting.

In summarizing the year's work before sending in our annual report to headquarters, we have found that along with the selling of poppies, the auxiliary has also contributed toward the accomplishment of a number of other activities the past year, as well as other years. Some of these are the 60 gifts, which were sent at Christmas time by our Service Sunshine chairman to boys and girls in the services. In addition to this, birthday cards and get-well cards have been sent to those who are ill or hospitalized. In return for this we have received some very fine "thank-you" letters. Our unit sponsors girl scouts, who have grown from brownies in our care and this year were invested as senior service scouts. One of the projects in which these girls participate is being nurses aides at local hospitals, and much praise has been given them for their work.

Another worthy project was the Pan-American program which was given in April. Also the serving of dinners to all who attended the service school here last winter.

The usual Christmas baskets were sent as well as gifts to Gold Star mothers. Our Sunshine chairman remembered all who were ill with cards and flowers. Gold Star mothers of this war have been remembered with gifts, and at the last meeting of the auxiliary, carnations were presented to mothers of sons and daughters in the service today.

Three of our members are on the Red Cross executive board. One is secretary of the Red Cross chapter, another is chairman of our home nursing committee and also an instructor, two members are surgical dressing supervisors, eleven members are surgical dressing instructors, two are first aid instructors, and one is chairman of the Christmas seal sale. A member was chairman of Russian Relief, one is a WAC recruiting chairman, three are on the girl scout council, one is a girl scout leader, and six are price panel assistants.

Plans are under way at this time to assist the Legion in their program and parade on Memorial day.

Losses in Shipping

The nation's shipping time losses are estimated at 150 million pounds of meat annually.

Egg Belt

Farmers this year are asked to produce 57.3 billion eggs, enough to make a path of eggs 10 feet wide around the earth at the equator.

Late Cutting

The greatest danger is from cutting alfalfa too late in the fall.

GIRL SCOUT NOTES

A busy summer is in prospect for local girl scouts, according to plans made by the girl scout council, which met Monday. "No wartime shortage in service to youth" is the theme underlying the plan for the girl scout day camp, which is to be opened June 26 on the Bratrud property on the east side. The first 4 days of the week will be for the scouts and Friday of each week will be for brownies. That will give the scouts 8 days and the brownies two days of the two weeks period.

With schools closed and many vacation plans curtailed, scouting should carry on. Summer is the time for children to be occupied out of doors building health, having fun, and at the same time developing skills, interests, and friendship.

Many scout leaders have announced their intention of helping with the camp, and also some of the mothers. Each of these deserves a vote of thanks not only from the council, but from the entire community, for providing recreational outlets for children in wartime is a vital contribution to our general welfare.

Mrs. Hilding Peterson will be the director of the camp with Mrs. Bratrud as her assistant. Unit leaders will assist, as well as special persons interested in nature, out-door cooking, and music, and a registered nurse will be on the grounds at all times.

Camping by the day plan offers to the scout all the fun, excitement, and pleasures of the regular camp, with the exception of sleeping at the camp. This year of war, the girl scout council urges that all mothers allow their daughters this privilege of living out of doors, giving them the opportunity of living in a democratic way with other girls of this city. Nationally, 14,000 more girls attended the day camp last summer than in 1942. Behind that figure lies the perseverance, ingenuity, and plain hard work of thousands of adults, staffs, and women members. We have expanded the brownie camp to take care of the rapid growth in membership among our younger girls.

BONDS LOST FOR 25 YEARS DISCOVERED

Taylors Falls.—Many years ago the late George A. Holmquist decided three Third Liberty Loan Bonds purchased during World War I had been stolen. Only a few days ago, Carl Carlson, special administrator of Mr. Holmquist's estate, found them and their disappearance is perfectly clear. When the first interest was due, Mr. Holmquist apparently had laid them on the inside of his roll top desk and later when the top was closed they became attached to it and the next time it was rolled back the bonds followed the roll and lodged in the very small space the roll slides into remaining there until Mr. Carlson came upon them.

Plastic Insole

A plastic insole has been developed for U. S. jungle fighters, which keeps soldiers' feet dryer and can be washed with soap and water.

Keep Vegetables

Common storage of vegetables and fruits for home use—is the best and cheapest way to keep many vegetables, apples, and pears for winter use. Some vegetables maintain more nearly their original flavor in storage than when kept in any other way.

HINTS ON SUMMER PROTECTION GIVEN BY HEALTH GROUP

Important to do Right Thing at Proper Time, Says Bulletin

Health protection often depends on doing the right thing at the right time, the Minnesota Public Health association, the State Christmas seal organization, suggests in this week's news bulletin, which lists precautions as follows:

Poison ivy poisoning — Immediate first aid treatment after contact: Wash the exposed part five or six times with hot water and soap. If poisoning develops a physician should be consulted. Symptoms are inflamed skin, blisters and itching.

Chiggers—Avoid them by dusting yourself with sulphur and wearing leggings or tightly cuffed garments.

Hay fever—Is due to supersentitiveness to pollen of certain plants or trees. To prevent misery later see your doctor this spring about preventaive treatments.

Rabies—A soap solution applied immediately after being bitten by a dog or other animal is the best first aid treatment. See a physician as soon as possible.

Food poisoning — Pies or cakes or other foods with cream or custard fillings should be kept away from flies and should be refrigerated. Proper refrigeration for meats, milk and other foods is a health precaution in warm weather. Boil before using all processed foods or leftovers that have been opened and left standing for 48 hours or more.

Sunburn—Over exposure of the body to the hot sun may be serious. Gradual conditioning of the skin is advised. Ordinary sunburn may be treated like any other first degree burn.

Rev. G. S. Thompson, W. N. Morell Will Go to Church Convention

The biennial convention of the Norwegian Lutheran Church of America will open at Central Lutheran church in Minneapolis Tuesday, May 30, with a Memorial Day service which will be attended by many of the pastors of the church who have entered the service as chaplains. A feature of the service will be the dedication of a service flag which is expected to have a numeral of at least 5,000 to represent the youth of the church who have entered the armed forces of the country.

Rev. G. S. Thompson, pastor of Trinity Lutheran church and W. N. Morell as delegate of the local congregation, will attend the convention which will continue over the following Sunday. Among the items of business to be discussed and decided at the sessions is the official proposal to change the name of the church so that the word "Norwegian" will be omitted. The disposal of a large surplus beyond the goal of the Centennial Offering of the past five years will also be considered.

Rev. Thompson announces that on June 4, when he will be attending the convention, there will be no service in his church here.

Last Rites Today for Noel Gordon Wold, 43

Funeral services are being held this afternoon at 1 o'clock for Noel Gordon Wold, who passed away Sunday in the city at the age of 43. Rev. Stove is officiating at the Ness Lutheran church in Mekinock, N. D., and interment will be made in the church cemetery.

Mr. Wold, born July 29, 1900 in Mekinock, N. Dak., moved to Manvel, N. Dak., in 1937 and six years later made his home in Greenbush. He is survived by his mother, Mrs. Marie Wold of Greenbush; two sisters, Mrs. Lila Lieberg of Mekinock and Mrs. Zella Sednak of Greenbush; two brothers, Spencer of Larimore, N. Dak., and Lester of St. Vincent. His father and one sister preceded him in death.

Total of 2.42 Inches of Rain Here This Week

This locality experienced a series of heavy rains from Sunday to Wednesday night, a total precipitation of 2.42 inches being recorded on the fire hall rain gauge. The greater part of the downpour, 1.42 inches, arrived Monday night, followed by .45 inch Tuesday and .23 inch Wednesday afternoon. Summer temperatures prevailed this week, the mercury reaching high marks of 83 Tuesday and 82 Wednesday afternoon.

Last Rites Tuesday for Ivar Mikkelson

Iver Mikkelson, 208 Emil St., passed away Thursday evening, May 18, at the age of 68. Rev. J. O. Jacobsen conducted rites in the Evangelical Free church Tuesday afternoon at 2 o'clock and burial was made in Greenwood cemetery.

The deceased was born in Tonstad, Norway, March 26, 1876, and at the age of sixteen came with his mother to the United States, making his home with his brother near Shelly. Later he worked as a section hand with the Great Northern railway. Following his marriage to Bertha Helland July 12, 1904 at Crookston, he continued to work on the railroad at various towns in northern Minnesota, and in 1917 he and his wife took a homestead near Kelliher where they lived until 1920. At that time they moved to Stephen. They also lived near Newfolden for several years before coming to this city last fall.

Surviving besides his wife are five daughters and three sons, Mrs. Tina Tweten of Staples, Mrs. Ida Renavold of Kelliher, Mrs. Martha Hasby, Mrs. Ina Randall, Mrs. Josephine Madsen, and Lawrence, Edwin, and Inar of this city; 26 grandchildren and one great grandchild. His parents, two brothers and one grandchild preceded him in death.

Dalzell Party Holding Services at Newfolden

The Dalzell evangelistic party from Canada is holding a series of services tonight thru Sunday at the Mission church in Newfolden, Rev. Thv. Myhrer, pastor, announced today. The week-night meetings start at 8:30, with services next Sunday at 11 a. m. and 2:30 and 8:30 p. m.

GROWING WITH YOUR CHILD

Institute of Child Welfare, University of Minnesota

The Young Child in the Family

A mother of six children was heard to remark, "I just can't understand why Tommy is such a little buzz-a-bout. None of the other children were as active, nor did they get into so many things as Tommy." This mother needs help in seeing her family as it really is. The first five children came along within ten years; the youngest of the five is now eleven years. This means that two-year-old Tommy, has had to cope with seven individuals.

More than that, since birth he has been a plaything or a toy for all of the older children who adore him. Three of the older children are now away from home in various types of work, leaving two sisters at home. When one visits the home there is very little to indicate that there is a young child in the house; no shelves or drawers have been provided for his treasures, nor is that furniture or equipment adapted to the small boy.

The behavior which troubles the whole family consists of gritting teeth, climbing upon the tables, playing with the stove, running about, etc. Is it any wonder that he has learned to run so fast when he has so many to chase him? Whenever any one speaks to him it is a challenge for a race. Where he runs is limited only by the places where he happens to be. If he is confined in a room, he climbs upon the piece of furniture that happens to be the highest.

When his climbing is analyzed, one finds several interesting facts. First, the mother is not able to stoop as easily as she did ten or fifteen years ago so that every time Tommy is dressed for outdoor play she picks him up and stands him or sits him upon the dining-room table. No wonder he feels perfectly at home up there. Nor is one surprised that, when mother's back is turned or when she is busy in the kitchen, Tommy pulls up a convenient chair and quickly ascends the golden stairs—to the broad, friendly top of the table? From here he can see everything in the house.

Then there is the question of his gritting his teeth. Whenever his 11 year-old sister appears, Tommy puts on a good show of teeth gritting or makes a terrible face, for the sister shivers and shakes, admonishing Tommy to "quit that, it just puts my teeth on edge." In other words, Tommy is getting so much attention for doing the things he shouldn't that he continues playing up to his audience. If each member of the family realised that he is a personality and not a plaything, and would discontinue laughing at everything he does, his behavior would improve immediately.

He needs to be treated as an individual, not as a toy for adults. His mother should not place him upon the table and should provide him with other places to climb that will exercise his large muscles. If, when he grits his teeth, he were ignored completely, he would soon discontinue the practice. Tommy is reacting to what the members of the family expect him to do and is playing a social role. If he could take his place as a member of the family, without undue attention, he would gradually assume his proper place and his behavior would improve.

Olaus Jacobson, 85, Dies in City Tuesday

Olaus Jacobson, age 85, who has been living for the past number of years at the Lars Furan home, passed away at a local hospital Tuesday. Mr. Jacobson, who is survived by Ole Christopherson, a nephew, of Viking, in the early days was employed as a lumber scaler at St. Hilaire, living for a time at International Falls before moving to this city. Rites will be conducted Friday afternoon at 2 o'clock at the Gulbranson funeral chapel.

M. by President Jacobson. Members present were Jacobson, Hellquist, Rullen, Wold, Fredland, Skarstad, and Supt. Fjelstad. Absent: None.

The minutes of the regular meeting of January 10, 1944, were read and approved.

The greater part of the meeting was taken up with the discussion of the present salary schedule, but no action was taken pending further data.

It was moved by Skarstad and seconded by Fredland that the following resolution be adopted:

WHEREAS, the four school buses serving the Thief River Falls High School area are overcrowded, and

WHEREAS, there were pupils this year from [illegible] closed rural schools, and it is very probable that there will be from seven to ten additional closed rural schools the next year,

BE IT RESOLVED that the Board of Education authorize its Superintendent of Schools to execute the necessary application forms required by the Office of Defense Transportation for purchasing a bus, which if approval will make it possible for the School Board to purchase a new bus.

The following vote was taken: Ayes 6, Nays 0. Whereupon the resolution was declared adopted.

President Jacobson gave a report of the annual school board convention which he and Mr. Skarstad attended as delegates.

It was moved by Rullen and seconded by Skarstad that the following bills be paid:

Back in the year 1882, more than sixty years ago, Chippewa County built the court house that is still giving service as the county's capitol. This fact in itself is not particularly interesting but some of Lud Roe's observations on the subject in his Montevideo News were thought provoking. The building was erected at a cost of $9,-350, which was financed by bonds bearing 7% interest. At the present time, Mr. Roe thinks, the building could not be erected for seven times its original cost, but the dollars to build it with could be hired for almost one-seventh of what the annual wages of a dollar were at that time. Dollars work cheap nowadays but it takes a lot of them to get the same results that one dollar did sixty years ago. Considering all you got for a dollar at that time, maybe seven cents a year rental wasn't so far out of line.

Tuesday brings another Memorial Day, a day dedicated to the memory of those who have given their lives in the service of their country. Now that we are at war again and the roll call of the dead is steadily lengthening, the observance of Memorial Day takes on fresh significance. It was under circumstances quite similar to those we are experiencing today that Abraham Lincoln delivered his immortal Gettysburg address. Now again it is for us, the living, to bear the burden of great personal tragedy and be dedicated to the unfinished tasks.

Small clouds make lots of rain these days. Like the proverbial wet snow, so wet that a bucket of snow melted into a bucket and a half of water, a very small cloud produces a very great shower.

Speaking of court houses is an unpleasant reminder of the fact that Pennington County's official home will some day have to be replaced. No argument need be advanced to prove that our present court house is as inadequate and unsafe as it is unsightly. It has been suggested that this problem might be solved sensibly by converting the city's Auditorium into an office building to house both city and county offices. Now that we have a fine school auditorium and gymnasium that would serve the community's needs for gatherings, we probably could get along without the municipal auditorium. The idea deserves consideration.

Those who make the decisions on such matters *may soon decide that the speed* limit on highways should be increased from 35 to 45 miles an hour, it is reported. We will not object to the increase which in effect would merely give official recognition to a speed which is already generally accepted as proper. Further increases in the speed limit should be deferred, however, until automobiles have been equipped with better tires. Good tires are an important factor in road safety and it would be a mistake to permit the high speeds we were accustomed to before the war until the present worn-out rubber has been replaced.

Hitler's defenses on the Italian front are crumbling under powerful allied attacks. The gains our men are making are no doubt expensive but there is consolation in the thought that they are less expensive for us than for the Axis. The Germans are now confronted with a serious problem of reserve power. To strengthen one sector reserves must be withdrawn from other positions in the long defense line that may be attacked at any time. From now on the pressure on that long defense line will no doubt be steadily increased.

More than 350 truckers paid fines last month for load limit violations. This is one form of law breaking that is difficult to understand. Load limits are placed on roads during a few weeks of spring break-up in order to preserve the roads—the very things truckers want preserved. And it is those who do not cooperate in this program who cry the loudest when a road goes to pieces.

Regular Meeting, April 10, 1944

The regular meeting of the Board of Education of Independent School District No. 18 was held in the office of the Lincoln High School Building on April 10, 1944, and was called to order at 8 o'clock P. M. by President Jacobson. Members present were: Jacobson, Hellquist, Rulien, Wold, Froiland, Skarstad, and Supt. Fjelsted. Absent: None.

The minutes of the regular meeting of March 11, 1944, were read and approved.

It was moved by Rulien and seconded by Hellquist that the resignation of the following teachers be accepted, effective at the close of the school year: Lorna Hanson, Minerva R. [illegible], Mrs. A. V. Grinley, and Mrs. Al Ulleberg. Motion carried.

It was moved by Hellquist and seconded by Wold that a leave of absence for the duration be granted to A. E. Pagliarini, as he will be inducted into the armed services on May 15. Motion carried.

It was moved by Froiland and seconded by Skarstad that a leave for the duration be granted to Edward A. Anderson with the understanding that Glendon Ahre has prior rights to the position of music instructor upon his return from the armed services. Motion carried.

It was moved by Rulien and seconded by Wold that N. Quentin Jones be classified as a special teacher and that his salary be set at $2,000.00 per year. Motion carried.

It was moved by Rulien and seconded by Hellquist that the annual school election be held on May 16 for the purpose of electing two directors for a three-year term and one director for the unexpired term of one year; that the polling place be at the City Auditorium for all four precincts; that the polls be open from 1:00 P. M. until 8:00 P. M.; that L. O. Larson, Mrs. Marjorie Kiland, and Mrs. Verona Carlson be appointed election judges; that A. F. Berge, C. W. Vorachek, and Laura Lund be appointed alternate judges; and that the rate of pay for each judge be 30 cents per hour or fraction thereof. Motion carried.

It was moved by Hellquist and seconded by Wold that the following question be submitted to the voters at the regular annual school election: Shall the Board be authorized to advertise for bids for the sale of the Central School Building? Motion carried.

It was moved by Wold and seconded by Froiland that Glen Hanna and N. Quentin Jones be employed for the months of June, July, and August as supervisors of recreation at a salary of $150.00 each per month less amount reimbursed by the Red Cross for the purpose of swimming instruction. Motion carried.

It was moved by Hellquist and seconded by Skarstad that transportation and tuition charges for non-resident pupils be set as follows: $300.00 minimum for districts having from one to five children in grades 1 to 8; $10.00 per pupil per month for each child over minimum with a maximum payment of $800.00 per district; and that transportation charges for high school pupils be set at $3.50 per month per pupil. Motion carried.

It was moved by Wold and seconded by Rulien that the salary scale for substitute high school teachers be amended so that they be paid $6.00 for the first teaching day. Motion carried.

Notice of Annual Meeting of the Stockholders of the Consumers Co-operative Association of Thief River Falls, Minn.

DATE: SATURDAY, JUNE 10, 1944
PLACE: CIVIC & COMMERCE ROOMS CITY AUDITORIUM.
HOUR: TWO O'CLOCK P. M.
TO THE STOCKHOLDERS:

NOTICE IS HEREBY GIVEN THAT THE ANNUAL MEETING OF THE CONSUMERS CO-OPERATIVE ASSOCIATION OF THIEF RIVER FALLS, MINNESOTA, WILL BE HELD IN THE CIVIC & COMMERCE ROOMS AT THE CITY AUDITORIUM OF THIEF RIVER FALLS, MINNESOTA, AT TWO O'CLOCK P. M. ON THE 10 DAY OF JUNE, 1944.

1. To receive the reports of the officers of said association.
2. To elect members to the board of Directors. Two Directors will be elected to fill the expiring terms of Aug. N. K. Anderson and Ole Skaar.
3. To transact such other business as may be proper to come before an annual meeting.

In order to stimulate interest at our annual meeting we are going to give away several valuable prizes. One door ticket will be given to each patron (one to a family). The first prize will be a $50.00 U. S. Bond. Second prize $25.00 Bond. Third prize 12-qt. pressure cooker and the following fourth to tenth inclusive will each receive a 5-gallon can of Co-op. Lube Oil.

While only holders of common stock are permitted by law to vote upon matters pertaining to the affairs of the Association, we not only urge all our stockholders of common and preferred stock to attend the meeting, but we also urge our patrons to attend the meeting, so they may hear the reports and know the progress that the association is making.

Lunch after the meeting.

Dated at Thief River Falls, Minn., May 22, 1944.

Respectfully,
Consumers Cooperative Association,
By Aug. N. K. Anderson, Sec'y.

LOCAL NEWS

Miss Hazel Omdahl visited at her parental home in Warren over the week-end.

Stomata Jablinske returned Monday afternoon after spending the week in Minneapolis visiting friends and relatives.

Mr. and Mrs. Carl Kilander have had as their guest the past week Glendon Hanson, pharmacist's mate 1st class, navy, who has served the past 16 months with the marines at Guadalcanal, Munda, and Bougainville.

Pvt. and Mrs. George Sevre of Fort Sam Houston, San Antonio, Texas, arrived Monday to spend a furlough with the former's mother, Mrs. Tillie Sevre, and other relatives.

Sunday Mr. and Mrs. Carl Kilander attended the wedding of Erma Holmberg and Glendon Hanson, Ph. mate 1st class, at the home of Miss Holmberg in Newfolden.

Tuesday evening Pfc. and Mrs. George Sevre of Ft. Sam Houston, Texas, Mrs. Pat Harris and son, and Mrs. Tillie Sevre visited at the Harry Sevre home in St. Hilaire.

Mrs. Jack Kruse spent the week-end in Warren at the home of her sister, Mrs. Gust A. Peterson. She was accompanied back by Mr. and Mrs. Art. Hanson of St. Hilaire, who visited in Warren Sunday.

EARL HOPPA PROMOTED TO MASTER SERGEANT RANK

Word has been received this week of the promotion of Tech. Sgt. Earl Hoppa to the rank of master sergeant. He is stationed with the army at Fort Sill, Okla.

From where I sit ... by Joe Marsh

Light Words are 'Grave' Words

There's a poster on the wall of Sam Abernathy's store that doesn't say much. It just shows a cross, with a Yankee helmet on it—and the caption: "Light words are 'grave' words."

It isn't hard to figure out what that sign means. Loose talk has dug a lot of graves ... and done a lot of harm here at home, too. And still you hear it.

You hear, for instance, talk about our soldiers drinking and carousing around Army Camps. Of course, when you get the facts there's not an atom of truth in it. A U. S. Government survey found our soldiers were the soberest, the best behaved in history—with most of them drinking nothing stronger than a moderate glass of beer.

From where I sit, that kind of "loose talk" can do just as much to undermine morale as any rumor that the Axis could invent. And it's up to every one of us to spike that kind of sabotage before it spreads.

CITY VETS BUNCH HITS TO WIN FROM JUNIOR TEAM 8-1

Almquist's Home Run Drives in Three Tallies in Third Inning

The city veterans were held to five hits by junior pitchers Virg Evenstad, Allen Thompson, and Bob Baker, but they managed to bunch their hits in the third and sixth innings to score 8 runs and defeat the Juniors, 8 to 1, Sunday afternoon. Woody Almquist's long homerun into left field drove in three tallies in the third inning.

Nifty fielding plays by Wally DuChamp in centerfield, and Don Johnson at shortstop, halted several junior scoring rallies.

The box score:

Good Hope F. U. Local Enjoys Program Friday

The Good Hope Farmers Union local met Friday evening in Smiley hall. In its business session the legislative committee introduced a resolution opposing an income tax on dividends. The program included humorous readings by Orlie Hafdahl and Bert Johnson, and a duet sung by Dolores Helswenger and Marlys Hanson. Mrs. A. Wilson, local president, discussed the beginning of cooperatives in China, and Mrs. R. Hanson served refreshments. The next meeting will be held Friday, June 16, with Mrs. H. F. Helswenger in charge of refreshments.

H. S. STUDENTS ARE URGED TO SIGN UP FOR SUMMER JOBS

Others Also Are Requested to Apply for Full or Part-time Work

With classes about to close, all high school youths, as well as other persons who will be able to work part time or full time this summer and fall, are urged to make their availability known, either to the U. S. employment office or to the county agent, says an urgent statement issued this week by Dreng Bjornaraa, state War Manpower Commission director.

The full utilization of every seasonal worker is vital to the war effort, Bjornaraa said, and every man, woman, and youth who is not now in war work should make his or her availability known.

Registration with the USES or the county agent is the first step toward getting into victory work, Bjornaraa said.

The agricultural extension service, responsible for farm help recruitment, and WMC, mobilizing industrial workers, provide the machinery for full utilization of manpower.

Rev. L. W. Lindholm Is Back from Chicago Trip

Bemidji H. S. Is Winner of Regional Track Meet

The Bemidji Lumberjacks, marking up points in ten of the thirteen events, scored a team total of 53½ points to win their second successive eighth regional track and field championship in the tournament held on the Bemidji Teachers College field Friday.

Crookston earned runner-up honors with 43½ points; with the Prowlers tallying 31 points. Other teams scoring points were: Roseau, 16; Erskine, 11½; Park Rapids, 8; Cass Lake, 7; Mahnomen, 7; East Grand Forks, 6; Walker, 5; Ada, 4; Kelliher, 2; and Hendrum, 1.

Justin Moe, winning the 100 and 220 yard dashes, placing second in the broad jump, and running anchor on the winning relay team, paced coach Barnum's team to its win, scoring 15¼ points for individual high-point honors. Crookston's Bill Reynolds scored 14⅝ points; while the Prowlers' Burdell Merritt, with a first in the high hurdles, a second in the low hurdles, and a second place tie—with Reynolds and Tveit—in the high jump, chalked up 14 points.

The cold weather handicapped the runners considerably, with the result that regional running records were not seriously threatened. Bemidji's Neumann accounted for the only new record established, leaping 5 ft. 9 in. to break Bob Young's high jump mark of 5 ft. 8¾ in.

The summary:

Discus—won by Sprague, Crookston; 2nd, Brown, Bemidji; 3rd, Reynolds, Crookston; 4th, Nordstrom, Erskine; 5th, Hoberg, Bemidji. Distance: 121 ft. 8½ in.

Shot put—won by Carlson, Walker; 2nd, Fair, Bemidji; 3rd, Brown, Bemidji; 4th, Merritt, TRF.; 5th, Nordstrom, Erskine. Distance: 42 ft. 3¾ in.

120-yard high hurdles—won by Merritt, TRF.; 2nd, Bagne, Erskine; 3rd, Herrman, Bemidji; 4th, Hegland, Roseau; 5th, Clark, Bemidji. Time: 17.8 sec.

100-yard dash—won by Moe, Bemidji; 2nd, Bougie, Bemidji; 3rd, Claffy, TRF.; 4th, Reynolds, Crookston; 5th, Oveson, Roseau. Time: 10.9 sec.

Mile run—won by Rosenkrans, Roseau; 2nd, Storms, Ada; 3rd, Skogerboe, Erskine; 4th, Sutton, Kelliher; 5th, Johnson, TRF. 5:1.5.

440-yard dash—won by Letendre, Cass Lake; 2nd, Wilson, Mahnomen; 3rd, Utter, Bemidji; 4th, Rullen, TRF.; 5th, Lewin, Crookston. Time: 56.7 sec.

Pole vault—won by Johnson, Crookston; 2nd, Fraser, Park Rapids; 3rd, Davis and Reitmeier, tied; 5th, Mohler, Bemidji, and Bagne, Erskine, tied. Height: 9 ft. 9 in.

200-yard low hurdles—won by Stewart, EGF.; 2nd, Merritt, TRF.; 3rd, Claffy, TRF.; 4th, Hegland, Roseau; 5th, Bagne, Erskine. Time: 25 sec.

Broad jump—won by Ziebeck, Crookston; 2nd, Moe, Bemidji; 3rd, Reynolds, Crookston; 4th, Bougie, Bemidji; 5th, Williams, Park Rapids. Distance: 18 ft. 6½ in.

220-yard dash—won by Moe, Bemidji; 2nd, Bougie, Bemidji; 3rd, Reynolds, Crookston; 4th, Rullen, TRF.; 5th, Ziebeck, Crookston. Time: 24.7 sec.

880-yard run—won by Erickson, Roseau; 2nd, Wilson, Crookston; 3rd, Henry, Park Rapids; 4th, kays, TRF.; 5th, Dullum, Hendrum. Time: 2:11.

High jump—won by Neumann, Bemidji; 2nd, Merritt, TRF.; Reynolds, Crookston, and Tveit, Mahnomen, tied; 5th, Sprague, Crookston. Height: 5 ft. 9 in. (new record).

880-yard relay—won by Bemidji; 2nd, Thief River Falls; 3rd, Crookston; 4th, Cass Lake; 5th, East Grand Forks. Time: 1:40.6.

Needs Good Soil

They say that alfalfa is not a "poor land" crop but should be planted only on a fertile, well-drained soil that is medium heavy. If it is planted on bottom soils, where the water table is relatively high, the crop gets "wet feet" and the plants die out.

Picking Up a Spare

Frank Kobliska, who ably emcee'd last week's bowling party, wishes to apologize to Oscar Cerny, Ed. and Wally Carlson—the committee in charge of arranging the supper—for not mentioning and complimenting them on the able manner in which they performed their task. Kob advises that it was largely through the efforts of Oscar, Ed., and Wally—because of the economies in providing the supper—that the bowling association was able to purchase another 100 dollar bond.

Golf

The tournament committee announced that the season's first golf tourney, a merchandise tournament, will be played over the local course next Sunday. According to present plans the tournament will be a blind bogey.

The city golf league, with six or eight teams participating, is expected to hold an organization meeting this week, as the schedule is tentatively set to open on June 9th.

Just About Ready to Go

With Frank Tunberg donating 100 dollars towards the purchase of uniforms—and the suits have already been ordered—and being invited to attend the district American Legion convention at Oslo on June 25th—where they will play against other junior teams—and with Leonard Hanson arranging a schedule of games with out-of-town teams, the city junior baseball players are about set to go places.

More than twenty boys have been reporting for practice at the Fair Grounds diamond, and the team prospects appear quite bright. Pitcher Virg Evenstad, shortstop Bob Baker, and first baseman Allen Thompson, veterans that played on the team two years ago, are fixtures on this year's club. Durwood "Swed" Lund, a catcher, and outfielder Bud Brossolt are others that have about clinched a place on the team; but the other positions are open to competition.

Regional Track Meet

Coach Glenn Barnum's Lumberjacks added the regional track title to their basketball championship—scoring 53½ points in the meet held on the B.S.T.C. field on Friday afternoon, having an 11-point edge over the runner-up Crookston Pirates. The Prowlers, in spite of their weakness in the field events, marked up 31 points for a strong third place. Coach Quentin Jones was well satisfied with his young and inexperienced squad. Jones did notice a slight let-down—and he didn't mean Larry Rullen's pants—in the form of the Prowlers in the regional as compared to the district; but he thought that was because the Prowlers had "pointed" for the Pirates in the district. Next year, he says, he'll have the locals "pointing" for Bemidji.

Fishing Notes

Reports of the week-end's fishing indicate that local anglers came home with fair catches, *with quite a number getting their* limits, but the rain and rolly water made fishing more work than fun. Waskish, on upper Red lake, and Morris Point, on Lake of the Woods, were the rendezvous for many fishermen. The big northerns, the lure which brings a lot of the boys to Waskish, were not hitting on Sunday, but Vern Lindquist, fishing in Bush Hallstrom's party, did bring in a 16-pound northern. He made his catch near the ditch about a mile or two north of the mouth of the Tamarack river. Among the fellows coming home with full strings of walleyes, from Waskish, were Oscar Ellingson, Engval Lund, Bill Parbst, Carl Wennberg, Herman Dietz, and Bush Hallstrom.

The larger walleyes, though, were reported from Morris Point. Buddy Nabben, fishing out of Cecil Cyrus' Camp, came in with a pike that must have weighed eight pounds; and Johnny Jacobson, fishing in about seven feet of water, caught several that were five pounds or better. John Anderson, Nels Olson, Allen Merritt and Burdell, after sleeping in their car Saturday night, rented a boat at Johnny Morris' camp and had fair luck, with John claiming that his largest pike weighed seven pounds.

Helmer Baumann and Paul Lundgren returned from their northern Ontario fishing jaunt, and they really hit the jackpot. The largest lake trout caught by their party, by Max Duggan, weighed 25 pounds. Paul had the good luck to hook and land a 15-pound trout, and that's no fingerling. And Helmer made use of his bear license by shooting a black bear.

Former Local Teacher Is Retired with Honor

Mrs. Harry J. Bragg, formerly Miss Lulu McCrum of this community, recently was retired with honor from the District of Columbia public schools after teaching the past 25 years in Washington, D. C. Her teaching career embraces 34 years, five of which were spent as a teacher in the Knox school in Thief River Falls.

Clayton Berg Gets Wings as Air Corps Lieutenant

Clayton Berg, son of Mr. and Mrs. A. J. Berg, received his wings as a lieutenant in the army air corps at graduation rites held Tuesday at the Pecos army flying field in Texas, and will come to this city for a short leave Friday. Entering the air corps April 26, 1943, Lt. Berg had received training at Beloit, Wisc., and at three camps in California before going to Texas.

Anderson-Magneson Vows Spoken

At a candle light ceremony solemnized by Rev. G. L. Halmrast last Thursday, May 18, at two o'clock in the afternoon, in Our Saviors church, Miss Nina Anderson, daughter of Mrs. Jacob Anderson, became the bride of First Lieutenant Elmer Magneson, son of Mrs. Alma Magneson of Fourtowns. The single ring rites were spoken in the presence of close friends and relatives.

The bride who was given in marriage by her oldest brother, Clifford Anderson, was attired in a beautiful white gown, fashioned with a full floor length skirt of white net over satin, with a fitted bodice. Her long flowing veil fell in graceful folds from a beaded tiara and her colonial bouquet consisted of sweetheart roses and sweet peas.

The bride's attendants were Miss Caroline Lillevold and Mrs. Raymond Anderson, who wore identical gowns of pink and blue, respectively and carried contrasting colonial bouquets of roses and sweet peas.

The groom's attendants were Wallace Holthusen, nephew of the groom, and S. Sgt. Raymond Anderson, brother of the bride. They also served as ushers.

The church was decorated with garden flowers and baskets of pressed cedar. The wedding march and other nuptial music was played at the church organ by Mrs. Halmrast, who also sang a vocal solo.

Immediately following the ceremony the wedding party and all the guests were entertained at the home of the bride, where a sumptuous wedding luncheon was served. Garden flowers enhanced the charm of the room and a three-tiered white wedding cake decorated with pink roses and topped with a miniature bride and groom, centered the serving table. The young couple received a large collection of lovely gifts.

Those present at the wedding and reception besides members of the wedding party were Mr. and Mrs. T. J. Lillevold, Mr. and Mrs. Torrance Lillevold and son, Mrs. Emil Boyum, Margaret Lillevold, Mr. and Mrs. Herbert Holthusen, William Zavoral, Mr. and Mrs. Jack Holthusen and children, Mrs. Fred Wiebert, Mr. and Mrs. Rolland Lundberg and son, Mrs. Alma Magneson, Rev. and Mrs. G. L. Halmrast and family, Mr. and Mrs. Manley Anderson and daughter, Mrs. Jacob Anderson, Mr. and Mrs. Torjus Johnson, Harry Magneson of Stanchfield, Mr. and Mrs. Henry England and son Robert of Grand Forks, Ella Anderson of Bemidji, and Lyndon Magneson.

Mrs. Magneson is a graduate of Goodridge high school and received her degree from the Bemidji State teachers college. She has taught at Sleepy Eye and Coleraine.

The bridegroom is a graduate of the Bagley high school and previous to his enlistment he was employed as a border patrolman near Tucson, Arizona. He completed his cadet training at Stockton Field, Calif., where he received his commission and wings. For the past ten months he has been serving overseas as a pilot on a flying fortress having completed a number of missions over the continent from a base in England.

Lt. and Mrs. Magneson left immediately after their wedding for a honeymoon which will take them to California. On their return they will stop at Tucson, Arizona. The remainder of the 30 day furlough will be spent visiting relatives and friends.

Benville Farmers Union Meets

The Benville Farmers Union local held its monthly meeting at the Sandsmark schoolhouse last Friday evening with Arthur Nordby, presiding. Mrs. Victor Nygaard gave a report from the correspondence committee. Irvin Anderson was appointed legislative secretary and Victor Nygaard co-operative secretary. Mrs. Kernel Paulson and Mrs. Harold Nordby were named on the program committee for next month. Four new members were welcomed to the organization.

The following program was enjoyed: Community singing led by Mrs. Victor Nygaard, a reading by Harold Nordby, two songs by Ardith Nordby and Violet Olson, a reading by Marian Moe, a reading by Dale Telgland, a song by Violet and Marian Moe, and a recitation by Eddie Moe. Lund was served at the close of the meeting.

Janice Eileen, daughter of Mr. and Mrs. Manley Anderson, was baptized in Our Saviors Lutheran church by Rev. G. L. Halmrast on May 18 before the wedding ceremony of Nina Anderson and Lt. Elmer Magneson. The sponsors were Mr. and Mrs. T. J. Lillevold and Ella and Clifford Anderson.

SMILEY

Is there not something about the air as you go down to do the chores at the "break o' day"? Is it the incessant, angry chirping of the birds to vie for the most noise, or is it delicious, sweet-smelling scent from the nearby grove? Could it be the gorgeous views all about you of the new-green foliage bursting forth in full array. There must be something about the air that puts a spring to your step and a "hep" to your chest as you go about "the order for the day." It must be Spring—the kind of a Spring that "jerks" the morale sky-high.

Honor

Word has recently been received that an honorable retirement has been given to Mrs. Harry J. Bragg (Lulu McCrum, in Washington, D. C. She certainly has seen many years of the teaching profession. Mrs. Bragg has a total of 34 years of teaching. To begin with, she taught five years in the Knox school in Thief River Falls before going to Washington, D. C., where she taught 17 years at the Stuart Junior High as teacher of Mathematics. Altogether she has 23 years at the District of Columbia public schools, having taught the past two years at the Eliot Junior high school. Congratulations from the Smiley folks to Mrs. Bragg on her dutiful service to the public.

Mothers Day supper guests at the O. N. Olson home were Mr. and Mrs. Orton Olson, Mr. and Mrs. Mark Olson and children, Mr. and Mrs. Jim McCrum and youngsters. Other callers were Mr. and Mrs. Thomas Fixter, Mr. and Mrs. Bill Grundhaus and boys.

Smiley school pupils and their teacher, Miss Clara Swanson, entertained a group of mothers and friends at the last day of school a week ago. A bonfire was made and wieners were roasted for the delicious lunch supplied by Miss Swanson. Those there were Mesdames Norton Nelson, Casper Wiener, Jr., John Helle, Regina Johnson, Jim McCrum, Dave Christensen, Adam Lendobeja and Art Gjerde, Misses Mary Holmes and Grace Wiener. Miss Swanson returned to her home in Norden. She will have three eighth-grade pupils to take the exams this week. They are Betty Lou Benton, Alan Cabot and Daniel Helle.

Death Calls

Again grief struck the community last week when death beckoned another noted pioneer of Smiley when it took Krist Larson Tuesday. It was quite a shock as very few knew of his serious and sudden illness. Mr. Larson was well-liked and so well known in Smiley as a good farmer and an excellent turkey grower. He was really noted for his large flocks of turkeys. There will be an emptiness with his passing, and very sincere condolences are extended to Mrs. Larson and the family from all of the Smiley folks.

Car Accident

Bruno Beiswenger and his two daughters, Delores and Shirley, were hurt quite badly when there was a collision with their car and another on Highway No. 1 last Saturday, a week ago. Little Shirley received a 9-stitch gash on her forehead while Dolores received a bruised hip. The car was very badly damaged.

Smiley 4-H

The regular May meeting of the 4-H club of Smiley was held at the Smiley hall Monday evening. A brief business session was held and it was decided to have the club tour the second Sunday in June and a committee was appointed to take charge of arrangements. The 4-H play "All American Boy" was presented. The younger set played two selections on the rythm board led by Mrs. Rudolph Hanson. Helen Hardisty gave two music selections as well as did Elaine Nelson. Lunch was served by Mrs. Leonard Helgeland and Mrs. Jim McCrum.

Miss Burnette Karlstad returned to her parental home Saturday after a month at the Pat. Culkins home in Hazel.

Finished Compost

Fundamentally, finished compost is a well turned or spaded mixture of soil and decayed plant material, usually with manure or commercial fertilizer added. Although some authorities recommend the addition of lime, the department of agriculture says that it may cause loss of nitrogen from the fermenting vegetable matter. Department specialists suggest placing unbleached wood ashes and other materials containing lime in the garden area itself.

GATZKE

Organize 4-H Club

The Gatzke Farmers Union Local met in the Gatzke hall Thursday evening. After the business meeting the following program was given: Two songs by Marguerite and Muzaas, two songs by Karyl Grondahl and Lorraine Peterson, song by Mary Ann Bernstein, accordion solo by Karyl Grundahl, talk by representative of the Central Cooperative Oil exchange, talk by Miss Edna Paulsrud, county 4-H leader. A 4-H club was also organized with John Eastby and Mrs. Reuben Engevik local leaders. The first meeting of the 4-H club will be in Gatzke June in the evening.

Develop Microphotography

Newspaper files are only one of many outstanding uses for microphotography. V-Mail for the men overseas is the best known. Recently developed this record the detail so accurately that it is said "Gone With the Wind" may be reduced to a roll of film about the size of a five-cent spool of thread.

Green Tomatoes

Full-size green tomatoes may be picked to ripen in storage at ordinary room temperature. Squash and pumpkins should be placed in a cool dry place such as an insulated attic, where they will be protected from freezing.

SIGN OF A SUNNY HARVEST
ALLIS-CHALMERS GENUINE A-C PARTS AND SERVICE
FARM COMMANDO

A-C tractors and machines passing our inspection are being awarded this beautiful scale emblem of honor. All-Crop Harvesters passing our 24-POINT FARM COMMANDO inspection can also qualify as Farm Commandos.

We're not trying to pose as weather prophets. What we do say is that, rain or shine at harvest time, every ALL-CROP HARVESTER must be Ready to Roll. Your best assurance of that is our sign that says "GENUINE Allis-Chalmers Parts & Service."

Every All-Crop should be carefully checked and overhauled NOW to prepare it for the big job ahead. We've got to save this year's crop or else.

After grain harvest, bring your Harvester in and we'll put it in shape for seed and sorghum crops, beans, etc. this fall. Get the right attachments from us . . . and know that your harvest will go through without delay.

Our 24-POINT FARM COMMANDO overhaul recommended by the factory will give you the nearest possible thing to a new machine.

COUNTY BOARD PROCEEDINGS

May 11th, 1944

Pursuant to adjournment the Board of County Commissioners met at the office of the County Auditor at 10:30 A. M. on May 11th, 1944.

Members present: Race, Mabey, Roy and Mandt.

Members absent: Mulry.

Commissioner Mabey introduced the following resolution and moved its adoption:

WHEREAS Pennington County has outstanding bonded indebtedness maturing July 1, 1944, in the principal amount of $42,000.00 for the payment of which moneys on hand are and will be insufficient, said bonds so maturing being as follows:

Amount	Purpose	Interest Rate	Date of Issue	Due Date
$14,000	Ditch Funding and Refunding	4%	[illegible]	7-1-44
8,000	Ditch Funding and Refunding	4¼%	7-22-[illegible]	7-1-44
4,000	Ditch Funding and Refunding	4½%	[illegible]	7-1-44
3,000	Ditch Funding and Refunding	4½%	[illegible]	7-1-44
3,000	Ditch Funding and Refunding	4½%	[illegible]	7-1-44
2,000	Ditch Funding and Refunding	4½%	[illegible]	7-1-44
2,000	Ditch Funding and Refunding	4½%	[illegible]	7-1-44
3,000	Ditch Funding and Refunding	5%	[illegible]	7-1-44

and WHEREAS, the County Auditor has heretofore caused to be published a notice calling for bids for the purpose of $42,000 Refunding Bonds of said County, such bids to be received and considered at this meeting.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Pennington County, Minnesota, that it is necessary and expedient that said County should issue, and it is hereby determined that said County shall forthwith issue and sell its negotiable coupon Refunding Bonds in the aggregate principal amount of $42,000, to be dated June 1, 1944, and to be of such maturities and other details, and to be sold at the time and in the manner specified in the notice of sale given by the County Auditor as above referred to, and that all acts and things done by the County Auditor and other officers of the County preliminary to and in connection with the calling for bids for the purchase of said Refunding Bonds are hereby in all respects ratified, confirmed, approved, and adopted as the actions of the County, as fully as though the same had been duly and previously authorized and directed by this Board.

The motion for the adoption of the foregoing resolution was duly seconded by Commissioner Race, and upon vote being taken thereon the following Commissioners voted in favor thereof: Race, Mabey, Roy and Mandt, and the following voted against the same: None; whereupon said resolution was declared duly adopted.

The County Auditor thereupon presented an affidavit showing publication of notice of sale of $42,000 Refunding Bonds of the County to be dated June 1, 1944, said sale to be at 10:30 o'clock A. M., on May 11, 1944, which affidavit was examined, approved, and ordered filed.

The Chairman then announced that the next order of business was the receipt and consideration of bids for the purchase of $42,000.00 Refunding Bonds of said County as heretofore advertised for sale.

Sealed bids theretofore received by the County Auditor were presented, opened and examined. After all bids had been considered, they were tabulated and found to be as follows:

Allison-Williams Co., Minneapolis, 1¼% premium of $270.00

Kalman & Co., [illegible] Jointly, Minneapolis, 1¼% Premium of $150.00

First National Bank, Minneapolis, 1¼% Premium of $332.20

Paine, Webber, Jackson & Curtis, Minneapolis, 1¼% Premium of $348.00

C. S. Ashmun and Piper, Jaffray & Hopwood, Jointly, Minneapolis, 1¼% Premium of $218.00.

After due consideration of said bids Commissioner Mabey introduced the following resolution and moved its adoption:

BE IT RESOLVED: By the Board of County Commissioners of Pennington County, Minnesota, that the bid of Allison-Williams Company of the City of Minneapolis to purchase $42,000.00 Refunding Bonds of said County to be dated June 1, 1944, and to mature as set forth in the notice of sale heretofore published, and to bear interest at 1¼% per annum, payable semi-annually, and to pay therefor the principal and accrued interest thereon plus premium of $270.00, is hereby found and determined to be the highest and best bid received, and should be and is hereby accepted, and the Chairman and the County Auditor are authorized to enter into a contract of sale in accordance with said bid, retaining the certified check of said bidder pending completion of said contract, and the checks of unsuccessful bidders shall be returned forthwith.

The motion for the adoption of the foregoing resolution was duly seconded by Commissioner Mandt, and upon vote being taken thereon the following Commissioners voted in favor thereof: Race, Mabey, Roy and Mandt, and the following voted against same: None, whereupon said resolution was declared duly adopted.

Commissioner Mabey then introduced the following resolution and moved its adoption:

BE IT RESOLVED by the Board of County Commissioners of Pennington County, Minnesota as follows:

1. The $42,000.00 Refunding Bonds of said County heretofore contracted to be sold shall be known as Refunding Bonds of 1944, shall be 42 in number and numbered from 1 to 42 both inclusive, each in the denomination of $1,000, shall be dated June 1, 1944, shall bear interest at the rate of 1¼% per annum, payable semi-annually on the 1st day of June and the 1st day of December of each year, in accordance with appropriate coupons thereto attached, and said bonds shall mature serially, in order of serial numbers, lowest numbers first, on June 1 in the years and amounts as follows: $3,000 in each of the years 1946, 1948 and 1949; $[illegible] in 1950; and $7,000 in each of the years 1951, 1952, 1953, and 1954; all without option of prior payment. Both principal and interest on said bonds shall be payable at the Main Office of the Northwestern National Bank of Minneapolis in Minneapolis, Minnesota, and the County shall pay the reasonable charges of such paying agent for the receipt and disbursement of such interest and principal moneys.

2. Said bonds and coupons to be attached thereto shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF MINNESOTA
COUNTY OF PENNINGTON
REFUNDING BOND OF 1944

No. ______ $1,000

KNOW ALL MEN BY THESE PRESENTS that Pennington County, Minnesota, hereby acknowledges itself to be indebted and for value received promises to pay to bearer the sum of One Thousand Dollars on the 1st day of June 19___, and to pay interest thereon from the date hereof until paid at the rate of ______ (______) per cent per annum, payable semi-annually on the 1st day of June and the 1st day of December of each year, interest to maturity being payable in accordance with and upon presentation and surrender of the interest coupons hereto attached as they severally come due. Both principal and interest shall be payable at ______ in ______, in any coin or currency of the United States of America which on the date of payment is legal tender for public or private debts, and for the prompt and full payment of such principal and interest as the same become due the full faith, credit, and taxing powers of the County have been and are hereby irrevocably pledged.

This bond is one of an issue of bonds in the aggregate principal amount of $42,000.00 all of like date and tenor except as to maturity, all issued by said County for the purpose of refunding and retiring an equal amount of valid outstanding bonded indebtedness of the County, and is issued pursuant to a resolution of the Board of County Commissioners and pursuant to and in full conformity with the Constitution and Laws of the State of Minnesota thereunto enabling.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions and things required by the Constitution and Laws of the State of Minnesota to be done, to happen, to exist, and to be performed precedent to and in the issuance of this bond have been done, have happened, do exist and have been performed in regular and due form, time, and manner as so required; that prior to the issuance hereof a direct, annual, irrepealable, ad valorem tax has been levied upon all of the taxable property in the County in the years and amounts as required by law, and additional taxes may be levied on all of said property without limit as to rate or amount; and that the issuance of this bond did not cause the indebtedness of the County to exceed any constitutional or statutory limitation of indebtedness, nor did the indebtedness refunded hereby exceed any such limitation on the date said indebtedness was incurred.

IN WITNESS WHEREOF, Pennington County, Minnesota, by its Board of County Commissioners, has caused this bond to be executed in its behalf by the signature of the Chairman of said Board, countersigned by the County Treasurer, attested by the County Auditor under his official seal, and has caused the attached interest coupons to be executed and authenticated by the facsimile signatures of said Chairman and Auditor, all as of June 1, 1944.

______ Chairman, Board of County Commissioners.

Attest: ______ County Auditor.

Countersigned: ______ County Treasurer.

(SEAL)

(Form of Coupon)

No. ______ $______

On the 1st day of June (December), 19___, Pennington County, Minnesota, will pay to bearer at ______ in ______ ______ Dollars for interest then due on its Refunding Bond of 1944, dated June 1, 1944, No. ______

(Facsimile signature) Chairman of Board of County Commissioners.

(Facsimile signature) County Auditor.

3. Said bonds shall be prepared under the direction of the County Auditor, and when so prepared shall be executed on behalf of the County by the signature of the Chairman of the Board of County Commissioners, countersigned by the County Treasurer, and attested by the County Auditor, and the interest coupons to be thereunto attached shall be executed and authenticated by the printed, engraved or lithographed facsimile signatures of said Chairman and Auditor; and when said bonds have been so executed and authenticated the same shall be delivered by the Treasurer to the purchaser thereof upon receipt of the purchase price heretofore agreed to be paid, and the purchaser shall not be obliged to see to the application of said purchase price, but the proceeds thereof shall be used solely for the purpose of retiring and paying the $42,000 of bonds of said County maturing July 1, 1944.

4. The officers of the County are hereby authorized and directed to prepare and furnish to the purchaser of said bonds, and to the attorneys approving their legality, certified copies of all proceedings and records of the County relating to said bonds and to the financial affairs of the County and such other certificates as may be required to show the facts within their knowledge or as shown by the records and books under their custody and control relating to said matters, and such certified copies and certificates shall be deemed representations of the County as to the facts therein stated.

5. A sinking fund for said Refunding Bonds is hereby created, to be held by the Treasurer and to be used for no purpose other than to pay the principal of and interest on said bonds, provided, however, that if any payment of principal or interest shall become due when there is not sufficient money in said fund to pay the same, the Treasurer shall pay such principal or interest from any funds of the County available therefor, and such funds shall be reimbursed for said advances out of the proceeds of taxes levied for the payment of said Refunding Bonds.

6. For the purpose of paying the principal and interest on said bonds, there is hereby levied upon all of the taxable property in the County a direct, annual, ad valorem tax, which shall be spread upon the tax rolls and collected with and as a part of other general County taxes appearing upon the tax rolls for the years and in the amounts as follows:

Year	Amount	Year	Amount
1944	[illegible]	1949	[illegible]
1945	[illegible]	1950	[illegible]
1946	[illegible]	1951	[illegible]
1947	[illegible]	1952	[illegible]
1948	[illegible]	1953	[illegible]

Said levies shall be irrepealable except to the extent and in the manner specified in Minnesota Statutes 1941, Section 475.26, being Section 5 of Chapter 131, Laws of Minnesota, 1927.

7. The County Auditor shall file in his office a certified copy of this resolution, together with such other information as may be required, and shall enter said bond issue in his bond register as required by law, and shall execute a certificate showing that such tax has been levied and the bonds have been so entered upon his bond register.

The motion for the adoption of the foregoing resolution was duly seconded by Commissioner Race, and upon vote being taken thereon the following Commissioners voted in favor thereof: Race, Mabey, Roy and Mandt, and the following voted against the same, None. Whereupon said resolution was declared duly adopted.

Moved by Commissioner Race and seconded by Mandt that $75.00 be appropriated from the Revenue Fund to American Legion Post No. 117, to assist the Post to defray expenses for proper Memorial Day exercises to be held within the County, and the County Auditor is hereby authorized and directed to draw his warrant in payment of this appropriation. Carried.

The following bill was read, audited and allowed:

Revenue Fund

T. O. Evenson, personal service and merchandise, 1944 Refunding Bond issue $[illegible]

Moved by Mandt seconded by Race that the Board adjourn until 10:00 A. M. June 6, 1944.

PAUL ROY,
Chairman.

Attest: A. M. Senstad,
County Auditor.

18-YEAR-OLD CAR GOOD AS NEW ONE

Cokato.—Even though the automobile which Mrs. John Fritze offered for sale last week has wintered and summered 18 years, its condition was better than many a car only a couple of years old. It has been driven an average of 611 miles a year, with a total mileage of 11,000 miles. Its physical appearance, both inside and outside was almost new. It is thought the car had rarely been stepped up to more than twenty miles an hour.

ERIE

Mrs. O. K. Parnow entertained at her home Tuesday afternoon in honor of her daughter, Mrs. Stanley Christianson of Los Angeles, who was here with her family for a couple weeks visiting. Present were, besides the honor guest, Mesdames Bert Coan, Andrew Wells, Jerry Race, Andrew Femrite, J. M. Johnson, Roy Parnow, Arne Lindquist, Clarence Grimley, Leon McMahon, Syver Prestegard, Mrs. H. A. Dahlen and Grace. The hours were spent socially after which a delicious lunch was served by the hostesses, Mrs. Parnow and her daughter, Mrs. Harvey Patten, the latter of Thief River Falls.

School closed in Dist. 65 Friday after an eight-months term taught by Mrs. Orland Rindahl. A nice program was given by the pupils after which a picnic lunch was enjoyed.

The Farmers Union, Erie Local, held their monthly meeting at Clover Nook Friday evening. A short business session was held after which community singing and special accordian numbers were rendered by Hank Hermanson and James Smith. Lunch hostesses were Mrs. Kenneth Kriol and Mrs. J. O. Anderson. Next meeting to be held June 16 at school house in Dist. 56.

Pvt. and Mrs. Albert Langworst, Mrs. Ben Glosser, and Albert Langworst, Sr., all of Chicago, arrived Saturday for a week's visit with the L. H. Johnson family. Albert is on his way to Winnipeg. He was previously stationed at Camp Claibourne, La. His wife has been with him during the past year. Mrs. Glosser is a niece of Mr. Johnson.

Mrs. O. T. Lunden, Doris and Lou Ann of River Valley have spent several days with her parents, Mr. and Mrs. Tellef Hovet, her daughter and son-in-law, Mr. and Mrs. Lloyd Watne and sister, Mrs. Jessie Anderson, and family. They left Sunday for their home.

George Manderud, who is in the navy and been stationed at Farragut, Idaho, is here on a few days furlough with the home folks.

Mr. and Mrs. G. A. Iverson and Mrs. Olaf Stolaas and Beulah of daughter Ruth, accompanied by River Valley and Mrs. Ole Nesland of Roland motored to Hibbing last Wednesday for a few days visit with Mrs. Carl Syversrud and family.

Mrs. Ole Lien, Mrs. Torgie Rolsland and Hans Olson Wolden motored to Malcolm Sunday to visit with Mrs. Olga Englund and family. Mrs. Rolsland and Mrs. Englund are sisters.

Mr. and Mrs. Lewis Schultz and little son of Dorothy were visitors at her parental home, the Prestegards, on Mother's day.

Inasmuch as farm work is not included in employment covered by the Social Security Act, it is not necessary to get a social security account card if you plan to work on a farm.

HIGHLANDING

SHARE THE RIDE TODAY
. . . and You Give Uncle Sam a Lift

Where would we be today if our forefathers had gone their separate ways at their own convenience? When this nation was in its infancy, neighbor gave neighbor a helping hand. That spirit expanded 13 struggling colonies into a vast, united nation.

Today our country is calling upon every one of us to enlist in a great awakening of that early American creed of helping ourselves by helping our neighbors. Sharing our automobiles is as easy as it is helpful. Wherever we go, there's somebody going our way. When we give him a lift, we give Uncle Sam a lift on the way to Victory.

In addition to supplying the armed forces with glider and bomber fuselage frames, wing parts, gun turret parts and foodstuffs, Anheuser-Busch produces materials which go into the manufacture of: Rubber • Aluminum • Munitions • Medicines • B Complex Vitamins • Hospital Diets • Baby Foods • Bread and other Bakery products • Vitamin-fortified cattle feeds • Batteries • Paper • Soap and Textiles—to name a few.

SIMPLIFIED TAX BILL APPROVED BY SENATE SATURDAY

Will Excuse 30 Million Taxpayers from Filing Returns

A "painless extraction" tax bill, designed to excuse some 30,000,000 of the nation's 50,000,000 taxpayers from having to fill out any more federal income tax returns, passed the senate Saturday by voice vote.

The measure, which obligates the collector of internal revenue to do most taxpayers' arithmetic, was sent back to the house for concurrence in minor technical changes.

It reshuffles the entire income tax structure, scraps the two-year-old victory tax and sets new normal and surtax rates and exemptions while holding the total individual income tax burden only $80,000,000 smaller than the present $17,000,000,000 level.

The simplification bill changes completely the withholding levy against wages and salaries—effective next January—to deduct currently the full tax liability of persons earning up to $5,000—thus making the withholding levy the actual tax for some 30,000,000 persons and removing the need for their computing formal returns.

Of the 20,000,000 who still would be required to file returns, 10,000,000 (those earning less than $5,000 but with income other than salary and wages) could use a simple table showing their entire tax. The remaining 10,000,000, with incomes over $5,000, would fill out more detailed returns, which still would be simpler than the present long form.

Until next January, there would be no change in the amounts held out of pay envelopes and salary checks.

LIEUT. GEN. MARK CLARK LAUDS MINNESOTA FISHING

Detroit Lakes.—A boost for fishing in the Detroit Lakes area—and a hint that some day after the war is over he will come back here—was received last week by Chester Kaldahl of Fair Hills resort in a letter from Lt. Mark W. Clark, commanding officer of the U. S. Fifth Army somewhere in Italy. Several months ago Mrs. Clark, in a visit to Minneapolis, told newspaper men of vacations they had spent at Detroit Lakes. Kaldahl dug into his files and found the famous general had stayed at his resort. He immediately wrote to Clark and asked him to be his guest for a month after the victory has been won.

Controls Insects

Fumigation is a safe, effective and inexpensive method of controlling grain insects. A thousand bushels can be effectively rid of insects at a cost of about five dollars without hazard to grain, buildings or operator.

Fatter Oysters

The armed services consume about 40,000 gallons of oysters a week, in season. Oysters will be larger and fatter because the New England beds have now entirely recovered from the effects of the 1938 hurricane.

"The service is excelled only by the charm of the operators"

so wrote a soldier in the Guest Register of one of our Camp Telephone Centers

Thanks soldier!—We're mighty proud of the operators these days. Working under the stress and pressure of wartime telephone needs, they have kept calm, resourceful and courteous.

They are happy doing their part in the war—and in serving the boys in the camps. They only wish more and more telephone users could avoid calling long distance between 7 and 10 at night, so they could get through more promptly the calls of men and women in the service.

Painting Telephone Lines

This telephone man is weatherproofing an outside wire so it won't get wet when it rains and short-circuit somebody's telephone.

This is just one of the many extra things telephone workers are doing nowadays to keep service good and make the fullest and longest use of the equipment and facilities we have—and conserve materials for the war.

THESE CRITICAL DAYS call for more PULPWOOD

TODAY our armed services are shipping enormous quantities of supplies to our fighting men overseas. They are unloading it on farflung beachheads and advance supply bases. Much of this equipment is made wholly or in part from pulpwood. Nearly all of it is wrapped or packed in paper and paperboard containers.

Without enough pulpwood our Army and Navy will be severely handicapped at a time when victory may depend on their all-out effort abroad and ours at home.

Peeled Pulpwood is Needed

War and Home Front needs require that every mill operate full time. This cannot be done without more pulpwood. If you have idle woodlands or can cut pulpwood, now is the time when you can serve your country best and earn the most money for your work. If you delay, it may be too late.

18TH ANNUAL CAMP FOR WOMEN TO BE HELD JUNE 12-15

Able Speakers Will Address Camp at Northwest School

A program of interest to Red River Valley women has been arranged for the 19th annual women's camp at the Northwest School at Crookston June 12-15, according to Miss Retta Bede, camp leader.

Outstanding speakers secured for the camp include Eva S. Schalrer, head of the home economics department, University of North Dakota, Grand Forks; Miss Eleanor Stoltanow, home demonstration agent of Clay county, Moorhead; Mrs. Max Kannowski, superintendent of parks, Grand Forks, N. D.; Dr. J. F. Norman of Crookston, and Mesdames E. W. Eagle and H. H. Hodgson of Crookston.

Handicraft will again be a feature of the week's program. A. M. Foker and H. W. Soderburg will give instruction in wood and metal work; A. M. Pilkey, poultryman, and J. H. Wampole, horticulturist, will give demonstrations in work of their respective departments.

Music, motion picture programs, reception, stunt night, and swimming will feature the entertainment and recreational programs for the three-day camp.

For room reservation, write to the Northwest School, Crookston, Minnesota.

Former Editor of Farm Paper Joins Staff of F. U. Grain Terminal

Dan A. Wallace, directing editor of The Farmer and the Farmers Wife of St. Paul for many years until his voluntary retirement in 1934, joined the Farmers Union Grain Terminal Association, St. Paul, on May 15 as an advisor on agricultural affairs as they relate to the cooperative, M. W. Thatcher, general manager of Farmers Union GTA, announced.

For the past three years Wallace has been in charge of farm relations for the office of distribution of the War Food Administration in Chicago and Milwaukee.

Wallace's work will be devoted exclusively to the two important questions of conservation and cooperation, Thatcher said, and he will continue his relations with the agricultural colleges, farm organizations and farm publications as he did while he was with the Department of Agriculture.

A brother of the late Henry C. Wallace, secretary of agriculture under Presidents Harding and Coolidge, Dan A. Wallace is also an uncle of Vice President Henry A. Wallace.

NEARLY 1000 BOYS AND GIRLS GOING TO 4-H CLUB CAMP

Annual Event to be Held at N. W. School Week of June 5-10

An enrollment of between 750 and 1000 boys and girls is expected at the 33rd 4-H club camps to be held during the week of June 5-10 at the Northwest School of Agriculture, Crookston, according to H. A. Pflughoeft, camp leader. Mr. Pflughoeft states that boys and girls in increasing numbers are engaging in 4-H club projects each year and that the enrollment of club members in northwestern Minnesota counties is now well over the 10,000 mark. Delegates from each of the local 4-H clubs in the Red River Valley district are enrolling daily with the county 4-H club agents.

Specialists from the agricultural extension division, University Farm, St. Paul, the Northwest School of Agriculture, and county agents will be present to give up-to-the-minute instruction in all 4-H club projects, with special emphasis this year placed on all food production projects.

Specialists from University Farm, St. Paul, include A. J. Kittelson, state leader of 4-H club work; Miss Margaret Fobes and Kathleen Flom, W. E. Morris and R. C. Rose. The members of staff from the Northwest School include Superintendent T. M. McCall, Registrar E. N. Reiersgord, R. S. Dunham, O. M. Kiser, A. M. Pilkey, J. H. Wampole, A. M. Foker, H. W. Soderburg, A. O. Naplin, H. A. Pflughoeft, and Retta Bede.

Counties included in each of the three-day camps are as follows: June 5-7—East Polk, Mahnomen, Norman, Clay, Becker, East and West Ottertail, and Roseau; June 8-10 — West Polk, Marshall, Red Lake, Clearwater, Pennington, Kittson, and Lake of the Woods.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

Since the return of the Gripsholm in the middle of March, with 35 seriously sick or seriously wounded American prisoners of war from Germany, government departments and the American Red Cross have received many inquiries concerning the possible repatriation or exchange of other prisoners and civilian internees. There is at the present time no arrangement between nations for the exchange of able bodied prisoners of war. The Department of State is making every effort to see that the names of all United States prisoners of Germany who might be eligible under the Geneva Prisoners of War Convention and the model agreement attached thereto are proposed for examination by the mixed medical commission. The department will be glad to receive from families any names of seriously sick or wounded prisoners of war, together with evidence in each case which demonstrates the possible eligibility of the prisoner for repatriation.

The following is a letter from a prisoner of war in the Philippines, dated August 23, 1943: "Dear Folks: The Imperial Japanese Army has given us permission to write to you. We have not heard from you since we were interned tho we received one cable message from Dr. Aasgaard, and the Hindrelies received one from Rolf Syrdal.

"We were interned in Baguio, Dec. 28, 1941. At first we were at Camp Holm Hay, in Baguio, but on April 23, 1943, we were moved to Camp Holmes, five miles north of Baguio. Here we have more barracks space and more extensive grounds. The view from our mountain home is beautiful. To the north are ranges of pine clad mountains. Below us, a wide valley runs in a northwesterly direction to the shores of the China Sea. Behind us are green hills from which we get our firewood for the camp. We are cool here, for we are a mile above the sea. While you are sweltering in summer heat, we put on sweaters to keep warm. We are quartered in three barracks. As the women are in the majority among our 500 internees, they occupy two of the barracks, while the men are in the third.

Our diet has been quite varied, and in many ways has been adequate, with plenty of rice, which sometimes reminds us of rice and curry. On the whole we have been in good health. We have not yet had to be hospitalized in our small but efficient camp hospital, staffed by a number of capable doctors.

"Time does not hang upon our hands. We do all our own work in camp. Each of us is assigned to a particular detail and spends between two and five hours a day in camp work. I've washed dishes, gathered firewood, cared for camp goats and helped serve meals. I've preached at our Lutheran services every second or third week, so preparation takes a good deal of the time. I also taught a 15 weeks course in Romans, using the Greek text, and a Norwegian commentary. So you see I've learned a little Norwegian, too."

Sulpha Tablets

If a soldier is wounded, and is conscious, he begins to take sulpha tablets as soon as he is hurt, and dusts his wound with the powder. Thus his pain is eased and infection is prevented until he can be reached by a hospital corpsman and taken back to his lines for surgical treatment.

Early Armored Vehicles

For some time prior to World War I, marines used early forerunners of our present day armored vehicles—usually a reconstructed pleasure car sheathed in light armor plate.

A Memorial Day Salute To Our Fighting Men

As we observe the third Memorial Day since the start of World War II, we proudly salute the fighting men from our own community who are doing their full share to free dictator enslaved people from hate, fear and intolerance.

From the heart of everyone will come a Memorial Day prayer that complete Victory will soon be ours . . . that our boys may return home at an early date . . . that those who have given their lives for world freedom may not have died in vain.

HICKORY

Mrs. Harry Hanson was pleasantly surprised Tuesday afternoon when the following walked in on her to bring gifts and eats: Mrs. H. T. Hanson, Mrs. Jorgen Oftelie, Mrs. Arnold Haugan and girls, Mrs. Morris Wilson and boys, Mrs. Kenneth McKercher, Misses Luella Hanson, Ardith Haugan and Clara Mostrom.

On Sunday afternoon a group of relatives and friends gathered at the Albert Arveson home to honor Mrs. Arveson on her birthday anniversary. The hostesses, Mrs. Elmer Engstrom and Miss Amanda Jepson, helped Mrs. Arveson open and display her gifts and arrange the lunch brought by the guests.

Mr. and Mrs. Henry Halvorson, Raymond and Edwin Halvorson attended Memorial services Sunday at Clearbrook for Mr. Halvorson's nephew, Wallace Johnson, who was killed in action in Italy. Wallace was 19 years old and is the son of Mr. and Mrs. Willie Johnson of Clearbrook.

Mr. and Mrs. Harry Hanson acted as sponsors at the baptismal services for Nelda Ann, infant daughter of Mr. and Mrs. Bennie Howard of Highlanding. Rev. E. O. Sabo read the services.

Miss Tillie Anderson returned to the Lester Arveson home last week after spending two weeks visiting at the homes of her cousins, Martin and Carl Eckwall and their families near Goodridge.

Mrs. Kate Knutson and Albert and Lester Arveson received word that their niece, Miss Edna Digerness, daughter of Mr. and Mrs. Joe Digerness of Eveleth, is very ill at a hospital in Rochester.

Raymond Oftelie came Friday from Duluth to spend the week-end with his parents, Mr. and Mrs. E. H. Oftelie. He returned Monday and was accompanied by his mother who will spend two weeks visiting at the home of her son-in-law and daughter, Mr. and Mrs. Alfred Anderson.

Mrs. Orland Rindahl and pupils of Dist. 65 had their last day of school and presented a program.

Mr. and Mrs. Erick Johnson and daughter Eileen and Miss Solveig Bjornaran were business callers in Gonvick and Clearbrook Saturday.

Pack Clothes in Bale

Clothing for U. S. soldiers overseas is now packed in bales instead of boxes.

NORTH

Mr. Engen accompanied his daughter Gunda to Holt Sunday where they visited at the Olaf Halvorson home.

Roy Rude came home Saturday to spend two weeks with his family.

County Line school will have their last day school picnic on Friday.

The Roy Rude family received word that Mr. Rude's uncle, Torger Rude of Granite Falls, had passed away.

Mr. and Mrs. Wilbert Jablinske returned home from Minneapolis Monday. Little Beverley [illegible] remain there for some time. She is improving slowly.

Miss Mildred Jensen has transferred to Florida.

DON'T MISS THIS

Have a Coca-Cola = As you were

. . . a way to relax on a battleship

Wherever a U. S. battleship may be, the American way of life goes along . . . in sports, humor, customs and refreshment. So, naturally, Coca-Cola is there, too, met with frequently. *Have a "Coke"* is a phrase as common aboard a battle-wagon as it is ashore. It's a signal that spells out *We're pals*. From Atlanta to the Seven Seas, Coca-Cola is spreading the custom of *the pause that refreshes*,—has become a symbol of happy comradeship in many lands.

Coca-Cola the global high-sign

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

Clean Furnaces and Buy Next Winter's Fuel Now, Fargo OPA Office Urges

A three point plan for fuel conservation is urged by the office of Price Administration, in anticipation of both transportation difficulties and fuel shortages this coming winter.

Furnaces and oil tanks should be cleaned immediately when weather permits; dwellings and buildings should be made weather-proof by insulation and weather stripping; fuel oil tanks and coal bins should be filled as soon as possible. Furnace repairmen report that from now until the fall frosts their work is light, and they can give prompt and careful attention to cleaning and repair of furnaces and flues.

Fuel oil application blanks will be in the mail during the next two weeks, and consumers will be asked to fill their tanks upon receipt of fuel oil coupons.

University Graduation on Saturday, June 10th

The University of Minnesota's college year will be brought to a close Saturday, June 10, when commencement exercises for about 750 students will be conducted in Northrop Memorial auditorium at 8 p. m.

It will be the first time in many years that the practice of holding the June commencement ceremony outdoors in Memorial Stadium has been abandoned. The relatively small size of the class, resulting from large graduations in December and March because of an accelerated program, plus manpower shortages to erect the special stands and decorations needed for the outdoor program, are reasons for the change.

..still the same fresh coffee!

OUR government has limited the production of glass jars for packing coffee and American housewives are patriotically accepting the paper packages to supplement the glass jars.

Because Nash's Coffee is one of the fastest selling coffees in this community, you may be certain of always obtaining FRESH coffee when you buy Nash's. The fast turnover of stocks brings Nash's Coffee to you in a matter of *days*—fresh from the roaster.

It's the same rich, fragrant coffee you've long enjoyed in cans and jars. Now in war dress, the paper package contains the same Nash's Coffee unchanged in flavor, fragrance, FRESHNESS.

Rationing Dates for Coming Week

Sugar: Stamps No. 30 and No. 31 (Book IV) good for 5 pounds indefinitely. Stamp No. 40 (Book IV) good for 5 pounds Canning sugar through February 28, 1945. An additional maximum of 10 pounds of canning sugar may be applied for through July 21. After August 1, another 10 pounds will be made available to those who need it. The first application to be valid is necessary for the second application.

Meats and Fats: Red Stamp 8A through 8T (Book IV) valid indefinitely. Thirty points will be given every four weeks instead of every two weeks because of the wide selection of meats available without points. Three more red stamps will become valid June 3.

Processed Foods: Stamps 8A through 8Q (Book IV) valid indefinitely. Five more Blue Stamps will become valid June 1.

Shoes: Airplane Stamps No. 1 and No. 2 (Book III) good for one pair of shoes indefinitely.

Fuel Oil: Period Four and Five coupons good for ten gallons per unit through September 30, 1944.

Stoves: Applications for purchase certificates on all gas, oil or coal heating and cooking stoves must be made to local War Price and Rationing Boards.

Gasoline: A-11 coupons good for 3 gallons each through June 21, B2 and B3, and C2 and C3 supplemental ration coupons good for five gallons each.

For your protection against the black market, the rationing rules now require every car owner to write his license number and state immediately on all gasoline coupons in his possession.

Tires Inspections: Truck inspections must be made every six months or five thousand miles, whichever occurs first.

EXCESSIVE LOADS CAUSE ARREST OF 355 LAST MONTH

Highway Patrol Arrests 40 Motorists for Drunken Driving

Exceeding posted load restrictions or legal maximum axle loads brought grief to 355 drivers in April, according to the monthly report to M. J. Hoffmann, commissioner of highways, by Elde Bowe, chief of the state highway patrol. Fines imposed on these violators totaled $6,823.40.

Forty drivers were arrested and paid $2,204.95 in fines for a different type of excess loads, the technical charge being "driving while under the influence of intoxicating liquor." This was 33 fewer arrests for this cause than in April, 1943.

Excessive speed caused 334 arrests and $3,481.85 fines in April, a slight increase over the April, 1943, record. Warning tickets were given to 232 for less flagrant violations of the wartime speed limits.

Other leading causes of arrests and fines were: going through stop signs, 85 arrests, $364 fines imposed; careless driving, 82 arrests, $1,490.50 fines imposed; improper equipment, 113 arrests, $539 fines imposed. Total arrests for all causes during the month were 1,160 and total fines imposed, $16,387.20.

Volume 34 Thief River Falls, Pennington County, Minnesota Thursday, June 1, 1944 Number 22

MINNESOTA HISTORICAL SOCIETY

COUNTY O[illegible] 5TH WAR L[illegible] DRIVE JUN[illegible]

Chairman Lundgren Announces Plan to Seek Total of $475,000

TOWNSHIP BOARDS TO CONDUCT RURAL DRIVE

Andrew Anderson to Conduct Campaign in Thief River Falls

On Monday, June 12, the people on the home front will again be called upon to do their share toward the successful prosecution of the war, for on that day the Fifth War Loan Drive will start. In this campaign Pennington county will be called upon to raise $475,000 through the sale of war bonds. This amount is $87,500 greater than the quota which was set for Pennington County in the Fourth War Loan Drive and will at this time of the year require the cooperation of every person in Pennington county if this goal is to be attained.

"The County Committee has set and established the quotas for the several municipalities of the county," said Paul A. Lundgren, chairman of the county war finance committee. "Realizing that this is the time of the year when our farmers do not always have ready cash, the committee has left the township quotas largely on the same basis as they were in the Fourth War Loan Drive, and the great bulk of the increase for this drive has been thrown into the column of general solicitation in the hope that the quota may be reached by that method without too great a hardship upon the individual purchasers of bonds.

"The solicitation in the country districts will be under the supervision of the town boards. It is not fair to expect these members to do the solicitation personally and they have therefore been authorized to call upon other citizens within their respective townships for such assistance as they may require. It is hoped that those who are called upon to assist in this work will do so willingly.

"The city campaign under the leadership of Postmaster Andrew Anderson will be conducted thru the several civic and fraternal organizations as in the past. The work of assigning individual quotas is now under way and most of the organizations have completed their committees. It is planned to start out the drive on June 12 with a kickoff breakfast as in the past."

SHEEP MEETING TO BE HELD IN SMILEY TOWNSHIP JUNE 9

Flock Management Problems Will be Discussed on Hardisty Farm

A sheep management meeting for Pennington county sheep growers will be held at the Frank Hardisty farm in Smiley township on Friday afternoon, June 9, at 1:30 p. m. according to County Agent Ernest Palmer. All sheep men are invited to attend.

The sheep program this year will emphasize the following points, Mr. Palmer stated:

Internal parasite control, using phenothiazine as a drench and in the salt.

Control of ticks by dipping.

Fat lambs from pasture—using supplementary pasture.

Problems in sheep production and their solution, as winter feeding and management, — those things that have come to our attention in recent months.

Ann Sward Assumes New Duties at Grand Marais

Miss Ann Sward, who recently resigned her post as Pennington county public health nurse after 18 months of service in this community, today took over new duties in Grand Marais, Cook county, where she will conduct a maternity and child hygiene program. Miss Sward had been employed at Grand Marais before coming to Thief River Falls.

Pennington County 4-H Clubs Have 482 Workers

Pennington county 4-H clubs have reached a total membership of 482 boys and girls, according to County Agent Ernest Palmer. This enrollment, which comprises 23 4-H clubs, exceeds the 1943 enrollment by 29 members.

The five highest clubs in the county in enrollments are as follows: Steiner 42, Rocksbury 39, North Star 37, Sanders 34, Northfield 26.

The most popular project among the members is the Victory Garden project with 160 gardens. Following this are clothing 120, poultry 62, homemaking assistance 60. The livestock enrollments are as follows: lamb 59, dairy 42, pig 35.

Other popular projects are food preservation, home improvement, farm mechanics, health and Junior leadership.

The primary aim of the work is to help win the war, according to Mr. Palmer. Each project has a definite part in the food for freedom program and members are carrying both more projects and larger projects than ever before.

The club program in Pennington county is jointly under the supervision of County Agent Palmer, Club Agent Thelma Tveit and local adult and junior leaders.

STUART M'LEOD IS NAMED ALDERMAN BY CITY COUNCIL

Appointed to Take Place of Palmer Hanson, Who Resigns Post

After receiving the resignation as alderman from the fourth ward of Palmer Hanson, who is leaving the city, the council at an adjourned meeting, Monday evening appointed Stuart McLeod, manager of the local Land O' Lakes plant, to fill out Mr. Hanson's unexpired term.

The council in its session also took action to call for bids to be opened June 20 on the house on the tract of land in Marshall county owned by the city. The light department also was instructed to install two electric light poles on the L. B. Hartz Store parking lots.

An appropriation was voted to cover the expenses of council members, City Attorney Theodore Quale and Supt. Ole Legvold who will attend the annual convention of the League of Minnesota Municipalities in Minneapolis June 12 to 14.

Son of Mr. and Mrs. Nathan Brundin of this city, who next Tuesday will be graduated from the United States Military academy at West Point, N. Y., with the rank of lieutenant in the army air forces. After finishing high school in Glenwood in 1940 with the rank of valedictorian, he attended Luther college the following year until transferring to the military academy. He received his appointment by competitive examination in the Seventh congressional district. Mr. and Mrs. Brundin left Tuesday for West Point to attend the traditional June Week festivities, and on their return will be accompanied by Lieut. Brundin, who will enjoy a short leave here.

JUDGE FRED BALE WILL SPEAK HERE SUNDAY, JUNE 4TH

Ohio Lecturer Will Talk on Juvenile Delinquency in Auditorium

The Hon. Fred Bale, formerly judge of the juvenile court in Columbus, Ohio, will be the speaker at a special county meeting in the municipal Auditorium at Thief River Falls on Sunday, June 4th at 8:00 p. m.

Judge Bale comes well recommended. He is one of the country's foremost authorities on juvenile delinquency. Juvenile court records, F. B. I. reports, and his own experiences while a juvenile court officer, will be referred to by the judge as he discusses the startling increase in court cases involving teen-age boys and girls.

This marks his fourth tour of Minnesota. He comes under the sponsorship of the United Temperance Movement of Minnesota. This meeting is one of many planned throughout the state for the purpose of organizing in every county a local temperance organization.

Lundgren Will Address Junior Chamber Tonight

Paul A. Lundgren, chairman of the Pennington county war finance committee, will be the principal speaker at a meeting of the Junior Chamber of Commerce this evening at 6:30 in the Pine Cave of the Palm Garden Cafe, Gordon Reierson, secretary, announced today.

Park Board Plants Trees, Shrubbery Along T.H. 32

A large quantity of trees and shrubbery supplied by the state highway department was set out during the past week by Carl Larson, superintendent of the city park system, on the south approach to the city on Highway 32. Included in the plantings were 67 spruce, seven elm trees and 168 lilac bushes, which will aid materially in beautifying that section of the city.

LINCOLN HIGH GRADUATION IS FRIDAY NIGHT

120 Seniors to Get Diplomas at 1944 Commencement Exercises

JUSTICE OF SUPREME COURT TO BE SPEAKER

Dr. A. E. Jacobson to Confer Diplomas on Members of Class

The Lincoln high school graduating class of 1944, numbering 120 members, will receive diplomas at commencement exercises in the high school auditorium Friday evening at 8 o'clock, Supt. Philip L. Fjelsted announced today.

Garbed in cap and gown, the candidates will march down the aisle to the strains of the processional march played by the Lincoln school band directed by Edward Anderson.

Following the salutatory by Donelda Weckwerth, two selections will be rendered by the high school chorus directed by Mr. Anderson, after which the commencement address will be delivered by Judge Luther W. Youngdahl, associate justice of the Minnesota supreme court.

The high school boys' octet will supply two selections, and Ruth Meyer, highest ranking senior, will give the valedictory.

W. G. Claffy, principal, will present the class to Dr. A. E. Jacobson, president of the board of education, who will confer the diplomas. Mr. Fjelsted will confer teachers' certificates and scholarships, while the American Legion award will be presented by Alfred Skarstad, and the Legion auxiliary award by a member of the local unit.

The program will close with the playing of the recessional march by the band.

MEMORIAL DAY DULY OBSERVED HERE TUESDAY

Legion Post Sponsors Program Conducted in Elks Memorial Park

JUDGE H. O. CHOMMIE DELIVERS ADDRESS

Cites Real Significance of Memorial Day Observance

Citizens of the Thief River Falls community paid reverent tribute to the war dead Tuesday morning at impressive Memorial Day exercises conducted in the beautiful setting of the Elks memorial park. Kern M. Olson presided over the rites, which were sponsored by Elmer J. Ecklund post of the American Legion.

Judge H. O. Chommie, the speaker of the day, stated that the occasion marked a time to contemplate, not the pageantry of war, but its ultimate banishment from the world. It is he said, a day to consider the sacrifices made by the soldier dead in order that the privileges and immunities of American citizenship may be ours to enjoy.

After paying tribute to the men who fought in this nation's earlier war, he said the issue in the current conflict is plain—we are fighting for our very lives. He closed by quoting from Lincoln's Gettysburg address.

The program opened with a selection by the Lincoln high school band, followed by the singing by the audience of "America" to the accompaniment of the band. The invocation was given by Rev. Dan T. Beadie, followed by selections by the high school boys' octet.

W. E. Dahlquist paid a brief tribute to the memory of the unknown soldier and sailor dead, and quoted from the poem "In Flanders Field." The program closed with the placing of wreaths in the memory of the soldier and sailor dead followed by a volley by the firing squad, taps by P. O. Pederson, the benediction by Rev. A. L. Merth and the rendition by the band of "The Star-spangled Banner".

Preceding the program, there was a procession from the municipal Auditorium to the park made up of numerous units including the color guard, Lincoln high school band, war veterans and auxiliary members, Gold Star mothers and their families and boy and girl scouts. Joe Maruska served as parade marshal.

BACCALAUREATE RITES ON SUNDAY WELL ATTENDED

Rev. Dan T. Beadie Addresses Lincoln High School Senior Class

An audience that filled the Lincoln high school auditorium Sunday evening attended baccalaureate services conducted by Rev. Dan T. Beadie, pastor of the Community church.

Selecting for his theme, "Pioneering in 1944", Reverend Beadie pointed out that the physical frontiers in this country now are gone, and he urged his hearers to become pioneers in the field of human relations, a course he said is necessary if the world is to survive. Among the qualities needed, he said, are perseverance, courage, patience, faith and divine guidance.

The program opened with the processional march played by the Lincoln high school band, directed by Edward Anderson, who also directed the high school chorus and girls' sextet in groups of numbers. The audience sang two hymns, accompanied on the piano by Mrs. James deVeau.

Annual School Officers Meetings to be Held in Rural Districts June 27

Captain Corlan Dokken Is Married to Peter Engleman, U. S. Navy

WAC Captain Corlan Dokken, daughter of Mr. and Mrs. Otto J. Dokken of this city, became the bride of Seaman 2nd class Peter Engleman at the American Lutheran church in Baltimore, Maryland, Sunday evening, May 28.

Cool and crisp white uniforms were worn by army and navy members of the wedding party. Colonel R. W. Riefkohl of Third Service Command headquarters gave the bride away. The maid of honor was Ensign Nyal C. Dokken, sister of the bride, and the bridesmaid was Captain Sally M. Byrnes of Washington, D. C. Serving as best man was Lieut. J. G. Clovis Smith of Camp Peary, Va., while the ushers were Lieut. (J. G.) Willis Storrk, Captain H. G. Strobbar, and Captain William J. Wilson.

Before entering the navy, Seaman Engleman was active as newspaper man, writer, and lecturer for 18 years in seven different countries. He came as a civilian to this country in 1938 from Germany, where he had been a member of an anti-Nazi organization. Most of the members disappeared, but Engleman managed to escape through Norway. He was publicity man for German president, General von Hindenburg, when the latter was campaigning against Hitler, and he was also with a leading Berlin daily "Deutsche Allgemeine Zeitung," as political editor and writer. He entered the service last October and became a naturalized American citizen only last month.

Following the wedding which took place at 8:30 P. M., there was a reception at the Junior League club, 11 East Chase Street. Upon their return from a seven day honeymoon in the Alleghenies, Seaman and Captain Engleman will live in an apartment on Eager street, he commuting every day to Washington, where he is with the educational services, and she resuming her duties at the Third Service Command headquarters.

Miss Beulah Dyrud and Lieut. Clayton Berg Speak Marriage Vows

Against a lovely background of spring flowers, ferns, and lighted tapers, Miss Beulah Dyrud, daughter of Mr. and Mrs. John Dyrud of Newfolden, and Lieut. Clayton J. Berg, son of Mr. and Mrs. A. J. Berg, spoke their wedding vows. Rev. G. P. Ronholm officiated at the candlelight ceremony in the Bethlehem Lutheran church at Newfolden Monday evening.

Irene Hugeland played the traditional wedding marches, other nuptial music being provided by Mrs. Bates, who sang "I Love You Truly" and "Because."

The bride, who was given in marriage by her father, was lovely in a gown of white taffeta and net fashioned with fitted bodice, sweetheart neckline, and three-quarter length sleeves. She carried a white Bible with a corsage of white roses, and wore a pearl lavalier, which had been worn by the bridegroom's mother at her wedding 29 years ago.

As her maid of honor, Miss Dyrud chose her cousin, Lucille Ness of Minneapolis, who wore a gown of blue marquisette. Mrs. Lyle D. Victor (nee Helen Berg), sister of the bridegroom, and Betty Dyrud, sister of the bride, were bridesmaids wearing champagne pink net and lace and yellow taffeta, respectively. All the attendants wore flowers in their hair and carried colonial bouquets.

Wearing a floor length gown of white net with blue satin bows and carrying a miniature colonial bouquet, Carol Rae Carlson, cousin of Lieut. Berg, was flower girl. A. J. Berg, father of the bridegroom, served as best man with Henry Knoke of Minneapolis and Glenn Carlson of this city as other attendants.

Following the ceremony Mr. and Mrs. Dyrud were hosts at a reception in the church parlors for friends and relatives. Mrs. Dyrud received her guests in a brown costume with a corsage of yellow roses, while the bridegroom's mother wore a navy blue dress with a corsage of pink roses.

The bride is a graduate of the Newfolden high school and of the New York Hairdressing Academy in Fargo, N. Dak. Prior to her marriage she was employed as beauty operator in Minneapolis.

Lieut. Berg, graduate of Lincoln high school with the class of 1939, attended the California Flyer School of Aeronautical Engineering at Los Angeles, and recently was commissioned a second lieutenant at the Pecos Army Air Field, Texas. Lieut. and Mrs. Berg will be at home at Pecos after June 6.

Mrs. Earl Severson Has Party for Daughter Margo

Mrs. Earl Severson entertained at a party Wednesday afternoon of last week honoring her daughter Margo Janice, who was three years old that day. Guests were Mrs. Stan Larson and daughter Karen, Mrs. Willis Johnson and Dennis, Marilyn Stenberg, Mrs. Otto Stenberg, Alice Ann Severson, Mrs. Albert Severson, and Carol Severson. Lunch was served following a social afternoon and gifts were presented to the honored guest.

Marjorie Maidment Is Wed to Albert Vander Weg Monday Morning

Miss Marjorie L. Maidment, daughter of Mr. and Mrs. Charles Maidment, became the bride of Albert Vander Weg of Red Lake Falls, son of Mr. and Mrs. John Vander Weg, Monday morning at a ten o'clock low Mass in St. Bernard's church, Father A. I. Mertif officiating.

A floor length gown of white taffeta with a floral design was worn by the bride with a long veil extending into a train. She carried a large bouquet of roses and wore the bridegroom's gift, a necklace.

As her attendants she chose Miss Lorraine Brossoit, maid of honor, and Miss June McCann and Miss Ilena Vander Weg, twin sister of the bridegroom. Miss Brossoit wore a pale blue floor length gown, while Misses McCann and Vander Weg respectively wore pink and yellow gowns. They al. carried bouquets of peonies and wore chapel veils. Darlene LaFave was flower girl wearing a white organdy formal trimmed in blue and carrying a basket of pink snapdragons. Like the bridesmaids she also wore a chapel veil.

For her daughter's wedding, Mrs. Maidment wore a navy blue dress suit with white accessories, while Mrs. Vander Weg had a navy blue dress with navy accessories.

A reception was held at the home of the bride's parents for forty guests immediately following the ceremony with Mmes. Ernest LaCoe, Bernard LaCoe, Wm. LaFaye, and Kenneth Maidment attending to the serving of lunch. At the same time the thirtieth wedding anniversary of the bridegroom's parents was celebrated. The lunch featured a two-tiered wedding cake topped with a miniature bride and groom and an anniversary cake decorated in pink and white.

Out of town guests at the wedding were Mr. and Mrs. John Vander Weg and daughter Jean, Mr. and Mrs. Jake Vander Weg and daughter Barbara, and Ted Naplin, all of Red Lake Falls; Mr. and Mrs. Gilmer Bakken of Viking; and Cpl. Arthur LaFleur, home on sick leave from the army.

Mr. and Mrs. Vander Weg will be at home on a farm near Red Lake Falls. Before her marriage the bride was employed at the Ben Franklin store.

Red Water

The "red water" which sometimes discolors the ocean along California's seacoast is not caused by the stirring up of bottom sediments but by the presence of millions of microscopic plants, says W. E. Allen, assistant professor of biology at the University of California's Scripps institution of oceanography.

Allen reports that clouds of red water came into La Jolla bay last year and that samples taken from them showed from 1,000,000 to 3,000,000 microscopic cells per liter. The plant was identified as Gonyaulax polyedra, a species related to the tiny organisms which sometimes cause human death through poisoning mussels.

Though this particular cause of red water has appeared only 3 times in the last 25 years, there are other more common species, Allen says. For instance, there is Prorocentrum micans, which makes at least a slight showing almost every year. It is a tiny cell with a soft yellow color, but in heavy concentrations it often produces a deep red tone.

Bessarabia Territorial Football in Europe

In the sixteenth century Bessarabia was tossed back and forth between Crimean Tatars and Turks, later caused Turkish and Russian rulers to quarrel. Held by Russia for more than a century, Bessarabia was shifted to Rumania in the World war adjustments of 1918. This change was recognized in 1920 by most of the Allies. The United States did not sign the treaty. Soviet Russia never acknowledged the validity of the transfer.

Bessarabia is about as big as New Hampshire and Massachusetts combined, resembles the topography of the American Middle West, is a country of farmers. About 90 per cent of its land was used for growing wheat, barley, oats, and Indian corn. Soybeans, sugar beets, potatoes, tobacco, grapes, plums, and other fruits were also raised in quantities, stocked the home larder, made up a substantial part of the domestic stock in trade. Bessarabian oats and barley were major exports to Germany, best customer.

Bessarabia was not only prized as a food basket for Europe's crowded cities and fighting armies, it had great military significance as a frontier shock absorber. On its annexation by czarist Russia in the early nineteenth century, Alexander I declared, "God has given Russia not only new territory, but also an important strategic possession."

Prevention Best Method For Controlling Mastitis

An ounce of prevention is worth a pound of treatment for mastitis (garget) in dairy herds, according to the department of animal pathology and hygiene, University of Illinois college of agriculture. Blood testing and disposing of reactors are the most important steps in a prevention program.

Replying to inquiries made by many dairymen about treatment for mastitis, the department points out that, following proper diagnosis, carefully selected animals in the early stages of the disease can be cured and the gland will resume the secretion of normal milk. If judiciously employed, this procedure offers definite advantages in salvaging the productive capacity of affected cows, especially under wartime need of increased milk production.

However, there is no known treatment that repairs the damage caused by mastitis, nor does it increase the resistance of treated animals to reinfection. For this reason, the only reasonable conclusion is that treatment is not the solution to the problem of chronic mastitis.

"Treatment cannot be of any lasting benefit to a dairyman unless simple measures of prevention are employed," the department says. Therefore, the real answer to the mastitis problem is prevention. Treatment is only a means of salvaging mildly infected animals.

Eyes Wobble

That vision goes up and down when the eyes are held in close attention on an object can be demonstrated by many experiments. One simple test can be made by placing a small black dot on a piece of white paper and placing the paper at a distance at which the dot will be barely visible. After the eyes are concentrated on the dot for a short time the dot will fade out and reappear at regular intervals.

This ebb and flow of sensations is found in the other senses as well as in vision. If a watch is placed at a distance so that its ticking is just audible, after a few seconds the ticking will fade and reappear at regular intervals. The length of the recurring waves of attention is about the same for the eyes and the ears. The period of fluctuation varies from 3 to 25 seconds with different persons.

Lost Empire

A lost empire was reported unearthed by Russian scientists in central Asia, where it had been buried under desert sands over 2,000 years. Remains of towns and settlements of about 500 B. C., and traces of irrigation canals, indicate that this desert region of Kara Kum and Kyzyl Kum was once agricultural land.

Search for coal in the mountains near Stalinabad, capital of the Soviet Republic of Tadzhik, revealed a subterranean city in a series of great corridors extending miles into the mountain. The corridors were decorated with animal pictures, and contained many stone implements.

Russian construction of a hydroelectric plant in the neighboring Republic of Uzbek brought to light scores of tombs yielding Syrian and Iranian ornaments, and Chinese copper coins of the third century.

Celebrated for Beauty

Nevada, with its many scenic attractions, colorful deserts, and interesting old mining towns, is generally known as the state of national parks and national forests. Less known, however, are the underground spectacles, of which Lehman Caves National monument, located near the Nevada-Utah boundary, typifies one of nature's grandest of underground caverns. The caves were discovered in 1878 and are celebrated among scientists for their delicacy of formation, large chambers, galleries, and passage ways exhibiting stalactites and stalagmites of exceptional beauty.

U. S. Civil Service Is Engaging Workers Here for Jobs in Nebraska

Even in these days of war, a man and his wife need not be apart, it was announced today by Rena B. Smith, regional director of the Eighth U. S. civil service region.

A married couple can earn approximately $5,000 a year, or $417 a month, by performing vital war work at the naval ammunition depot, Hastings, Nebraska.

Transportation is paid from place of recruitment to Hastings, and meals are paid for en route.

Housing is available, nursery schools are maintained, and a grade school is located on the grounds. Workers are entitled to annual and sick leave privileges.

Single women without dependents recruited in pairs are also urged to take advantage of this opportunity.

A representative of the civil service commission will be at the employment service office in Thief River Falls, today, Friday and Saturday, June 1, 2 and 3 to conduct interviews and offer immediate appointment, according to Russell E. Olson, manager.

Persons now employed in war work should not apply.

Dry Period

A mature cow should be allowed a dry period of six to eight weeks during which time she should be given all of the hay and silage she will eat, one specialist advises. The amount of grain needed, in addition to roughage, will depend somewhat upon the condition of the animal. Most good cows need about six to eight pounds of grain daily for the first four to six weeks of the dry period. The grain ration can be made up of a mixture of cereal grains, thus conserving protein for the milking herd. Heavy grain feeding should be discontinued a week or 10 days before calving.

Growing heifers can and should be raised on maximum roughage feeding. Grain feeding, however, should be started about two months before calving. A daily allowance of five to six pounds of grain is usually sufficient to put a heifer in a good condition of fleshing.

- You can't buy better, at any price!

1 YOU SAVE ON THE COST PER GALLON! Super is top-quality, at a money-saving price. In impartial laboratory tests with the top grades of the 6 best-known nationally advertised house paints (ALL HIGHER IN PRICE) Super proved—It HIDES BETTER (because of more Titanium Dioxide); GOES FARTHER (gallon covers 600-900 sq. ft., one coat); and LASTS LONGER (because it contains a more expensive Linseed Oil).

2 YOU SAVE ON THE "COST PER YEAR"! In the average house paint job, only one-third of the cost is the paint itself; the other two-thirds is the labor. This labor cost is the same for a low-grade house paint (that will need repainting in a year or two) as it is for a LONG-LASTING top-grade paint like SUPER. That's why the longest lasting paint you can buy will cost you the least per year. So PAINT WITH WARDS SUPER ... and SAVE!

MARSHALL CO. F. U. TO HOLD PICNIC IN NEWFOLDEN JUNE 4

Einar Kuivonen, State President, Will Deliver Address

The second annual Marshall County Farmers Union picnic will be held at the Newfolden city park on Sunday, June 4, with a full day's program arranged by the county organization.

Einar Kuvinen, New York Mills, president of the Minnesota Farmers Union will be the principal speaker during the afternoon program. Mr. Kuvinen will bring out to the public the vital need for a wartime and postwar organization. Bob Hanchin, grain terminal association field man will also speak while Virginia Heimark, state recreational director of the Farmers Union will be in charge of children's games.

Each of the 14 local unions in the county is expected to present an entertainment number during the day. A ballgame between the east and west parts of the county will be a special feature as will also a horseshoe pitching contest. Refreshments will be served on the grounds.

Labor Shortage Threatens

Loss of a million farm workers within the next 12 months is in prospect if present trends continue. About half of these will go into the armed forces and the other half will be employed by urban industries. The resulting shortage of farm labor will curtail agricultural production, it is expected.

Fatter Oysters

The armed services consume about 40,000 gallons of oysters a week, in season. Oysters will be larger and fatter because the New England beds have now entirely recovered from the effects of the 1938 hurricane.

Blow Soap Bubbles

Next time the children have a party let them blow soap bubbles, with a little glycerine added to the soapy water. The glycerine will make the bubbles look much prettier—all rainbow colors and iridescent—and they'll last longer, too.

To Speak Here Sunday

JUDGE FRED HALE

Of Columbus, Ohio, who will discuss juvenile delinquency in an address in the municipal Auditorium next Sunday evening, June 4, at 8 o'clock.

Minnesota Families Get $4,883,000 in Insurance Benefits Since Jan. 1st

Minnesota families received $4,883,000 in life insurance death benefit payments during the first three months of this year, compared with $4,042,000 in the corresponding period of last year, the Institute of Life Insurance reported today.

"These payments were made under 3365 policies, compared with 2975 policies in the first quarter of last year," the Institute said in announcing the figures. "The payments reflect the wartime trend of mortality, going 21% over those of the same period of 1943. The increase has been due in part to the claims on men in the armed forces, in part to the increased mortality on the home front attributable to the cumulative pressure of the war effort and in part to the after-effects of the influenza epidemic of the past winter."

The payment in this state compare with $1,025,000 in the pre-war first quarter of 1941.

Funeral Services Are Conducted Wednesday for Alfred Nelson, 76

Funeral services were held Wednesday afternoon at 2 o'clock for Alfred Nelson, retired farmer, who passed away Friday at his home on the north end of Arnold Ave. Rev. Walter M. Pedersen officiated at the Gulbranson funeral chapel and interment was made in Greenwood cemetery.

Mr. Nelson was born in Vermerbyn, Sweden, Oct. 15, 1867, and at the age of 20 he came to the United States, where he was employed on the Tarbell and Buffington farms near Euclid and on the March farm near Warren. He was married to Mary Peterson at the home of her parents in Viking Oct. 12, 1898. He took up farming near that village, living there until coming to this city last fall. About seven years ago Mr. Nelson suffered a stroke from which he never fully recovered.

Surviving are his wife, Mrs. Mary Nelson; two daughters, Mrs Myrtle Peterson of Superior, Wisconsin, and Mrs. Florence Pierce of this city; a step-daughter, Mrs. Dorsa Sumner of Superior, Wisconsin; six sons, Carl of Key West, Fla., Henry, Clarence, Oscar, and Reuben of Milwaukee, Wisconsin, and Ernest of Viking; and seventeen grandchildren.

First Railroad

The first road of rails in this country is believed to have been a short inclined track used as early as 1795 to convey brick and other clay products from kilns on Beacon Hill, Boston, to a street below. In 1809 Thomas Leiper built a tramway to connect his quarry at Crum Creek, Pa., with tidewater on Ridley Creek. This road now is part of the Baltimore and Ohio railroad. The first railway corporation actually to build and operate a railroad in this country was the Granite Railway company which built the Granite railroad from quarries near Quincy, Mass., to tidewater on the Neponset river, a distance of three miles. In 1827 the Maryland legislature granted the charter for the construction of the Baltimore and Ohio road, the first road opened for passenger service.

Control Nodular Worms

Sheepmen now have an effective treatment for nodular worms of sheep in phenothiazine. Penn State livestock specialists explain that the control is important because the worms damage the upper intestines, which are used for surgical sutures.

Let Us Spray—or Dust!

—Photo Courtesy Ferry-Morse Seed Co.

Watch for destructive insects as soon as the first little leaves poke through the Victory Garden soil. They are usually ravenous for tender young foliage, shoots, and buds, and the smart gardener will be on hand with the proper control even before the pests show up.

Two types of insect are well known nuisances—those that suck the juices or sap of the plant, as aphids or plant lice, and those that chew or bite off bits of the plant, as worms of various kinds, caterpillars, and beetles. The effect of the first type can be seen in general droopiness and unhealthy appearance of the plant; the work of the second shows up in actual riddling of the leaves and other plant parts.

For sucking insects contact insecticides are needed. The spray or dust must hit and cover the insect, actually smothering it. Stomach poisons are required for destroying chewing insects. The material is sprayed or dusted thoroughly on all surfaces of the plant so as to make a deposit. When the insect starts to eat the plant, it also takes in some of the poison and is killed.

Whether you dust or whether you spray makes little difference. Either can be effective if properly done with a good insecticide. Much may depend upon the control material you are able to get and what you may have or can get in these days of shortages. In small gardens, especially, dusting is fully as easy as spraying.

With a square yard of cheesecloth, a strong string and a slender stick, you can quickly make your own dusting apparatus. Spread the cheesecloth on a flat surface and pile the insecticide dust in the center. Gather up the cloth by the four corners and tie the string securely around it, leaving the contents resting loosely inside.

Hold the bag with one hand directly over the plant and strike it gently on the side with the stick. A part of an old broom handle will do nicely. The dust should cover all parts of the plant. It will stick better if the work is done when the plants are moist with dew, rain, or water from the hose, but do not dust just before a shower or your work will be useless. Be sure that the dust sticks to the underside of the leaves as well as the upper surface. It is important to choose a day when no wind is stirring.

If you use a spray instead of a dust, see that the leaves and other parts of the plant are dry so that the insecticide solution will not be diluted as it strikes the surface. A hand sprayer with a glass jar attached is one of the simplest to use and one of the easiest to get at present. It can be readily cleaned after using, and strong solutions cannot corrode it as might be the case with an all metal container.

In using a spray, the same as with a dust, be sure to reach the underside of the foliage as insects are even more likely to be feeding there than on the upper surface, and that is where their eggs will probably be hidden.

ADVISORY BOARD OF THE RED CROSS MEETS YESTERDAY

Various Projects Brought up for Discussion at Session

At its regular monthly meeting held May 31st in Chapter Chairman Herman A. Kjos' office, twelve members were present. Mr. Kjos reviewed the local Red Cross officers and their work for the benefit of the new members.

The committee was informed by letter from area office in St. Louis, that the University of Minnesota recently offered the facilities of the Center for Continuation Study to the Junior Red Cross to be used for a Junior Red Cross Institute. During the last few years the Junior Red Cross program has grown rapidly. As the Red Cross in the schools, the Junior Red Cross is making great contributions to the Senior Red Cross program and the war effort. It is expected that the contributions of the schools through the Junior Red Cross will continue to be very important during the rehabilitation period after the war and in the peace years to follow.

In order to use most effectively the resources inherent in a large Junior Red Cross membership, it is necessary for the Red Cross to use every available means to inform school leaders about the program.

Accordingly, the board voted that a committee composed of three members: Philip Fjelsted, supt. of schools; Mrs. A. C. Matheson, county supt. of schools; and Mrs. H. Brumund, elect a representative to attend the institute June 5 to June 10th. Junior Red Cross interpretation, organization, and improved program development will be featured.

Mrs. O. G. Lynde, home nursing chairman, stated only three people volunteered to attend a home nursing instruction class, therefore plans await a larger number of students.

Mrs. A. M. Ause, kit bag chairman, reported that the second quota of kit bags is about finished and shipment will be made next week.

Mr. Fjelsted stated plans were again being made by the recreation board to take care of the swimming instruction, to be in charge of Mr. Quentin Jones, Red Cross instructor and local teacher. The board voted to allow the amount of $150.00 to be used as last year to help pay for that instruction.

The board also voted to continue its regular monthly meetings held the last Wednesday of every month at 8 o'clock in the court house.

Rites Last Thursday

LOREN C. DILLON

Veteran Soo Line conductor, for whom funeral rites were conducted last Thursday following his death May 21 from fatal injuries sustained in a train crash at Fordville the previous evening.

School Superintendent at Newfolden to Leave

Leslie Anderson, superintendent of the Newfolden school, recently was elected to take charge of the schools at Bertha, and also will direct the band. The new superintendent is a former Frazee resident, graduating from the high school there in 1928 and from the Luther College, Decorah, Iowa, in 1932. He has taught science and been director at Hallock and Mohall, N. D., and for eight years was superintendent and band director at Lake Bronson. The past year he has held a similar position at Newfolden.

Special Speakers at the Gospel Tabernacle Here

Rev. and Mrs. Percy Johnson, who for the past few years have been serving in Patton, Maine, will be guests speakers at the Gospel Tabernacle Sunday evening. Rev. Johnson, a son of Mr. and Mrs. P. O. Johnson of this city, was raised in the Grygla community, and Mrs. Johnson was formerly a missionary to Africa. Rev. Olaf S. Palm of International Falls, will speak in a series of meetings beginning Wednesday, June 7, Rev. G. R. Carlson announced today.

CHATS WITH DEER

Windom.—Seeing deer in southern Minnesota is most common nowadays, but talking with one is something new. Clark Cone claims to have been on speaking terms with one of the beautiful creatures as he worked in the field a few days ago. Looking up from his work suddenly, he found himself within speaking distance so he said a few words to the deer. He looked at Cone, listened to his voice for a minute or two and then suddenly turned, jumped two fences and dashed off.

WARNS DRIVERS OF CHILDREN HAZARD DURING VACATION

Editorial Assn. Officer in Plea for More Careful Driving

A plea to motorists and parents to cooperate in preventing accidents to children during the summer vacation, was made today by M. A. Johnson of Blue Earth, chairman of the Minnesota Editorial association's traffic safety committee.

"A half million Minnesota youngsters who are in school from September to May will have vacation during June, July and August," said Mr. Johnson. "Boys and girls are full of energy and want to be outdoors. Many city children will be playing in the streets, many youngsters in the country will be walking along the highways. Many others will be 'going places' on bicycles.

"This calls for constant alertness on the part of motorists, especially when driving in residental areas. It is not enough to slow down when you see children walking or playing in the streets or highways. It is also necessary to be on constant guard for children who may dart out from behind parked cars, or swerve suddenly from the sidewalk or road shoulder into the roadway.

"Parents should warn children against playing in the streets. They should train them to walk carefully, to look both ways before crossing roads or streets, and to walk on the left side when walking along highways. Wherever possible, parents or civic agencies should provide places to play that will keep children off the streets.

"Special pains should be taken to impress the safety rules on youngsters with bicycles. They should be cautioned against carrying passengers on the handle bars and against zigzagging and weaving in and out of traffic. Bicycles are vehicles, and should keep to the right. Bicyclists should stop for stop signs, signal for left turns, and carry proper lights and reflectors at night."

Former Local Residents Plan California Outing

The Times was notified this week by Oscar Sponheim, formerly of this city, that the Thief River Falls society of Southern California will hold its annual picnic in Recreational park at El Monte, Calif., Sunday, June 24, opening with a picnic lunch during the noon hour.

Reflections

ONLY GOOD ONES

On a visit to the cemetery one day little Audrey was showing her mother how well she had learned to read by reading aloud one after another of the epitaphs. After the 12th, she stopped, a puzzled frown on her face.

"What's the matter, dear?" asked her mother. "Have you found one you can't read?"

"No, mother," replied little Audrey. "That's what I was looking for, but they don't seem ever to bury the sinners."

Universal Trouble

Harry—I can't marry her. I don't know much about her.

Jerry—What of it? In India a man doesn't know his wife until after he marries her.

Harry—What do you mean—in India?

Pleasant Cure

She—What's the best way to make you stop kissing me?

He—Let me get tired?

Close Quarters

Jones—Why is your Dachshund so close to the ground?

Smith—He was born under our bed!

Orders!

Wifey—I'm making a resolution you won't drink, smoke or go out with other women.

Hubby—You're making that resolution?

Wifey—Yes! And it's not going to be broken either!

EASY SOLUTION

Conductor—You can't use this ticket. It says New York to Cleveland, and this train is going from Cleveland to New York!

Passenger—Oh, that's all right. I'll ride backwards!

In the Army

Rookie—Do you think I might get a lot of medals when I get in the fighting zone—I'm a sharpshooter, you know?

Sarge—The fellow with the most medals in our regiment was a crapshooter!

Poor Papa

Mrs. Jones—I got big-hearted this morning and gave a bum five dollars.

Mrs. Smith—What did your husband say to that?

Mrs. Jones—Thanks!

Keep Trying!

Nit—What do you do when in doubt about kissing a girl?

Wit—Give her the benefit of the doubt!

Weak Willed?

He—How about our going out in the moonlight and sitting this one out?

She—Not me!

He—Don't you trust me?

She—I trust you and I trust myself. But I don't trust the two of us!

Same Difference

Him—I'm a kissing fool!

Her—And I'm kissing a fool!

CAREFUL LANDLORD

Harry—This is a very quiet building you live in?

Jerry—I'll say. When I rented this apartment, the landlord asked if I had any children, or dogs, or birds or other pets. Finally I interrupted him and said: "I've got a fountain pen that scratches!"

Tough Job

Nit—I think she married me for my money.

Wit—Well, she earned it!

Yes But—?

Wit—When is a goat nearly?

Nit—I don't know. When?

Wit—When it is all butt!

No's the Answer

He—What would you say if I asked you to be my wife?

She—Nothing. I can't talk and laugh at the same time!

Baking, Eating Apples

McIntosh and Cortland are among the best varieties of apples for baking as well as for eating fresh.

HE DIDN'T SAY 'NO'

May—Did you ask father for his permission to marry me?

George—Yes, dear.

May—What did father say, yes or no?

George—He didn't absolutely refuse, but he made a very severe condition.

May—What was it?

George—He said he would see me hanged first.

COINCIDENCE

Jane—Well, no matter what you think about Sam, there's one thing I'll say for him.

Joan—What's that?

Jane—You don't notice his stuttering unless he talks!

Chief Loafer

Pat—Say, I hear the foreman fired you?

Mike—You know what a foreman is—he's the one who stands around and watches his men work.

Pat—What's that got to do with it?

Mike—He got jealous of me. People thought I was the foreman!

In This Corner!

Joe—What's this I hear about your having a fight with your wife and making her come crawling to you on her knees?

Bill—Yeah, she was on her knees all right, but what she said was, "Come on out from under that bed, you worm!"

Galloping Consumption

Jones (to Smith hopping along the street)—I thought you were ill! What's the idea of jumping along the street like that?

Smith—I am sick, but my doctor told me to take my medicine three days running and skip one!

Music Lover

Latecomer—What's the orchestra playing now?

Neighbor—The "Fifth Symphony."

Latecomer—Good! I've missed four of them already!

Home Front

Him (in the army)—And this is my gun.

Her—Tell me one thing, dear. Is it true that the harder you pull the trigger the farther the bullet will go?

No Backtalk

First Pvt.—What was the sarge saying to you?

Second Pvt.—I dunno. I was so busy saying yessir, I couldn't hear him!

Some Memory!

Jane—Why did you get fired from the 5 and 10 store?

Joan—Because I couldn't remember the prices!

Ask the Boss

Mr. White—You say you never disagree with your wife?

Mr. Milktoast—Never. She goes her way and I go hers.

You're All Wet!

Him—Darling, I'm knee deep in love with you.

Her—Okay, okay, I'll put you on my wading list.

IN THE ARMY

Sarge—Why is it important not to lose your head in battle?

Rookie—Well, if you did there wouldn't be any place to put your helmet.

Servant Problem No. 999

Housewife—Mandy, you've left fingerprints all over the plates!

Mandy—Well, ma'am, dat done show Ah ain' got no guilty conscience!

Just a Dummy

Mrs. Brown—Everybody tells me you have a model husband!

Mrs. Blue—Yeah, but he ain't a working model! He's just a blueprint!

No Hard Feeling

Office Boy—I'm sorry, but the boss told me to tell you he's not in.

Salesman—That's okay with me. Just tell him I'll wait!

Women's Weakness

Wifey—Where can I put this so I won't forget it when I go out?

Hubby—Right in front of the mirror!

No Change Yet

Harry—A hundred years ago my ancestors were perfect savages!

Jerry—You wouldn't know it was as long as that!

Nobody Home

Perfect Aluminum Tubes

Bismuth can help to assure perfect tubes because, combined with lead, tin, and cadmium, it makes an alloy that melts at a lower temperature than the boiling point of water; and because it expands slightly when solidifying from the melted state. When the tubes are ready to be bent into the crooked shapes that are necessary to conduct them around corners, past engine parts, and down into the heart of the power plants, melted bismuth alloy is poured into them. If there are holes in the tubes, the expanding alloy squeezes through and forms telltale beads on the outer surface. If the tube is too weak the cooling alloy will split it.

If the tube passes its test it is bent while still supported by its soft but strong "stuffing" of alloy. In this way any tendency to collapse or pinch at the bending points is overcome. Bent tubes, filled with alloy, are given steam baths. The alloy melts and drains out, and can be used over and over again in the testing and bending operations.

Student Riots

The title of Rowbottom given to student riots is peculiar to Pennsylvania university. J. R. Rowbottom was a student there whose dignified and exemplary life was the antithesis of the disturbances that bear his name.

His roommate, though, was another matter. A gay young blade, fond of all-night sessions with the demon rum, he often reached the end of his tether as he foundered at the bottom of the dormitory stairs. There he sat calling loudly for Rowbottom to come pilot him. Rowbottom, as befits the clean of conscience, was an exceedingly sound sleeper, and the entire dormitory usually was in an uproar before he unwound himself from Morpheus' arms. Missiles flew fast and furiously. The befuddled tippler caused so many fights with his cries for Rowbottom that the name became associated with all mass strong-arm engagements at the university.

Pleasant Job

There would be less grumbling about whose turn it is to do the dishes if youngsters learned at the beginning that dishwashing does not need to be a messy job. With more and more children helping in household tasks because mothers are busy with war services, the wise parent will instruct her youngsters in the correct way to wash the dishes, and to do them with the least effort.

Teaching the children to scrape and stack should be part of the lesson, for the more thoroughly the plates are scraped, the easier they will be to wash. Right now there is additional reason for removing everything from the plates. Dishes that are not scraped take more soap and more hot water, as well as more rubbing. In the interest of economy, as well as to reduce labor, scraps should be scraped off before the dishes are put into the pan.

SALVAGE NEWS

By Mrs. Leonard Hanson, Chm.

Did you know that there is a new use for tin cans? The Army Air Corps uses them in their rubber life rafts. Each raft is equipped with small tin cans full of very special dye. When a flier is forced down at sea he immediately dumps the contents of the can into the water. This produces a color that catches the eye easily and can be located by a plane flying 10,000 feet.

It is rumored around that housewives are slowing down on saving fats. Don't let this happen. It would mean that we would soon be without an adequate supply of soaps, glycerine, cosmetics, etc. So far we have kept fats coming into the rendering plants, don't stop now.

Rural carriers may now assist in collection of waste paper if a box is left near the mail box. This must be strictly on a voluntary basis tho' and they must not deviate from their routes either to collect or deliver the waste paper.

Each person in the U. S. wastes ⅚ of a pound of edible food per day. If we saved ½ of this amount, we would feel it immediately in larger food reserves.

Help our men on "D-Day" keep the Salvage rolling in.

Smallest Balkan Nation

With the exception of Albania, Bulgaria is the smallest of the Balkan nations. It had an area in 1939 of a little less than 40,000 square miles, about equal to that of the State of Virginia. It occupies, however, a significant cross-link position between Romania and Greece on one hand, and Jugoslavia and Turkey on the other.

Summer Temperatures Prevail During Week

In showers Sunday night and Tuesday night respectively, .20 and .31 inch of rain was recorded on the fire hall rain gauge. Summer temperatures prevailed during the week, a high mark of 83 being recorded on Tuesday, Memorial Day. During the month of May 4.52 inches of rain was recorded, compared to 2.89 inches for the same month in 1943.

District Governor Gay Installs Officers for Lions Club Thursday

Lions District Governor Clayton Gay of Morris paid an official visit to the local Lions club last Thursday noon in the Palm Garden Cafe. In addition to inducting the newly elected officers headed by James Parkins, president, Mr. Gay gave an eloquent address in which he emphasized the contributions being made by Lions clubs to their communities in wartime. Retiring President Fleming Gibson and Dr. E. S. Amesbury inducted three new members into the club, including Herman A. Kjos, Milton Zimmerman and Gilbert Baker.

A total of 3,700 bombers and fighters flew over German occupied Europe from Britain yesterday, and of these only one bomber and four fighters failed to return. Those are impressive figures both from the standpoint of the number of allied planes participating in one day's raid and the slight loss. In the proportion that we lost planes in similar raids a year ago we would have considered our losses not too heavy if 150 had failed to return. During the month of May 65,000 sorties were flown from British bases, about twice the April total. It would seem that a continuation of bombing on this scale would bring Hitler to terms without an invasion. If it were not for the fact that so many millions of people in occupied countries are desperately in need of assistance the invasion probably could be postponed indefinitely.

Pennington County's quota for the bond drive that gets under way this month is roughly half a million dollars. The figures are flattering. We are beginning to be looked upon as a rich community. Maybe we are. At any rate we are sure there are more than a half a million idle dollars in the county and these should be put to work. A bundle of government bonds is a better investment than a bundle of government currency. The bond is just as good as the dollar and increases in value year by year.

This is the season of the year when farmers scratch their heads and wonder if they should insure their crops against damage by hail. The cost of such insurance indicates that the probability of loss in this area is small. The insurance companies are willing to bet 25 to 1 against a loss. In some parts of the state they offer odds of only 12½ to 1. To insure or not to insure, that is a question each farmer must figure out for himself, but the fact that we are in a low cost hail insurance area is a thing to feel good about whether or not the crops are insured.

More than 300 people lost their lives by accidents over the holiday week-end, and drownings accounted for many of these deaths. One of the things worth keeping in mind, you good swimmers, is the fact that a large portion of those who drowned were good swimmers too.

A round of cheers to the members of the Junior Chamber of Commerce for their efforts in behalf of aviation in the community, for which they have earned a state award and statewide recognition. The members of this young men's organization have interested themselves in the possibilities of aviation over a period of years. They supplied leadership in the effort to secure a community landing field and have since taken an active part in working for the development of that field. Under their sponsorship a local chapter of the National Aeronautical Society was organized to carry on the assignment they pioneered. They have done a swell job in getting a necessary project off to a good start.

Congratulations to those who this week graduate from our high schools—congratulations on their success in having measured up to the scholastic requirements of graduation—and best wishes for long lives of useful service. We hope they will forgive us for turning the country over to them in such a messy condition. They are going to inherit the kingdom just at the time when it is discovered that there isn't any Santa Claus. They are going to be given the responsibility of taking over the management of the estate that a spendthrift older brother has mortgaged to the limit of its worth. Growing into maturity in a decade of governmental free lunches, they will learn that free lunches are not free just as the bill comes due. It's too bad, and we are extremely sorry for having had such a good time at their expense. Of course we could have paid our own bills had we lived within our means but the government's credit was good and it was easier to chalk up "social gains" by charging the cost to a future generation. We hope this future generation will not mind. At any rate, congratulations and best wishes.

Those of the city's parks that are located along the river were crowded to capacity Memorial Day, as was the swimming pool. Maybe the large number who brought their picnic lunches to the local benches can be explained in part by the gasoline shortage which kept many people from traveling to lakes. Be that as it may, it was encouraging to see the city's park facilities enjoyed by so many and revived the hope that improvement of our own little lake here at home will be one of the community's postwar projects. The river needs a thorough cleaning for sanitation purposes. When it is given that cleaning, beauty and the possibilities of recreation should be given consideration as important by-products.

How much of a battle is the battle for Rome going to be? That will depend upon how stubbornly the city is defended. Hitler has already declared it an open city and if he respects it as such it certainly will be so respected by the allied command. The fate of the city is in his hands.

Uses Plenty Paint

A modern spray gun is capable of using ten dollars worth of paint an hour. A chemical company's "Finishes Division" offers manufacturers an educational spray-gun program to speed production by eliminating unnecessary spray-gun shots at production line targets, by systematizing the strokes of those operators; known as "rhythm-makers," because they keep their instrument swinging once they get going.

White Gloves for Motorists

In England the Automobile association has advised drivers to wear white gloves during the season of poor light and fog and particularly at night in order that their hand signals may be seen better by other drivers and collisions avoided.

Develop Microphotography

Newspaper files are only one of many outstanding uses for microphotography. V-mail for the men overseas is the best known. Recently developed films record fine detail so accurately that, it is said, "Gone With the Wind" may be reduced to a roll of film about the size of a five-cent spool of thread.

Eliminate Crystals

Grape juice and grape jelly are easy to make, but the canning experts say that there's sometimes a problem with the crystals that form in grape products. These crystals are perfectly harmless, but the gritty texture often mars the perfection of your homemade grape juice or jelly. You can beat these crystals if you strain the grape juice and then let it stand overnight in a cool place. The next day carefully dip out the juice and strain it a second time. In making the juice into jelly, use this same trick.

Stronger

The over-all demand for farm products in 1943 will be even stronger than in 1942, predicts the bureau of agriculture economics of the U. S. department of agriculture.

LAUNCH PROGRAM HERE FOR STUDENT HELP TO BUSINESS

New High School Course to Make Part-time Workers Available

Local merchants now have an opportunity to secure student help and cooperate in the sales training program of the high school. Thief River Falls merchants will be the first in the northern part of the state to cooperate in a new sales training program according to a recent announcement.

Under the cooperative program a limited number of students will attend school in the morning and be available during the afternoons for sales work. Students will receive actual sales experience. As part of their course, they will study in school the latest developments in sales training and merchandising.

The cooperative sales work is sponsored by the local school with financial support from the state board for vocational education and the federal government. Programs of this kind have been in operation in high schools for more than 20 years and Minnesota has 16 such programs at present.

Local merchants will be contacted regarding student placement for this fall, and work arrangements will be made at that time. It is desirable that merchants' needs be determined now since only a limited number of students will be admitted to the class.

Other fields of training are also available as a service to merchants. Evening courses may be offered for experienced salespeople and for training groups for sales work during rush periods. One division of the program provides a short course for store executives on how to train a new worker.

More detailed information on the program may be secured from Wilbur Keeling, who will have supervision of the work, or from Superintendent Fjelsted.

Want a Whale? Take Your Pick

Sixty-five whales of the blackfish type washed ashore at Bull's Island off the mainland of the coast of South Carolina, about 25 miles from Charleston. The size of the whales ranges from 6 to 22 feet in length and the average weight is estimated at approximately 700 pounds. Lieut. E. Lell of the U. S. coast guard is shown among the whales.

OPA CHIEFS SEE TREND TO MORE RIGID RATIONING

Bowles Says Major Part of War Remains to be Fought

The new rationing chief of OPA told his staff that more commodities may have to be rationed, while OPA Administrator Chester Bowles asserted that the trend is toward "more rigid rationing" rather than relaxation.

"Some people say rationing is about over, said Charles F. Phillips, deputy administrator for rationing. "It is not over, or anywhere near over. We could find ourselves six, eight or nine months from now with much tighter meat rationing."

Bowles told the staff, which had been called together to meet Phillips, that talk of relaxation is "ridiculous," and he added: "The war has not been fought yet."

Bowles asserted that the public is behind OPA and has accepted rationing; they would welcome the return of stricter ration controls as a protection against shortages, he stated.

Retail Trade in Valley District Registers Gain

During the month of April retail trade in the Red River Valley of Minnesota was four per cent above April of last year. Cumulative department store sales for this year register a 11 per cent increase when compared with the same period of 1943. These figures which have just been released by the Federal Reserve Bank of Minneapolis show that in the state of Minnesota April sales were three per cent above those of the same 1943 month. To date comparisons of 1944 and 1943 indicate an increase of seven per cent.

Big Fish

Carl Kretzschmar came into town last Thursday evening with 86 pounds of fish story, and he had the evidence to prove it. Carl, fishing out of Hillman's at Waskish on Wednesday and Thursday, caught six great northern pike that in the aggregate totaled 86 pounds. The individual weights of the pike were: 21 pounds; 18½ pounds; 14½ pounds; 12½ pounds; 10 pounds; and 9½ pounds.

He claims, though, that he had a larger fish hooked, but that the pike, after hitting a daredevil lure, snapped the line. Carl, fishing with a 15-pound test line, made most of his catches on a copper K-B spoon, but the pike were hitting everything those two days.

Carl had these pike on exhibition at his Palm Garden Cafe on Saturday, and they were quite an attraction.

Harold Olson, Vic Norquist, Art Berg, Ingvald Fossum, and Dick Hornseth returned from the Vermilion Bay territory with limit catches of lake trout, the biggest of which weighed about twelve pounds. The party fished out of Arne Brattland's camp on Eagle Lake in Ontario. That's the lake that yielded a 65-pound musky several years ago.

Frank Rinkel, Bob Peterson, and their party were at the Bull Moose Camp on Crow lake last week, and they, too, had fine fishing. They had two days in particular that found the trout striking fast and furiously.

Tee to Green

The tournament committee was disappointed at the number of golfers that entered last Sunday's tourney—only twenty five entries—but they were pleased with the brand of golf that was played. Kern Olson, playing with Bill Dahlquist, C. W. Mattson and Hans Chommie, scored a double-eagle deuce on the par five, 487-yard first hole. Kern's drive was down the fairway, about thirty-five yards past the 200-yard marker, and from there he hit the green with a No. 4 wood, the ball trickling into the cup for a deuce. According to John Curtis, and he knows, that's the first time a two has been scored on that hole.

And Dr. Dick Robertson scored an eagle ace on the par three, 158-yard fourth hole. George Gall, playing in the foursome with Doc, reports that Doc's tee shot, which was high and with a slice, appeared to go over the green, but after searching for the ball, and knowing that Doc was shooting a Wright & Ditson agate, they looked in the cup and there was the ball.

An informal Memorial Day tournament was inaugurated on Tuesday afternoon, with Alex Campbell, Alex Cloutier, Slim Meyers, Bill Dahlquist, and Kern Olson, participating. But the five-some didn't come to a conclusion as Alex Cloutier ran out of golf balls by the time they reached the eighth hole.

Pretty Quiet

It was quiet on the local baseball front the past week. With Woody Almquist, Don Johnson, and Wally DuChamp out fishing, and with Gordy Reierson attending a JC convention in Minneapolis, the city team wasn't able to field a quorum, so Sunday's ball game with the juniors was postponed. The juniors, too, were handicapped as their nifty shortstop, Bob Baker, had stepped on a broken bottle and suffered a cut in his foot, the gash necessitating four stitches. It is expected that Bob will be able to resume play in about ten days.

Miscellany

Lt. Tommy Carlisle, member of the Prowlers football, basketball, and track squads of 1940-41 and now a fighter pilot in the USMC, has been visiting friends in the city the past week. — Lawrence Mulry, son of W. H. Mulry and called here by the illness of his father, is making his first visit in nineteen years and is spending some of his time in re-hashing old times with former basketball and football teammates, among whom are Club Langevin, Cliff Bjorkman, Walt Larson, Lloyd Bennes, and yours truly.

WARNS DRIVERS OF CHILDREN HAZARD DURING VACATION

Editorial Assn. Officer in Plea for More Careful Driving

A plea to motorists and parents to cooperate in preventing accidents to children during the summer vacation, was made today by M. A. Johnson of Blue Earth, chairman of the Minnesota Editorial association's traffic safety committee.

"A half million Minnesota youngsters who are in school from September to May will have vacation during June, July and August," said Mr. Johnson. "Boys and girls are full of energy and want to be outdoors. Many city children will be playing in the streets, many youngsters in the country will be walking along the highways. Many others will be 'going places' on bicycles.

"This calls for constant alertness on the part of motorists, especially when driving in residental areas. It is not enough to slow down when you see children walking or playing in the streets or highways. It is also necessary to be on constant guard for children who may dart out from behind parked cars, or swerve suddenly from the sidewalk or road shoulder into the roadway.

"Parents should warn children against playing in the streets. They should train them to walk carefully, to look both ways before crossing roads or streets, and to walk on the left side when walking along highways. Wherever possible, parents or civic agencies should provide places to play that will keep children off the streets.

"Special pains should be taken to impress the safety rules on youngsters with bicycles. They should be cautioned against carrying passengers on the handle bars and against zigzagging and weaving in and out of traffic. Bicycles are vehicles, and should keep to the right. Bicyclists should stop for stop signs, signal for left turns, and carry proper lights and reflectors at night."

Rationing Dates for Coming Week

Sugar: Stamps No. 30 and No. 31 (Book IV) good for 5 pounds indefinitely. Stamp No. 40 (Book IV) good for 5 pounds canning sugar through February 28, 1945. An additional maximum of 10 pounds of canning sugar may be applied for through July 31st. After August 1st, another 10 pounds will be made available to those who need it. The first application to be valid must have spare stamp No. 37 attached thereto. No stamp is necessary for the second application.

Meats and Fats: Red Stamps 8A through 8T (Book IV) valid indefinitely. Thirty points will be given every four weeks instead of every two weeks because of the while selections of meats available without points. Red Stamps 8U, 8V, and 8 W will become valid June 5.

Processed Foods: Blue Stamps 8A through 8Q (Book IV) valid indefinitely. Blue Stamps 8R, 8S, 8T, 8U, and 8V will become valid June 1.

Shoes: Airplane Stamps No. 1 and No. 2 (Book III) good for one pair of shoes indefinitely.

Fuel Oil: Period Four and Five coupons good for ten gallons per unit through September 30, 1944.

Stoves: Applications for purchase certificates on all gas, oil or coal heating and cooking stoves must be made to local War Price and Rationing Boards.

Gasoline: A-11 coupons good for 3 gallons each through June 21. B2 and B3, and C2 and C3 supplemental ration coupons good for five gallons each.

For your protection against the Black Market, the rationing rules now require every car owner to write his license number and state immediately on all gasoline coupons in his possession.

Tire Inspections: Truck inspections must be made every six months or five thousand miles, whichever occurs first.

U. S. Civil Service Is Engaging Workers Here for Jobs in Nebraska

Even in these days of war, a man and his wife need not be apart, it was announced today by Rena B. Smith, regional director of the Eighth U. S. civil service region.

A married couple can earn approximately $5,000 a year, or $437 a month, by performing vital war work at the naval ammunition depot, Hastings, Nebraska.

Transportation is paid from place of recruitment to Hastings, and meals are paid for en route. Housing is available, nursery schools are maintained, and a grade school is located on the grounds. Workers are entitled to annual and sick leave privileges.

Single women without dependents recruited in pairs are also urged to take advantage of this opportunity.

A representative of the civil service commission will be at the employment service office in Thief River Falls today, Friday and Saturday, June 1, 2 and 3 to conduct interviews and offer immediate appointment, according to Russell E. Olson, manager.

Persons now employed in war work should not apply.

MARTINS BUILD NEST LOW INSTEAD OF HIGH

Rochester.—A pair of unusual martins are the two birds residing in the Dutch Mill bird house at the Wallace Wydra residence. First, contrary to martin tradition the little birds built their nest in the bird house while it rested on a tree stump in the yard. Mr. Wydra had set the house on the stump temporarily until he could find time to put it up on a pole, knowing martins always nest high. Before long an egg appeared in the nest. Then when a plea came from high school students for the loan of the house for decoration at the prom, Mr. Wydra consented, believing that the bird parents would go elsewhere and build. But not so, for the two days the house was away they hovered about the stump and when it was returned by the students the unperturbed martins added two more eggs and now sit awaiting the arrival of three

WAR BONDS—your way to back your country's attack!

A GARDEN . . . A WELL KEPT HOME, AND WAR BONDS . . .
The home front needs a "lift", too. Maybe a little paint here or there to freshen and protect. Certainly a garden is vital . . . and the investment in War Bonds will bring the boys and girls HOME, sooner.
The thrifful use of ALL building materials will permit available stocks to be used for vital farm production.
This is the time for [illegible] work . . . roofing repairs and essential protection of your property. Keep the home front fresh and colorful . . . and add to the power of the fighting front by lending all you can to your government.

Snail in Boy's Arm

Remember the nursery rhyme about little boys being made of "snakes and snails and puppy dog tails?" A physician lanced a lump on a boy's arm in Coats, N. C., and found therein a live snail—shell and all. He said the snail apparently had been there for years but wouldn't hazard a guess on how it got there.

BE A GOOD TELEPHONE NEIGHBOR!
A party line is a partnership. You share the cost and you share the line. A good telephone neighbor thinks of the other fellow.
If you're on a party line, and a great many more folks are these days of war shortages, please limit the length of your conversations as much as possible. Another courtesy is to allow time between calls when you've several to make.
These suggestions are for the other fellow, too. But, you'll find your own courtesy is "catching."

ENGINEERING JOBS HELD PLENTIFUL IN POST-WAR PERIOD

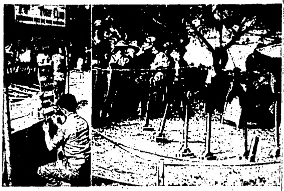
Insurance Company Reports on Survey of Technical Employment

Postwar technical and engineering jobs will be more plentiful than adequately trained men and women to fill them, say college placement officials participating in a survey by Northwestern Life Insurance company.

Trainees of Army and Navy "condensed" technical courses may be in oversupply, say placement officials, and will need further training in order to compete with regular engineering graduates. A number of colleges are already planning postwar courses that will round out and complete the professional schooling of such trainees.

Removal of draft deferments from engineering students almost completely shuts off the new supply of graduate engineers and technicians, placement authorities point out; the longer we are at war from here on, the greater will be the postwar shortage of such personnel.

You Pays Your Money and You Takes Your Choice



Ever hear of the Anzio Turf club? This club has been established only a mile behind the firing lines, at Anzio, Italy, for the amusement of British and U. S. soldiers. Wooden horses are used, which are moved according to numbers shown by throws of dice. Betting is brisk. In picture at left the entries in the "spring handicap" are chalked on the blackboard. At right, the barrier is sprung and they are off.

GETS HIS FOX WITH TRACTOR

Mountain Lake.—You've heard of fox hunters riding horses and even jeeps. Perhaps you've read about pursuing the elusive Reynard via airplane and tracking him down on foot. But the tale of young Leslie Quiring who ran down a fox with a tractor on his dad's farm is something new. Thirteen-year-old Leslie was working in the field with a tractor and quack digger when he spied the fox. He uncoupled the digger and gave chase. Manipulating and maneuvering the machine like a motorcycle he circled around and around, finally running down the fox.

'HOPE CHEST' FOR ENGLISH BRIDE

Cloquet. — Assembling hope chest articles for a bride 5,000 miles away is quite unusual but that is what the women of the town are attempting for the bride of a Cloquet soldier, Coporal Edwin Berg. Strict rationing in England suggested the idea.

HARNESS-MAKER DOES EXCELLENT WAR JOB

Detroit Lakes. — Overhauling and repairing 133 sets of harness since the first of the year is a war effort job worthy of much praise. Quiet, gentlemanly G. C. Nunn, harness-maker some 50 years in this town has spent many, many hours to do the work and claims he's been well repaid by the fine appreciation of the farmers. With new sets of harness hard to find many an old one has been brought out for repair, Mr. Nunn says this is a record for his business.

Plastic Won't Break

Curved rear windows on many 1942 motorcars are made of a glass-like plastic which will bend but won't break. So engineers say. But they add a qualifying "if." If such a window should be shattered by a terrific blow, as from a sledge hammer, it still wouldn't break in the ordinary sense, they explain. The substance would simply atomize into a cloud of pieces as small as grains of sand.

Use Cornmeal to Clean Soot From Parlor Rugs

One of the first steps in extending the life of a rug or carpet is to keep it clean. During the winter months one of the chief hazards is soot from the stove or fireplace. While it is not difficult to remove, it calls for special treatment. Instead of sweeping or brushing, which tends to imbed the soil in the material, sprinkle the spot with cornmeal. Let it remain on the carpet for a few minutes, then brush it out. Repeat this treatment until the cornmeal brushes out clean.

Grease spots are often stubborn to remove from rugs and carpets, especially when allowed to remain for any length of time. Remove such spots promptly, using a grease solvent, such as carbon tetrachloride. Use the solvent on an inconspicuous part of the rug before attempting to remove the spots, in order to be sure that it does not affect the color. Then work from the outside of the stain in toward the center and repeat as necessary.

Candle wax spots can usually be removed successfully by first scraping off as much wax as possible with a dull knife, being careful not to injure the yarns. Then sponge with a grease solvent. If the candle was colored and a stain remains, try sponging lightly with a liquid made up of two parts of water and one part denatured alcohol. As a precaution against fading, test first on an inconspicuous part of the rug.

Method for Controlling Tuberculosis in Poultry

Tuberculosis in chickens can be controlled by selling the entire flock at the end of the first laying season if 1 per cent of the birds younger than 18 months and 9 per cent of the birds older than 18 months react to the tuberculin test, specialists advise.

These figures are based on tests conducted on a total of 3,000,000 pullets and older birds. There is no disadvantage in disposing of the ordinary farm flock at the end of the first laying season, since it has been found that hens lay an average of 30 per cent more eggs the first year than the second.

Valuable breeding flocks should be examined for evidence of tuberculosis by means of the tuberculin test. A diagnosis of the disease cannot be made on the basis of symptoms. Typically affected specimens should be taken to the local veterinarian for examination.

Vitamin Source

Carrots are also a fairly good source of vitamin B family, a fair source of minerals.

Our Sincere Best Wishes
To All 1944 Graduates
Our public schools make available to every boy and girl the fundamentals of a good education . . . the most valuable asset anyone can have. That will be particularly true in post-war days when extremely difficult problems must be met and solved if our country is to continue its forward progress.
In congratulating 1944 graduates upon completion of their school courses, we also pay tribute to our splendid school system and to the sincere, conscientious teachers who labor faithfully to instill knowledge and the principles of good citizenship in the minds and hearts of our young folks.

WEARY WILLIE

The traveler approached one of three townsmen seated on the courthouse steps and asked where a family lived.

"Oh, them?" replied the step-sitter, leaning slightly forward, and pointing. "About the third house in the block up there. No, I think it's the fourth." He leaned forward a bit more. "There's a brown stone house right next door, and his house," he hitched again, "has a white porch to it. I could show you right where it is, if I was up."

Once Is Too Much

Nit—Where do you bathe?

Wit—I bathe in the spring.

Nit—I didn't say when. I said where!

Handsome Pop?

Mrs. Jones—Has the baby called his father "Daddy" yet?

Mrs. Smith—No, I'm not telling him who his father is until he gets a little stronger.

Improved With Age

Harry — That's a good looking fedora you have.

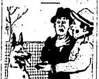
Jerry—Yeah, you wouldn't know it was two years old. I had it cleaned twice, exchanged in a restaurant once and it still looks like new!

Unlucky in Love

Blue—I didn't marry for beauty, wealth or position. I married for sympathy.

Brown—Well, you have mine!

WELL TRAINED



Bill—My dog will eat off your hand!

Joe—That's what I'm afraid of!

Example One

Nit—Let me tell you we have a wonderful family tree.

Wit—The tree may be all right, but the fruit's a failure!

Unpopular?

Jane—What would you do if you'd had six dates with a fellow and he'd never tried to kiss you?

Joan—I'd lie about it!

The Whole Truth

Harry—A lie never passed my uncle's lips.

Jerry—How do you know?

Harry—He talks through his nose!

Happy Home

Jones—My wife has the worst memory!

Smith—Forgets everything, eh?

Jones — No, remembers everything!

No Zone Number?

Joe—Why didn't you answer the letter I sent you last week?

Bill—Because I didn't receive it.

Joe—You didn't receive it?

Bill—No, and besides I didn't like some of the things you said in it!

Stormy Weather

Mr. Brown—Has your wife a quick temper?

Mr. Blue—No, she has what you might call an even temper. The most even temper I know of—she's always mad!

Citrus Fruits Help Combat Winter Colds

Increased intake of orange and grapefruit juice is advised by many doctors in combating winter respiratory colds.

The alkaline salts of citrus juices are very effective in restoring the normal alkaline balance of the body and in counteracting the overacid condition which many doctors agree makes our systems so much more susceptible to colds and influenza.

The citric acid in citrus juices, particularly grapefruit juice, keeps the blood cleansed and in a condition to resist colds, and when taken into the system "acid" fruits and foods become alkaline. Most doctors are agreed that the moment a cold or mild "grippe" or "flu" is contracted it is best to cut down on heavy and rich dishes, omit sweets and drink copiously of water and citrus juices. This will help cleanse the system, restore its normal condition and reduce danger of fever.

Before Dinner Bath Soothing

On cold and dreary winter evenings, when you come home from a long day of hard work, it often takes all the will power at your command to be a civil companion. Fatigue is the cause of many a display of temper, and certainly does not add to the popularity nor usefulness of any man or woman.

To recapture good humor and to rout ordinary weariness, why not take a soothing warm-water bath? Five minutes in the tub—scrubbing and lolling—will usually do the trick. If 10 minutes are available, take a longer soak or spend the extra time stretched out on the bed. Get into some cozy lounging gown, put on a new make-up, run a comb through your hair, and you will not only be in the mood for dinner but will eat it with gusto.

Wash away your troubles and the day's grime at the same time, and get the most from your dinner and the evening hours of leisure.

Absorbs Moisture

Honey takes up moisture as it stands. That may not be so good with some candies and frostings. But it helps to keep your fruit cakes and steamed puddings moist.

Good Dairy Ration

It was found that a good grade of pea vine silage, when fed with alfalfa hay and grain, makes a good ration for producing cows and growing dairy heifers. However, substituting pea vine silage for a portion of the hay does not increase milk production nor the rate of gain in young animals. The average of two feeding trials with dairy heifers shows that pea vine silage has about a third of the feeding value of alfalfa hay.

Studebaker Champion rates high with busy Federal law officer

HERE'S a letter from Frank M. Durrance of Orlando, Florida who says:

"My 1941 Studebaker Champion has been driven about 150,000 miles—at the lowest maintenance cost of any car I've ever owned. Whether across the county or across the nation, this dependable Studebaker is always ready to go on a moment's notice. Its gasoline mileage is consistently high and its materials and workmanship are the finest."

Yes, these war days, the tire-saving, gas-saving, soundly built Studebaker Champion adds new luster to its reputation from coast to coast.

It's no wonder that used Studebaker Champions, Commanders and Presidents are in such big demand everywhere.

Lovely Sheer Cottons Star In Summer Bride Picture

By CHERIE NICHOLAS

THERE'S no need to quote imposing statistics to prove that there's a big boom on in weddings. All anyone has to do is glance at the daily society columns in the newspapers and count her invitations to know that weddings are making an all time record.

Today's young couples, for the most part, believe that budget planning is the better part of patriotism, and at the same time 1943 brides are more anxious than ever to look their loveliest on this day of days—a picture for him to carry ever when he goes forth to war. The answer—a wedding gown of one or other of the beguiling cottons that will have a matchless beauty all its own no matter how inexpensive it may be. Girls in cotton bridal gowns are saying "I do" more often than ever before in fashion history.

What an enchanting picture they make, the organdies and nets, marquisettes, cotton laces and so on, that are being fashioned into wedding gowns so entrancing no bride could wish for anything prettier or more flattering. A dress of cotton lace and net with bodice of lace teamed with a billowy skirt made up of alternate bands of lace and net, as shown to the right in the illustration, will make any bride look as if she had stepped out of the pages of a fairybook story.

This model is perfectly charming, either in all white or an exquisitely delicate pastel (preferably pale pink). It is fashion news of no little importance, this matter of a delectable tint for the wedding gown. The matching net headdress that accompanies this net-with-lace dress is adorable, and it is the last word in chic. The heart neckline and the bracelet sleeves add youthful accent. This dress will prove a perfect gem when it comes to functioning as a dinner gown on gala evenings after the ceremony. Best of all as exquisitely fragile looking as it is, you'll find that it will come up smiling after each laundering.

Wedding marches and organdie brides will be playing a most charming duet the whole summer through. A garden bride who doesn't want a train to trail in the dew does well to select a simple white organdie like the ankle-length gown pictured to the left. The very simplicity of this dress is its charm, with its wide ingenious sash and triple tucks around the hem. The leghorn hat makes the costume resemble a Sir Joshua Reynolds' portrait.

Often organdie is handled in a muchly beruffled manner, for the bride, since, as you know, ruffles and frills and ruchings of cotton sheers animate summery frocks in all sorts of delightful ways this season. A recent bride who was greatly admired looked really beautiful in a beruffled organdie, youthfully styled, her headdress instead of the usual veil being a halo of self organdie arranged most artfully.

As to other cottons for the wedding dress, a formal point d'esprit gown with a train as long as the WPB allows, makes its wearer look indescribably lovely. In the young manner also, is an irresistible frosted organdie with a pinafore look, created by ruffles over the shoulder and forming a peplum flounce. A white organdie with ruffled train, sleeves, skirt panels and headdress achieves a costume that would make any wedding a memorable occasion. For the more mature bride, but just as picturesque and flattering, is a stunning wedding gown that has a fichu of the organdy with medallions of lace appliqued on both skirt and waist. Most of these bridal gowns come with equally lovely bridesmaids' dresses in pastels that can carry on as summer evening gowns for the duration.

MORE PASSENGER TIRES AVAILABLE IN COMING MONTHS

Anticipate Production of 2,000,000 Tires Each Month by Fall

Production of synthetic passenger tires for civilian use is expected to reach about half of the 1941 pre-Pearl Harbor tire production figure by late fall of this year, according to P. R. Fields, district OPA rationing executive.

Approximately 1½ million synthetic passenger tires will be manufactured for civilian use in May, and by fall, the tire industry hopes to reach a goal of 2 million synthetic passenger tires available each month for rationing.

Although Grade I tire production will be increased during the summer months, Mr. Fields cautioned that quotas will be ample to accommodate only the most essential drivers. In two years of rationing, approximately 23 million Grade I tires were distributed to civilians by local boards (5 million in 1942, 18 million in 1943), compared with the 1941 peacetime consumption of 53 million tires.

A total of 61,245 Grade I passenger tires was rationed in the Fargo-Moorhead OPA district during 1943, Mr. Fields said. 32,836 new tires have been rationed during the first four months of 1944, in this district, increasing from 6,877 in January to 11,406 rationed during April. The May quota to be rationed by local boards in North Dakota and the eighteen northwestern Minnesota counties is 14,700 new tires. Mr. Fields said the OPA anticipated monthly quotas will be increased slightly until fall, when national synthetic tire production is expected to reach the wartime peak.

Tractor and large truck tires (size 825 x 20) will become increasingly scarce, because of increased military demands, and the next three months' ration supply will satisfy only 60% of actual needs. The limited supply of these tires is due in part to the shortage of rayon cord, essential in the production of large sized synthetic tires, and to the shortage of skilled labor. Large truck and tractor tires must be built up by hand and most experienced workers are now building airplane and combat tires.

HOLSTEIN GIVES BIRTH TO 137-POUND CALF

Bird Island.—A seven-year-old Holstein cow on the Ed Wing farm gave birth to a 137-pound calf. Considering the average new-born calf weighs between 75 and 80 pounds the bossy did quite a job this time. This is her fourth calf.

Lumber Jacks Do Their Bit in Biggest Log Roll

Jean Mullins, 18, lives in one of the many logging camps near Allagash, Maine, which recently contributed a total of 10,000,000 feet of lumber to the largest drive in the East since 1900. The drive was aimed to tie in with the European invasion, since every foot of this wood will go to the war effort. Jean is shown at left rolling a log with her peavey from the pile into the St. John river. Right: Here "Jacks" with their pike poles and peaveys clamber over the floating logs, separating and guiding them through the boom.

War Play and Games

"Do you see that Nazi sub?"
"Kill that Jap!"
"Rata-tat-tat! Look out my machine gun will mow you down."

These are some of the blood-thirsty calls that one hears on children's playgrounds and in the streets. The cow-boy, pirate or Indian play of a few years ago has given way to war games of all types. Parents, especially mothers, are sometimes disturbed and often wonder what effect this play will have upon the child's growing personality. They know that while war emphasizes hate, prejudice and fear, it also brings out courage, independent judgment, and a sense of values. Let them remember that generations of children have played "cops and robbers," without growing up to be either policeman or bandits.

Since children learn through play, play should be so guided that children will have opportunities for experiences in the traits we wish to see developed. Thus, children need some war play in order to understand war and war conditions, and also as an outlet for the emotions and tensions engendered by war. Legs need to run and bodies need to twist in vigorous play to lessen tension and decrease fear. Activity is one of the best means for children to get rid of pent-up emotions. If there is no acceptable social outlet in play, children may seek an outlet in undesirable behavior, such as temper tantrums, stealing, vandalism, and the like.

But if we are to help the growing personalities of children, we must do much more than give them a way of blowing off steam. We must guide their activity and thought into constructive channels. Thus, we must explain to them, on their level, some of the principles and facts about war. A small child can understand the unhappiness caused by a bully. Through such a familiar experience or instance he can be given some insight into the war and the present world situation.

War play, like the comics, will not have ill effect on a child if his diet of play is well balanced. Through suggestions and constructive materials the child's interests in shooting or killing can be guided to the building of bomb shelters, setting up of first-aid stations or hospitals. With a pile of old bricks some good lessons in masonry can be given in a framework of adult and child play participation.

There is no limit to the extent to which war games can be extended and expanded into desirable channels through wise suggestions. Adults must not set too rigid a framework. They should realize that a child's play interests parallel the real life activities about him and that many of these interests are passing. With somewhat more attention to guidance into constructive activities, much of the disturbance about the ill effects of certain types of play become both unnecessary and valueless.

SALVAGE NEWS

By Mrs. Leonard Hanson, Chm.

Did you know that there is a new use for tin cans? The Army Air Corps uses them in their rubber life rafts. Each raft is equipped with small tin cans full of very special dye. When a flier is forced down at sea he immediately dumps the contents of the can into the water. This produces a color that catches the eye easily and can be located by a plane flying 10,000 feet.

It is rumored around that housewives are slowing down on saving fats. Don't let this happen. It would mean that we would soon be without an adequate supply of soaps, glycerine, cosmetics, etc. So far we have kept fats coming into the rendering plants, don't stop now.

Rural carriers may now assist in collection of waste paper if a box is left near the mail box. This must be strictly on a voluntary basis tho' and they must not deviate from their routes either to collect or deliver the waste paper.

Each person in the U. S. wastes ¾ of a pound of edible food per day. If we saved ¼ of this amount, we would feel it immediately in larger food reserves.

Help our men on "D-Day" keep the Salvage rolling in.

Will Wear New War Dress

The mason jar, fixture of home canning since frontier days, will come forth shortly in new war dress. WPB recently prohibited the use of zinc in making lids for glass containers and this means that the old mason jars will have to wear a new cap.

However, housewives can convert to war standards in this case with relatively little difficulty, for a substitute for the zinc jar tops is available in the porcelain closure with a steel rim.

Have a "Coke" = Eto Zdorovo
(HOW GRAND!)
...or making foreign flyers friends
Coca-Cola
the global high-sign

To visiting Russian and British allies it's good news to see fighting planes pouring out of American plants. And it's good to see our flying friends respond to the everyday American invitation *Have a "Coke"*—a way of saying *We're with you*. Coca-Cola wins a welcome from those who come from Moscow or Manchester. And in your home, there's always a welcome for "Coke" out of your own refrigerator. Coca-Cola stands for *the pause that refreshes*,—has become a symbol of friendliness in many lands.

"Coke" = Coca-Cola
It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

Steve Warring returned Saturday from Duluth, where he visited with his son-in-law and daughter, Mr. and Mrs. Emil Johnson. Another daughter, Pearl, of Minneapolis was also a guest at the Johnson home.

Mr. and Mrs. Jorgen Austad and family, Mr. and Mrs. Ralph Simonson and family of Thief River Falls, and Mrs. Bill Rupprecht and Sharon of Viking were guests Tuesday at the Olaf Simonson home, where they enjoyed a picnic supper.

The board of the Community club met at the Saugen home Monday evening. The new officers were elected: Henry Williams, president; Vivian Copp, vice president; Hannah Kiach, secretary; and Olaf Jorde, treasurer.

Mrs. O. K. Ose, Rev. Erickson, and Rev. Ritmanson attended a missionary federation rally at Grafton, N. Dak., Saturday.

Group 4 of the Community church will have a supper at the church parlors Wednesday, June 14. Mrs. Muzzy, Mrs. Rupprecht, and Mrs. Meyer are on the committee.

SELLING... OR BUYING

LAND O'LAKES NEWS

...there are advantages for YOU in this organization

THE LAND O'LAKES organization is best known as an efficient, cooperative agency for nationwide distribution of dairy products produced by its individual farmer members.

LAND O'LAKES offers the producer more control over more movements of his merchandise ... expert advice on latest dairy production methods ... participation in patronage dividends ... and greater marketing economies through highly efficient marketing methods.

BUT IN ADDITION, this same efficiency is applied to buying. Mass purchasing of the many things the modern dairy farmer needs results in substantial economies for him. These economies are apparent not only in the initial low price of the goods, but also in patronage dividends that are the result of pooled purchasing of equipment, plant supplies, feeds, seeds and fertilizers.

Investigate ALL the advantages of doing business with Land O' Lakes.

BIG INVA[illegible]N OF EUROPE [illegible]NED EARLY TU[illegible]AY

Allied Forces Ma[illegible] Initial Landings on Beachheads in France

ROME FALLS TO ALLIES DURING THE WEEK-END

Tremendous Fleet of Ships and Planes Share in Invasion

Ending a long and nerve-wracking period of suspense for keyed-up soldiers and civilians alike, an all-out effort by the Allied Nations to storm Hitler's European citadel got under way Tuesday with initial troop landings on the north coast of France.

The invasion followed by only two days the fall of Nazi-held Rome to the Allies after only slight resistance by the retreating German armies.

Participating in the invasion were an estimated 4,000 ships and 11,000 airplanes, including bombers, fighters and more than 1,000 troop-carrying planes, which dropped thousands of paratroopers and glider troops onto French soil to form the spearhead of the drive.

While the first waves of Allied troops were reported as having been successful in establishing a foothold, military leaders pointed out that the crucial test would come when the Nazi had had time to concentrate their forces for a counter-attack in the invaded areas.

The Allies announced today capture of their first French city, the Nazi-fortified town of Bayeaux, five miles inshore in the center of the Normandy invasion coast, and said they also had cut the highway from Bayeaux to Caen as they moved inland in generally heavy fighting against counter-attacking German reserves.

Caen, 18 miles southeast of Bayeaux and nine miles from the sea, was the scene of a German armored counter-attack which has been hurled back, headquarters disclosed, and the Allied forces were said to be doing generally "better than expected."

Aside from these two towns, supreme headquarters gave no place-names, ignoring a continuing stream of German broadcasts which reported new Allied attacks all the way from the Pas De Calais area on Dover strait to Nantes at the base of Britany peninsula.

A headquarters communique said the Allied landing beaches had been cleared of the enemy and had been linked up by flank extensions in some cases during the second day of the invasion while steady reinforcements poured in by sea and air.

POULTRY CULLING DEMONSTRATION NEXT WEDNESDAY

Specialist to Hold Event at M. Anderson Farm in Rocksbury

A poultry culling demonstration will be conducted at the Melvin Anderson farm in Rocksbury township on Wednesday forenoon, June 14, starting at 10:00 a. m. according to County Agent Ernest Palmer. Miss Cora Cooke, extension poultry specialist from University Farm, St. Paul, will conduct the demonstration and actually cull the Anderson flock.

According to Mr. Palmer, the purpose of the demonstration is to acquaint people with the actual details of culling poultry.

Because of the feed shortage, laying hens which have quit producing in spring and early summer ought to be marketed right away before they have a chance to eat up their value in feed. Ways of detecting non-laying hens will be demonstrated.

Silverton Groups Plan July 4th Celebration

The Silverton ladies aid and Luther league are completing plans for a Fourth of July celebration, it was announced this week. Dinner will be served and there will be a fancy work sale. The committee will announce later where the affair is to be held.

Father Merth Honored by Members of Parish

REV. A. I. MERTH

On the 25th anniversary of his ordination into the priesthood in Columbus, Ohio, in June, 1919, the Rev. A. I. Merth, popular pastor of St. Bernard's church for the past twenty years, was honored by members of his parish and visiting priests at a program Sunday evening in the Lincoln high school auditorium, which was well filled for the occasion.

Following his ordination, Father Merth had served as assistant pastor at the Crookston catheral for two and one-half years and a like period as pastor at Stephen, before coming to Thief River Falls in 1924 to succeed Rev. Martin J. Noesen.

With Francis Kobliska officiating as chairman, tribute was paid Sunday evening to Father Merth for his contributions to the community in addresses by Rev. Emmett Shanahan of Warroad, formerly of this city; Monsignor Wurm of Crookston, W. E. Dahlquist and Mrs. Mary V. Shaw, who also gave a history of the St. Bernard's guild.

Other numbers on the program included a reading by Mrs. Lenore Ulleberg, violin duets by Harold and Earl Kelly, accompanied on the piano by Agnes Jean Benson; and vocal solos by Mrs. Vern Kelfenheim, accompanied by Miss Martha Havel.

A playlet, "Rosa Mystica", was given by a group of boys and girls from St. Bernard's school, who sang several selections accompanied by Colleen Engelstad.

In behalf of the congregation Mrs. Hugh Carlson presented Father Merth with a set of breviaries and a purse of money, while other gifts were presented by Arlette Kleinvachter, Lowell Collins and Ralph Engelstad in behalf of St. Bernard's school. Father Merth responded with expressions of deep appreciation.

Preceding the program the church guild served dinner in the rectory for Father Merth, Father John O'Toole, and the visiting pastors, who included the Reverends Louis McMahon of Badger, Emmett Shanahan of Warroad, William Swanson of Baudette, Joseph Mulvey of Warren, Victor Cardin of Red Lake Falls, Paul Cardin of Dorothy, Keough Patnode of Oklee, E. Paquin of Terrebonne, John Funk of Fosston, Frank Ketter of Bagley, H. James Rocca of Two Inlets, J. T. Phillippe of Gentilly, John Merth of Plummer, and Monsignor Wurm of Crookston.

In charge of arrangements for the program were Father O'Toole, Bernard Barzen, Mrs. Hugh Carlson and Sister M. Ida.

FIRESTONE FARM SERVICE STORE TO OPEN JULY FIRST

Frank and Chris Rinkel and Kern Olson Take over Borry's Garage

Negotiations were completed during the past week for the purchase of the Borry garage building and its equipment by Frank A. Rinkel, Chris Rinkel and Kern M. Olson from Alf and Vincent Borry, who have operated the garage for more than 25 years.

The building will house the Firestone Farm Service store, to be operated by Mr. Olson in connection with the Firestone Home Service store, which will be continued at its present location on the corner of LaBree av. and Third st. The new store will be opened July 1.

The new establishment will offer super tire service, including the sale of new tractor and automobile tires, with a recapping and vulcanizing department. The garage business, with American Automobile association wrecker service, also will be continued.

The south front part of the building will be remodeled into sales quarters, while a gasoline sales office will be located in the north front, and the exterior of the structure will be repainted.

Alf Borry announced that he will continue to represent the Iron Fireman company, stoker manufacturers, in a large territory. Vincent Borry plans to take a short vacation before resuming activities here.

PFC. GEORGE BERGE GRAVELY WOUNDED IN BURMA ACTION

Thomas E. Berge, Father, Receives Message on Invasion Day

In a telegram received on D-Day Tuesday, it was announced that Pfc. George E. Berge, son of Thomas E. Berge of this city, was seriously wounded in action in Burma on May 18.

Further details were not given. Pfc. Berge entered the service on July 28, 1942 and received his basic training at Camp Wallace, Texas.

He was shipped overseas in December 1942 and had since been stationed in India with an anti-aircraft artillery.

Sgt. and Mrs. Bernell Peterson left Saturday night following a visit with the former's parents, Mr. and Mrs. Henry J. Peterson. Before returning to Idaho, they spent a few days in the twin cities.

Game and Fish Division Officials Will Address Sportsmen on Tuesday

In the course of a tour of inspection of state interests in this section, Verne Joslin, director of the state division of game and fish, and Frank Blair, superintendent of game propagation in the department of conservation, will visit Thief River Falls next Tuesday evening, June 13, and will speak at a meeting in the Civic and Commerce association rooms at 8 o'clock under the sponsorship of the Pennington County Sportsmen's club, Wm. H. Borchert, secretary, announced today.

Bill Gray to Open Tire & Auto Accessory Shop on LaBree av. Saturday

Gray's Tire Shop, handling a full line of tires and automobile accessories, will open for business Saturday, June 10, in the quarters on LaBree av. north of the M & D Cafe. Proprietor of the shop will be Bill Gray, former member of the U. S. marine corps, who received a medical discharge after 17 months of service, including six months overseas at Guadalcanal and other points in the South Pacific. Preceding his entry into military service, Mr. Gray was a member of the champion Thief River Falls hockey team in 1940-41.

Current Interrupted on East Side Last Monday

Electric current in the section of the city east of St. Paul av. was interrupted for approximately two hours starting shortly after 11 o'clock Monday morning when water-soaked insulation on a main wire was worn away by the branches of a tree in the alley west of St. Paul av. adjoining First st. E. Many east side residents had a cold lunch as a result of the break. Power plant linemen made temporary repairs to the circuit.

State Republican Heads Confer in City Tuesday

George C. Jones of Minneapolis, chairman of the Republican state central committee, and Mrs. Rose Spencer, chairwoman, conferred in this city Tuesday evening with chairmen and chairwomen representing nine Northwest counties, discussing organization plans in connection with the coming primary and general elections. The meeting was held in the Rex Cafe.

Elks Flag Day Speaker

JOHN W. PADDEN

MARSHALL COUNTY CREAMERY OUTING SUNDAY, JUNE 11TH

Land O'Lakes President Will be Principal Speaker at Annual Event

One of the most widely attended events held in this section, the annual picnic of the Marshall county creameries will be conducted next Sunday, June 11, at Middle River state park, midway between Argyle and Newfolden.

As on numerous past occasions, the principal address on the afternoon program, which will get under way at 1:30, will be delivered by John Brandt, president of Land O'Lakes Creameries, Minneapolis.

Other features of the program will include the invocation by Rev. W. A. Fleagle of Warren, talk on the centennial of the Rochdale pioneers by County Agent F. Forbes of Warren, and a discussion of the Fifth War Loan drive by W. O. Braggans of the Marshall county war finance committee.

Musical selections will be provided by the Middle River high school girls trio, Wm. Fossell of Viking and Doris and Thelma Anderson of Viking.

Refreshments will be available at the state refectory and from private concessions, the committee in charge of arrangements announced.

100 PENNINGTON 4-H CLUB MEMBERS AT SHORT COURSE

Take Part in Varied Activities at N. W. School This Week-end

One hundred Pennington county 4-H club boys and girls have registered for the 4-H club junior short course being held at the Northwest School of Agriculture at Crookston on Thursday, Friday, and Saturday of this week, according to County Agent Ernest Palmer. This is the largest registration from Pennington county 4-H clubs at the short course.

The main purpose of club week is to give 4-H club members an opportunity to get information on their projects, according to Mr. Palmer. Each forenoon is being devoted to class room discussion and members of the Northwest School faculty, extension specialists and 4-H club staff members are serving as instructors and camp leaders.

A recreation program is conducted during the afternoon of each day. The Rocksbury 4-H club, which was the winner in the Pennington county 4-H one-act play contest, will put on their play on Friday afternoon in competition with winning plays from other counties.

Miss Thelma Tveit, county club agent, is in charge of the Pennington county delegation.

Vacancies on the staff of the Union State bank have been filled by the appointment of two additional tellers, E. O. Peterson, president, announced this week. The new employees are Miss Alice Brannon, formerly of the Farmers State bank of Maddock, N. D., and Mrs. Fern Selle of Thief River Falls.

MANY PRESENT AT GRADUATION FRIDAY NIGHT

Justice Youngdahl Advises Seniors Education Is Not Complete

MANY OPPORTUNITIES OPEN IN SPITE OF WAR

Leroy Rupprecht, Marjorie Ann Olson Win Legion, Auxiliary Awards

In impressive ceremonies before a capacity audience, 119 Lincoln high school graduates Friday evening received their diplomas at the 41st annual commencement exercises in the high school auditorium.

Luther W. Youngdahl, associate justice of the Minnesota supreme court, delivered the address to the graduates, selecting for his topic, "Education for All of Life."

He pointed out to the young people that their learning is not yet complete in the broader sense, and that there is no limit to the age when education may be acquired.

In spite of the war, Judge Youngdahl said, opportunities today are presenting themselves to young people in many fields. Among qualities especially needed in these times he listed courage and the spirit of Christian charity.

The program opened with the processional march played by the Lincoln high school band directed by Edward Anderson, who also directed the high school chorus and the boys octet, each group giving two numbers.

Well-delivered salutatory and valedictory addresses were given respectively by Donelda Weckwerth and Ruth Meyer, following which W. G. Claffy, principal, presented the class to Dr. A. E. Jacobson, president of the board of education, who conferred the diplomas.

Speaking briefly, Dr. Jacobson expressed concern as to whether or not the American people fully appreciate the privilege of having their schools function normally under the stress of war, in marked contrast to conditions in others of the Allied Nations.

Supt. Philip L. Fjelstad conferred teachers' certificates on a class of seven graduates of the teacher training department, and also presented scholarships to Ruth Meyer, valedictorian, and to Burdell Merritt, highest ranking boy student in the class.

The American Legion award to the young man best exemplifying the qualities that make for good citizenship was presented by Alfred Skarstad to Leroy Rupprecht, while Mrs. J. M. Bishop presented a similar Legion auxiliary award to Marjorie Ann Olson.

CPL. ERNEST BERRY WOUNDED IN ITALY ACTION ON MAY 11

Nature of Wounds Was Not Indicated in Message to His Parents

Cpl. Ernest Berry, son of Mr. and Mrs. Oral Berry, living two miles west of Thief River Falls, is now in an army hospital in Italy after being wounded in action there May 11, his parents have been notified.

Inducted into the army May 18, 1942, Cpl. Berry has been overseas since January 1, being stationed in North Africa and the past two months in Italy. Before leaving this country he received training in Camp Shelby, Mississippi, as well as in Arizona, Louisiana and New Jersey.

His parents, who have not been notified as to the nature of the wounds suffered by their son, have received the Order of the Purple Heart which was recently awarded to him.

Rotary Hears Prayer for Success of the Invasion

Thru arrangements made by Dr. H. H. Hedemark, president of the Pennington County Sportsmen's club, a motion picture supplied by Ducks Unlimited was shown Tuesday noon at the Rotary club luncheon in the Evelyn hotel. In behalf of the club, Dr. A. E. Jacobson offered a prayer for the success of the allied invasion of Europe.

Pennington Co. 5th War Loan Drive Is All Set

Holt School Pupils Buy Many War Stamps

The 22 pupils in the fourth, fifth and sixth grades of the Holt school have been liberal purchasers of war savings stamps, having invested a total of $293.25 since January 1, according to their teacher, Marguerite Lee.

European Invasion Expected to Give Added Impetus to Bond Sales

COUNTY QUOTA FIXED AT $475,000 QUOTA

City Solicitors to Attend Kickoff Breakfast on Monday Morning

Preparations for the Fifth War Loan drive in Pennington county have during the past week taken on the finishing touches, said County Chairman Paul A. Lundgren, and more than 200 men and women are poised for the opening of the drive Monday, June 12, under the slogan: "The Invasion Is On! We Must Not Fail at Home." The county quota is $475,000, or $87,500 more than in the Fourth War Loan drive.

In Thief River Falls the solicitors representing the various fraternal and civic groups, will receive their final instructions from Andy Anderson, city chairman, at a "kick off" breakfast to be held at the Evelyn Hotel at 8 o'clock Monday morning.

An honor roll will be presented to the firms where their entire personnel buys bonds, and are to be displayed during the drive. The honor roll awards will be under the supervision of Alfred Skarstad, publicity chairman.

Temporary headquarters of the Pennington county committee will be set up during the drive at the office of the First Federal Savings and Loan association, corner Main av. and 2nd st. The various selling agencies will make daily reports of sales and these will be tabulated so as to give each municipality its proper credits. Tabulations will be in charge of Mrs. Marjorie Kiland.

The various town boards report that they too are ready for action. The rural solicitation will be under the supervision of Carl Anderson, Pat Culkins, and Mons Solberg. Goodridge, Hazel, and St. Hilaire will be taken care of respectively by Stephen Singer, Ole Odegaard and Paul Roy.

"If the public generally will respond as loyally as the workers," said chairman Lundgren, "there now seems no reason why Pennington county should not do as well in this drive as we have in the past. Incidentally, take a look at the fine pennants and awards which we received in the Fourth War Bond drive now on display at the Northern State bank. Your bonds bought a share in the pennant. Let's be first in the Fifth.

"While the drive lasts until July 8th, considerable confusion can be avoided if bonds are purchased early. The banks, the postoffices and the other selling agencies are donating their time in selling the bonds. If everybody waits until the last of the drive, the task becomes unbearable. Moreover, it will save the committee considerable anxiety if your purchase is made now."

CO. BOARD WINDS UP JUNE SESSION WEDNESDAY NOON

Approves Purchase of $5,000 More War Bonds During Fifth Loan Drive

The Pennington county board at its June session, which opened Tuesday morning and continued thru Wednesday noon, voted its usual appropriation of $750 for the maintenance of the county library system, operated thru the agency of the local Carnegie library.

Action on a request for an appropriation for the support of the 1944 Pennington county fair, submitted by members of the board of directors, was deferred until the board's semi-annual session in July.

The board approved the annual report of County Engineer J. A. Erickson covering the past year. Residents of Silverton and Kratka townships conferred Monday with the board relative to road and drainage problems.

It was voted to increase the county's holdings of war bonds by $5,000 during the forthcoming Fifth War Loan drive, thus making a total of $35,000 in bonds purchased to date.

LOCAL RATIONING BOARD GROUP TO GO TO G. FORKS MEET

Thief River Falls Office to be Closed All Day Next Wednesday

All Pennington county citizens are notified by Waldie Christensen, chairman of the local war price and rationing board, that the board offices will be closed all day Wednesday, June 14, when all board members and clerks will attend a local board conference in Grand Forks.

An estimated crowd of three hundred volunteer members and paid personnel of local war price and rationing boards from seventeen Minnesota and North Dakota counties will attend the meeting.

Members of the Grand Forks war price and rationing board will act as hosts for the day. Ray Walters, regional OPA administrator for seven midwestern states, and Thomas F. Kelly, regional board operations officer have been invited to attend.

"Controlling prices and rationing limited supplies are not easy jobs in wartime," Mr. Christensen said, "and this meeting provides an ideal opportunity for local board members and clerks to exchange ideas and experiences which may lead to simplifying the job, and bring about a uniform service to the public."

Dahlen Attending State Savings and Loan Session

Stanton R. Dahlen left Tuesday evening for Minneapolis to attend the annual convention of the Minnesota Savings & Loan league at the Radisson hotel. He was accompanied by Mrs. Dahlen and children, who will go on to Stanchfield to visit for three weeks at her parental home.

Next Contingent Leaves City Thursday, June 15

The next contingent of Pennington county men will leave for Fort Snelling next Thursday noon, June 15, to be assigned to duties with the U. S. army. The group, smaller than usual, will be made up entirely of volunteers, it was announced by Arthur Berg, chief clerk of the local draft board, as will also a navy contingent scheduled to leave Thursday, June 29.

ELKS LODGE WILL OBSERVE FLAG DAY IN PARK JUNE 14

John W. Padden of Crookston Will be Speaker of the Evening

The annual observance of Flag Day under the sponsorship of the local Elks lodge will be conducted in the Elks memorial park next Wednesday evening, June 14, at 7:30, Ole Engelstad, exalted ruler, announced today.

The address of the evening will be delivered by John W. Padden of Crookston.

Preceding the program, there will be a parade from the Auditorium to the park, with Joe Maruska as marshal. Included in the line of march will be the color guard, members of the Elks lodge, Lincoln high school band and boy and girl scouts. As a new feature this year, flags of the United Nations will be carried by members of the lodge.

The public is invited to participate in the exercises.

Roy Barzen Discusses Local Parks at Weekly Meetings of Lions Club

Roy Barzen, president of the Thief River Falls park board, addressed the Lions club at its luncheon meeting Wednesday noon in the Evelyn hotel, giving an interesting discussion of the objectives of the board and of the problems in connection with the maintenance of the local park system. Clarence Williams of the Cities Service Oil company presented Mr. Baltman, who showed colored motion pictures dealing with the major part played by oil in the war.

Junior Chamber Given Aviation Trophy at Its Session Last Thursday

At a meeting of the Junior Chamber of Commerce last Thursday evening in the Palm Garden Cafe, Wallace Carlson turned over to the organization the attractive aviation trophy recently awarded it at the state Junior Chamber war conference in Minneapolis in recognition of its achievements in that field during the past year. Paul A. Lundgren, county war finance chairman, was the principal speaker at the session, discussing details of the Fifth War Loan drive which gets under way next Monday, and soliciting support of members of the Junior Chamber.

ZION CHURCH TO ORGANIZE SCOUT TROOP ON MONDAY

Ed. Haug Is Appointed Scoutmaster at Meeting of Parents Monday

Plans for the organization of a Boy Scout troop under the sponsorship of Zion Lutheran church were completed Monday evening at the third of a series of parents' meetings. The first meeting with prospective boy members of the troop will be held at the church next Monday evening, June 12.

Ed Haug was selected to serve as scoutmaster, with Ross Randall and Clarence Gulseth as his assistants.

These three men also will serve on the troop committee, together with C. A. Jensen, chairman; Matt Gutta, treasurer; Gust Haugen, E. E. Olson, E. O. Iverson and Walter Pedersen.

Foreign War Veterans Will Meet Next Tuesday

The regular meeting of the Veterans of Foreign Wars will be held next Tuesday evening, June 13, in the veterans memorial room in the Auditorium, Joseph Loeffler, adjutant, announced today.

Alberg-Rolland Vows Spoken Here Saturday

Miss Helen Marie Alberg of Hazel and Gerald Rolland of the U. S. Navy, son of Mr. and Mrs. E. L. Rolland, formerly of this city, were united in marriage Saturday afternoon at the Zion Lutheran parsonage. The ceremony was performed at four o'clock by Rev. Walter Pedersen. They were attended by the bride's sister Mrs. Harry Ranum and Burton Brosseau, both of this city.

Following the ceremony the bridal couple left for Grand Forks where they were entertained at the home of the bridegroom's parents. A three-course wedding dinner was served with covers being layed for ten guests. The lace covered table was beautifully decorated with spring flowers and lighted tapers, and it was centered with a three tiered wedding cake topped with a miniature bride and groom.

Mr. and Mrs. Rolland left Sunday evening for Minneapolis, where they will spend the remainder of the bridegroom's leave. He will then return to Port Hueneme, Calif., where he will await overseas assignment. Mrs. Rolland, who is employed in Minneapolis, will remain there to resume her work.

Shower at Dorn Home for Mrs. Ralph Hunt

Misses Doreen Dorn, Wanda Jacobson, and Ethel Furuseth were joint hostesses at a miscellaneous post-nuptial shower last Thursday evening honoring Mrs. Ralph Hunt (nee Donna Lou Kreil), whose marriage was an event of last month. NORWEGIAN LUTH. CHURCH VOTES TO CHANGE ITS NAME

Final Action on Change Will be Deferred until 1946 Convention

"The Evangelical Lutheran Church" Saturday was adopted unanimously as the new name of Norwegian Lutheran Church of America at its biennial convention at Central Lutheran church in Minneapolis.

Before the new name can be used officially, however, it must be resubmitted to the 1946 convention and approved by a two-thirds vote of delegates.

Passage of an amendment to the church's constitution embracing the new name followed a 764 to 269 vote Wednesday night asking elimination of the word "Norwegian" from the church's title.

Among other proposed names considered were "Lutheran Church in America," "United Lutheran Synod" and "National Lutheran Church."

Ordination of 25 men—one of the largest groups ever to be invested at one time—concluded the convention at 2:30 P. M. Sunday in Central Lutheran church.

Dr. J. A. Aasgaard, president of the church, was the ordinator, assisted by 48 other clergymen.

Kan du glamme gammle Norge?

Hi Neat

I just finished reading Tor Myklebust's book—"They Came as Friends."

It is the authentic historical story of the rape of Norway by the Germans April 8th, 1940, and continuing—to date.

It is a story of murder — rapine — arson — robbery — tyranny — and starving and mutilating a people.

It is the story of the ruthless desecration of every right—every privilege—every tradition that centuries of clean—free living by a highly intellectual people.

Four years and two months after the rape of Norway our boys are engaged in an invasion—in a military expedition into continental Europe that has as its purpose the freeing of all oppressed countries.

Today—we are praying for the early success of that greatest of all military and naval operations. The eventual result is not—has never been—in doubt. We pray that—to beat this beast to his knees will take the minimum of time that it will necessitate the expenditure of less blood on the part of those near and dear to all of us.

Tomorrow you and I are going to be thinking of the world of tomorrow. It is our duty to help—in our way—to fix things so no nation—headed by blood thirsty and power-crazed maniacs—can ever again rise and smite the peace-loving — defenseless small countries of the world.

I am not a politician and I know nothing about the politics of Minnesota — who you have to represent you in Washington—but I know what we have in North Dakota—and I know that my vote will go to those men who believe in (and have the strength of character to bring about) our participation in an international police organization that will make the world safe for our grandchildren — 25 years from now.

We fought World War No. 1 to end wars and we lost the peace because we listened to a bunch of sob-sisters who pleaded for the dear misguided German people — because we elected a Congress that turned down the League of Nations because we thought we should have an America aloof from the rest of the world.

We paid for that mistake. We are paying today not only with our billions of dollars in wealth but (more important) with the blood of the cream of our manhood.

Let us pray—you and I—and let us vote too. "God Helps those who help themselves."

Let us pray—you and I—and let us buy every cent's worth of War Bonds we can buy—now—so that our boys—over there—will lack for nothing needed to clean up Hitler's mad men and Hirohito's slant eyed maniacs.

"Kan du glamme gommle Norge?" Can you forget all the things you have heard from over there? Have you forgotten? Then read "They Came as Friends." Read in that book the chapter, "The Firing Squad"—those are your friends — your relatives — at least they were fine—clean—honest — God-fearing — freedom-loving human beings.

Don't forget about them — what they suffered—are suffering today—will suffer again—if you and I do not tear the word "isolationism" out of our dictionary.

I haven't tried to sell you anything—have I? Nothing but punishment for the murderers and protection for the weak—all the weak of all the world—in all the days to come.

Thanks a lot,
Si Poppler.

Services Held Sunday for Mrs. Ed. Floding

Mrs. Ed Floding, sister of Mrs. Anna Risdal and Peder Furuseth of this city, passed away last Thursday afternoon at a Crookston hospital at the age of 66. Rites were held Sunday at 1:15 P. M. at Gully.

Mrs. Floding, born in Toten, Norway, Feb. 6, 1878, came to the United States in 1896 and made her home with her uncle near Halstad. Later she took up a homestead north of Gully and after being employed in points in Minnesota and North Dakota, was married to Ed Floding in April, 1921, at Port Angeles, Wash. Since that time they have made their home on a farm near Gully.

Survivors include, besides her husband, three sisters and two brothers, Mrs. Anna Risdal and Peder Furuseth of this city, Mrs. Amentia Stepprud of Norway, Mrs. Peter Nording and Morris Furuseth of Gonvick. Her parents and three brothers preceded her in death.

Evangelical Church to Hear Fergus Falls Man

Evangelist O. N. Flugstad of Fergus Falls will conduct Norwegian services at the Evangelical Free church next Sunday morning at 11 o'clock, Rev. J. O. Jacobsen, pastor, stated today. He also will speak Monday, Tuesday and Thursday evenings at 8 o'clock, and will address the mission circle Wednesday afternoon at 3 o'clock, when lunch will be served. Sunday evening services will be in the English language as usual.

Lifeguards Now on Duty at Tindolph Park Pool

Lifeguards are now on duty at the Tindolph park swimming pool between the hours of 9 o'clock in the morning and 9 at night, Bill LaFave, chairman of the city recreation board, announced today. The pool has been well patronized recently, with the exception of during the cold spell over the week-end.

Ole Revdahl Passes Away at Home Monday; Rites to Be Saturday

Rev. Walter Pederson will conduct last rites in the Zion Lutheran church Saturday afternoon at 2 o'clock for Ole R. Revdahl, who passed away at his home at 421 Tindolph So. Monday. Interment will be made at Greenwood cemetery.

Mr. Revdahl, who was almost 89 years of age, leaves to mourn three daughters, Mrs. Christine Ness, Mrs. Eline Haug, and Mrs. Olive Berg, all of this city; two brothers, Nels Olson of this city and Richard Olson of New York; one sister, Mrs. Anna Kjosvig of Norway; twelve grandchildren and thirteen great grandchildren. His wife and a son preceded him in death.

Born in Norway July 12, 1855, the deceased came to the United States in 1887 and lived for a time at Halstad. In 1891 he moved to Hendrum, making his home there until coming to this city in 1902. He was a charter member of the Zion Lutheran church here.

Rationing Dates for Coming Week

Sugar: Stamps No. 30 and No. 31 (Book IV) good for 5 pounds indefinitely. Stamp No. 40 (Book IV) good for 5 pounds Canning sugar through February 28, 1945. An additional maximum of 10 pounds of canning sugar may be applied for through July 31st. After August 1st, another 10 pounds will be made available to those who need it. The first application to be valid must have Spare stamp No. 37 attached thereto. No stamp is necessary for the second application.

Meats and Fats: Red Stamps 8A through 8W (Book IV) valid indefinitely. Thirty points will be given every four weeks instead of every two weeks because of the wide selection of meats available without points. Three more red stamps will become valid July 3.

Processed Foods: Blue Stamps 8A through 8V (Book IV) valid *indefinitely*. Five more Blue Stamps will become valid July 1.

Shoes: Airplane Stamps No. 1 and No. 2 (Book III) good for one pair of shoes indefinitely.

Fuel Oil: Period Four and Five coupons good for ten gallons per unit through September 30, 1944.

Stoves: Applications for purchase certificates on all gas, oil or coal heating and cooking stoves must be made to local War Price and Rationing Boards.

Gasoline: A-11 coupons good for 3 gallons each through June 21. B2 and B3, and C2 and C3 supplemental ration coupons good for five gallons each.

For your protection against the black market, the rationing rules now require every car owner to write his license number and state immediately on all gasoline coupons in his possession.

Tire Inspections: Truck inspections must be made every six months or five thousand miles, whichever occurs first.

Doris Stigen left Monday morning for Kenmare, N. Dak., where she will work for her aunt, Mrs. Ben Folkers. Her brother Henry accompanied her as far as Kenmare and from there he left for Mohall, N. Dak., to work for his uncle, Adolf Raaf.

Local Rationing Boards Authorized to Penalize Gas Rations Violators

Misuse of gasoline rations may result in revocation of rations by local war price and rationing boards, or by the district OPA office, according to Harold W. Bangert, district OPA director.

Rationing regulations place the authority with local boards for allotting gasoline for personal, occupational and preferred driving, and authority for revoking the rations of a violator rests with local boards, as well as district officials.

"Representations made to local boards concerning the occupational driving needs of an applicant are generally accepted as having been made in good faith," Mr. Bangert said. "Misuse of supplemental rations constitutes a breach of trust, and local boards are willing to use their authority and responsibility to deal with such violations."

BEGINNING OF THE END

With a hundred miles of the French coast in the hands of allied invasion forces there is justification for the general satisfaction with which this first phase of the attack on fortress Europe was effected. Losses in this first stage of invasion have been surprisingly light. During the first two days little opposition was reported either from land forces or from the air and the fighting seemed to be limited largely to mopping-up operations.

Authorities assure us however that these early successes are not to be construed necessarily as indications of enemy weakness. Allied leaders expect large scale counter attacks and an all-out attempt to hurl the invaders into the sea. Such counter attacks, they tell us, may come at any time or may be withheld even for weeks. Until such counter attacks are made and fail to dislodge our forces, we cannot feel secure in our positions. The hard fight to maintain our beachheads is yet to come, to be followed probably by months of bitter fighting along the long road that leads to Berlin.

Most encouraging is the knowledge that Hitler is confused. Threatened at so many points in his long defense line, he must conserve his dwindling reserves of men and machines for what he hopes will be a smashing victory. The advantage of deciding when and where to strike is no longer his. He has always expressed fear of a war on two fronts. Now he has war on all fronts, with the added threat of mass uprisings in the countries he has conquered. There is little for Hitler to hope for now but local victories where he may concentrate power. He may look forward to a continuing series of defeats that will gradually sap his strength and eventually bring about his complete destruction. The noose is tightening around his neck.

It is easy to understand why war-weary Russians celebrated the announcement of the landing of allied troops in France. Here was the long-awaited second front that would divide Hitler's army. Here was definite assurance that Britain and America were keeping faith, a faith that probably had been questioned by many Russians during the long months they seemed to be fighting alone. From now on the rank and file of the Russian people, who could not be told before of the details of allied plans, probably will have more confidence in us and possibly may be more favorable to the idea of giving aid to China and helping us in our war with the Japs. In Russia our stock has gone up.

Radio commentaters had a rough time of it Tuesday trying to give a running account of an invasion they were not permitted to tell anything about. Their's was not an easy assignment and they had our sympathy. By and large the radio chains fell far short of the promises they had made of giving a play by play description of the great attack. The public had been led to expect that this was to be a show that would be covered like a world's series baseball game and thruout the long hours of D-Day listeners were urged to keep their ears glued to the receiving sets for hot-off-the-griddle flashes which generally proved to be not so hot. The performance was all that could be reasonably expected. It was the promise that was not reasonable.

Now that the Allies have struck across the British Channel we'll admit that we have guessed wrong in predicting all the next moves. As military tacticians either the allied high command or we have been 100% wrong. Strange how well they seem to have gotten along.

Fair weather locally, accompanied by favorable invasion news, served to brighten the features of faces hereabouts this week. No rain for a couple of days, along with cool weather to lessen the damage in flooded fields, improved crop prospects immeasurably. A few more dry and cool days will not be objected to.

DATES TO BE REMEMBERED

As the fortunes of war turn against Hitler and Hirohito and the propaganda for sympathy replaces the propaganda of hate, here are a few dates that should be kept in mind.

Sept. 3, 1938, Munich Agreement.
Sept. 1, 1939, Poland invaded.
April 9, 1940, Norway Invaded.
May 10, 1940, Low Countries Invaded.
June 10, 1940, Italy declared war.
June 22, 1941, Russia invaded.
December 7, 1941, Pearl Harbor.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

Washington—Preparing for the present invasion, the American Red Cross has shipped 6,000 Red Cross capture parcels for distribution to American prisoners of war in European transit prison camps, American Red Cross national headquarters announced today.

Containing the essential clothing and personal items needed by newly captured prisoners, the parcels are en route to the Geneva headquarters of the International Red Cross committee which supervises distribution. A further shipment of 24,000 capture parcels will be sent within the next 30 days, said Red Cross officials.

Contents of the parcel includes: one pair pajamas, one pair bedroom slippers; one safety razor, three packages razor blades, one sweater, two pairs socks, one light undershirt, one pair light drawers, six cakes of toilet soap, two bars of laundry soap, one tin tooth powder, tooth brush, clothes brush, hair brush, shoe brush, one pocket comb, one jar brushless shaving cream, two bath towels, two face towels, one tin shoe polish, four handkerchiefs, one "housewife", including needles, thread, buttons, safety pins, pins, and darning cotton, two pairs of shoe laces, one box cascara, one box vitamin tablets, one box band aids, one pipe and pipe cleaners, three packages smoking tobacco, one carton cigarettes, and one carton of chewing gum.

Red Cross prisoner of war relief authorities also stated that a reserve of the standard food parcels, distributed weekly to Americans interned in Europe, is being built up in Geneva in order that regular supplies supplemental rations can go to prisoners during the invasion.

Air mail letter forms for improved mail service to American prisoners of war in Europe are now available at the postoffice, A. Anderson, postmaster, has announced. Because they are cleared and delivered more rapidly than the old form, they have been adopted at the suggestion of American prisoners in Germany who reported that British letters on similar forms have been cleared much faster. "The use of this form will also stop the complaints of German censorship authorities about the patriotic slogans being stamped on the envelopes", the postmaster said. Air mail charges for letters written on the new forms are six cents. Relatives of prisoners are expected and invited to use this new form.

Evangelical Free and Covenant Churches to Sponser Bible School

Miss Orlanda Kompelien of this city, who taught at the St. Hilaire school during the term just closed, has been named superintendent of the combined daily vacation Bible school to be conducted June 20-30, inclusive, by the Evangelical Free and Mission Covenant churches here. Both church buildings will be used, with two departments in each.

The Bible school opens Tuesday morning, June 20, at 9 o'clock. Sessions are planned for ten week day mornings with closing time around noon. Classes, recitations, hand and memory work, and singing will be featured. The school is open to children and juniors, irrespective of church preference otherwise.

Teachers and alternates include Pearl Kompelien, Genevieve Erickson, Joyce Brodin, Alice Roos, Edla Erickson and Gloria Ulschafer. Clara Lund is school registrar and secretary-treasurer.

For further information those interested may call Miss Lund, registrar, at 593-M.

Grygla Member of Coast Guard Veteran of South Pacific Invasion Moves

Aboard a Coast Guard-Manned LST, Somewhere in the Pacific (Special)—A former Grygla boy, Ledvig A. Dalos, carpenter's mate, first class, has been attached to a Coast Guard-manned LST (Landing Ship Tank) since it was commissioned at Pittsburgh, Penn.

Dalos, who enlisted in the Coast Guard August 31, 1942, at Seattle, Washington, as a carpenter's mate, first class, is a veteran of the invasions of Tawara in the Gilberts and Kwajalein *and numerous other smaller atolls* in the Marshalls.

Son of Mrs. Alene Dalos, Grygla, Ledvig is in charge of the damage control and repair party when this LST is at battle stations. Dalos has a brother, Oliver, who is a S/Sgt. in the army.

Zombie Jamboree to be Held in Falls Theatre Saturday Night at 11:30

Arrangements are all set for the appearance of the Midnight Zombie Jamboree for a midnight performance on the stage at the Falls theatre Saturday night, June 10, at 11:30. This attraction is heralded as the spookiest entertainment the world has ever known. There will be no children admitted and it will be wise not to bring grandma. Tickets will be put on sale in advance. This takes the pressure off the box office at the late hour and saves standing in line. The show will start with a thrilling horror picture.

Four County Students at "U" on Honors List

The University of Minnesota news service announced this week that three Thief River Falls students were on the Cap and Gown Day honors list by virtue of having maintained a B average in their studies. Included are Laurel J. Myrin, senior in the college of science, literature and the arts; and Marion Meyer and Mildred C. Olson, respectively junior and freshman students in the school of nursing. Also receiving the honor was Jeanette B. Tveit of Goodridge, freshman student in the school of nursing.

Recreation Highlights

Parents! Don't forget to have your children make use of the recreational facilities provided them by your city.

The game room in the Arena is opened Monday, Tuesday, Thursday and Friday afternoons at 1 o'clock and Wednesday afternoon if it rains. If Wednesdays are nice we will have camp day.

Our first camp day is Wednesday, June 14th. This 7 hour day camp is opened to all children who are able to walk to the camp site and take part in the program for the day.

The children meet at the Arena by 10 o'clock in the morning with food and drink, which they may cook in the open. They will be back in town at 5 o'clock. You may call 615 or 409 or come and see Camille Dostal, at the Arena, for details.

All women interested in the recreation provided for our children by the city, are asked to meet Monday, June 12th, at 8 o'clock, in the arena game room.

A teen-age dance will be held Friday, June 9th, from 9 to 12 in the Auditorium.

Irene Opland, at the Internal Revenue office in St. Paul, spent the week-end with her parents, Mr. and Mrs. Conrad Opland.

CITY COUNCIL PROCEEDINGS

The City Council of the City of Thief River Falls, Minnesota, met in special session, pursuant to due call and notice therefor, in the Council Chambers, the Municipal Court Rooms, in the Auditorium and Municipal Building on May 29th, 1944. The meeting was called to order at eight o'clock P. M. with Aldermen Griebstein, Petersen, Hunt, McKechnie, Hinkel present and Alderman Palmer O. Hanson absent.

The meeting was called for the purpose of considering the previously filed resignation of Alderman Hanson of the Fourth Ward and the disposition of other matters requiring attention.

The formal resignation of Alderman Hanson was presented and read, the same being dated May 8th and stating that due to his contemplated absence from the City he would be unable to fulfill the duties of such office. Alderman Petersen moved that the resignation be accepted. The motion was seconded by Alderman McKechnie and the roll being called on adoption of such motion the same was duly adopted by unanimous vote. The election of a successor was next in order and Alderman Hinkel moved that a ballot be taken on such selection. The motion was seconded by Alderman Petersen and adopted. The result of the ballot indicated a vote of four for Stuart McLeod and one vote for P. H. Larson. Stuart McLeod of 308 Merriam Avenue North having received the necessary vote for election was thereupon declared Alderman of the Fourth Ward for the unexpired term of Palmer O. Hanson. Alderman McLeod was present, subscribed to the oath of office and took his seat at the Council table.

Gilbert Gilbertson, owner of E. 100 ft. Lots 9-12, Blk. 13, Original townsite was present and protested the amount of assessment for sewer, storm sewer district No. 2, against such property. Alderman Petersen moved that the matter be referred to the Tax Committee with authority to act in the matter. The motion was seconded by Alderman Hinkel and adopted.

On motion of Alderman Petersen, seconded by McKechnie and adopted the Superintendent was instructed to install two parking lot lights on the lots owned by L. H. Hartz in Block 31 of the Original Townsite.

On motion of Alderman Hunt, seconded by Alderman McKechnie and duly adopted the Clerk was directed to cause notice to be published advertising for sale the house located on the land owned by the City in Marshall County, bids to be opened on June 20th, 1944.

Alderman Hinkel introduced a resolution appropriating from the Current Expense Fund the sum of [illegible] to defray the expense of Aldermen, Clerk, Attorney and Superintendent of Water and Light in attending the convention of the League of Minnesota Municipalities to be held in Minneapolis on June 12-14, 1944 and moved adoption of such resolution. The motion was seconded by Alderman Petersen and by roll call the resolution was adopted by unanimous vote.

On motion made and duly carried the meeting was declared adjourned.

EMIL GRIEBSTEIN,
President of the Council.
Attest: P. G. Pederson,
City Clerk.

Ralph Long left Monday night for Minneapolis, where he will attend the summer school and be employed during the summer months. He is the son of Mr. and Mrs. Ward Long.

VICTORY LEAGUE STARTS ITS GOLF SESSIONS FRIDAY

Ten Teams Are Prepared to Swing Into Action on Local Course

The Victory Golf league, with ten teams in the circuit, will begin its third season of play Friday evening, with the defending champion Harts Bakery team playing the Soo Line. Other first round matches will pit Oen's against Firestone; J & H Drugs against the Rotarians; Lincoln Life against the Bratrud Clinic; and Poppler's Furniture meeting the Pharmacy.

The Harts Bakery team with its lineup intact from last year—Bill Claffy, Vic Kvikstad, Father Merth, and Ed. Carlson—has been installed as the early favorites; but the Lincoln Life, Pharmacy, Bratrud Clinics, and several other teams, are expected to nudge the champions plenty.

Golfers desiring to play on a team, or wishing to be placed on the extra-player list, should inform Ed. Carlson or Oscar Cerny.

This season's schedule calls for one round of play, ending on August 4th, and then it is planned to have the four top teams in the league standings engage in a play-off for the city championship.

Golf Tournament Slated Next Sunday Afternoon

The local golf club's tournament committee hopes that all golfers will participate in the tourney scheduled for Sunday afternoon. The tournament, which is billed to start at 2 o'clock will be medal play and on a best-ball foursome basis, with handicaps also being used to determine the low net scorers. Oscar Cerny, member of the tournament committee, announced that the entry fee, fifty cents for each entrant, will be utilized for the prizes.

Lieut. Wendell W. Olson Graduates as 1st Pilot

Second Lt. Wendell W. Olson, son of Mr. and Mrs. Alfred K. Olson, Thief River Falls, Minn., has been graduated as a B-26 Marauder first pilot at the Dodge City, Kansas, army airfield of the AAF training command. He was one of scores completing a rigorous 10-week course in the 12th graduating class of medium bomber pilots, and will soon be ready to join hundreds of Marauder pilots now based in the various war theaters.

Lawrence Rulien, Jr., and Dick O'Hara, son of Mr. and Mrs. Jake O'Hara, left Monday for Portland, Ore., where they will be employed during the summer months.

GATZKE BALL CLUB WILL PLAY LOCALS NEXT SUNDAY, 2:30

Visiting Team Defeated the Newfolden Nine Last Sunday

The Gatzke ball club, fresh from its conquest of the Newfolden team last Sunday, will invade the fair grounds diamond on Sunday for a game against the local nine.

Wally DuChamp, Woody Almquist, and Gordy Reierson are the only veterans remaining on the local team that represented the city two years ago. But with several graduates from the junior nine, and with some players that have moved into town, Manager Reierson expects to have a fair-to-good team on the field. Orester Aase, former Gatzke pitcher, will hurl for the locals, with Grover Stephens or Arlo Jacobson doing the catching.

Team captain Wally DuChamp will be at his old position in centerfield, being flanked by Woody Almquist in left field and Gordy Reierson in right field. Jimmy Welton is slated to cover second base, with Bob Baker and Don Johnson at shortstop and third base, and Alan Thompson at first base.

The game is scheduled to begin at 2:30. No admission will be charged, but a collection, to defray the costs of balls, etc. will be taken.

Bill Bye Is All-school President at Anoka High

Bill Bye, son of Supt. and Mrs. Morris Bye of Anoka, formerly of this city, is continuing in Anoka high school the excellent record in scholarship and athletics he made here as a freshman and sophomore in Lincoln high school. Now in his junior year at Anoka, Bill recently was elected by the student body to the office of all-school president, as well as head of the student council. In addition to being a member of the National Honor society, he has been a member of the Anoka high school baseball, basketball, football, golf and track teams.

Recover Timbers Taken from Tindolph Park Pool

Two long timbers 24 inches square that had been spiked together for a life raft at the Tindolph park swimming pool were recovered up Red Lake river by Park Superintendent Carl Larson following their mysterious disappearance last Thursday night. The parties responsible for taking them have not been identified definitely, it was stated.

FLOYD AMIOT ENLISTS IN THE U. S. MARINE CORPS

Floyd Amiot of this city has enlisted in the United States Marines following a call to active duty by his draft board. He was enlisted in the Marine Corps reserve on Monday, and has left for the Marine Corps base in San Diego, Calif., for training. He has three brothers in service, all in the army tank corps. They are Gilbert, Dewey and Harry.

Playground, Swimming Activities Open Here

Following the close of the school term last Friday, summer recreation activities are now getting under way at the Tindolph park swimming pool and at the city playgrounds.

Glenn Hanna, Lincoln high school athletic coach, who will serve as playground supervisor, today issued a call for boys in the fifth and higher grades, who are interested in kittenball or basketball, to register Friday at the high school gymnasium between the hours of 10 and 12 a. m. and 2 and 4 p. m.

Basketball will be played in the gym, and kittenball either on the east side playground or the Lincoln athletic field. Mr. Hanna hopes to organize teams from each of the grade schools and two or three from junior high school.

Quentin Jones will direct a "Learn to Swim" campaign sponsored by the local Red Cross chapter. With lifeguards on duty, classes will get under way Monday, June 19, in accordance with the following schedule:

Monday, Tuesday, Thursday and Friday: 9 a. m., individual instruction; 10 a. m., beginners; 11 a. m., swimmers. Wednesday: 9 a. m., individual instructions; 10-12, diving;

Monday, Wednesday and Friday: 2 p. m., junior lifesaving; 3 p. m., advanced swimming; 7 p. m., adult swimming; 7:30, armed forces swimming tests. Tuesday and Thursday: 2 p. m., fancy diving; 3 p. m., ballet swimming.

Pfc. Lawrence Swanson in Aerial Bomber Crew

Pfc. Lawrence M. Swanson, son of Mr. and Mrs. Oscar Swanson, was graduated last week from the army air forces flexible gunnery school, Laredo army air field, Laredo, Texas, a member of the AAF training command. He is now qualified to take place as a member of a bomber combat crew. Along with his diploma, he received a pair of aerial gunner's silver wings and a promotion in grade at brief graduation exercises.

Local Soldier Practices for Airborne Invasion

Pvt. Virgil Moeller, son of Mr. and Mrs. Alvin Moeller and now presumably participating in the invasion of Europe from a base in England, was mentioned in a recent article by a St. Paul Dispatch correspondent dealing with an airborne invasion training base in England training for the invasion. His brother, Viator Moeller, in the navy the past year, and stationed somewhere in the Pacific, recently was promoted to the rating of gunners mate third class.

Keeping Score

.... With BUCK OLSON

Something New

As far as the local course is concerned the tournament scheduled for Sunday afternoon will be an innovation. The tournament committee, in an attempt to enliven the golfing interest, will conduct a best-ball foursome tournament on Sunday, with the first foursome slated to move off the first tee at about 2 o'clock.

Pairings will be made at the first tee, and will be arranged for the convenience of the golfers. The best-ball foursome tourney, with handicaps being taken into consideration, should account for some low net totals, with the winning score expected to be in the 20's. Hans Chommie made the suggestion that golfers should not be paired unless their handicaps are within four or six points of the other. He intimates that a low handicap golfer paired with a very high handicap golfer, would have quite an advantage. Well, the experiment should lure a number of golfers out to the course Sunday.

More Than Ceiling Price

Rumors circulating around Third and LaBree indicate that several local anglers—Goose C, Abby J., Archie H., Jimmy W., and Harry S.—after fishing walleyed pike at Waskish, were haled into justice court at Blackduck for a conference with the judge. The conversation, which wasn't one-sided by any means, ended with the judge saying: "That'll be fourteen fifty apiece, boys, and you can have your fish back." The party, you see, had exceeded, but not by much, their possession limit.

Goose was plenty nervous about the deal, because he had a 11½-pound northern pike in the string and he wanted that fish. That 11½-pound pike figures out at about $1.26 a pound—that's more than the ceiling price.

City Recreational Program

The city's recreation program, emphasizing activities for the younger boys and girls, will get under full swing this week. Coach Glenn Hanna will supervise the playground program, and he announces that the high school gymnasium will be open at 10 A. M. in the mornings and 2 P. M. in the afternoons and that the various groups will meet there. Coach Quentin Jones will be located at the Tindolph park swimming pool.

Coach Hanna hopes that the East Side and the West Side will resume their diamondball feud. Gordy Reierson, manager of the West Side team, winners of the series last year, is willing, but he feels that Wally DuChamp, as the manager of the losing East Side team, should do the challenging.

A Ball Game

Local fans, who have been on a starvation diet for the past two years, will be able to see their first ball game in a couple of years when the Gatzke team plays the locals on the fair grounds diamond Sunday afternoon.

The local nine has played several games with the juniors and they are in fair shape. Manager Reierson and team Captain Wally DuChamp plan on starting Orry Aase on the pitching mound, and he'll be hurling against his former team as he's a Gatzke boy. The outfield will be patrolled by Woody Almquist, DuChamp, and Reierson; with Jimmy Welton, Don Johnson, Bob Baker, and perhaps Alan Thompson in the infield. Baker and Thompson have been "drafted" from the juniors. Blackie Stephens is expected to be behind the plate.

Miscellany

Norm Furuseth, Prowler football captain, graduated from high school last week and this week, on Monday, he left for Farragut, Idaho, to begin his boot training in the navy. Norm-the-Roughhouse should make an ideal sailor.—Track captain Bardell Merritt, who has been accepted as a naval aviation cadet, expects his call to report for training about July 1st.—Ensign Harry Newby, former Prowler athletic coach, and recently stationed at the Navy's Pre-Flight school at Athens, Ga., has been transferred to Harvard University where he is receiving training to fit him for a communications position. — Virg Evenstad left for Minneapolis on Monday where he will attend the American Legion's junior baseball jamboree. Junior ball players from all over the northwest will meet there, and the boys will engage in an all-star game this afternoon.

1944 Prowler Yearbook Distributed Last Week

The 1944 Prowler, yearbook of the Lincoln high school senior class, was distributed to students late last week before the close of the school term. The attractively bound 88-page book is replete with pictures of members of the various classes, as well as of extra-curricular activities. Marion Winger served as editor-in-chief, with Vivian Bornheim as assistant editor, and W. G. Claffy, faculty advisor.

Lincoln Arnold Returns to Duties in Washington

Lincoln Arnold will leave this evening for Washington, D. C., where he will resume his position as an attorney for the bureau of internal revenue of the treasury department. He had returned to Thief River Falls with his family about two months ago expecting to be inducted into the army, but now has been placed in a deferred classification together with other men over the age of 26. Mrs. Arnold and children will remain in this city.

Safety should start when you step on the starter.

Total of 3.26 Inches of Rain Here Past Week-end

In a series of heavy rains during the past week-end, a total precipitation of 3.26 inches was recorded on the fire hall rain gauge. Of the total, 1.36 inches fell last Friday night, with .25 inch Saturday and 1.64 inches Sunday night. Cool weather prevailed over the week-end, the mercury hitting a low mark of 39 Tuesday morning. The high for the week was 84, registered last Friday.

EASING OF RATION RESTRICTIONS TO CONTINUE IN JUNE

Meats Now Free of Rationing Will be Point-free in Current Month

All meats now ration-free will continue so during the period through July 1, the office of price administration said last week in announcing changes, effective Sunday, June 4, in point values on other commodities.

Canned carrots, orange juice, grapefruit juice and blended orange and grapefruit juice are added to the long list of point-free processed foods.

All varieties of cheese and cheese products are reduced two points a pound to a new value of 10 points.

The ration cost of canned evaporated and condensed milk is halved, dropping from one point for a pound to a half point.

The only increases ordered are for pineapple juice, up three points to 15 for a No. 2 can, and grape juice, boosted four points to 10 for a pint container.

Butter stays at 12 points a pound and margarine at two points.

Choice beef steaks and roasts continue to be the only meat cuts requiring rationing stamps.

All chuck roasts and steaks will cost five points except boneless chuck, or shoulder, roasts, which have been reduced from eight to six points.

BOSTON BULL DOG MOTHERS RABBIT

Sherburne, — Pepper, Boston bulldog, in the Oscar Nelson household has had her troubles this spring. First, she became the mother of four little puppies. One died. While she mourned the loss of her baby, young Billie Nelson acquired a tiny rabbit, too young to care for itself. The bunny was slipped in with the puppies and mother doggie, for a couple of weeks fed it just as she did her own babies. While the young fellow now seeks his own vegetarian diet, he still enjoys association with his adopted family.

Perfect voice control with sure-fire copyrighted material that cannot be imitated will feature the work of Hank Sieman, ventriloquist, who, with his dummy, "Archie", will be one of the highlights of the grandstand program at the Pennington county fair in Thief River Falls August 2, 3 and 4. Sieman specializes in a new type of double talk with the dummy that no other ventriloquist has ever been able to duplicate. He has starred on fair circuits for the past three years and has proven such a great crowd pleaser that the management of the fair feels it is fortunate in securing such an unusual attraction for an outdoor presentation.

BROTHER, SISTER UNITED AFTER FIFTY-TWO YEARS

Worthington.—All because the price of lambs was $2 a hundredweight better in the midwest than in the southern California markets, Fred Krog, 68, of Yuma, Arizona, and his sister, Mrs. Henry Henning, 66, of Ransom met recently for the first time in 52 years. Mr. Krog brought his lambs to the Kansas City market and decided it was time he came on to Minnesota to look up his sister. They had last seen each other in 1892, in Hamburg, Germany, their birthplace.

ROAD RESTRICTION PLAN IN MICHIGAN STUDIED IN STATE

Load Limits There Effective on All Roads for Three Months in Spring

The 1944 spring break-up, necessitating load restrictions on a greater mileage of highways than in any previous year, has caused Minnesota highway officials to study the Michigan plan, in which spring load restrictions, effective from March 1 to May 31, are written into the law.

Normal legal maximum load limits in Michigan, are approximately the same as in Minnesota, but they are in effect only from June through February. During March, April and May the normal axle load limits are reduced 25 per cent on pavements of concrete or concrete base, and 35 per cent on all other roads. Highway officials, however, may impose lower limits when necessary, or suspend restrictions when conditions warrant.

Minnesota legal maximum load limits are in effect the year around, but when necessary to prevent damage or destruction of any highway, lower limits may be posted by order of the commissioner of highways on state trunk highways and by local authorities on local roads.

Experience has demonstrated that restrictions are necessary every spring on many roads, to protect the road surfaces and to keep the roads open to fight trucks and passenger vehicles. In spite of this, many road users seem to plan their hauling in the hope and expectation that no restrictions will be posted. Road officials in some cases hesitate to post restrictions until some damage is apparent.

Fixing the spring load restrictions by law gives definite advance notice to road users that certain load limits will be in force between stated dates, giving them ample time to make plans to meet the conditions in the law. It is also believed that making the load restrictions effective at a certain date, regardless of whether any damage is apparent, will save taxpayers large sums in road repair costs and keep the highways usable by lighter vehicles for a longer time.

Have a Coca-Cola = Come on over

...or keeping youth happy at home

Keeping young folks happy at home is mostly a matter of having a house in which they and their friends feel welcome. So don't forget Coca-Cola... it's always a big attraction for the young crowd. It says better than words, *Come on over to our house... we're glad to see you.* Be sure there's "Coke" in your icebox. There's no more cordial invitation, nor one more refreshing, than the three simple words... *Have a "Coke".*

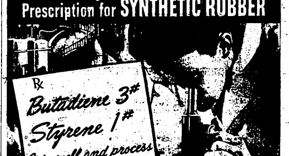
Prescription for SYNTHETIC RUBBER



THE MAJOR INGREDIENT, approximately 75 per cent, of synthetic rubber is *Butadiene*. The name sounds like medicine, and the product is truly a great healing compound for the rubber ailments on both the war and home fronts.

In the vast Plains Butadiene Plant, (owned by Defense Plant Corporation) designed and built by Phillips : : : utilizing Phillips own patented processes : : : Phillips is headed for an annual production of 90,000,000 pounds of Butadiene.

This is just another illustration of the growing importance of the chemical values now being extracted from petroleum raw materials. It highlights the fact that Phillips refineries producing gasoline, lubricants, and fuel oils, are also *gigantic chemical plants*, today, pouring out weapons for victory; tomorrow, producing new and better things for you from petroleum and petroleum gases.

Nearer and nearer draws the day when synthetic tires will be generally available : : : when you can drive into any Phillips 66 Service Station and buy as many tires as you want. Yet the uncertainties of war make definite prediction impossible. That is why it is just as important as ever for you to coax every last bit of travel from your tires.

To help you do that, call on your Phillips 66 Service Man. His *Tire-Saving Service* includes checking air pressures at least once a week : : : inspecting for nail holes; cuts; and bruises : : : examination of the tire carcass to warn you when re-capping is necessary : : : and crisscrossing with the spare every 3,000 miles.

Remember, Phillips Tire-Saving Service at the Orange and Black 66 Shield, sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

HAILSTORM PROTECTION ?

Get Hail Insurance Here

Hail storms strike suddenly and when least expected. They can cause serious loss to the farmer in view of today's higher prices for most crops. The wise farmer protects himself against damage to growing crops by carrying hail storm insurance in a sound, reliable company that has a reputation for paying claims promptly and fairly.

This agency can write you hail storm insurance in that kind of a company. Come in and get the facts about cost, coverage and protection afforded you. It's better to be SAFE than SORRY. Don't delay! Act now!

GEORGE W. WERSTLEIN
"Insure and Be Sure"

America—*this is it!*

He's doing his part : : : We must do our part!

For him the terrifying grand climax of the war is at hand.

The supreme military risk—bound to be bloody, costly, in American lives.

Our boys know this. They don't have to read the heart-rending headlines or casualty lists to know what is expected of them.

They are *in* it.

But they are not flinching . . . not holding back.

They will see the grim venture through to the bitter, victorious end.

And if, for your boy, or some boy you know, the price of Victory is death, you can be absolutely certain that he made the supreme sacrifice courageously . . . for the cause of Freedom.

For us, too, the terrifying grand climax of the war is at hand.

This supreme, desperate call for American dollars—*16 billions of them*—is to enable our fighting men to carry through the grim, bloody assault to a successful conclusion and Victory.

Not *just* American dollars—but the dollars in your pocket—in your savings account.

You *must* buy War Bonds—now! At least *twice* as much as you bought last time. If you are already buying Bonds on a payroll savings plan, buy EXTRA Bonds during this Drive.

Your Government is counting on you. Your boy, and your neighbor's boy, are counting on you . . . just as you are counting on them in this fateful hour.

▶ Don't let them down! Do your part—as they are doing theirs. Dig down, America—dig down deep! While there is still time. This is America's Zero Hour—Civilization's Zero Hour!

And here are 5 MORE reasons for buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you $4 for every $3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the war.
5. War Bonds mean education for your children, security for you, funds for retirement.

J. BRANDT OPPOSES MEASURE TO RELAX OLEO REGULATIONS

Says Dairying Areas Should be Represented on Senate Group

In an appeal for fair play, John Brandt, president of Land O'Lakes Creameries and head of the National Cooperative Milk Producers Federation, today pointed out that the senate subcommittee of the committee on agriculture which will conduct hearings on the Smith oleomargarine bill has only three members, and two of them are from cotton states. Mr. Brandt suggested that, in the interest of fairness, the subcommittee should be enlarged to include senators from two representative dairy states.

Makeup of the group which started hearings on the Smith bill on June 6 is Ellender of Louisiana; Russell of Georgia; and Millikin of Colorado. The bill, fathered by Sen. "Cotton Ed" Smith of South Carolina, seeks to change the name of oleomargarine to margarine and also to give legal sanction, without tax, to coloring the manufactured product yellow, in imitation of natural butter.

Mr. Brandt vigorously opposes this on the ground that it is dangerous to the to the national interest. "The federal tax of 10 cents per pound on the manufacture and sale of oleomargarine applies only if the product is colored yellow in imitation of butter," Mr. Brandt declared. "This, however, is just as much protection for consumers as it is for dairy farmers. The 10 cents tax on colored oleomargarine protects the people by making it difficult for the oleo interests to fool the consumer into thinking he is getting butter when he is not. Retention of this tax is in the national interest. It is demanded by dairy farmers, who have always said that the oleo people could tint their product with any color in the rainbow except the yellow that means real butter to the great mass of the American people."

FOUR COWS FOR PRICE OF ONE

Welcome—When an agent of Bob Pedelty, operator of a sales barn in Clear Lake, put $94 down for the purchase of a cow, an expectant mother, not a thought had he that next day when he called for his purchase he would have a mother and three calves. During the night the bossy gave birth to triplet calves, which meant a bonus of approximately $40 for Mr. Pedelty.

PARTRIDGE FLIES THRU BUS WINDOW

Deer River. — An experience which they hope never to have again, was the one Mrs. Helen McDowell and her small daughter, Barbara, shared on a bus traveling from Cohasset to Deer River. The mother and daughter were sitting in the front seat across the aisle from the driver, when a partridge hit the windshield directly in front of them, shattering and spreading glass all over them. Miraculously neither the child nor her mother were hurt but as they were covered from tip-to toe, with tiny splinters of glass. The partridge? He was just one big splash of feathers and mincemeat, all over the front of the bus, both inside and out.

TWO FARM HELP PROGRAMS BRING IN 4000 WORKERS

War Prisoners and Foreign Nationals to Help out in Minnesota

Negotiations for two programs to bring approximately 4,000 workers to Minnesota to help meet the farm hand shortage have been completed, and some of this help already is on the job. This word comes from the office of Paul E. Miller state director of the agricultural extension service, in charge of farm hand recruitment.

One program covers the importation of about 2,000 foreign workers — Mexicans, Jamaicans, and Barbadians. The first Mexicans arrived last week in the Red River Valley. Soon, other workers will be at Chaska, Blue Earth, Waseca, Fairmont, Sleepy Eye, Lakeland and Madelia. They will be used by the canning industry and in sugar beet fields.

The other covers the assignment of German prisoners of war to seven camps in the state. As a result of cooperation between Miller's agency, Dreng Bjornaraa of WMC, the U. S. army and employers, 1,275 prisoners will be working in the vicinity of Owatonna, Moorhead, Fairmont, Faribault, Montgomery, Sleepy Eye, and Plainview. Contractors for this labor will pay going wages to the government and the prisoners will receive 80c a day, as stipulated by international agreement. Prisoners are paid by the government.

As of last Monday, Miller's labor supply office at University Farm had on hand unfilled orders for more than 2,000 workers. These orders represent the demand from farmers that could not be filled, either in the community or the county in which the demand arose.

The war prisoners and other nationals coming into the state do not anywhere near meet the demand, but they will help out a lot, Miller said, since they must be worked in relatively large groups they will release local labor to individual farmers in the vicinity of each camp.

Minnesota to be Host to U. S. Sport Writers at Bemidji July 3 to 5

The nation's best outdoor writers and political writers will have the chance to catch some Minnesota fish and cool off in the land of 10,000 lakes this summer.

The Outdoor Writers association of America will hold its annual summer encampment at Bemidji July 3, 4 and 5. Dates for the event were set in New York by Victor A. Johnston, state tourist bureau director, and J. Hammond Brown, president of the Outdoor Writers association.

Johnston has also forwarded an invitation to the nations outstanding political writers and observers to spend the interim between the Democratic and Republican national conventions in Minnesota. H. Z. Mitchell, Bemidji publisher, will be host to the group meeting at Bemidji.

WMC PLANS TO USE MANPOWER ARE OUTLI[illegible]

Area Director Here Ob[illegible] Information on Plan in St. Paul

ASKS LOCAL WORKERS TO REGISTER AT ONC[illegible]

Aim Is to Put Qualified Men in Most Essential War Work

Every available worker under the jurisdiction of the War Manpower Commission's area office in Thief River Falls is urged to register for essential war work.

This appeal was issued June 13th when Russell E. Olson, local area director for WMC, returned from St. Paul, where on Monday he attended a state conference of other area directors and local managers of U. S. employment offices. The meeting was held to work out details of how WMC's new priority referral program is to be made effective in Minnesota.

Basic in the plan is that all employment of men must be thru USES offices, to assure that all persons having qualifications needed in essential work, may be exposed to war work opportunities, and thus provide the manpower needed to keep the nation's war production moving at top speed.

The new plan was announced on May 24, by WMC Chairman Paul V. McNutt, and is the result of procedures that have proved themselves in several of the nation's most stringent labor areas.

The plan already has been approved by national, regional and state, management-labor War Manpower committees and the first step, in this area, is for the Thief River Falls area committee to consider it, as helpful in the development of the program in this vicinity.

The area under the Thief River Falls office comprises Red Lake, Pennington, Marshall, Roseau and Kittson Counties.

"What this plan means," Mr. Olsen said, "is mobilization, war mobilization strategic shifting to man the war-necessary production. Fighting men from Thief River Falls and surrounding territory, now on the battlefronts, are being moved up to the places where the going is toughest, where the fire is the hottest; they are sacrificing. We, on the production front, are merely asked to take jobs to provide our fighting men with the materials and equipment they need and must have."

Mr. Olsen explained that the priority referral program is not

REGISTRATION OF 20 IN PROSPECT AT TEACHERS' COURSE

Summer Term Gets Under Way Monday in Knox School in City

With 16 teachers enrolled to date, late registrations will bring to a total of 20 the number registered for the summer session being conducted at the Knox school in this city under the auspices of Bemidji state teachers college, with Miss Janet Matthews, music instructor, in charge.

The session, which opened Monday, will continue for five weeks, with classes from 8 to 12 o'clock each morning, except Monday, when classes are held in the afternoon.

The teachers are spending from Wednesday to Friday of this week at the teachers college in Bemidji, where a curriculum conference is being conducted. Topics to be discussed include the conversion of the schools to meet present-day and peacetime needs, to protect human and natural resources and to advance American culture.

Salvation Army Bible School to Graduate 34

The Salvation Army will conduct graduation exercises for its daily vacation Bible school Friday evening June 16, at 8:00 p. m. There will be special singing and recitations by the students, as well as an exhibition of the work accomplished during Bible school. Capt. Lavonne Blakeman will award 34 diplomas. The public is invited.

Game and Fish Division Men Talk to Sportsmen

Army Air Corps Pilot

CLAYTON J. BERG

Who recently received his silver wings on his graduation as a second lieutenant from the advanced two-engine pilot school at Pecos army air field in Texas. He entered the service April 26, 1943, and is the son of Mr. and Mrs. Albert J. Berg of this city.

At a well-attended meeting of the Pennington County Sportsmen's club Tuesday evening, informative addresses were given by Vern Joslin, director of the state division of game and fish, and Frank Blair, superintendent of game management.

The speakers were introduced by Dr. H. H. Hedemark, club president, and the program, which was followed by the serving of lunch, also included the presentation of colored motion pictures supplied by the department of conservation.

Despite the decrease in revenue because fewer licenses of all types are being sold, and the loss of many of its experienced men and technical experts, the division of game and fish of the Minnesota department of conservation intends to do just as good a job as possible, under the circumstances, of propagating and protecting the fish and wildlife of this state, Mr. Joslin stated.

After quoting a few figures showing the reduction in the sale of various types of fishing and hunting licenses during the past year or two, as the result of many of Minnesota's fishermen and hunters now being away from the state, and the gasoline and travel restrictions which have materially reduced the influx of tourists from other states, Mr. Joslin briefly outlined some of the accomplishments of the game and fish division during the past year and told of its plans for 1944.

The fish propagation bureau produced and liberated more than 534,000,000 fish of all species and sizes during 1943, he said. More than 520,000,000 were planted as fry and over 14,000,000 as fingerlings. One hundred forty-three cooperative rearing ponds were operated and, in most cases, produced normal results. All applications for fish plantings which were on file were filled and other waters stocked as well, making a total of 1,036 bodies of water which were stocked during the year.

All of the division's game keepers are now either in the armed forces or war industries, so it has been necessary to suspend game bird hatching operations at the state's two game farms for the duration, except insofar as is necessary to maintain the high strains of brood stock which have been developed over the years.

Mr. Blair devoted a large part of his talk to a discussion of diversion of game and fish division funds to other state activities. He pointed out that these funds are obtained from the sportsmen of the state in the form of license fees and should be utilized for their benefit. He added that diversions had been reduced as a result of action taken by the last regular session of the state legislature.

LIONS TO PROPOSE DR. E. S. AMESBURY FOR DISTRICT HEAD

District Convention to be Conducted in St. Paul Sunday, Monday

The Lions club at its meeting Wednesday noon in the Palm Garden Cafe completed final arrangements for placing the name of Dr. E. S. Amesbury, deputy district governor, in nomination for the post of district governor at the district Lions convention to be held in St. Paul Sunday and Monday.

Delegates from the local club to the convention will include President James Parkins, Secretary Wm. Thompson and Past President Fleming Gibson. The three were authorized to name their own alternates.

In behalf of the club Past President Archie Hensrud presented a past president's button to Mr. Gibson, who recently retired from office.

Rev. T. C. L. Hanson of Holt Will Serve Roseau Pastorate Sept. 15th

Rev. T. C. L. Hanson submitted his resignation to the Holt Lutheran parish last Sunday. This parish consists of the Nazareth Lutheran church at Holt, the Silver Creek church northeast of Thief River Falls and the Landstad Lutheran church at Gatzke. Since January 1, 1944, he has served as a temporary pastor of the Middle River Lutheran parish, now vacant. Rev. Hanson came to Holt in 1936 upon his graduation from Luther Theological seminary, St. Paul, and ordination into the ministry. He has accepted a call to the Roseau Lutheran parish and will move there on or about Sept. 15.

Rev. E. L. Tungseth Is Visitor Here This Week

Rev. E. L. Tungseth, former pastor of Zion Lutheran church here, arrived Monday from his home in Seattle, Washington, to visit with local friends. He went on to Minneapolis Wednesday to attend the installation of his son, Rev. ONLY 1 TEACHER REMAINS TO BE SELECTED HERE

Faculty Now Virtually Complete, Supt. Fjelsted Advises Board

COMMERCIAL TEACHER REMAINS TO BE NAMED

Board Takes Action on Summer Vacation Repair Projects

With the appointment of three new teachers and a school nurse to fill vacancies on the public school faculty, the Thief River Falls school system is in the enviable position of having a complete staff of teachers for the coming year with the exception of a part-time commercial instructor, Supt. Philip L. Fjelsted informed the board of education at its June session Monday evening.

Miss Margaret Hankey of Grafton, N. D., a graduate of Concordia college, with twelve years of experience, will teach English II, while Miss Ida E. Gantner of Maddock, N. D., a graduate of the University of North Dakota, also with twelve years of experience, will teach ninth grade general science. Miss Ruth Lytle of Wing, N. D., graduate of Valley City teachers college, will teach the sixth grade in the Washington school.

Selected for the position of school nurse is Mrs. Edna Nilsson, who served the past year as county nurse with headquarters at Jackson, Minnesota. She will assume her new duties August 1.

At its session, the board reviewed a comprehensive program of minor repairs to be made during the vacation period to the school buildings, equipment and buses. It was also voted to get cost figures on the work of pointing the brickwork on the Northrop school, as well as on the construction of a new enclosed coal storage space adjoining the stokers in the Lincoln building.

Only one bid was received for the purchase of the old Central school building, which is to be razed, and action on the offer was deferred for the time being. The maple flooring and a few other items have already been removed from the building to be used by the school district in other buildings.

Bishop Ralph Cushman Reassigns Rev. Beadle to Community Church

At the 50th anniversary Northern Minnesota Methodist conference which ended June 4 at the Hennepin Avenue Methodist church in Minneapolis, Rev. Dan T. Beadle was again assigned to serve the Community church in this city the coming year, having been reappointed by Bishop Ralph S. Cushman. Following the close of the conference Rev. Beadle went to Burlington, Iowa, to visit with his mother, Mrs. Thomas Beadle, and with his sisters there. He returned to this city Friday evening.

Group of 4 Volunteers Left from City Today to Begin Army Duties

Four men, all volunteers making up the June quota for Pennington county, left at noon today for Fort Snelling to be assigned to their duties with the U. S. army. Included in the group are Edward B. Fifth War Loan Drive Now In Full Swing Here

72 City Solicitors Attend Kickoff Breakfast Monday Morning

$60,186 BONDS BOUGHT BY EARLY WEDNESDAY

Goodridge Village and Oakland Park Sanatorium First over Top

The Fifth War Loan drive for Pennington county was touched off at an 8:00 o'clock breakfast held at the Evelyn Hotel Monday morning attended by 72 war bond solicitors. Paul A. Lundgren, Pennington County war finance chairman, presided. Rev. Carl E. Johnson, pastor of the First Lutheran Church, pronounced the blessing and led the group in a word of prayer.

Andrew Anderson, city chairman, then outlined the program for the drive and urged upon each solicitor their fullest cooperation. He called attention to the fact that this was the largest bond drive in the history of the nation; that as war preparations now apparently had reached their peak, this drive would probably be the largest and that we could look forward to subsequent drives tapering off in the amount subscribed. Since Pennington county has always met its quota, he urged that this drive be put over the top.

Dr. Hedemark, Frank Clinton, Fleming Gibson, Norman Peterson, Chas. Vorachek, Frank Tenberg, H. W. Kinghorn and E. B. Benson, captains for the several organizations, responded and each expressed high hopes that their respective teams would produce the bond quotas for which they had been assigned.

The village of Goodridge again scores first place in attainment of its quota. Stephen [illegible], chairman, announced that at 10 minutes after 12:00 on Tuesday, June 13, their quota had been reached. The Oakland Park sanatorium came in for a close second, their quota being [illegible] 2:00 o'clock P. M. on Tuesday.

Paul Roy of the St. Hilaire committee announced Wednesday night that the village had gone over the top with pledges totaling $4,400 June 13.

While it is too early to predict any definite results, said Chairman Lundgren, all indications point toward a successful drive. Some solicitors in the country report that they are meeting with considerable sales resistance owing to the fact that so many of the farmers have used all their available cash for the production of crops. Other townships have, on the other hand, assured the committee that they will meet their

ESTIMATE 5,000 AT MARSHALL CO. CREAMERY PICNIC

Throngs Attend Event Sunday Despite Threatening Weather

A crowd estimated at approximately 5,000 people attended the 17th annual Marshall county creameries picnic at Middle River state park Sunday afternoon and listened to a well arranged program supervised by E. M. Evans, Middle River, president of the picnic association.

While the day was heavily overcast with low hanging clouds, no rain fell, continuing a favorable record enjoyed during the many years of staging the picnic. The park swimming pool was open for use, but the cool day kept many from taking advantage of the sport.

An actual count revealed 950 automobiles parked at the grounds, said Otto E. Hjelle, Newfolden, chairman of the grounds committee.

Two inspirational addresses on the significance of the Fifth War Loan which was scheduled to open throughout the county on the day following the picnic, were delivered by W. O. Braggans, chairman of the Marshall County War Finance committee solicitor training division, and G. J. Patsey, general manager of the Northland Milk & Ice Cream company of Minneapolis.

Other speakers were Ralph Wayne of Land O'Lakes Creameries, Minneapolis, substituting for John Brandt, who had been called to Washington, and Frank W. Forbes, Marshall county agent.

ELKS LODGE HOLDS FLAG DAY RITES WEDNESDAY NIGHT

John W. Padden of Crookston Is Speaker at Program in Elks Park

Favored by ideal weather, the annual Elks Flag Day observance in the Elks memorial park Wednesday evening attracted a large attendance. John W. Padden of Crookston, the speaker for the occasion, recounted the history of the American flag and of the major wars in the nation's history, and expressed the hope that an international understanding could be reached that would prevent future conflicts.

The program, over which Exalted Ruler Ole Engelstad presided, opened with the Flag Day ritual exemplified by officers of the lodge. Mr. Engelstad read the oath of allegiance to the flag, and the Lincoln high school band, directed by Edward Anderson, played "The Star-spangled Banner" and "America".

Preceding the program, a parade made its way from the Auditorium to the park, included in the line of march being the Legion color guard, high school band, members of the Elks lodge bearing a huge American flag and smaller flags of the United Nations, and girl scouts and boys carrying flags.

Westergard Promoted to G. N. Agent, Devils Lake

Peter Westergard, who has served the past nine years as a telegrapher at the Great Northern depot here, has been promoted to the position of Great Northern agent at Devils Lake, N. D., and will leave the first of the week to assume his new duties. He recently completed a term of office as exalted ruler of the local Elks lodge.

Rotary Club Holds Blind Bogey Golf Tournament

The Rotary club meeting Tuesday took the form of an evening blind bogey tournament held at the local golf course, with arrangements handled by A. B. McLaughlin. Russell E. Olson and Dr. O. F. 4-H CLUB MEMBERS ARE STRIVING FOR STATE FAIR TRIPS

Pennington County Workers Are Entered in Nearly All Projects

Biggest thrill of the year of topnotch Pennington county 4-H club members will be their prize trips to the Minnesota State Fair, Aug. 26 to Sept. 4.

"The 452 boys and girls enrolled in the 4-H club work throughout the county", said County Agent E. A. Palmer, "are working harder than ever to win trips to the state fair, and take part in its big 4-H Club program".

Local 4-H members, he said, are enrolled in nearly all of the state's 42 approved projects. Enrollment is particularly heavy in victory garden, homemaking assistance, farm work and other wartime projects.

More than 2,500 boys and girls from all parts of the state, said State Leader A. J. Kittleson this week, will attend the mammoth 4-H Club Congress at the coming fair, and present the stirring story of their work to all who throng the gigantic 4-H Club building.

Spectacular exhibits, dramatizing Minnesota's many contributions to the war, are being assembled from near and far for study by 4-H members and the half million others visiting this year's big state fair.

Loses Three Legs and Still Has Good One Left

Lieut. B. M. Iverson, a brother of Mrs. Inga Asp of Goodridge, is credited with having lost two legs during the first and second World Wars in addition to the leg he lost while hunting in 1916. In 1918 he lost his wooden leg when his ship was torpedoed off the Delaware coast. In the present war he had a similar experience when his ship went down in the North Atlantic. The story of his leg-losing experiences was published recently in the Minneapolis Tribune.

ARLENE PETERSON WEDS LLOYD CLAUSON

Miss Arlene Peterson, youngest daughter of Mr. and Mrs. Louis Peterson became the bride of Lloyd Clauson, son of Mr. and Mrs. Christ Clauson, at eight o'clock on Sunday morning. The single ring ceremony was performed at the Lutheran parsonage by Rev. G. L. Halmrast in the presence of Miss Marjorie Bush and Raymond Sorenson.

The bride wore a beautiful teal blue suit with brown accessories and a shoulder corsage of pink carnations. The bridesmaid wore an afternoon dress of teal blue and brown crepe with a shoulder corsage of pink carnations. The men had boutonnieres of pink carnations.

The young couple left immediately after the ceremony for a week's honeymoon that would take them to Detroit Lakes, Minneapolis, and Dubuque, Iowa. After their return they will make their home on a farm west of town.

Monroe-Larsen Vows Spoken

At five o'clock Saturday afternoon at the Lutheran parsonage, Rev. G. L. Halmrast prompted the single ring vowes which united in marriage Mrs. Myra Monroe and Arnold Larson, both of this community. Mr. and Mrs. Raymond Sorenson, brother and sister-in-law of the bride, were the attendants.

Mrs. Larson had chosen for the occasion a lovely two-piece afternoon dress of aqua blue crepe, made with a gored skirt and fitted jacket trimmed with small ruffles of self material. Her shoulder corsage consisted of white roses, lilies of the valley, and pink tea roses. Mrs. Sorenson wore a navy blue two-piece dress trimmed with white ruffles and a shoulder corsage of pink roses.

Following the wedding a two-course buffet supper was served at the Raymond Sorenson home. The bridal party and closest relatives were seated at a table centered by a lovely three-tiered wedding cake trimmed with pink and blue. 5TH WAR BOND DRIVE 'OFF TO SUCCESSFUL START IN PENNINGTON

(Continued from page one)

quota. At the end of the first day the total purchases for the county amounted to $28,000.00, with $60,186 bought up to Wednesday morning.

"The most pleasant news of the week," said Mr. Lundgren, "was the discovery that both the village of Goodridge and the Oakland Park sanatorium had not only pledged their quotas, but had by Wednesday morning purchased the required bonds to go over the top so that both of these municipalities now can be placed in the "over 100% column." What they can do, the rest of us should be able to do. To those of us who enjoy health, the achievement of the Oakland Park sanatorium should be an object lesson. The quota for this institution is almost as large as some of our townships. Can it be that our government, the rights of free people for which our boys now fight, means more to them than to the rest of us?

"Perhaps if we took a 'little rest period' to contemplate the rights and privileges for which our government now fights, then the loan of our money in this hour of need will not seem like much of a sacrifice to make. Viewed in that light, every municipality in this county should be over the top.

Tabulations of the results for the Fifth War Loan Drive is sponsored by the newly formed Business and Professional Women's club of Thief River Falls, Minnesota, and the tabulations as of Wednesday morning are found elsewhere in this issue.

WAR-MANPOWER UNIT CITES REGULATIONS FOR SEEKERS OF JOBS

(Continued from page one)

an untried experiment. It has been tested and found to be reliable and efficient in 40 labor shortage areas, he said, and because of its success and the critical national need, it has been expanded to cover the entire country.

"In areas of labor shortage, employment ceilings will be placed on specific plants and industries," Mr. Olsen continued, "to see that they have enough manpower—but no more than enough—to meet production requirements. Allowances of manpower will be made to fill the gaps, these allowances to come from the surplus pools recruited in areas like Thief River Falls. And, in keeping with our national traditions, this program is entirely democratic and locally controlled. Our own Thief River Falls Management-Labor committee will guide our procedure.

"It simply means that all hiring of men will be done through United States employment service offices of the War Manpower Commission, or through arrangements approved by USES. These arrangements include the normal activities of union hiring halls or employment offices of educational institutions.

"If a man wants to change his job so as to hit a harder lick in the war effort, he will be given the choice of available jobs, within his qualifications, in areas which need his help. Employers in essential industry who are shorthanded may choose from among the men who volunteer for referral.

"But we shall not refer any man to less-essential or non-essential jobs unless he is not needed by essential industry in this area and is unable to leave, by reason of undue hardship, special emergency or other good cause to be judged by local WMC directors and management-labor committees."

Miss Pearl Kompelien and Arthur Ramaland spent Wednesday at Itasca state park.

SILVERTON

Eleven blue stars adorn the service flag dedicated at an impressive ceremony at the Silverton Lutheran church on Sunday, June 4th.

A program of music and readings was given by the parochial school pupils under the direction of their instructor, Mrs. Bernard Wold. The pupils entered the church carrying red, white and blue candles and flags. Each parent or nearest relative of the serviceman represented upon the service flag, was also presented with a candle during the ceremony.

The flag was unveiled by two young men who have recently been in the service of our country, Arnold Nordahl and Selmer Dimmen. Mr. Dimmen recently returned from the Pacific war zone.

Another portion of the program of special interest consisted of the reading of letters written for the occasion by the servicemen represented on the flag, from their camps or locations in the battle areas. The eleven stars represent the following members of the church now in the service: Martin Hanson, Martin Barstad, Lars Barstad, Severin Barstad, Raymond Peterson, Arthur Peterson, Henry Christopherson, Melvin Christopherson, Emil Heiren, Ove Nordahl, and Duane Hanson.

Others who participated in the program were Mrs. Norman Peterson who gave a reading and Misses Pearl Peterson, Violet Hanson, Ilene Lerol and June Urdahl. Following the program lunch was served by the Luther League with Mrs. Odin Hanson and Violet as hostesses.

Mr. and Mrs. Norman Peterson, and Mrs. Bernard Wold attended the Luther League at Hammers on Sunday.

Mr. and Mrs. Syvert Hanson had as their dinner guests on Sunday Reverend G. L. Halmrast of Grygla, who gave the Sunday service at the Silverton church and Mr. and Mrs. Wilhelm Hanson.

A bridal shower was held on Sunday afternoon at the Casper Bondly home in honor of Myrtle Bondly, who will be married in the near future.

Mr. and Mrs. Clarence Peterson and family and Mr. and Mrs. Paul Peterson attended the ladies aid at the Ernest Yonke home on Thursday afternoon.

Guests at the Syvert Hanson home on Sunday evening were Mr. and Mrs. Clarence Peterson, Bud Jordt, and Lawrence Arhart.

Friends gathered at the home of Mrs. Vetleson on Sunday afternoon to honor her with shower gifts.

Miss Sandra Johnson is spending a few days in Silverton as guest of her aunts, Mrs. Vernon Sorenson and Miss Raca Woolson.

Everyone is cordially invited to attend the 4th of July celebration to be held at the Syvert Hanson home. A dinner will be served at noon by the Silverton ladies aid and the Luther League. After the dinner a sale of needlework will be held. More preparations are being planned for the event and will be announced later.

Leaf Blight Attacking Tomatoes in This Area, Says Co. Agent Palmer

Septoria leaf spot or blight on tomatoes has already attacked tomato plants in this area, according to County Agent Ernest Palmer. This disease starts as small dark spots on the tomato leaves and causes them to turn yellow and fall off. If it is not treated, the leaves will all eventually dry up and the plant will die. Mr. Palmer stated that control materials can be obtained either as sprays or dusts. These sprays should contain one of the copper compounds. Many materials on the local market will control this disease. Frequent spraying or dusting with these copper fungicides is the best protection.

NORDEN

Last Saturday evening, June 10 the Basket social held by the Pioneer Farmers Union was a huge success.

During the evening the people participated in playing bingo, pulling a string and winning a prize, a dart game, and guessing the number of peas in a jar. The chief attraction was the selling of the many beautifully decorated baskets which the women brought.

At the beginning of the evening a short meeting was held, at which it was decided that 9:00 o'clock be the time set for the meeting to begin throughout the summer. Also four juniors were sent to the Farmers Union Junior Camp at Mar-I-Mac Courts, Detroit Lakes.

The next meeting will be July 14, at the Dimmen school.

RATIONING came over on The Mayflower

They Rationed Everything
The Pilgrims knew they were ill-prepared for one of the cruelest winters that resolute men, women and children ever had to face. Foreseeing trials that would challenge their endurance, they treasured their scanty store of food and rationed every helping.
But, when a Spring and Summer of strenuous labor rewarded them with an abundant harvest, the Pilgrims were grateful—but not alone for food. They felt they were well on their way toward an established home in a new world, bright with freedom, security and a promising future for their children. America's goal has never changed. And for such a goal rationing is a small price to contribute. "Food Fights For Freedom".
In addition to supplying the armed forces with glider and bomber fuselage frames, wing parts, gun turret parts and foodstuffs, Anheuser-Busch produces materials which go into the manufacture of: Rubber • Aluminum • Munitions • Medicines • B Complex Vitamins • Hospital Diets • Baby Foods • Bread and other Bakery products • Vitamin-fortified cattle feeds • Batteries • Paper • Soap and textiles—to name a few.

What ration points bring to our tables today would have seemed like banquets to generations of our forefathers—but you have Budweiser, too, to make simple wartime meals taste better.

After ten days the allies probably are pretty well established on that section of Normandy coast they have taken over, but day by day they are running into stiffer opposition. This is as expected. Considering the difficulties involved in a landing operation of this kind the results are really remarkable. Not one merchant ship has been lost, which means that supplies have gone forward without serious interruption, and that no doubt was one of the most serious problems. Supremacy in the air has made this good result possible. Months of bombing and air fighting over Germany are paying dividends now.

President Roosevelt's administration has increased the number of federal employees in Minnesota to 24,000, which is about twice the number employed by the state itself. What is your guess as to the number of these federal employees whose public services we could dispense with without retarding the war effort? What is true for Minnesota is true for every other state in the union. Quite a machine to try to beat, isn't it. And it will not be beaten as long as the government's credit lasts.

BEFORE YOU INVEST

Conditions now are about right for another era of gold-brick selling. There is an abundance of idle money that people would like to put to work, and that is an invitation for the slickers to go to work. We have already seen some indications that the glib tongued sellers of securities are getting ready to reap another harvest, and they probably will have a successful season. There are laws against this sort of thing, just as there are laws against a lot of other things that ought to be stopped, but it is difficult for any law, or law enforcement official, to save a man from his own folly.

The desire to get rich is a very common human weakness, and the idea of getting rich without effort has a general appeal. If events follow their usual course we soon will be offered many opportunities to share in somebody else's wealth—for just a small investment—but you know whose wealth will be shared. Money isn't worth much nowadays. One or two per cent is all that can be expected of any investment that probably won't require the assistance of an attorney to collect. Before you invest, investigate, is good advice.

The war bond you buy is your receipt for your contribution to the war effort. Those of us who pay with money make a small sacrifice compared with those who pay with their lives.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

We are pleased to hear that the kit bag workers of which Mrs. A. M. Aase is chairman, have their second shipment of bags all ready shipped to St. Louis where it will be sent onto ports of embarkation and given to each soldier listed for foreign duty. This time they have not only increased the number to 482 bags as of 400 bags in the first quota but have made them in less than three months time. The committee in charge, consisting of Mrs. Aase, Mrs. Palmer Anderson and Mrs. Cy Thompson, wish to express their hearty appreciation to the workers for their splendid cooperation in finishing them in such a short time. We are also thankful that these kits will reach our ports in time to be given to soldiers being added to the invasion forces.

The following is a list of articles included in the kit bag and house wife kit: Soap box and soap, playing cards, cigarettes, shoe polish cloth, pencil, envelopes and paper, shoe laces, razor blades, sewing case in which are 15 buttons of various sizes, thread, safety pins, sewing and darning needles. These kits go to the army but other Red Cross groups have charge of navy kits, too.

Mrs. A. C. Matheson, county superintendent of schools attended three days of the Red Cross institute held at the University of Minnesota. The purpose of the institute was to improve Junior Red Cross organization and program development in schools. Mrs. Matheson stated that accident prevention was stressed because accidents still hold a greater per cent of casualties than on the battle field. Here are a few figures: 34,550 lost lives due to auto accidents; (1940) 33,000 lost lives in homes; 17,000 in factories, 16,700 in drowning. Farming has the most number of fatal accidents of any industry. There were 4,000 fatal accidents in farming in 1940. In 1913 the drowning rate was 10.2% of 100,000 population and in 1941, the drowning rate was 5.1% for the same number so this shows that more people are becoming accident prevention conscious by providing lifeguards at public pools and teaching boys and girls to be careful.

Every 1½ minutes some one is hurt.

During the teachers' summer session to be held here, Mr. V. S. Armstrong, regional director of Red Cross work will be here to present various phases of Red Cross work to be done in Junior Red Cross. Mrs. Matheson thought that if the local Red Cross would invite a Red Cross representative here to teach accident prevention to any one interested, that we would be favored with some one from our area.

Lifeguards are now on duty every day from 9 A. M. to 9 P. M. except on Sundays when they are on duty from 2 P. M. to 9 P. M. Because Quentin Jones, Red Cross instructor is out of town this week with a Boy Scout troop, there are no classes in swimming instruction, but they will be scheduled for next week.

Joint Vacation Bible School Opens Tuesday

The daily vacation Bible school in which the Evangelical Free and Mission Covenant churches of this city are co-sponsors, will open next Tuesday morning, June 20, at 9 o'clock. Children are invited, states the committee, irrespective of church preference. Sessions are held in both church buildings during morning hours, Tuesday through Saturday, next week, and Monday through Friday in the closing week. Pupils are requested to go to the nearest church for registration next Tuesday morning, when they will be assigned their proper class and place.

COME ON

THIEF RIVER FALLS

LET'S DO IT AGAIN!

During the Fourth War Loan Drive in February, Minnesota was the first state in the Union to make her quota. A record like that requires cooperation from every investor—large and small.

The Fifth War Loan starts on the 12th of June. You don't have to be told any longer how necessary it is to buy War Bonds. You KNOW. You don't have to be told what a sound investment they are—how they help to prevent inflation, and to equip our boys, and how helpful they'll be to you ten years from now . . . in giving the youngsters an education, buying a new home, or taking care of you when you're working days are over. You know all that by this time.

So all we have to say is, Come on, do it again!

Lincoln Life's net 113, with Hans Chommie posting a 36, Lloyd Bennes a 39, and Ray Jude a 52, defeated the Bratrud Clinic, the Clinics having a gross 136 and a net 120. Dr. Hedemark's 39 was the low gross for the clinic.

In a match played Tuesday evening, the Soo Line, with a net 110, defeated the Hartz Bakery by 7 strokes. Charles Hoffos tallied a 44, Guy Hinton a 45, and Wally Carlson a 40. The defending champions had a 139 gross, with Bill Claffy having a 45, Father Merth a 46, and Ed. Carlson a 48.

Cpl. Theodore Knutson Is Given Soldiers Medal for Feat in So. Pacific

Headquarters, 13th AAF, South Pacific—Corporal Theodore Knutson, Thief River Falls, member of the 13th AAF fighter command's "Black Spider" night fighter squadron, was recently presented the Soldier's Medal for heroism in the South Pacific. Corporal Knutson is the son of Mr. and Mrs. Julius Knutson. The Soldier's Medal was awarded to Corporal Knutson for the heroism he displayed in "diving repeatedly to the point of exhaustion in a vain effort to rescue the trapped pilot of a night fighter which crashed into the sea near his base."

Farmer Plows Up Buried Treasure

Frank Dobias found hidden treasure again this week on his farm in Sanders township, plowing up an old can containing several small coins, and a brick that had been hollowed out to make room for $3.50 in quarters. He previously had found a hollow rock containing a hundred dollars in old currency and a map that might have been a guide to other valuables on the farm. Dates on the coins were around the turn of the century. Mr. Dobias farms what was formerly known as the Hux farm, buying it in 1938.

Sgt. Paul O. Furuseth Stationed with Bomber Ground Crew in England

An 8th AF Bomber Station, England — When the "Memphis Belle" left this field last summer on its homeward mission, Sgt. Paul O. Furuseth, son of Mr. and Mrs. Peder Furuseth, Thief River Falls, was down on the line of the take-off, and thought he had seen the last of the famous Flying Fortress. Recently, "Memphis Belle" returned to Sgt. Furuseth's heavy bomber base in England in the form of the European premiere of the War Department's technicolor motion picture.

GATZKE BASEBALL TEAM WHIPS LOCAL NINE SUNDAY, 7-5

Hank Sandland's Triple in Ninth Inning Decides Contest

Hank Sandland's triple into deep left-center, with two men out and the bases loaded in the 9th inning, gave the veteran Gatzke team a 7 to 5 decision over the locals in an entertaining ball game played on the Fair Grounds diamond Sunday afternoon.

The locals, on singles by Gordy Reierson and Jimmy Welton, and Woody Almquist's double, scored two runs in the 1st inning; added a tally in the 2nd inning, on Blackie Stephens' double and Reierson's single; and another score in the 3rd inning on Almquist's home run drive into left field, held a 4 to 3 lead as the final inning opened.

Aune was called out on strikes; Marshall Myhrer received a walk; Irv Vigen was safe when his fly ball was muffed; and the bases were jammed when Francis Haack's double play ball was fumbled at third base; Art Tonder was called out on strikes; but Sandland, after fouling off three pitches, drove out the game-winning hit. The locals came back with a run in their half of the 9th inning, scoring on Stephen's single and Reierson's double.

Stocky Woody Almquist hurled a splendid game for the locals, allowing but six hits and striking out 14 batters. And on offense, Almquist lashed out two line-drive doubles and a long homerun. Marsh Myhrer turned in a neatly pitched game for Gatzke, whiffing 8 batters.

The two teams are scheduled to play a game on the Gatzke diamond next Sunday afternoon.

WILLIAM F. MUNCH RETIRES AFTER 38 YEARS OF SERVICE

Former Game Warden Served Recently as Conservation Lecturer

Chester S. Wilson, Minnesota conservation commissioner, today announced the retirement of William F. Munch of Crookston, after 38 years in the state service as a game warden and later as conservation lecturer.

Munch was appointed by Governor John A. Johnson as a game warden for the state fish and game department in 1905. He recalls that in those days there were only twenty wardens to patrol the whole state and that all their work had to be done by foot and by team. Munch says that through the years he has noted a remarkable change in public sentiment toward game law enforcement — where once there was antagonism and open hostility, there is now understanding and cooperation.

Munch continued to serve as a game warden until nine years ago. Since then he has devoted his full time to lecturing and other educational work for the bureau of information of the state conservation department. He has carried the conservation message to over 600 different schools, many hundreds of civic groups, and 4-H clubs.

Bill Munch's large frame and friendly smile are familiar to many thousands of Minnesota youngsters whom he has interested in finding healthful recreation in the outdoors. "There is nowhere in the world," he tells them, "where you can get closer to God than on the water, under the trees or beneath the open sky—study nature, learn the ways of the wild and your thoughts can't help but be pure."

Local People Attending Curriculum Conference at the Bemidji College

Participating in a curriculum conference opening Wednesday at Bemidji state teachers college are Supt. Philip L. Fjelsted of the local schools, Mrs. A. C. Matheson, county superintendent of schools and teachers attending the BSTC summer course at the Knox school. Heading the list of speakers is Dean Schweickhard, state commissioner of education. Mr. Fjelsted took part in a round-table discussion Wednesday afternoon as the representative of school administrators.

Keeping Score

.... With BUCK OLSON

Greens Clippings

Only twenty-two golfers, eleven two-somes, participated in last Sunday's best-ball tournament. The threatening weather perhaps held down the entry list. According to the club house records the winners were: Oscar Cerny — Dr. Hedemark; Stan Larson—Dr. Helseth; and Wm. Claffy—P. L. Fjelsted, with net 32's. With fluctuating handicaps—the handicaps have been varying from week to week—the tournament committee has difficulty at times in determining the winners. A committee is being formed for the purpose of establishing permanent handicaps, and when these figures are set up it will be easier to check tournament and league match scores.

The first round of play of the Victory Golf league doesn't make a season, but club house gossip indicates that the Lincoln Life, Bratrud Clinic, and Hartz Bakery teams are entitled to a slight edge in the ratings. The Lincolns, with a net 113 and a gross 127, defeated the Bratrud Clinics, who had a net 120, in a match Friday. Hans Chommie turned in the low gross score, a 36, for the evening's play, followed by 39's by Dr. Hedemark and Lloyd Bennes. Walt Smith of the Poppler's and Ed Anderson of the Pharmacy, came in with 40's.

Match Coming Up

The first week in July should witness an interesting match on the local course, for Father Merth and Bill Sponheim are slated to play a friendly, but play-to-win, match. The two, whenever they meet, have been chiding the other on the caliber of golf being played, and this July match is result of those conversations. Bill hasn't been on the course, but he's been engaging in plenty of back-yard practicing and he admits that his "short" game is pretty fair. Father Merth has been having some trouble with his wood shots, but he received some hints from Dr. Hedemark so he should have his slice thinned down by match time. The odds are even.

Not Woody's Fault

It surely wasn't Woody Almquist's fault that the locals were nosed out by Gatzke, 7 to 5, last Sunday, for the strong-armed hurler did all that one ball player can do to bring in a win. Woody had fine speed on Sunday and he had his control, too, the result being that he chalked up 14 strikeouts. Every member of the Gatzke team, except Hank Sandland, struck out at least once, and if his support hadn't collapsed in the 9th inning, when Gatzke tallied four runs on one hit, he'd have won. While his pitching was first-rate, it was at the plate that Woody was the game's star. In the 1st inning he doubled into left field, driving in two scores; in the 4th inning he poled out a long left-field home-run; in the 5th inning he doubled into left center; and in the 8th inning his ground ball forced Wally DuChamp at second.

Sandland Looked Good

But Gatzke's veteran Hank Sandland pressed Woody for starring honors. Hank played errorless ball at shortstop, handling six chances, and that's a feat on the bumpy diamond. And at bat he collected three of the six hits that Gatzke garnered, and it was Hank's terrific clout in the 9th inning that won the game, the triple clearing the bases. The locals will have to put handcuffs and hobbles on Hank if they expect to win next Sunday's game at Gatzke.

A mention, too, should be made about Marshall Myhrer's pitching. Marsh, a younger brother of the "Ham" Myhrer who pitched a lot of diamondball for the Bridgeman's team several years ago, is strictly a "stuff" pitcher. The slender Newfolden hurler had a lot of fun with the younger members of the local team, getting them to chase his curve balls, but it wasn't so easy for him to fool Gordy Reierson, Wally DuChamp, Jim Welton, Blackie Stephens, and Woody Almquist.

Manager Reierson's only alibi for last Sunday's defeat is Hank Sandland, and if he hadn't been in the Gatzke line-up Thief River would have won. But the results, according to Gordy and Wally, will be different next Sunday.

AUTO USE STAMPS BEING OFFERED AT POSTOFFICE HERE

$5 Car Stickers Must be Purchased Not Later than July First

Collector of Internal Revenue Arthur D. Reynolds, announces that auto use tax stamps in the denomination of $5.00 are now on sale in all postoffices. The stamps will evidence payment of the tax for the fiscal year beginning July 1, 1944, and must be purchased on or before that date.

The stamps will be serially numbered, will be gummed on the face, and will have provision on the back for entry of the make, model, serial number and state license number of the vehicle.

Mr. Reynolds said that, to guard against loss or theft, it has been suggested that, when affixing the stamps, the vehicle owner should dampen the windshield rather than the adhesive side of the stamp. This method has been recommended to keep the stamp intact upon the windshield.

As an additional precaution, it has also been suggested that each motor vehicle owner should make a record of the serial number which appears on the use tax stamp for protection in the event the stamp should become lost.

19 Penalized for Selling Used Trucks over Ceiling

Nineteen North Dakota and Minnesota violators of price orders paid a total of $3,406.42 to the United States treasury during the last half of May, for over-ceiling sales of used trucks, James S. Eriksson, district OPA enforcement attorney announced today. In addition, a judgment was entered for $731.52 against one North Dakota individual. Payments ranged from $33.18 with one violator settling for over $500. Settlements were made as a result of investigation of claims made with respect to sales of used trucks by individuals and dealers in the Fargo-Moorhead OPA district.

Prominent Minneapolis Lutheran Pastor Dies

Dr. J. A. O. Stub, 66, for 24 years pastor of Central Lutheran church in Minneapolis, active in city and state affairs and a nationally known Lutheran leader, died late Sunday at his home in Minneapolis.

He was noted especially for his work among service men in World war 1 and for his efforts in behalf of unifying Lutheran church bodies.

In ill health for the past year and a half, he had retired from active work at Central Lutheran in May, 1943, but was retained on the church's staff as advisory pastor.

TRAFFIC MISHAPS IN MAY LESS THAN RECORDED IN 1943

19 Minnesota Citizens Lose Life in Traffic During Past Month

"Death took a holiday" in May, according to the monthly summary of motor vehicle traffic fatalities to the Minnesota highway department. There was a five-day period without any traffic deaths, and some shorter holidays. Fatalities totaled 19, the lowest in any month since last July, five less than in May 1943, and 24 less than the ten-year May average.

May fatalities brought the 1944 total to 121. This is 31 more than in the same months in 1943, but 80 less than in the same months in 1942.

Although the May record was encouraging, safety engineers emphasize that nineteen deaths in one month to avoidable accidents are evidence that safety work cannot be relaxed. Each month's accidents warrant study with the aim of averting similar accidents in the future.

Six were killed in cars that went out of control and went off the road, three of the six as a result of one accident. Five persons were killed in collisions, two of them in a collision due to obscuring of vision by smoke from grass fires. One woman was killed when she fell from a moving truck.

Five adult pedestrians were killed in May, ages from 33 to 72. Two of them were killed while boarding or leaving street-cars or busses, one while crossing a street, one walking along a highway and one while standing on a sidewalk.

One boy on a bicycle was killed in the path of a moving vehicle. This was the third bicycle fatality in 1944. There were none in 1943.

F. U. Grain Terminal to Retire First Issue of Its Preferred Stock

The board of directors of Farmers Union Grain Terminal association, nation's largest grain marketing cooperative, at its last quarterly meeting voted to retire the first issue of GTA preferred stock, covering patronage savings made by farmers for the fiscal year 1938-1939.

Retirement of the first year's stock represents the net savings of GTA during its first year of operations, from June 1, 1938, to May 31, 1939. Authorization for retirement was made by the board as GTA concluded its sixth year of operations, with a net worth of more than $5,000,000, all of which represents savings made by farmers through cooperative marketing.

The retirement of preferred stock, as well as interest payments on outstanding stock, will mean that in the next several weeks more than a quarter of a million dollars will be returned to Northwest farmers who participated in the cooperative savings made by Farmers Union GTA, M. W. Thatcher, general manager, said. The patronage savings for the first year of operations totaled $150,000.

Operations for the fiscal year ending May 31, 1944, have been the most successful in the cooperative's history. More than 100 million bushels of grain were handled in the 12-month period. In the first year, GTA handled 17 million bushels. Operations of GTA now extend through eight states.

CENSORS MAIL OF BROTHER-IN-LAW

Wadena.—Considerable joking has been enjoyed in the home of Sheriff John Bengston since the arrival of a letter from the sheriff's son, Pfc. David E., who is with the United States forces in Italy. The letter was censored by none other than his own brother-in-law, Lt. Charles L. Van Dusee. It is a rare coincidence when a soldier is privileged to have his mail censored by a close relative.

LILLIAN OLSON AND SGT. ANDERSON WED

The L. H. Olson home was the scene of a pretty wedding Sunday afternoon, when their daughter Lillian became the bride of Sgt. Willard E. Anderson of New York Mills.

Rev. T. C. L. Hanson read the service in the presence of about fifty relatives and friends, after which a buffet luncheon was served. The table was appropriately decorated with a two-tiered wedding cake topped by miniature soldier and his bride and two flags and lighted candles as a centerpiece.

Mr. and Mrs. George Anderson of New York Mills, brother and sister-in-law of the groom were the only attendants.

The bride was attired in a light blue two-piece dress with brown accessories, her corsage was of gardenias and rose buds. Her only jewelry was a sweetheart locket, a wedding gift from her husband.

Mrs Anderson was a graduate of Middle River high school and of Bemidji state teachers college and taught school at Badger, and New York Mills.

Sgt. Anderson is stationed at Camp Heiden, Alaska.

The out-of-town guests for the wedding were Mr. and Mrs. M. N. Peterson and Mrs. O. Wammes of Badger, Mr. and Mrs. George Anderson and Mildred Anderson of New York Mills, Mr. and Mrs. Melvin Olson, Mr. and Mrs. C. A. Kilander and children and Mr. and Mrs. Victor Norquist and Shirley, *all of Thief River Falls*, Mrs. Helen Maki and Harold, Mr. and Mrs. Hans Lokstad and Lois Jean, Mr. and Mrs. Kenneth Moen and family, Mr. and Mrs. Stanley Sorenson and family, and Mrs. A. J. Moen and Lilly Moen, all of Newfolden.

Sgt. and Mrs. Willard Anderson left for a short wedding trip in the southern part of the state.

THE STRANGE STORY OF TWO DAIRY FARMERS

John Doe was a good farmer, sold his butterfat at top market prices (particularly today!) . . . and then forgot about it. He worked hard. But he worked alone!

Richard Roe was a good farmer, sold his butterfat at top market prices, but HE had an ever increasing interest in his creamery. And the creamery marketed and controlled HIS brand in the major markets of America! And his creamery got expert advice on quality and production. So did Richard! And HE and his creamery bought feeds, seeds and supplies at low prices AND received patronage dividends on their purchases! And HE was represented and kept informed on regional and national dairying problems and planning!

SMILEY

Club Tour

A very highly successful 4-H club tour was made Friday evening by the Smiley 4-H members and their parents. Ten cars participated in this interesting tour which made stops at the homes of nine members and viewed their gardens and dairy projects as well as outdoor beautification and improvements. County Agent Palmer was also along and gave so many suggestions on disease control. The evening was perfect for a tour and the young folks were highly elated over the trip, especially when a feast was waiting at the end of the tour at the Art Knutson home. Everyone was hungry and they all dined on hot dogs, doughnuts, ice cream, soft drinks, coffee and cake. Games galore were played on the lighted lawn of the lovely Knutson home while the fathers talked "shop" and the mothers arranged the "eats".

Lewis Nelson arrived Saturday from Portland, Oregon where he has been employed and stayed with his daughter, Mrs. Frank McCrum (Connie) and family.

Visitors Sunday evening at the Jim McCrum home were Mr. and Mrs. John Halvorson, Mr. and Mrs. Morris LaSalle of Thief River Falls and Louie Larson.

Mrs. Ora Green (Signe Stenseth) arrived home to her parents, the L. O. Stenseths, Saturday for an indefinite stay. She has spent the past five months near Boston, Mass. with her husband who was stationed at an Army camp there. He was recently transferred to Louisiana for further training. Prior to coming home, Mrs. Green spent two weeks in Chicago with her brother-in-law and sister, Mr. and Mrs. Gordon Hoel (Ann).

Mrs. Art Herron (Lillian Larson) returned to her home in Seattle, Wash. last week after having spent several weeks with her mother, Mrs. Krist Larson and attending the funeral rites for her father. Mrs. Herron was accompanied back by her daughter, Betty Lou Beaton who had been making her home with her grand parents.

Mrs. Dave Christensen has been helping out in the office of the City Dairy this past week. She is the former bookkeeper there. The Christensens celebrated their seventeenth wedding anniversary Sunday.

Miss Dolores Lendobeja is back home again for an indefinite stay. She arrived Tuesday from Akron, Ohio, where she has been in vital defense work for a year or so.

There will be three graduates from the eighth grade in the Smiley school this spring. They are Betty Lou Beaton, Daniel Helle, and Alan Cabot.

Mrs. Walter Lendobeja accompanied her brother Charles Svensgaard of Mavie to Fargo Friday where they spent the day visiting their sister, Mrs. Herb. Burrell (Olga Svensgaard).

PAYCHECKS WITH A *punch!*

Along the 8,000 miles of Great Northern Railway thousands of men and women are co-ordinating hundreds of different tasks into one mighty big and important job every 24 hours.

They are helping to produce war-winning transportation.

In the meritorious service of Great Northern men and women these days is pride of workmanship. And, something else. Plain, old-fashioned American patriotism!

Sure, you can hear the boys up and down the line holding forth almost anytime on how the war really should be run. But, that's as American as Dan'l Boone, baseball or ice cream! Just listen a bit longer, and soon you'll hear them mention, with undisguised pride, lads in uniform . . . the best Victory gardens under the sun . . . how many pints of blood they've given the Red Cross . . . and their stakes in War Bonds.

Great Northern paychecks, like those of any large employer, are subject to deductions required by law. Each month, the railway's treasurer issues thousands of pay checks which are subject to still another deduction—*voluntary allotments for War Bond purchases.*

These are Paychecks With a Punch, and the allotments from more than 18,000 employes total nearly $500,000 in War Bonds monthly. In addition, many employes make cash purchases of bonds through the company, which is a government-licensed issuing agent.

The Paychecks With a Punch have bought for Great Northern employes almost $10,000,000 in War Bonds, earning for them a top-ranking position among all transcontinental railways for payroll allotment purchases.

They will continue to do their part, wherever they work and live along the Great Northern, during the forthcoming Fifth War Bond drive, which opens June 12.

JUNE 12—JULY 8

COUNCIL ME DRAWS CRO TUESDAY N

Votes to Override Mayor's Veto of Airport Survey Appropriation

ACTS TO BUY ANOTHER $20,000 IN WAR BONDS

Mayor Demands Resignation of Three Members of Council

In the presence of the largest gallery in recent months, including nearly fifty representatives of local organizations, the city council Tuesday evening overrode the veto of Mayor W. J. Douville and unanimously re-adopted a resolution appropriating the sum of $1,500 to finance an engineering survey of the Thief River Falls airport site as a means of arriving at a basis for post-war development of the property.

Asked why he had returned the resolution unsigned after it had been first adopted by the council the mayor expressed the view that there was no hurry about proceeding with the project. In a written communication May 11, the mayor had cited his objections as follows: Thief River Falls is not in direct line with routes already established between the Twin Cities, Fargo, Grand Forks and Winnipeg; that it will be some time before commercial aviation is sufficiently developed to be of value to cities of this size; and that the cost of maintenance will be high.

Among those who spoke briefly, urging the council to adopt the resolution over the mayor's veto, were Paul A. Lundgren, Wallace Carlson, representing the Junior Chamber of Commerce; H. W. Kinghorn, president of the aeronautics chapter; Stanton R. Dahlen, Rotary club president; W. G. Claffy, Lions club; and E. B. Benson, Civic and Commerce association.

Speakers emphasized the necessity of completing the engineering survey of the site at the earliest possible date, so that the needs in connection with its development may be known and the city will be in a better position to qualify for any state or federal funds that may be made available.

Following a presentation of the matter by Paul Lundgren, Pennington county war finance chairman, the council voted to support the Fifth War Loan drive by investing an additional $20,000 in bonds bearing interest at the rate

DR. W. A. BILLINGS TO VISIT COUNTY TURKEY GROWERS

Noted Authority to Inspect Pennington Co. Flocks June 27-28

Dr. W. A. Billings will be in Pennington county to visit turkey growers on Tuesday and Wednesday, June 27 and 28, according to County Agent Ernest Palmer.

Dr. Billings, along with Mr. Palmer, will visit as many of the turkey growers as possible during this two-day tour. Growers who are especially anxious to have Dr. Billings call at their farms are asked to contact the county agent's office as soon as possible.

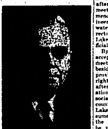
Dr. Billings is one of the most widely known turkey authorities in the United States. He is the originator of the Billings plan of turkey sanitation and has written numerous publications on turkey growing. His best known publication is entitled "Talking Turkey."

Seed Equipment Plant Heads Guests of Rotary

Fred Forsberg, proprietor of Fred Forsberg & Sons, local manufacturers of seed cleaning machinery, and his son Clarence were guests at the Rotary club luncheon Tuesday noon in the Evelyn hotel, as was Rep. Harold Hagen of Crookston, who spoke briefly. Fred Forsberg discussed the activities carried on in his establishment, and following the luncheon members of the club made a tour of inspection of the well-equipped plant.

Promote River Project at Session Held Sunday

Lions District Governor



DR. E. S. AMESBURY

Who at the Lions District 5M convention in the St. Paul Hotel in St. Paul Monday was elevated to the office of governor of District 5M North, embracing 25 clubs in that part of Minnesota as far south as St. Cloud and extending north into Manitoba. Placed in nomination for the post by Fleming S. Gibson of this city, Dr. Amesbury is a past president of the local club, and has served the past year as deputy district governor.

At a meeting of the Red Lake River Flood Control association, held at Red Lake Falls Sunday afternoon, steps were taken to meet local requirements as recommended in the report of the engineers on the Red Lake and Clearwater river project. Besides directors of the association, Red Lake and Pennington county officials were present.

By resolutions the association accepted the responsibility of meeting these requirements which, besides a cash contribution of approximately $33,000, provide for right-of-way, stream maintenance after construction and the elimination of stream polution. The association will ask each of the four counties affected, Pennington, Red Lake, Polk and Clearwater, to assume their proportionate share of the cash contribution which will be made in lieu of the government's agreement to replace bridges, and also pay the cost of securing necessary easements.

The meeting was called upon the recommendation of state officials, Governor Thye having been advised that there is a possibility of securing a recommendation for immediate construction by the War Food Administration. He was asked for assurance that local communities would meet their requirements. Paul Lundgren will confer with state officials in St. Paul this week.

In attendance at the meeting, in addition to Mr. Lundgren, were Paul Roy, County Auditor A. M. Senstad, County Engineer J. A. Erickson and W. E. Dahlquist.

TRIANGLE BUS CO. PLANS ERECTION OF DEPOT IN CITY

Start of Project Depends on Obtaining Necessary Materials

Subject to the obtaining of remaining priorities, construction work will get under way shortly on a new bus depot, office and garage for the Triangle Transportation company, Hugh Carlson, local manager, announced today.

The building, which will be of brick and tile construction and 50 by 100 feet in dimensions, will be located on a lot 62 by 140 feet in size on Horace av. south of the Aaseby garage, purchased from A. M. Magnuson.

Space will be provided for a spacious waiting room with rest rooms and offices, and a large space for accommodating buses. Nels G. Olson, local contractor, will be in charge of construction, which involves an estimated $20,000.

Two Jail-Breakers Are Seized Near Newfolden on Thursday Afternoon

Two youths who recently had escaped from the Wayne county training school at Northville, Michigan, and had later broken out of the Roseau county jail, were recaptured last Thursday near Newfolden by Louis Farstad and Andy Bakke, members of a posse of nearly 100 men. The two gave their names as Raymond Musall, 17, and Skinder Alli, 15. The posse had been organized after authorities had been notified by immigration men to be on the lookout for two men believed to be German prisoners escaped from a prison camp in Canada. The youths stated that they had not eaten for two days, and that when captured they were on their way back to Roseau to give themselves up.

123 Applications for Soldiers Ballots Here

A total of 123 applications for soldiers' ballots had been filed by members of the armed forces up to the first of the week with County auditor A. M. Senstad, representing only slightly more than ten per cent of the men from Pennington county in military service. To date 27 ballots had been returned here, most of them from overseas, including some from as far off as New Guinea.

K. OLSON SUCCEEDS CHRISTOFFERSON AS SALVAGE HEAD

Will Direct Scrap Iron Collection in Pennington County in July

Karn M. Olson has accepted appointment as Pennington county salvage chairman, succeeding Carl Christofferson, resigned, it was announced today by J. Robert Petersen, chairman of the county civilian defense organization.

Mr. Olson's duties will be to promote additional salvage of scrap iron, waste paper, tin cans and waste fats. He will meet today with county workers to discuss plans for the 1944 scrap iron salvage drive to get under way in July, designed to bring in all remaining scrap metal from Pennington county farms.

Chairman Petersen and A. A. Johnson of Duluth, regional salvage manager for Northern Minnesota, stated that Pennington county in all salvage drives to date has made excellent showing under the supervision of Mr. Christofferson, who has served here since the program was inaugurated.

1944 CONVENTION OF LEGION AT OSLO SUNDAY JUNE 25TH

Thief River Falls Junior Ball Team Will Play Grand Forks

A full day's program of business sessions, social events and entertainment has been planned by the Oslo American Legion post for Sunday, June 25 when the annual convention of the Ninth District American Legion and Auxiliary in Minnesota will be held at Oslo.

Business sessions are scheduled to get under way shortly after registration which will begin at 8 A. M. At noon the annual banquet will be held in the Community hall with the Oslo Legion post serving the meal.

One of the important entertainment events will be a baseball game between members of the Grand Forks and Thief River Falls American Legion junior teams at 3:30 P. M.

Memorial services will be held at 7:30 P. M. in the city park with H. L. Cave, Minnesota state commander, as the principal speaker.

Ninth District Commander Oscar Lewis of Bagley will preside at business meetings of the Legion and Mrs. George L. Biddick of Thief River Falls, district auxiliary president, will preside over auxiliary sessions. State Auxiliary President Mrs. Christiansen, will be one of the principal speakers at the women's sessions.

With at least 300 Legion and auxiliary members expected, and the public generally invited, the project is one of the biggest ever attempted in the village of Oslo. Streets will be decorated and the committees are at work on other features aimed to make the convention a big success.

The Grand Forks American Legion drum and bugle corps, the Warren band and the Oslo band will be among the organizations that will supply music.

George W. Werstlein, commander, and Henry O. Melby, adjutant, will head the delegation to the convention from Elmer J. Eklund post of the Legion.

Chairman Paul Lundgren Expresses Discouragement over Progress

ONLY TWO WEEKS LEFT OF CAMPAIGN PERIOD

Public Asked Not to Delay Purchases until End of Drive

"The bond news for this week's Fifth War Loan report is going to be brief. It can be summarized as bad," said Paul Lundgren, county war finance chairman, today. "It is brief largely because we do not like to talk about unpleasant things. From the reports that we have received thus far in the central office, it is evident that we are not getting the response on this drive that we have had in the past. In former drives Pennington County has never been below 15th place. Today we stand 42nd in the state. There is just two weeks and two days left for Pennington county to redeem itself. During that period we must discount three days of consecutive holidays.

"In trying to analyze the general attitude of the public in regard to bond purchases," he said, "it can be attributed to two evils: first, over-optimism about the good news from the battle front in thinking that the war will soon be over and secondly, over-pessimism on the bad news at home. That the weather is bad and that crop prospects in some sections of the county are not good can be admitted but that is no reason why those of us who are not directly affected thereby should use the weather as an excuse. From the reports that some solicitors have brought in it would be easier to sell stock in a community "ark" than the bonds which are intended to preserve our liberty. Surely we in Pennington County are not only fair weather bond buyers.

"We in Pennington county apparently are not the only ones who have been smitten by the bug. Reports throughout the state are similar. In fact, it has been suggested in high circles that the news should not be publicised as it would adversely affect the morale of our soldiers. Now that our soldiers have the enemy on the run is no time for us at home to throw stumbling blocks in their pathway. The unfortunate thing about adverse news on the bond drive would be the encouragement that it will give the enemy. When the enemy learns that we at home do not support our soldiers they will think that we are, as we were accused of being, soft and no longer can take it. It will inspire them to hold on and many

STORES TO CLOSE MONDAY AND TUESDAY, JULY 3 AND 4

At a meeting Tuesday afternoon in the Rex Cafe, the merchants committee of the Civic and Commerce association went on record to the effect that all stores in Thief River Falls should remain closed all day Monday, July 3, as well as Tuesday, July 4, F. E. Tunberg, committee chairman, announced today, adding that the action is designed to give employes of the short-handed establishments a well-earned three-day vacation.

That the closing for the extra day will be generally supported is indicated by a survey taken during the past week among more than 40 business places in which sentiment was revealed as overwhelmingly in favor of closing July 3. Mr. Tunberg stated that for the convenience of the public stores will remain open until 10 o'clock Saturday evening, July 1.

Reports received by the merchants committee indicate that closing Monday, July 3, will be the general practice in other communities in this section of the state.

ELKS LODGE TODAY TAKES QUARTERS IN NEW BUILDING

Programs Tonight and Friday to Mark Acquisition of Citizens Block

Members of the Thief River Falls Elks lodge will hold special festivities this evening and Friday night, celebrating their occupancy of attractive and spacious new quarters on the second floor of the Citizens bank block.

The lodge recently purchased the building, erected about thirty years ago and one of the largest and most substantial business blocks in the city, housing several establishments on the ground floor and professional offices on the second floor, in addition to the lodge rooms, which have been renovated and redecorated. The structure in the future will bear the name of the Elks Building.

At tonight's meeting at 8:30 the first initiation ceremonies in the new quarters will be conducted by the Crookston Elks degree team, in addition to which special entertainment features will be provided by Phil Johnson and his variety show from St. Paul. Included in the show will be magic acts, as well as musical and dancing specialties.

A grand opening dance, with music by a five-piece orchestra, has been arranged for Friday evening, starting at 9 o'clock, together with a floor show by the Phil Johnson troupe and the serving of lunch.

Small Contingent of Reservists Left for U. S. Navy Duty Today

City to Have Fireworks on Night of July Fourth

In accordance with the custom of recent past years, residents of Thief River Falls community again will enjoy a display of fireworks on the evening of the Fourth of July, to be set off on the east river bank near the Third st. bridge. The display, financed by a $150 appropriation voted by the city council, is sponsored by the Civic and Commerce association in cooperation with the park board.

SPECIAL MOVIE TO BE SHOWN TONIGHT BY ST. CLOUD FIRM

Char-Gale Co. Will Recruit Aircraft Workers in City Friday

The building of a section of a transport plane will be demonstrated in Thief River Falls tonight by workers of the Char-Gale Manufacturing company of St. Cloud, when representatives of the plant and USES will be in Thief River Falls to hire men and women for aircraft assembly, Russell E. Olsen, WMC area director announced today.

"Soldiers of Production", a 25-minute film showing how this huge cargo plane is built will be shown this evening, June 22, at the Falls theater. The demonstration will take place at the theater entrance. Actual hiring will take place at the United States employment service office all day Friday, June 23rd.

Mr. Olsen urges all persons now not employed in essential industry at their highest skill to contact the local office, see the actual assembly demonstration and obtain complete details about these jobs.

The St. Cloud plant assembles the fuselage of the seaplanes which are now actively engaged in ferrying men and supplies to Italy, France, China and many battle fronts in the Pacific.

One thousand workers must be added to the plant force in the next few months; both men and women over 18 years of age will be hired.

Church Wedding Unites Miss Mabel E. Olson and Harry W. Paulson

Sunday afternoon at 2 o'clock the Reiner Lutheran church was the scene of a wedding in which Mabel E. Olson, daughter of Mr. and Mrs. Eno Olson of Goodridge, became the bride of Harry W. Paulson, son of Mr. and Mrs. Henry Paulson of Goodridge. Rev. Silas Erickson officiated at the single ring ceremony.

Miss Eunice Erickson of Minneapolis sang "O Perfect Love" prior to the playing of the "Bridal Chorus" by Miss Karyl Grondahl at the organ. Miss Ella Dalen of *Grygla and Mrs. Lloyd Iverson of* Grand Forks attended the bride, while the groom was attended by Stanley Olson and Marvin Limesand.

A gown of white dutchess satin fashioned along princess lines with lace inserts and long sleeves tapering to a point at the wrist was the bride's choice of wedding attire. A tiara of seed pearls secured the fingertip veil and a pearl necklace, a gift of the bridegroom, was her only jewelry. Her bridal bouquet was composed of red roses and snapdragons.

Miss Dalen's gown was of pink organdy and she carried a bouquet of pink snapdragons, while Mrs. Iverson with a yellow taffeta gown carried a bouquet of yellow snapdragons. Red carnation boutonnieres were worn by the gentlemen attendants.

Immediately following the ceremony Rev. Erickson sang "The Lord's Prayer" and Barbara Olson, the bride's sister, sang "God Will Take Care of You."

A reception was given at the church for those present following the wedding. The bridal party was seated at a long table centered by a three-tiered wedding cake, which was baked by Mrs. Lewis Quam, the bride's aunt.

Mrs. Paulson is a graduate of the Goodridge high school with the class of 1941 and of the teacher training department in this city. She has taught school in Pennington county for the past two years, while Mr. Paulson has been engaged in farming west of Highlanding.

Mr. and Mrs. Paulson left Sunday evening for a short wedding trip to Grand Forks and points in Minnesota.

Reunion of B. Hruby Family on Sunday

Mr. and Mrs. B. Hruby were honored guests at a surprise party at the E. Sunsdahl home on Father's day, given by their eight daughters, daughter-in-law and eleven grandchildren. It was the first time the group was together in eight years.

Those present at the gathering were Mrs. Lewis B. Hruby and Gail of Hastings, Nebr., Mr. and Mrs. Emanuel Sunsdahl of Goodridge, Mrs. George Persons and Jeanine of Huron, S. Dak., Mr. and Mrs. John Tanem and Lloyd of Goodridge, Mr. and Mrs. Albert Aakness and Glen of Trail, Staff Sgt. and Mrs. Gynther Gunderson of Wilmington, N. C., Mrs. Paul Sandstrum of Seattle, Wash., Miss Violet Hruby of Berkeley, Calif., Cpl. Owen Olson, Jr. of Tampa, Fla., and his wife and son of this city; and Mr. and Mrs. Owen Olson and son Kenneth, Mr. and Mrs. Frank Krbechek and family, Ted Rustad of Goodridge, Miss Gwendolyn Gensler of Berkeley, Calif., and Miss Sophie Gunderson of Plummer.

Captain and Mrs. Don L. Snyder Are Feted

Complimentary to Captain and Mrs. Don L. Snyder and son David Lance of Milwaukee, Wisc., who spent last week here, a 6 o'clock dinner was given in the terrace room of the Rex Cafe Friday evening by Mrs. Alice E. Richards and Mrs. E. Donovan Mattson. Others present were Mr. and Mrs. A. E. Mattson, Mr. and Mrs. M. P. Erickson, Mrs. Thyra Snyder, and Diane Mattson.

Sunday afternoon at 2 o'clock a picnic dinner was enjoyed at the home of Mr. and Mrs. A. E. Mattson with Captain and Mrs. Snyder and son as honored guests. The group also included Mr. and Mrs. Oscar Nelson and daughter Betty, Mrs. Thyra Snyder, Mrs. E. Donovan Mattson and daughter Diane, and Mrs. Alice E. Richards. Captain and Mrs. Snyder and son left Sunday evening for their home.

Lucille Hanson Weds Technical Sergeant Carl A. Bergman, Jr.

Beneath a military archway of red, white and blue lights and flags with ferns and peonies, Lucille E. Hanson, daughter of Mrs. Carl Stromberg of this city, and Tech. Sgt. Carl A. Bergman, Jr., son of Mr. and Mrs. Carl A. Bergman, Sr., of Hoople, N. Dak., spoke their marriage vows. Rev. L. O. Hellekjev prompted the exchange of vows at 6:00 P. M. Sunday at Hoople, N. Dak., in the presence of thirty guests.

Mrs. Howard Crocker, sister of the bridegroom, and Harvey Hanson, brother of the bride, served as attendants. The bride wore a white street-length dress with a peony corsage, while her bridesmaid wore a similar costume.

A supper was served at the Henry Brubakken home for the thirty guests present, with Doris Mae Thompson and Venice Gunderson serving.

The bride is a graduate of the Hoople high school and prior to her marriage was employed at the L. B. Hartz super Market in this city. Her husband, also a graduate of the Hoople high school, will return to Fort Leonard Wood, Mo., next Sunday.

Out of town guests at the wedding were Mr. and Mrs. H. E. Kellberg and daughters, Mrs. Carl Stromberg, Harvey and John Hanson of this city, and Mr. and Mrs. Arnold Hanson of Pisek, N. Dak.

Alvina M. Wilson and Arthur Vik Exchange Wedding Vows Saturday

Before a beautifully decorated altar of peonies, ferns, and lighted tapers, Miss Alvina Margaret Wilson, youngest daughter of Mr. and Mrs. O. E. Wilson of Hazel, became the bride of A. Arthur Vik, son of Mrs. Hilda Vik of St. Hilaire. Rev. Alvin Skibarud officiated at the ceremony at 8:30 P. M. Saturday at the Clearwater Lutheran church.

The bride entered on the arm of her father to the traditional strains of the wedding march played by Mrs. Alvin Skibarud, who also played a program of nuptial music before the ceremony. A gown of white marquisette over satin with shirred bodice and sweetheart neckline was worn by Miss Wilson.

Her fingertip veil was held in place by a headed cap with heart insertions of net. She wore a double strand necklace of pearls, a gift of the bridegroom, and she carried a bouquet of pink roses with shower streamers.

Miss Mary Jane Johnson was bridesmaid in an aqua lace-flocked gown of organza. Her heart shaped locket was a gift of the bride and her bridal bouquet was composed of pink peonies and snapdragons. Shirley Ann Vik, niece of the bride, was flower girl in a floor length gown of pink taffeta. She carried a basket of yellow snapdragons. Lars Vik, brother of the bridegroom, was best man.

About fifty relatives and friends attended a reception at the bride's home immediately following the ceremony. The bridal table was centered by a three-tiered wedding cake topped with a miniature bride and groom, and the Wilson home was made festive with bouquets of peonies and ferns.

Following a short wedding trip, the couple will reside on the bridegroom's farm south of St. Hilaire.

Miss Myrtle Snetting Speaks Marriage Vows in California June 11

Against a lovely background of ferns, flowers, and lighted tapers, Miss Myrtle E. Snetting, daughter of Mr. and Mrs. Olaf J. Snetting of this city, and Victor G. Moen, army air forces, spoke their wedding vows. The Rev. K. G. Egertson, college classmate of the bridegroom officiated at the double ring ceremony in Our Saviour's Lutheran church in Los Angeles, Calif., Sunday afternoon, June 11.

Preceding the ceremony Dr. Roy Reed Brignall played a program of organ music and the church soloist sang the hymn "O Perfect Love."

The "Bridal Chorus" from "Lohengrin" by Wagner was played for the processional and Mendelssohn's wedding march for the recessional. Soft organ music was played throughout the ceremony and "The Lord's Prayer" by Malotte was sung before the benediction.

The bride was attired in a white satin gown of floral design with long veil and train, fashioned with fitted bodice, sweetheart neckline, and full bell sleeves. She carried a large bouquet of white roses and her only jewelry was a string of pearls, gift of the bridegroom.

As maid of honor the bride chose Miss Doris Johnson of Los Angeles, who wore a gown of pink taffeta and carried a bouquet of pink roses. Her bridesmaid, Miss Eva Barcus of Kansas City, Kans., was attired in a gown of blue taffeta. Both attendants wore pearls. Robert Hallister of Sioux Falls, S. Dak., was best man while Howard McLaughlin of Monticello, Ia., was usher. The bridegroom and his attendants were in the army air forces uniform.

Immediately following the ceremony Mrs. Adolf Johnson was hostess to fifty guests at a reception. Following the bridegroom's leave, they are now at home at 130 No. Oakland Ave., Pasadena, Calif.

The bride is a graduate of Lincoln high school in 1940 and has been employed for some time as stenographer at the Hermite Powder Co. of California, while her husband, graduate of St. Olaf college and Iowa state teachers college, is now a weather forecaster at the California Institute of Technology in Pasadena.

BIG DELEGATION FROM COUNTY AT RATIONING MEET

250 Workers from 17 Counties Attend Parley in Grand Forks

Approximately 250 members and clerks of war price and rationing boards from seventeen North Dakota and Minnesota counties met in Grand Forks June 14 to discuss means of improving and uniforming price control and rationing programs in this area.

Attending from Pennington county was a large delegation headed by chairman Waldie Christensen. Harold Boe, mayor of Grand Forks, opened the general session, followed by a welcome address by Harald W. Bangert, district OPA director. Arrangements for the day's program were handled by A. C. Furoe, district local board officer, and Thomas Kelly representing the Chicago regional OPA office.

M. M. Oppegard, editor of the Grand Forks Herald, a guest speaker, told of the part newspapers can play in educating the public to the necessity of wartime restrictions.

"More and more the public has come to realize that only through price controls and rationing could we avoid chaos and sky high inflation," Mr. Oppegard said. "More and more they realize these controls are for their own individual protection."

The general session of the meeting adjourned in the morning to price, rationing and community service panel meetings, with district office officials presiding.

CAROL LYNNE, co-starring in the Midnight Ice Show in the Iridium Room of The Hotel St. Regis, says, "To cut a smart figure, a man must look his best. An Adam Hat assures him of a stylish appearance."

For Summer style and cool comfort, Adam Straws and Panamas are ideal. Now available.

BJORKMAN'S TOGGERY

Break in Power Lines Causes Interruption in Service on East Side

For the second time in two weeks, electric service to a large area of the eastern section of the city was interrupted Saturday night. The break occurred during a high wind at 7 o'clock when a tree adjoining the A. G. Gabrielson property on East First st. caused a short circuit in the wires, following which service in the area east of Tindolph av. was suspended until Sunday morning at 8 o'clock, when repairs were completed. Heavy rains and the high wind prevented early completion of repairs, said Ole Legvold, superintendent of the water and light department.

of two per cent, thus increasing the city's holdings to a total of $120,000.

Applications for building permits aggregating $24,025 were approved subject to inspection by the council building committee. Major projects include the Triangle Transportation company, new bus depot, $20,000; Carl Kretschmar, repairs to the Palm Garden Cafe, $1,500; and Robertson Lumber company, addition to warehouse, $1,100.

The sum of $200 was voted to the fire department to defray expenses of its members in attending the state fire school and regional meetings to be held in coming months.

The council confirmed the reappointment by Mayor Douville to the library board of Mrs. N. A. Holen, Mrs. W. W. Prichard and Anton Hall, and also approved the reappointment by the board of members of the library staff, as well as of Fred Jacklin to the post of custodian.

Also confirmed were the appointments by the recreation board of Herb Claffy and Robert Baker as lifeguards at the Tindolph park swimming pool, to serve until August 15. Mayor Douville announced the appointment to the police force of Lawrence Krause to succeed Henry McMahon, resigned.

The 3.2 beer license held by Gunder Grovum at 211 Main av. N. was transferred to Ole Yatesund and Nels Dyrdal, subject to approval by the license committee, and the beer license of C. M. Ryan at 207 East Third st. was transferred under the same condition to Harry Flasch.

The council voted to accept the $350 bid of George Barnett, highest of four received, for the old house on property owned by the city in Marshall county west of Steiner.

Also voted was an appropriation of $150, the same as last year, to provide a display of fireworks in the city on the evening of July 4 in cooperation with the Civic and Commerce association.

No action was taken on proposal by the mayor that the fee for on-sale beer licenses be increased from $120 to $150 a year.

At the close of the lengthy meeting, which did not adjourn until after 12 o'clock, Mayor Douville read a communication demanding the resignations of three members of the council, charging that they had done business with the city in violation of the law. He cited Alderman Jack McKechnie, agent for the Texaco Oil company; F. A. Rinkel of the Northern Chevrolet company, charged with having made a few small sales to the city; and J. Robert Petersen, as agent for the M. & O. Paper company, charged with having purchased a quantity of pulpwood from the city. Mr. Petersen stated that he had since turned his commissions in to the city treasury. The mayor demanded that the council take some action, but the meeting adjourned without further result.

Memorial Services Held in R. L. Falls for Late Lieut. Roy E. Richards

A memorial service, a requiem high mass, for the late Lieut. Roy E. Richards, killed in action over Lorient, France a year ago, was celebrated at St. Joseph's Catholic church in Red Lake Falls by Rev. Victor Cardin. Members of Gunder Austad post No. 22 of the American Legion formed a guard of honor.

Lieut. Richards was born in Red Lake Falls, graduated from Lafayette high school in 1934 and a year later from the teacher training department. He taught in Euclid and Hazel for three years before entering military service in 1941. He received his early military training in Iowa and was transferred to Mather Field, Calif.

He was married to Audrey Rae Squier in 1942. Besides his wife he is survived by his father, Edward Richards of Red Lake Falls and by three sisters, Mrs. Clarence Riber of Billings, Mont., Miss Dorothy Mae Richards of Sacramento, California, and Sister M. Rosaria, O. S. B., Thief River Falls.

Good Hope F. U. Local Met Last Friday Night

Mr. Stebbins of St. Paul, state organizer for the Minnesota Farmers Union, was the main speaker at a meeting of the Good Hope local Friday evening at Smiley hall. Bert Johnson spoke on legislation, and urged all to vote on the income tax ballots being sent out by the Farmers Union. He also urged a full attendance at the cooperative elevator meeting July 7 and the annual session of the cooperative oil company July 20.

more American lives may thereby have to be sacrificed.

"There is still two weeks within which we can redeem ourselves," Mr. Lundgren said. "To those who have not already bought their bonds, we urge that you buy them now. To those who have purchased we ask that you look at the record and if you are able to do better than you have done, 'Buy More Than Before.'

"Let us hope that the reports which we thus far have received are darker than they really are and that when the 8th of July rolls around Pennington county will not be among those who have given courage to the enemy. We have a reputation to maintain and with the cooperation of all it drive would be the engagement

GIRL SCOUT NOTES

Girl Scouts are reminded that Birch Lane day camp opens for a busy two weeks of camp activities Monday, June 26. Emphasis will be placed on real outdoor activities such as cooking, fire-building, camp-keeping, nature, folk-dancing, drama, etc. For the first day each girl will bring a "nose-bag" lunch and a cup. Milk will be provided at camp. Other equipment might be a pocket knife and other utensils to best create a fine camp, plus a square of material for a "sit-upon."

Girls who are not registered may bring their one dollar at the first day's session Monday morning at ten o'clock. Camp begins daily at ten and closes at four o'clock. Girls, plan now to experience a happy two weeks of life in the open at Birch Lane.

Troop seven spent Wednesday afternoons, June 7 and 14, at Mrs. Bratrud's working on their outdoor cooking badge. They prepared their own suppers those evenings as a troop.

All of the girl scouts and brownies of this city are looking forward to the opening of Birch Lane June 26, at which time they will have a chance to do outdoor cooking, camp craft work, and study nature. The camp committee met last Thursday with Mrs. Hilding Peterson and Mrs. Bratrud, camp director and assistant respectively, making plans for the day camp.

The thing that first brought girl scouting into being 32 years ago, on March 12, 1912, was the sincere desire on the part of a group of girls to be useful. They knew they must learn how to do a great many things and to work with many people, if they were to be truly helpful. How successful this program has worked out is shown by the work of the girl scouts of this city, who have contributed hundreds of hours to war service since Pearl Harbor.

Airplane tires, pulled out of the sea near Pearl Harbor after 18 years, still had air in them.

THYE WILL NOT CONDUCT USUAL PRIMARY DRIVE

States He Does Not Wish to Distract Attention from War Effort

Recognizing that concern over the war and war activities occupy much of the attention of the people, Governor Edward J. Thye said in a statement this week that he felt he should not conduct a primary campaign with the usual speeches and political meetings.

While desiring support of the people, the Governor said he should not seek to distract them at this time with political meetings and exhortations in his behalf, but, in view of the opportunity people have had to measure his qualifications, should leave to each voter in the Republican primary the making of his own decision. His statement says in part:

"One thing only, I ask. I hope that all who are interested in having good government will urge their acquaintances, whether they are our opponents or our friends, to go to the polls on primary day, July 10th, and vote. Our government, depending on the party system, as it does, can work most effectively in the interest of the people only when the people participate in the nomination of the candidates as well as in the general elections. Success of democracy must ever depend upon the free ballot and exercise by the people as a whole of the privilege to vote."

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

In a letter received by Thomas E. Berge from his son Pfc. George E. Berge recently wounded in action May 18th, in Burma, he writes, "I'm getting plenty of rest and good food and the best of doctoring. The Red Cross treats us very well and they get us everything we need. Tell the folks back home that the Red Cross is 'really doing the job'". At the time he wrote the letter he was hospitalized in an American Red Cross hospital somewhere in India. He expected to go back into action soon. George is a brother of Bernice Berge, a local telephone operator.

Classes in swimming instruction are scheduled elsewhere in this paper, sponsored by the local Red Cross chapter and taught by Quentin Jones, Red Cross instructor. Life guards are on duty from 9 A. M. to 9 P. M. every day of the week.

Production of Surgical Dressings

Direct Aid to Prisoners of War

Washington, D. C.—A wounded flyer, lying injured in a prison camp in Germany or the Far East, is not as far from home as he may feel, due to the work of thousands of American women in Red Cross chapters in the United States. Through the surgical dressings they prepare, they are ministering as directly to him as if they would if he were at home.

The Red Cross fleet which carries food and necessities to American prisoners in Europe also regularly transports surgical dressings for distribution through the International committee of the Red Cross to injured prisoners of war in camps and hospitals. Isolated and alone as these prisoners may feel, they are still cared for no matter how far removed they may be, by the patient work of women at home.

The army has requested the American Red Cross to provide one million surgical dressings a month, a giant undertaking for which volunteers in chapters that have been assigned quotas are responsible.

Please watch for an announcement next week of the expected arrival of our quota of gauze. Will St. Hilaire, Goodridge and Highlanding people please inquire about same so you will get your supply as soon as possible?

Potatoes are better if they are cooked in their jackets as valuable minerals are found next to the skin.

Burrell of this city, graduated in 1939 from Lincoln high school and before entering the service was employed at Lieberman's clothing store.

Lake of the Woods Bible Camp Opens Next Monday to Continue Thru July 2

The Lake of the Woods Bible camp which is sponsored by the Thief River Falls and Crookston circuits of the Norwegian Lutheran Church of America will begin next Monday evening and continue through Sunday, July 2. About two hundred young people from this area will be in attendance.

Rev. A. E. Hanson, president of the International Luther League will be on the faculty presenting lectures on youth work. Rev. R. H. Ford, pastor of the Augustana church in Duluth will give talks on the ten commandments and Rev. O. Stensland of Drayton, N. Dak, will give Bible studies.

Oil Uses

When the total oil consumption for 1940 was divided between the two classes of consumption, it was found that 156,848,000 barrels of fuel oil were used, and 130,174,000 barrels of gasoline (for private automobiles, trucks, buses, and emergency vehicles).

Heat Ships

While the majority of ships are heated with steam, some ships, particularly those which are diesel powered, are heated with high temperature forced circulation hot water.

23 DROWNINGS IN STATE ARE LISTED IN MONTH OF MAY

42 Accidental Deaths Are Recorded to June 1 This Year

Forty-two accidental drownings occurred in Minnesota from January 1-June 1 of this year, according to records kept by the state conservation department's bureau of information. Harold Searls, director of the bureau, stated today that 13 victims were children between the ages of 1 and 12; twelve were between 13 and 20 years of age; and 17 were persons over 20 years of age.

Seventy-five per cent of the total number of drownings occurred to men and boys. The causes of eight of the drownings are unknown, according to the report. Cisterns, water tanks, and quarries claimed the lives of nine persons; four fell out of boats, three fell from the shore into the water; three fell from rafts or docks; five broke through the ice (three of them in cars); four from overturned canoes; three drowned while fishing (two of these from capsized boats); and three while swimming.

Twenty-three of the drownings occurred during the month of May, and several new casualties are already listed for the first half of June. At this rate, Searls says, there will be an appalling number of additional tragedies before the end of 1944, unless persons of all ages begin to practice the few simple rules of water safety.

Last Rites Held for Mrs. Margit Sordal

Rev. Walter Pedersen officiated at funeral services in the Salersdal Lutheran church Saturday afternoon at 2 o'clock for Mrs. Margit Sordal, who passed away June 14 at the Joppru old people's home. She was 92 years old at the time of her death.

Mrs. Sordal was born March 20, 1852, in Rystad, Norway. She was married to Nils Sordal in 1881 and came to this country, making her home in Agder township in 1902. She has been living at the Joppru rest home since Oct. 6, 1938.

Left to mourn are a daughter, Mrs. Bergit Olson of Pontiac, Mich.; three sons, John and Targi, both of Admiral, Sask., Canada, and Amund of Alaska; a sister, Mrs. Gyro Louvdal of Norway; 11 grandchildren and 12 great grandchildren. Her husband, a daughter, and a son preceded her in death.

Our country now has what probably is the most formidable military machine the world has ever known. There are now and no doubt have been armies of greater numerical strength, but none was ever so well equipped as ours, while on the sea or in the air there is nothing to compare with the size or the power of our forces. Never before has there been a military machine capable of striking effectively at so many points in all corners of the world at the same time. At one and the same time the combined power of our land, sea and air forces is being felt on several fronts in Europe, on several fronts in Asia, and on a dozen islands in the Pacific. Supporting this tremendous military machine are the highly developed resources of the world's greatest industrial empire. Fortunately for us and for the world this great power has been created in the interest of peace, to make the world a decent place to live by crushing those who would enslave it. Now that the machine has been successfully built we have the responsibility of seeing to it that it is used only for the purposes for which it was intended. Nations, like individuals, have been known to abuse power.

Business Week is optimistic in this week's war picture. A showdown battle with Hitler's Luftwaffe in the near future, followed by a German collapse, is predicted. Another year following the defeat of Germany is allowed for the victory over Japan. Business Week is not given to wishful thinking.

Today is the third anniversary of the German invasion of Russia and the occasion probably is not being celebrated in Axis circles. Joe Stalin no doubt will make a special effort to let Hitler know that his visit to Russia was so much appreciated that a return call can be expected at any time.

Under ordinary circumstances a request by a mayor for the resignation of three members of a city council would be sensational, but such things are now accepted in Thief River Falls as more or less to be expected from the head of our city government. Mayor Douville may be expected to do the unexpected. The three aldermen who Mr. Douville thinks should resign are businessmen of the city, and it is said that the firms in which these men are interested have done business with the city, which of course would not be proper. It is not our intention to argue the rightness or wrongness of what may have been done. On this the aldermen can speak for themselves if and when they choose. This much, however, can be said for the aldermen in question. At the end of the last fiscal year, and without any prompting from Mr. Douville or anyone else as far as we know, the members of the council requested an audit by the state public examiner, whose duty it is to dig out any irregularities in the administration of the city's affairs. This audit has now been completed but as yet the report has not been made public. When that report is made public the citizens of Thief River Falls will be given the complete details, including any criticism it may contain of anybody's official conduct. Mr. Douville should know from his own personal experience as a school board director that these state examiners are very thorough and very critical. Until the report of this examination, requested by the council, has been made public, we suggest that the good Mayor keep his shirt on.

While North Dakota is enjoying a red-hot campaign, the coming primary election in Minnesota is receiving little attention from either the candidates or the voters. Hereabouts there seems to be little interest, probably because there are few contests. The only fight that is attracting any attention is the Hagen-Padden contest for the Republican nomination for Congress. The winner of this preliminary bout is likely to have clear sailing in the final next November and so both candidates are shooting the works. Hagen carried this county two years ago by 600 votes and with two years of good service to his credit, including much special work in the interests of the river improvement project, he should be able to come through again this year with a comfortable margin. How he will run in a Republican primary in the counties that are normally Republican, is of course the big question. There is apt to be a light vote and with a light vote anything can happen.

MINNESOTA FUR TRAPPERS EARN $5,000,000 IN '43

State Game and Fish Director Reports on Past Year's Harvest

Over five million dollars, the largest income in history, went into the pockets of Minnesota trappers in 1943, reports Verne E. Joslin, director of the state game and fish division.

Based on reports submitted to the game and fish division each year by licensed trappers, Joslin says it is apparent that during the past five years the reported take of wild-caught furs has increased yearly from 234,00 pelts in 1939 to 2,174,000 in 1943. The fur trade has reached the point, according to Joslin, where it must be reckoned among the important industries of the state, adding to the income of 30,000 to 40,000 licensed trappers yearly and an unknown number of farmers and school boys who trap on their own lands license-free.

A summary of the 1943 fur take reveals that the muskrat is the backbone of the trapping industry in Minnesota. The estimated catch in 1943 was 1,957,000 animals—probably the largest catch of muskrats in the state's history, Joslin points out that part of this large total was due to the relaxation of certain restrictions on the take of muskrats and also to the 45 per cent increase in the number of trappers over the 1942 season. The total estimated value of the 1943 crop, based on an average value per pelt of $1.80, was $3,522,000.

Mink rated next to muskrat in terms of value of the catch, which was estimated at $806,000. Beaver was third followed by skunk and red fox. Beaver pelts in 1943 brought trappers an average of $33.36 each. They were exceeded in value only by Canada lynx pelts.

In 1943 trappers were limited to four beaver in the hope that the total take could be kept to around 4,000 animals, thereby helping to safeguard the breeding stock. However, the number of trappers jumped from an average of 2,500 for the preceding three seasons to 4,052 last year and 10,385 animals were taken. Game biologists recommend, therefore, that because the beaver population has been severely reduced by the three consecutive open seasons of 1941-42-43, that no open season be declared again until the population has recovered at least to the 1941 level or higher.

U. S. Cork Needs

To meet the manufacturing requirements in the United States about 180,000 tons of cork are imported annually.

Tent Caterpillar Worms Infest Local Elm Trees

Park Supt. Carl Larson informed the city council Tuesday evening that a survey made by him and County Agent Ernest Palmer indicated that numerous elm trees in the city were infested with tent caterpillars. He stated that he was communicating with University of Minnesota authorities to learn the best means of combating the pests, and the council indicated that it was prepared to cooperate. Boxelder trees apparently are not affected as yet, Mr. Larson stated.

Bud Anderson Circus to Appear in Thief River Falls Friday, July 7th

The Bud E. Anderson three-ring circus, complete with elephants and everything, will appear in Thief River Falls Friday afternoon and evening, July 7, to entertain children of this community as well as their elders. The program, it is announced, will include 25 outstanding circus acts, including Buck Lucas, cowboy star, and his group of Texas cowgirls in a demonstration of horseback riding and roping. Also included are aerialists, acrobats and clowns.

Truck and Grade I Tire Quotas Are Exhausted

Unless a strict tire conservation program goes into immediate effect, the entire county is threatened with a breakdown in motor transportation because of tire shortages, according to word received this week by Harold W. Bangert, district OPA director. The tire situation has become increasingly tight, with no additional quota of large truck tires available, and the demand for Grade I passenger tires far exceeding the supply. The district OPA office is instructed to enforce a tire recapping program, and permit truck tire issuances only to operators who practice maximum conservation.

Two-ball Foursome Is Conducted Yesterday

Approximately 85 golf club members participated in a two-ball foursome at the golf course Wednesday afternoon and evening. Mrs. Ed Carlson and Hans Chommie won the first prize, while Miss Elizabeth Dahlen and Stan Larson received the second prize.

Supper was served to the group by the hostesses, Mmes. Palmer Anderson, chairman, Frank Clinton, Richard Robertson, B. Borreson, Ed Carlson, Henry Storhaug, Wayne Anderson, Justus Larson, Rudy Sagmoen, and Miss Eva Kobarge.

Harvest Red Clover Hay As Early as Possible, Is Advice of AAA Chairman

Carl R. Anderson, chairman of the Pennington county AAA, advises farmers to harvest red clover hay as soon as possible. He said experience has shown that cutting clover early greatly increases the chances for a seed crop. There is a shortage of red clover seed and every acre harvested will not only help relieve this situation, it also will bring a good cash return to the farmer. A payment of $3.50 per acre, for not to exceed 25 acres per farm, will be made under the 1944 agricultural conservation program for the harvesting of red clover seed.

U. S. Official to Act on 7 Applications for Naturalization June 24

Henry Hamm, representing the U. S. immigration and naturalization office at Fargo, will be stationed in the district court room in the court house here Saturday, June 24, starting at 9 o'clock, to dispose of applications for citizenship filed by seven residents of this area and to attend to other matters, it was announced today by Henry Storhaug, clerk of court. Those filing applications include Kittel H. Mitgard, Magdaline Suide, August George Stenmark, Emil Hendrickson, Ragnhild Lee, Ole K. Lerol, and Carl A. Clauson.

Topics of the Times

By N. A. H.

Governor Dewey seems to be quite a forward-looking citizen. Reports indicate he is pretty well along with his speech accepting the Republican nomination for the presidency next week.

They tell us we should love our enemies, and we read about a fellow who loves whiskey, tobacco, gambling and women.

With the army moving into France, veterans of World War I are beginning to note some familiar place-names in the news.

Bargain hunters had better get in touch with the War Food administration. It has been selling for five cents a case eggs for which it paid $9.

Those optimists who figured the invasion would be a cinch as soon as the Allies had established a beachhead in France should be disillusioned now.

Insomnia sufferers who can't get to sleep until 2 or 3 o'clock in the morning are advised to go home earlier.

When considering the political situation in France, FDR probably thinks, "De gall of that man".

If we stop to think of the endless stream of fighting men and war supplies going out of the country, we should realize the necessity of helping to put over the Fifth War Loan drive.

It's time to decorate your windshield with an attractive federal auto use sticker at $5 per each.

It will take a bumper local crop of strawberries this year to prevent the shortcake from being awfully short.

Speaking of the projected fourth term, believe it or not but a casual survey reveals that Ulysses S. Grant was the only Republican president ever to serve two full terms.

Ho hum! The sun starts traveling south again today.

Looking Backward

1934—TEN YEARS AGO

Supt. Morris Bye was the speaker at Flag Day exercises conducted by the Elks lodge June 14.—Father Emmett Shanahan, son of Mr. and Mrs. Frank Shanahan, celebrated his first solemn high mass in St. Bernard's church.—More than 1000 persons attended a Farmer-Labor political rally at the D. A. Kolstrand farm near Highlanding.—Paul Engelstad was reelected president of the Rocksbury Community club.—J. R. Larson was reelected president of the Farmers Mutual Telephone company at its annual meeting in Valhall hall.

1924—TWENTY YEARS AGO

Theodore Christianson, Republican candidate for governor, spoke in Thief River Falls.—Five head of livestock were destroyed in a barn fire on the Charles Stephenson farm near Goodridge.—In less than a month the county paid out a total of $490 in gopher and crow bounties, Auditor T. P. Anderson reported.—Miss Helen Weeks, daughter of Mr. and Mrs. J. J. Weeks, was married in Trinity church to Roy O. Storvick of Ames, Iowa.—Miss Mary Von Prichard is spending the summer at the home of her sister, Mrs. A. I. Anderson, at Whittier, California. — James Helle was named president of the Twin Cities Thief River Falls club at its annual outing in Como park, St. Paul.

OPA Community Service Bulletin

By Mrs. Paul A. Lundgren
Chairman

Wednesday, June 14th the members of the local ration board, price panel and price panel assistants were invited to Grand Forks to take part in a conference of 17 counties of our OPA district. The following members from here attended:

Barbara Votava, Margaret Kelfenheim, Marie Caldis, Catherine Leverson, Waldie Christensen, C. D. Gustafson, Alfred Longren, Haakon Olson, Alfred Bredeson, Julien Provencher, Mrs. Marshall Kays, Mrs. Aamond Aase, Mrs. J. W. Stewart, Mrs. N. C. Lindberg, Mrs. J. A. Erickson, Mrs. Wm. Vaughan, Mrs Dagny Borsheim, Mrs. Axel Engelstad, and Mrs. Paul Lundgren.

Meeting facilities were provided by the University of North Dakota and the luncheon was served through the courtesy of the Grand Forks Civic and Commerce association.

The panel meetings consisted of talks on rationing and price control and round table discussions which were truly helpful as ideas were exchanged and problems were discussed with people from different towns and communities.

Here are some of the impressions we brought back:

1. That rationing has been accepted by the people and they realize its necessity but they must also realize that the commodities that are on the ration list really are scarce, rumors to the contrary. Eaxmples of this would be sugar, which will very probably not go off the list in 1944, while canned vegetables are not rationed just now in order to use up last year's supply, but will go back on the list in the fall.

2. That price control is an absolute necessity to stop inflation. If inflation comes, a fourth of our people who have fixed incomes will be hurt. Likewise our boys in the service will expect their dollars to have the same value as when they left.

3. That our fight against inflation must continue steadfastly until after the war is won. One year of "holding the line" shows that it can be done.

Did you happen to read about the lady war worker and the hats in the Sunday Journal? The writer claimed it an absolute fact and it's just one example of what causes inflation. She was a woman with toil worn hands and apparently not accustomed to expensive millinery, but she bought three hats at $45 apiece at one time and thought she got such a bargain that she brought her daughter there and she also bought three hats at the same price.

Disagreeable Weather Prevails Over Week-end

This locality experienced a disagreeable week-end so far as the weather was concerned, with a high wind Saturday night, together with a considerable amount of rain and unseasonably chilly temperatures ranging down into the 40s. Numerous branches were broken off trees by the gale, but no other substantial damage has been reported.

Army Transport

To transport overseas the approximately 3,700 vehicles and the equipment of one armored division takes 15 Liberty ships, in addition to troopships. An armored division in action and on the move uses 650 tons of gasoline, 600 tons of ammunition and 33 tons of food a day. A Liberty ship would have to arrive every eight days to maintain it in battle.

Less Vitamins in Shipping

When the facts about vitamin loss in shipping are fully known, radical changes in the system of mass production at distant points, and also in market grading standards, must result, nutritionists say.

In Tribute

To the memory of our mother, Sarah Knutson, whose passing occurred two years ago, on the first day of summer, the twenty-first of June: Anna, Ingvald, Laura, Knute, Lottie, Harold, and Clara.

"Sunset and evening star and one clear call for me, and may there be no moaning at the bar when I put out to sea."

"Build thee more stately mansions, O my soul, as the swift seasons roll. Till thou at length are free, leaving thine outgrown shell by life's tempestuous sea." 25p

Add to Leaning Tower

Sixty years after first sinking, another architect added another story to the leaning tower of Pisa but could not halt the continuous leaning. William of Innsbruck added the top two stories, making the columns on one side longer than on the other and retaining the center of gravity within the building. The tower was completed in 1350. The Campanile is 179 feet high. In addition to leaning it has sunk seven feet below its original level.

Cause for Rivalry

International rivalry for Spitsbergen—stimulated in early days by the valuable whaling fields near by, and later by the discoveries of the coal wealth—has often been acute. Norway's claim to the islands was finally recognized by treaty in 1920. The Scandinavian country took over officially five years later. From time to time Spitsbergen has served as a base for scientific and exploration parties working in the Arctic.

Spiced Tomato Juice

Spiced tomato juice is made by reheating the juice with onions, peppers and celery, and then re-straining. Another variation is made by adding mixed spices. It is best to do this after opening the canned juice, since spices tend to darken the juice and give undesirable flavors.

Foreign Languages

Among the languages being taught on college campuses to prepare men for military or civilian duties in foreign countries are Amoy, Annamese, Fanti, Hausa, Kurdish, Mandarin, Panjabi, Pushtu, Swahili, and Thai.

GATZKE TO MEET LOCAL BALL CLUB HERE ON SUNDAY

Game Scheduled at Gatzke Transferred to Secure Better Diamond

Manager Gordy Reierson announced that the game scheduled to be played at Gatzke on Sunday has, because of the condition of the Gatzke diamond, been transferred to the Fair Grounds diamond and will be played here, with the game slated to start at 3:00 P. M.

Woody Almquist, who lost a 7 to 6 game to Gatzke two weeks ago, is expected to take the mound against the visitors; while Marshall Myhrer will perhaps hurl for Gatzke. Reuben Rosendahl at first base; Jimmy Welton at second base; Bob Baker or Roy Lee at shortstop; and Gordy Reierson at third base, will compose the local infield. Wally DuChamp, Orester Aase, and Don Johnson will cover the outfield. Blackie Stephens or Red Bossman will be behind the plate.

Admission to the game will be on a collection basis, with no fee being charged but a collection being taken to cover expenses.

Little Demand to Date for Federal Auto Stamps

Up to the first of the week there had been little demand at the postoffice for the $5 federal automobile use stamps, which were put on sale recently, Postmaster Andrew Anderson stated today. Motorists are required by law to have one of the new stickers affixed to their car windshield by July 1.

G. HANNA INVITES TENNIS PLAYERS TO TAKE LESSIONS

To Coach Basketball, Baseball and Kittenball on West Side

Glenn Hanna, local recreation supervisor, announced today that he will give tennis instruction to beginners on the courts on the east side playground each morning from 10 to 12 o'clock, and that a tournament will be organized if enough players show interest.

Each afternoon from 2 to 5 he will be stationed at the high school gymnasium to coach boys interested in basketball, football, kittenball and tennis.

Mr. Hanna invited senior kittenball players to meet at the east side playground next Tuesday evening, June 27, at 7 o'clock.

He added that playground attendance is picking up this week, following the return of the Boy Scouts from their outing at Itasca state park.

Wounded Man in Burma Praises Red Cross Aid

In a letter written May 20th to his father, Thomas E. Berge, Pfc. George E. Berge revealed that he had received an arm wound in action in Burma and was hospitalized in a Red Cross hospital. Quoting Pfc. Berge, "I'm getting plenty of rest, good food, and the best of doctoring, so I'll be back with the outfit pretty soon." He wrote very highly of the Red Cross and its treatment of the injured. A recent telegram from the war department stated that Pfc. Berge was "seriously wounded in action in Burma on May 18th."

4,000,000 Autos Retire from Use in Two Years

Nearly 4,000,000 motor vehicles went out of use in 1942 and 1943 and have not been replaced, the public roads administration reported. The drop was shown in the agency's figures on registrations, which totaled 30,490,608 in 1943, a decline of 11.5 per cent from the record high in 1941 of 34,461,018.

Recreation Highlights

The first camp day of this season was very successful. Fifty-two children of this city took part in this event. Prizes for games were awarded to Patty Clinton, Junior Perkins, Betty Hanton, Billy Randall, and Harold Elseth.

This camp is open to anyone able to take part in the program offered. Children bring their own drink and food, which they may cook over the camp fire.

This Wednesday camp will be held at Squaw Point, across the coulee. Children must be at the arena at 10 o'clock.

A teen-age dance will be held in the Auditorium, Friday night from 9-12 o'clock.

The game room in the arena is open Monday, Tuesday, Thursday, and Friday afternoon from 1 to 5:30. Wednesday it is closed unless the weather does not permit us to have camp day. All children of 3½ years of age may come for supervised play.

Pvt. Iver Kvenlog Sees Action in Medical Unit in All Parts of Africa

AFHQ, Mediterranean Theater—Probably the most traveled medical unit in this part of the world is the 23rd Station Hospital, commanded by Colonel William L. Casey of Portland, Maine.

The Belgian Congo, Nigeria, the Gold Coast, Liberia, French West Africa, Morocco, Algeria — places that still are merely names from geography texts to most folks at home—are countries that the officers, nurses and enlisted men of this medical unit know well.

The unit was activated at Fort Bragg, N. C., on May 5, 1942. Its original cadre consisted of an officer and 25 enlisted men, who came from Camp Croft, S. C. It left the United States a little more than two months later, with most of its medical staff coming from the Presbyterian Hospital of New York City. Its staff includes Pvt. Iver Kvenlog of Thief River Falls.

Firestone vs. Hartz Bakery.
Oen's vs. Wangenstein's.
J & B Drugs vs. Bratrud Clinic.
Lincoln Life vs. the Pharmacy.

The Soo Line, with a net three-man total of 113 to the J & B Drugs net 120, scored their second win Friday evening and moved into first place in the Victory Golf league standings. Charley Hoffos' gross 40 paced the winners, with Guy Hinton having a 44 and Wally Carlson a 49. Dr. A. E. Jacobson and Ed. Anderson had 45's, while Dr. Borreson had a 48, for the J & B's.

The Oen's and Firestones, with a win apiece in their first league games, trail the Soo Line by one game. The Oen's defeated the Pharmacy, 118 to 121; and the Firestones edged out the Lincoln Life, 154 to 159. Oen's, with handicap of 21, had a gross 139 on scores of 44, by Haakon Olson, a 46 by Justus Larson, and a 49 by Milton Larson. For Pharmacy, Blackie Stephens scored a 46, Ole Ekeren a 47, and Bill Dahlquist a 48.

C. W. Mattson's gross 43 and net 36, led Kern Olson's Firestone team to a 5-stroke win over the Lincoln Life. Olson recording a 41, Chris Rinkel a 49, and Hank Storhaug a 52. Hans Chommie, with a 40, had the low gross for the Lincoln Life.

With all team members having net totals in the 30's, the Hartz Bakery defeated the Bratrud Clinics, 141 to 158. Bill Claffy's gross of 38 and net 33 was the evening's low score; Ed. Carlson had a gross 43, a net 37; Erling Mellby a gross 42, and net 36; and Father Merth, a gross 42, and net 35. Dr. Homer Hedemark's 40 was the low gross total for the Clinics.

Stan Larson's Poppler's Furniture team defeated a short-handed Wangenstein's team, 167 to 174. Gross scores for the winners were: Stan Larson, 40; Walt Smith, 46; Clarence Knudsen, 48; and Dr. R. Robertson, 52.

Flotsam and Jetsam

The week-end's rain washed away the ball, much of the golf, and most of the fishing. The only fellow that enjoyed the rain was Harold Eide, for that gave him an excuse to stay home and read the paper and study the American League standings and gloat over the sixth place position of the Yankees and wonder what has happened to that "master" baseball manager, Joe McCarthy.

The city ball team, primed for a win, was scheduled to play a return game at Gatzke last Sunday, but that game was postponed. The Gatzke diamond will not be in condition for play next Sunday, so the two teams have agreed to play on the Fair Grounds here. The locals will play at Gatzke later in the season.

Manager Reierson is busy strengthening the local lineup, and he's coming up with several new players. Roy Lee, who has just graduated from the U of M's School of Enginering and who's waiting for his navy call, will fill an infield post; and Warren's veteran Reuben "Rosy" Rosendahl will be at first base. Red Bossman, former Warren catcher who's employed here, will probably handle Woody Almquist's slants. That is, if St. Hilaire's Arlo Jacobson doesn't come in for the game. With those boys in the lineup the locals will field a pretty strong team, and they are going to have an informal workout against the juniors Friday evening.

Juniors Play at Oslo

At 3:30 next Sunday afternoon, as one of the entertainment features of the 9th district American Legion convention at Oslo, the local junior ball team will cross bats with the Grand Forks junior team. And in meeting the North Dakota state champion Grand Forks nine, the locals will meet top-flight competition. Team Manager Leonard Hanson has been forced to re-shuffle the local lineup considerably. Bob Baker, shortstop, has passed the age limit and will play his baseball with the city senior team, and that means that a new boy has to be moved into the junior infield. Bob has been a standout in the field for the juniors and good sticker at the plate, so his loss will be a handicap. Leonard and the boys say, though, that they will give Grand Forks club a game, and if Virg Evenstad has all his "stuff" and works the corners, the game should be close.

Fishermen Go Out

A few of the city's intrepid fishermen ventured beyond the city limits over the week-end. George Busse was at Wheeler's Point on Lake of the Woods and in spite of the rain, he reported having good luck. The rough water forced them to use one of Klimek's large launches. The terrific under-tow required a heavy sinker to carry the spinner to the bottom; but if you could get the minnow down to the pike you would get fish. George learned one thing on the trip, and that was never to wear a cap in a rain. The water dripped down his neck until he swore that his boots were full. Oscar Ellingson and Bill Parbst were at lake Winnibigoshish, but the "white water" made it impossible to get out on the lake. Fishing, according to all reports, had been good and if they could have gotten out on the bars they would have made a catch. Walt Gibson was at Waskish, and with the wind from the east, was able to fish on Saturday and made a limit catch. Had harder fishing in the rain on Sunday, but he added his possession limit.

Handicaps to Move

The tournament committee decided that the establishment of permanent handicaps would cause considerable bickering, so they are going ahead with the system that was in use last year. With handicaps being based on the actual scores marked up in league and tournament play, the golfers won't have any argument about their handicap being too high or two low. That's perhaps the fairest and easiest method to employ.

A number of golfers have commented that with the arrival of the tournament season—the eighth annual shortstop tourney will be played the latter part of July—the greens committee and the tournament committee should have a joint meeting and formulate a set of playing rules for the local course.

CITE REGULATIONS FOR EMPLOYMENT OF CHILDREN HERE

Restrictions on Vacation Jobs for Children Under 16

With thousands of Minnesota children out of school and free to take vacation jobs, a warning to employers to comply with state and federal laws regulating child labor was issued jointly today by Florence Burton, chief of the women's and children's division of the industrial commission of Minnesota, and L. A. Hill, regional director of the wage and hour and public contracts divisions of the U. S. department of labor.

"In their eagerness to aid in the war effort and in their enthusiasm for gainful occupation, many children are and will be seeking jobs for which they are physically or emotionally fitted," Hill said. "Parents, employers, state and federal officials should cooperate to restrain children from indulging in the excesses of their own enthusiasm in filling vacation jobs."

Summing up federal regulations relating to the employment of children, he emphasized the following:

1. Generally the minimum age for employment under the Fair Labor Standards Act is 16 years; however, children 14 years of age and older may be employed in certain jobs and under certain conditions.

2. The minimum age of 18 years applies to occupations connected with explosive plants, motor-vehicle drivers and helpers, coal mining, logging and saw-milling, operation of wood-cutting machines, and the use of radio-active substances.

Miss Burton pointed out that under Minnesota state law children under 16 may not be employed in any occupations "dangerous to life, limb, health or morals." For example, it is unlawful to employ children under 16 in bowling alleys or in the selling of gasoline. Employment in any room where intoxicating liquor is sold is forbidden to all minors under 21.

"Another important thing for employers, parents and children to keep in mind is that under the Minnesota Workmen's Compensation Act, a child illegally employed may not receive benefits under the Act," Miss Burton said.

Gautier's Steeplechase Coming to County Fair

The little figures, representing men and women riders, which Arsene Gautier uses in the steeplechase feature of his pony act novelty before the grandstand at the Pennington county fair August 2, 3 and 4, look so life-like in their correctly tailored riding habits it is not difficult to imagine them as being almost human as they ride around the stage, jumping hurdles, reining in their mounts and showing great determination to win the race.

When a hurdle is cleared, the dummy's body pulls the pony's head back, preventing him from stumbling, much in the same manner as it is done in a genuine race. It is a surprising bit of trainer's skill on the part of Gautier and never fails to get a good hand from the audience.

The 'horsemanship' of the dummies provokes plenty of laughter, and when the race is over and the dummies bring their mounts to the footlights for a bow, the spectators applaud for more.

The steeplechase idea is but one of the unique features in the Gautier act, it being threaded with original tricks on the part of the ponies and a group of well-trained dogs. Some of the dogs run, leap high in the air and then land on the backs of running ponies. When they increase their speed, two of the dogs ride them while standing on their hind legs. The dogs also leap from one running pony to another, jump the rope and perform other stunts that are new in an act of this kind.

Civil Service Seeks Men to Work at Pearl Harbor

The director of the eighth U. S. civil service region, St. Paul, has announced that helpers and skilled workers in a wide variety of lines are sought for government employment at the Pearl Harbor navy yard, at salaries ranging from 82c to $1.71 an hour. The maximum age limit is 62 years, and the minimum 18. Transportation will be furnished by the government, and applicants will be employed on an 18 months' contract basis. Applicants within the draft age must secure permits to leave the country from their draft boards. If engaged in war work of equal skill, no not apply. Full information can be obtained from the local U. S. employment service office.

MONTGOMERY WARD'S STATEMENT

to the Special Investigating Committee of the HOUSE OF REPRESENTATIVES

"THE FACTS WARDS HAS RECITED SHOW:

1. The Post Office aided the union during the strike at Wards and sought to excuse its actions to this Committee by misrepresenting the facts.

2. The National Labor Relations Board gerrymandered the bargaining units at Chicago to insure a union victory, and to force union representation upon the retail store employees who by remaining at work during the strike had clearly shown their rejection of the union.

3. The National Labor Relations Board has given a wholly false excuse for its action.

4. The War Labor Board, and the Attorney General, to distract attention from their own illegal acts, have untruthfully attacked Ward's labor policies.

5. The War Labor Board violated the law by granting a contract to the union when the union had refused to prove that it had any legal right to represent Ward's employees.

6. The War Labor Board, by ordering the retroactive reinstatement of maintenance of membership, would have made impossible the holding of a fair election among Ward's employees. Obedience to that order would have forced Wards, before the election was held, to discharge the many employees who had exercised their right to resign from the union.

7. The National Labor Relations Board and the War Labor Board conspired together to bring about the seizure of Ward's properties to enforce an order which they knew to be illegal and unfair.

8. The War Labor Board and the Attorney General have sought to prevent Wards from obtaining a hearing in the courts on the illegality of the Board's orders, while seeking to impose those orders upon Wards by force.

These facts show that the Post Office, the Department of Justice, the National Labor Relations Board, and the War Labor Board, with the approval of the President, have acted together to give illegal and unfair assistance to the CIO union at Chicago.

Ward's experience ever since the passage of the Wagner Act has shown that the unfairness and prejudice illustrated by these actions is the common method by which these agencies are using the prestige of the government to force the surrender of the liberties of employers and employees everywhere.

By their policies of giving unfair and illegal assistance to labor unions, these bureaus have destroyed the established procedure of collective bargaining and have encouraged labor strife. Mr. William M. Leiserson, Chairman of the National Mediation Board pointed this out in a recent address, saying:

> "The unions . . . have come to depend on the Government to give them what they could not gain by collective bargaining with employers. And now, when the giving must stop because of the burdens of war and the necessity to control inflation, they turn in resentment against the Government like children against over-indulgent parents . . .
>
> "Government agencies are perhaps more responsible for the present labor situation than the unions and their leaders. The dependence of workers' organizations on the Government is as much the result of their policies as of union policies."

By seeking to force Wards to obey an illegal order while depriving Wards of a hearing in the courts, these agencies have shown their lack of respect for our Constitution and the fundamental rights which the Constitution guarantees. The Constitution is no longer the supreme law of the land if those whose rights are threatened are deprived of an opportunity to obtain the protection of the courts.

From its experiences, Wards draws the conclusion that these many bureaus have formed a machine for purchasing political support from labor organizations.

Wards has long believed that, when the public awakens to the degree of coercion used by the administrative agencies of the government to force employers and employees to accept union restrictions in which they do not believe and which without such coercion they would avoid, it will rise in indignation. The public will demand that those appointed to office in these agencies act with simple fairness and obey the law or be removed from power.

The facts Wards has recited show, finally, that the President, to force Wards to obey an order known to his advisers to be unfair and illegal, ordered Ward's property seized by force.

The President's action in ordering the plant seized was the usurpation of a power not granted him by Congress and denied him by the Constitution he was sworn to uphold and defend.

The seizure of Ward's plant developed a spontaneous and continuing public indignation which resulted in this investigation. This indignation is easily interpreted. A free American people will not accept dictatorship."

MONTGOMERY WARD & CO.
SEWELL AVERY
Chairman

This is the concluding summary of the statement made by Wards on June 6, 1944 to the Special Committee of the House of Representatives investigating the seizure of Ward's properties. The full statement will be gladly forwarded to any reader upon request.

GRYGLA

GRYGLA GOES OVER TOP IN FIRST WEEK OF FIFTH WAR LOAN DRIVE

The village of Grygla passed its quota of $6,000 at the end of the first week of the Fifth War Loan drive. According to figures tabulated on Monday morning by Sofus Bjertness, local chairman, a total of $6,300 had already been pledged. Rev. T. C. L. Hanson of Holt showed colored moving pictures from the Lake of the Woods at the Luther League meeting Sunday evening at the First Lutheran church. They were enjoyed by all present. A number of young people from Holt were also present.

Get Living From Woods

There is full-time employment for 70,000 men, logging, milling, and manufacturing. Give each of them three dependents, and we have a population of 280,000 directly dependent upon forest industries. For each of these men we ought to reckon another engaged in services, the butcher, the baker, the filling-station man, etc. Thus we should estimate that about 560,000 people could derive a living directly or indirectly from the woods.

Prepare Pie Ahead

If you are having a busy Sunday morning and are planning to produce a warm, syrupy apple pie for Sunday dinner in record time, try this idea. Prepare the pie completely the day before and store unbaked in the refrigerator overnight. Then, after church and while the dinner is cooking, place it in the oven for baking.

RIVER FALLS

(Too late for last week)

Birthday club met Sunday, June 11 at the Herman Jepson home, honoring Mrs. Jepson's birthday. She received a purse of money. A social time was had and a tasty lunch was served. A special meeting of the Board of Education of Independent School District No. 18 was held in the office in the Lincoln High School Building on May 16, 1944, and was called to order at 8:30 P. M. by President Jacobson. Members present were: Jacobson, Helliquist, Rullen, Wold, Froiland, Skarstad, and Superintendent Fjelstad. Absent: None.

The Board canvassed the results of the election just held and found that C. E. Helliquist and A. Skarstad each received 33 votes for the three-year term and William Froiland received 33 votes for the one-year term, whereupon President Jacobson declared C. E. Helliquist and A. Skarstad elected for the three-year term and William Froiland elected for a one-year term.

On the question "Shall the Board be authorized to advertise for bids for the sale of the Central School Building and to sell it at the highest cash bid submitted" there were found to be 32 votes in favor and none against. It was moved by Wold and seconded by Helliquist that the Board advertise as follows: "The Board of Education of Independent School District No. 18, Pennington County, Minnesota, will receive sealed bids for the sale of the Central School Building. A certified check of 5% of the total amount of the bid shall be enclosed with the bid and the remainder shall be paid within 15 days of the date of the acceptance of the bid. All bids must be delivered to the superintendent's office in the Lincoln High School Building at or before 8 o'clock P. M. Monday, June 12, 1944. Each bid should be marked 'Bid on Central School'. The Board reserves the right to reject any or all bids." Motion carried.

There being no further business, the meeting was adjourned.

A. SKARSTAD,
Clerk.

Approved: A. E. Jacobson,
President.

ARLY 1,000 4-H LUB MEMBERS AT CROOKSTON CAMP

nnington County Group Is Winner of Blue Ribbon with 1-act Play

A total of 966 4-H club members from fourteen Northwestern Minnesota counties attended the two 4-H club camps at the Northwest School of Agriculture, Crookston, during the week of June 5-10. Top honors for the largest attendance went to Becker county with an enrollment of 103 club members; Clay and Kittson counties held for second honors with 88 club members each. The total registrations from the east and west divisions of Polk and Otter Tail counties were 158 and 1000 respectively.

The county winners in the one-act play and music events competed during the week at the district final contests. The winning and high ranking teams were placed in blue, red and white ribbon groups. The county ribbon winners in the one-act play contest were: Blue ribbon, Mahnomen, Marshall, Pennington; Red ribbon, Becker; white ribbon, Kittson.

In the Better Grooming competition, the winners of boys and girls contests for the different age groups are as follows: Boys under 15 years: Red ribbon group—Jimmy Russell, Pennington; Wesley Balk, Clearwater; Kenneth Thyren, Red Lake Falls. Boys 15 years of age and over: Blue ribbon group, Lloyd Berg, Red Lake. Red ribbon—Robert Hayes, Pennington; Laverne Clemenson, Clearwater.

In the Better Grooming contest, winners in the girls' division were: Girls under 15 years: Blue ribbon group, Wanda Scholin, Pennington; Red Ribbon group—Marilyn Larson, Red Lake; Arvis Anderson, Clearwater; Eunice Peterson, Marshall. Girls over 15 years of age: Blue ribbon group, Evelyn Person, Pennington. Red ribbon group, Fern Furath, Red Lake; Doris Wagner, Clearwater; Angeline Quantock, Marshall.

Three $25 War Bonds, given by the Minnesota Valley Company of LeCueur for outstanding achievement in 4-H club work in 1943, were awarded to Grace Colebank of East Polk; Bonnie Magnusson, Roseau; and Donald Boutain of Red Lake Falls.

Judges for the county contests held during the week were; the Misses Kathleen Flom and Margaret Fobes of St. Paul and H. W. Soderburg of the Northwest School.

Highway Patrol Checks up on Drivers Licenses

Minnesota highway patrolmen checked the licenses of 7,826 drivers in May, made 28 arrests and issued warning tickets to 203 others for failure to have a valid driver's license in possession, according to the monthly report of Elden Rowe, chief patrol officer. Those arrested paid fines averaging $16.55 each.

Since January 1 the patrolmen have checked licenses of 35,145 drivers, arrested 187, issued 1,238 warning tickets and 111 oral warnings. Those arrests and warnings indicate that 4 per cent of the drivers either did not have valid drivers' licenses or that they forgot to carry their licenses cards when driving. In 1943 2.6 per cent of the drivers checked did not have valid drivers' licenses in possession.

The increase may be due to a limited number of drivers failing to renew their licenses on or before their birthdays, as required by the new law which went into effect September 1, 1943.

H. E. STASSEN TO BE SUBMITTED TO GOP CONVENTION

Minnesota Republicans Feel Candidate Has Chance for Nomination

Encouraged by favorable reports from outside the state, Minnesota supporters of former Governor Harold E. Stassen were rounding out final preparations this week for presentation of Minnesota's favorite son to the Republican national convention in Chicago June 26th, as candidate for President, confident that the conviction is growing that Stassen will make the strongest candidate for Republicans in November.

Addressing Minnesota's delegates at a meeting called to make final plans for the convention, Governor Thye, chairman of the delegation, said:

"Many people in other states feel that Harold Stassen's accomplishments should become a pattern for progress in the entire country. Sentiment for him is rising. With unity and enthusiasm, we can go far in his behalf and have a good chance to nominate him. The race is not over until the nominee is picked. The field is still open."

Dr. R. C. Radabaugh, chairman of the Stassen for President committee, said he is convinced from reports coming to him from other states that delegates to the convention have been measuring carefully the various candidates from the standpoint of their ability to defeat President Roosevelt and that as a result Stassen's stock is rising.

"The delegates are taking a realistic view," he said. "It will do us no good to pick a man who cannot win in November, they feel. Major attention thus is centering on a careful measuring of the candidates. Because Harold Stassen, in addition to wide general appeal, has strong following among young people, workers and farmers, three groups in which Republicans must increase their strength to win, our former Governor is being given unusual consideration."

68,000 Electric Ranges Will be Made Available to Civilians This Year

Production of a total of 88,000 domestic electric ranges is expected to be permitted in 1944, it was announced today by W. A. McMillan, Fargo WPB district manager. Sixty-eight thousand of these ranges will be for civilians and for privately financed federal housing projects.

The 88,000 ranges represent about 16 per cent as many as were produced in the year of 1941. Production at the rate of 68,000 for civilians this year will not meet the total demand which has arisen since electric range production for civilians was stopped, but it is expected to take care of the most essential requirements.

Manufacturers will distribute the ranges that are available for replacement purposes equitably through the normal retail channels. The ranges will not be rationed and any person who wishes to buy an electric range from his dealer will be required only to present a signed, written certificate.

BOAT MOTOR FOUND AFTER ONE YEAR

St. Cloud.—In wartime when a fellow loses a good motor off his fishing boat he's really getting a tough break. July 20 of last year that is what happened to Marcel Steinbach while fishing in Lake Shamineau. Diligent search last summer included seven trips to the lake with various friends and sportsmen, each of whom had a brilliant new method of finding and extricating the precious motor, but none of which brought the desired result. Even special permission from the game warden to use a seal beam at night didn't do the trick. Finally Steinbach became resigned to the fact that the motor was gone. Now, nearly a whole year, as Steinbach sat in a boat on the spring-fed lake, which was clear as crystal that day, watching the fish along the bottom, a flash of sunlight disclosed the motor in ten feet of water. With a grapple hook it was quickly recovered and probably Steinbach is the "smilingest" man in the county today.

HAIL INSURANCE

MR. FARMER, ATTENTION:

There is just a short time left now until that crop of yours that you are depending on for your year's income will be up and waving in the wind. Are you going to take a chance for a few cents an acre and have it destroyed by hail with no protection

Feel free to discuss your insurance problems with me at any time.

CAT GUARDS MALLARD NEST

Granite Falls. — Not all cats prey on fowls—at least one at the Selmer Lewis home doesn't. One of the wild mallard ducks that makes its home in town chose the lilac bush in front of the Lewis home for its nest this year. With high interest the family cat watched the mother duck build her nest and start sitting on the eggs. Curled up some four or five feet from the nest when the mother duck moved off the nest to go to the river for a swim, he shooed off all other inquisitive animals during her absence.

Cut Your Hay Green

BELIEVE IT OR NOT, MR. FARMER:

- Cutting your hay a week or ten days earlier can make a lot of difference in the yield of valuable protein.
- An increase of several per cent in protein content of your hay gives you a bonus equivalent to a 100-lb. sack of oil meal for every ton of hay—or a ton of oil meal from an average 10-acre alfalfa field.
- Dairy cows, hogs, and chickens will always need protein concentrates, but limited supplies of these will go much farther if you harvest all the protein possible in hay right from the farm.

NEWFOLDEN

VOWS ARE SPOKEN BY COUNTY COUPLE

Miss Clarice Hjelle of Newfolden became the bride of Carl Hjelle of Stephen in a pretty nuptial ceremony solemnized at the groom's parental home near Newfolden Saturday afternoon, June 3rd. Officiating at the service was Rev. Arne Mass of Kennedy, who used the single ring ceremony.

Carol Bjornerud of Newfolden played Lohengren's wedding march as the couple took their places before an improvised altar. Arlyss Nelson of Newfolden sang two songs, "O Promise Me" and "I Love You Truly", in the course of the wedding service, with Miss Bjornerud as her accompanist.

For the ceremony, the bride was becoming in a floor length dress of [illegible] satin with a finger-tip veil. Her jewelry was a three strand pearl necklace, gift of the groom. Her flowers were Johanna Hill roses and lilies of the valley.

[illegible] Paulson of Stephen was maid of honor. She wore a light blue floor length dress with white ornaments. Her flowers were light pink roses and white daisies. Ione Langlie of Minneapolis, who was Miss Hjelle's bridesmaid, wore a blue floor length dress with a matching bridesmaid's veil. Her jewelry was single strand pearl necklace, and her flowers were yellow roses and white daisies.

The bridegroom and his groomsmen, Ed Anderson of Priceton and Leander Anderson of Stephen were dark blue double breasted suits with white carnation boutonnieres.

A reception followed the ceremony with over a hundred relatives and friends of the couple in attendance. A three tiered wedding cake was used as a centerpiece for the dining table.

Mr. and Mrs. Hjelle left the fore part of the week on a wedding trip to the east coast. For traveling, the bride chose a blue woolen suit with turf tan accessories. The couple went by plane from Minneapolis to Washington, D. C. They expect to be gone for several weeks, and will visit in New York, Niagara Falls and other scenic spots, and plan to return by way of the Great Lakes to Duluth. They will make their home in Stephen where Mr. Hjelle has been cashier of the First National bank in recent years, occupying rooms in the former Lillegaard apartment building which Mr. Hjelle recently purchased.—Stephen Messenger

Lt. Adeline Anderson and Lt. Frank Thornton Wed

Lt. Adeline Anderson, A. N. C. daughter of Mr. and Mrs. Harry Anderson of Newfolden became the bride of Lt. Frank Thornton son of Mr. and Mrs. Frank C. Thornton of Hampton, Iowa, Saturday, June 10 at Gowan Field, Boise, Idaho. The wedding vows were read by the Very Rev. Calvin H. Barkow, in St. Michaels cathedral.

The bride given in marriage by Maj. Edward S. McLaughlin wore a white taffeta gown and a finger-tip veil, which was caught by a tiara of seed pearls. She carried a bouquet of gardenias and lilies of the valley. Mrs. Robert M. Johnson was matron of honor and Lt. Eleanor Kalvin, A. N. C. was maid of honor. Lt. Homer M. Martin was best man and Capt. Anthony Pintauro and Lt. Robert Johnsen were ushers. Miss Barbara Ward sang "Ave Maria" and "I Love Thee". James Strachan played the nuptial marches on the organ. A reception was held in the Crystal lounge of the Hotel Boise immediately following the ceremony. Lt. and Mrs. Thornton will make their home in Boise for the present.

Funeral Rites Held for Mrs. Frank Bendella

Funeral services for Mrs. Frank Bendella were held Thursday, June 15, at 2 P. M. at the Newfolden Mission church with Rev. Thv. Myhrer officiating assisted by Rev. G. P. Ronholm. Songs were sung by Mrs. Kore Myhrer. Burial was made at the Bjorness cemetery. Pallbearers were Swan Mortrud, Joe Webber, Sr., Oscar Hjelle, Otto Thompson, John Bakke, and John Olson.

Hilma Petrine Johnson Bendella was born in Vester Aalsen Norway June 19, 1877. She passed away at a Thief River Falls hospital June 12, 1944, after a week's illness, and she was at the time of her death 66 years 11 months and 23 days old. In the year of 1889 she emmigrated to America with her parents, Mr. and Mrs. Hans O. Johnson and settled on a farm near East Grand Forks. COME ON
THIEF RIVER FALLS
LET'S DO IT AGAIN!

During the Fourth War Loan Drive in February, Minnesota was the first state in the Union to make her quota. A record like that requires cooperation from every investor—large and small.

The Fifth War Loan starts on the 12th of June. You don't have to be told any longer how necessary it is to buy War Bonds. You KNOW. You don't have to be told what a sound investment they are—how they help to prevent inflation, and to equip our boys, and how helpful they'll be to you ten years from now . . . in giving the youngsters an education, buying a new home, or taking care of you when you're working days are over. You know all that by this time.

So all we have to say is, Come on, Thief River Falls, do it again!

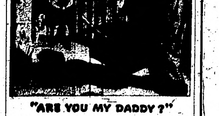
Those present included: Mrs. George Eastman, Mrs. Alfred Bakke, Ronnie and Duane, Mr. and Mrs. Oscar Amarin, Tommy, Dickie and Marles, Mrs. Ole Wedul, Mrs. Oscar Wedul and son Jerry, all of Thief River Falls; Mrs. Arnt Wedul and Otto, Miss Barbara Erickson, Mrs. Herman Sandberg, Mrs. Henry Sjolsvold, Dorothy and Jerry.

Miss Alma Herberg from Crookston is visiting with her sister, Mrs. Ed. Peterson and family here.



"ARE YOU MY DADDY?"

"YES, sonny boy, I'm your daddy—the daddy you don't remember because you were just a few months old when I left for war."

War is heartless, little man. It doesn't give much heed to family ties. But, along with millions of other men and women in uniform, your dad is doing everything he can to keep another war from starting when you're grown up and have children of your own.

It's more than good Americanism to invest in War Bonds . . . it's good business. Let's buy more Bonds than we planned, now during the 5th War Loan Drive . . . and let's keep on doing so!

SMILEY

June, as a rule, is the month of weddings. Four local couples were honored the past week at parties to celebrate their "Big Moments". Mr. and Mrs. Ole Lian were the first to be honored last Wednesday evening, when over a hundred people gathered at their home to help them do justice to their silver wedding day. A short program was rendered with Rev. Skibarud leading the devotions. A purse of money was presented the couple by Hilmer Finstad in behalf of the assembled guests and to which Ole Lians responded with a few words of appreciation. On Monday evening at the Tindolph park in Thief River Falls the Helperette club women put on a picnic party in honor of three of their members' anniversaries of this month. Corsages were presented to the honored guests who were Mr. and Mrs. Oscar Gilbertson, who have been married thirty-two years; Mr. and Mrs. Carl Lindholm, who were married twenty-nine years ago, and Mr. and Mrs. Mark Olson, who have had eight years of wedded bliss to their credit. What a feast there was! Hot dogs and all the trimmin's. Three lovely cakes one for each couple, were decorated in red and white with the centers filled with red peonie flowers. The Gilbertsons, the Lindholms and the Olsons each were presented with a purse of money from the guests.

Monday evening visitors at the O. N. Olson home were Mrs. Al Simons (Jeanette Oftedahl) and daughter Katherine of Austin, Mrs. Hawkins (Olga Oftedahl) of Winnipeg, Canada and Peter Oftedahl.

Mr. and Mrs. Adam Lendobeja daughter Dianne, accompanied by Miss Dolores Lendobeja motored to Fargo Thursday, where the Adam Lendobejas attended the Stock show and Miss Dolores visited her aunt, Mrs. Herb Hurrell. The group returned home the same evening.

Emil Norquist and son-in-law, Clarence Peterson of Gladstone and Mr. Norquist's grandson Billy McCrum of Billings, Mont. visited at the Will and Jim McCrum homes Wednesday. Billy McCrum spent the remainder of the week with his cousin, Bruce McCrum.

Cpl. Orville Chester returned recently from the Aleutian Islands and spent a few days of his leave at the Bill Grundhaus home last week. Cpl. Chester is Ray Chester's nephew and has seen overseas duty for twenty-three months. His regiment helped to clean out the Aleutians of the Japs after the battles. Saturday evening Cpl. Chester's sister, Orra of Milwaukee and his brother Roland of Crookston arrived here to spend the week-end with him. He left for Los Angeles to report for further training.

A house guest the past week at the Mark Olson home was a former girlhood pal of Mrs. Olson's, Mrs. Roy Ose and her daughter Ann of Brinsmade, N. Dak.

Ruby and Ruth Angell and Mrs. Ed DePuy (Glennie Angell) and daughters were up from the cities last week and visited at the home of their parents, Mr. and Mrs. Elias Angell in Thief River Falls (former Smiley residents) and at the Rudolph Hanson (Agnes Angell) home here. Miss Ruth is leaving for the WAVES next month and Miss Ruby expects to be in the WAVES too this fall. Hats off to you, Ruth and Ruby!

The Orlon Olsons have a new son. He arrived Saturday and congratulations are in full swing. The "little guy" will be named Byron Duane.

Mr. and Mrs. Charles Olson of Hibbing visited a few days with Mrs. Olson's sister, Mrs. John Ranum and a niece, Mrs. Bill Grundhaus and their families.

Ole Valsvik returned home from the hospital in Thief River Falls, after having spent a week there for treatments for a skin poisoning.

Mrs. Gust Peterson of Bemidji spent last week with her sister, Mrs. John Ranum.

Bill Grundhaus is on the mail route and has been since Friday. He is substituting for our local carrier, Ted Roalke.

PENNY EATING CHICKEN

Montevideo. — "Why does a chicken cross the road?" The answer has been found—to pick up pennies. At least, that is the case of a Plymouth Rock, owned by Mrs. Kerney Villey, south St. Cloud, which, when killed, possessed seven cents in its gizzard. Five of the seven pennies were worn paper thin from the action of the organism, while the remaining two cents were beginning to wear flat and shiny.

The annual U. S. milk supply would fill a river 3,000 miles long, 40 feet wide and 2½ feet deep.

200 WOMEN WERE AT N. W. SCHOOL CAMP LAST WEEK

Mrs. Emil Larson Is Elected Treasurer of Group for Next Year

Mrs. Walter Oberg of Angus was elected president of the 1945 Women's Camp at the closing session held at the Northwest School of Agriculture, Crookston, on June 15. Other officers include Mrs. Ray F. Thibodo, Stephen, vice-president; Miss Ragna Skarstad, East Grand Forks, secretary; Mrs. Emil Larson, Thief River Falls, treasurer; and Mrs. J. C. Hallgrimson of Milton, N. Dak., sergeant-at-arms.

The 19th annual Women's Camp, held June 12-15 this year, had an all-time high record of campers in residence, according to Superintendent T. M. McCall. 138 women from the Red River Valley counties of Minnesota and North Dakota were in residence. The daily visitors to the camp sessions made a total attendance of two hundred for the week.

Camp members attending the camp seventeen or more years were given bouquets of peonies. Mrs. Albert Lindstrom of Waubun, a charter member of the camp, won the distinction of attending eighteen of the nineteen camps held. Mrs. Emil Peterson of Middle River and Mrs. Ella Anderson of Fisher, charter members, were given recognition for attending seventeen camps.

Other campers with long attendance records include: Mrs. C. H. Boholt, Mayville, N. Dak., sixteen years; Mrs. O. R. Crowser, Winger, thirteen years; Mrs. C. D. Chandler, Euclid; Mrs. E. M. Evans, Middle River; and Mrs. V. C. Noper, Thief River Falls, twelve years. Campers completing four or eight years of attendance were awarded attendance certificates; twelve-year campers were awarded linen towels. The camp closed with an address by Superintendent T. M. McCall.

Miss Retta Bede of the Northwest School served as camp leader, with E. N. Reiersgord as registrar.

Warning on Borrowing or Lending Drivers License

Don't lend your driver's license to anyone for any purpose, is the warning of a state highway bulletin. The state law makes it a misdemeanor for any person "to lend his driver's license to any other person or knowingly permit the use thereof by another," or "to display or represent as one's own any driver's license not issued to him." Complaints have been made to the highway department that borrowed driver's licenses are being used by minor's trying to buy liquor and for various other purposes where identification or proof of age is necessary. The department warns that in such cases both the borrower and the lender are subject to fine or jail sentence. The provisions of the law quoted apply to any use of another person's driver's license, either while driving a motor vehicle or at any other time.

Increased Expenses of Hospitals Pointed out

Twenty cents out of every hospital dollar now goes for purchasing, preparing and serving food and for the maintenance of the dietary department of a hospital, according to a recent survey on increased hospital costs made by the Minnesota Hospital association council on public education. In discussing the survey, Dr. William A. O'Brien, chairman of the council, said, "Many people today wonder at the increased charges hospitals are now making for board and room. They do not realize that, today, 20 cents out of every hospital dollar goes for providing, preparing and serving food and for maintaining the dietary department of the hospital."

TOT DRIVES CAR TO RIVER BANK

Cook.—Three-year-old Fay Neimark, a venturesome little miss, did a bit of automobile driving on a summer night which might have had a fatal ending had it not been for the timely action of a bystander. Fay's father, Wayne Neimark, parked his car with the young lady in the front seat, turned off the ignition, put the keys above the sun visor on the driver's side and went into a store for ice cream. The little girl took the keys down, turned on the ignition, put the car in gear and started for the river. Just in time, Charles Knapp heard her cries and reached the car before it went into the river.

How about the "beachhead" on your doorstep?

● A NEIGHBOR OF YOURS has a mission—a *war* mission. It takes him to your doorstep to enlist your vitally needed help. What kind of a "beachhead" will he establish there?

Don't make it tough. This neighbor is a Victory Volunteer in the 5th War Loan. He's taking time from his work and his recreation to help Uncle Sam raise the money needed to finance the war, money needed to get the boys past the *real* beachheads—those *bitter* beachheads that cost so much more than money!

Turn him down? Ask him to come back another time? No! Don't! Don't . . . above all things . . . don't tell him you can't afford more Bonds. Make up your mind now that you're going to BUY MORE THAN BEFORE. Think of the price our boys are paying. Then pledge every dollar you can.

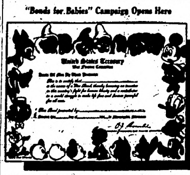
"Bonds for Babies" Campaign Opens Here



"Bonds for Babies" is a new idea being promoted by the U. S. treasury department in connection with the sale of war savings bonds, the Pennington county campaign being conducted under the direction of Mrs. Marjorie Kiland, chairwoman of the county war finance committee.

She announced, that the objective of the drive is to have a Series E war bond purchased in the name of every baby and child up to the age of six. Every child so designated in purchases made starting today will receive an attractive certificate designed by Walt Disney, famous artist, and pictured above.

Mrs. Kiland added that a permanent honor roll, listing all children in the state who receive the certificates, will be maintained in the Minnesota Historical society archives in St. Paul.

ERIE

Celebrate 50th Anniversary

Sunday afternoon a host of friends and neighbors gathered at the N. P. Larson home to help Mr. and Mrs. Larson celebrate their golden wedding anniversary. In spite of rain and bad roads the affair was much a pleasant one. A program was given of song and greetings. A bountious luncheon served, a nice big cake formed the centerpiece of the table. A collection of money was presented to the honored guests, who responded with a "Thank You" to all. Many who wished to be present were unable due to impassible roads. However, approximately a hundred people were present. Committee in charge were Mesdames O. E. Parnow, G. A. Iverson, and H. A. Dahlen. Attending from a distance were Mr. and Mrs. Raymond Larson of Benson, Raymond a nephew of Mr. Larson, and Mr. and Mrs. Roy Foster of Lockhart, the latter (nee Erna Korrupp).

The Eklund ladies aid held their annual sale Wednesday the 14th at the Dining hall. S. O. Prestagard acted as auctioneer for the fancy articles of aprons, dresses, scarfs, and doilies. The ladies had made and donated all, bringing a good price as well as did the dinner, lunch and refreshment stand. Mrs. John Kjelgren president of the aid with helpers had charge of the affair. A very large crowd was present, the weather and roads being ideal.

The Erie local Farmers Union held their monthly meeting at the school house of Dist. 56 Friday evening. Mr. J. Canavan of Red Lake Falls was speaker. Community singing led by Grace Dahlen, and Mrs. J. O. Anderson had charge of the lunch. Next meeting to be held 3rd Friday evening in July in Dist. 59 Kompen school.

Have a "Coke" = It's gey braw
(SWELL OCCASION)

. . . or celebrating a Scotch ship-launching

Gey braw are the Scotch words for it at Clydebank when a new carrier goes down the ways. Your American celebrates it with his familiar invitation, *Have a "Coke"*. It's a phrase of friendship that is heard wherever American is spoken,—a cordial gesture that brings people together. In many lands around the globe, Coca-Cola is spreading the custom of *the pause that refreshes*,—has become a symbol of refreshing good will, just as it is when you serve it at home.

OPA SETS CEILING PRICES FOR USED CARS ON JULY 10

Action Is Taken by Agency to Curb Skyrocketing Prices

The office of price administration slapped price ceilings on all used passenger cars, whether sold by dealers or private owners, at the levels which prevailed in January, 1944.

OPA set forth specific dollars-and cents prices for 23 makes and about 6,000 models manufactured from 1937 through 1942. Older cars may not be sold for more than the comparable 1937 model.

The action came as a surprise although OPA has been working actively toward price control of used cars for more than a year, in which time the price level has soared 20 per cent. Ceilings were opposed by spokesmen for dealers, who had lost their revenue from new cars.

The order is effective July 10, the month's delay being allowed for the trade to make its adjustments.

The ceilings were fixed at different levels for three broad geographical regions. Highest prices prevail in the Far West, lowest prices prevail in the region east of the Mississippi river, and ceiling about halfway between for the remaining states.

Two ceiling prices were set for each model, one covering a car sold "as is" the other a "warranty" price covering cars sold by the dealers with the guarantee that they are in good operating condition.

The ceilings will drop four per cent of the "as is" price every six months. After every sale, the buyer and seller must fill out a transfer certificate and turn it in to the buyer's local ration board.

Typical ceilings on a 1942 model Ford V-8 deluxe four-door sedan are $990 "as is" and $1238 on a "warranty" basis in region A, covering all states east of the Mississippi; for a 1941 model the prices are $845 and $1,056 respectively; for a 1937 model, $330 and $430.

Prefabricated Wooden Bins Offered for Sale by Minnesota AAA Unit

Prefabricated wooden bins, originally designed for grain storage, are being offered for sale by the state agricultural conservation committee, according to word received by County AAA Chairman, Carl R. Anderson.

The bins can be readily adapted for housing transient labor, for granaries, for chicken houses, and other farm uses. Their dimensions are 12x16x10.5 with a capacity of 1,610 bushels. The price is $150. a bin at Pine River, Minnesota. Since the bins are made up in sections, they can be erected, on a farm, with little difficulty, according to state AAA headquarters.

Orders for bins should be placed with the county AAA committee. The bins will be loaded by the company and the purchaser will pay the freight from Pine River, Minnesota, to his local station.

PLAN TO KEEP MINNESOTA GREEN

Sixty representatives of business, agriculture, the professions, government, and civic and trade associations, met at the invitation of Governor Thye to launch a statewide program calculated through the prevention of fires and of erosion, together with planned reforestation, to "Keep Minnesota Green". Here, studying normal growth of native Minnesota trees, unmolested by fire or other destructive agency, are Paul Clement of Minneapolis, president of the Izaak Walton League of America; Mrs. George W. Sugden, Mankato, president of the Minnesota Federation of Womens Clubs; Governor Thye; and Chester S. Wilson, Minnesota Commissioner of Conservation. S. Rexford Black of the Weyerhaeuser Sales Company, St. Paul, was named chairman of the executive board of 18 to organize and publicize this movement so vital to the present and future economic welfare and scenic appeal of the State of Minnesota.

Shortage of Labor Here Is Shown in WMC Survey

The following summary of labor supply and demand in the Thief River Falls War Manpower commission area was released last week by Russell E. Olson, manager of the local employment office.

The total supply of workers for the next six months in the Thief River Falls WMC area appears to be insufficient to meet the total demand for workers. A shortage of men and of skilled workers is, therefore, anticipated. This estimate of the supply of available workers includes women who are not now employed but who are expected within the period to enter the labor market. Youths who will be available only for summer employment have also been included in the estimate.

The demand for men before September 1944, including those who will be inducted into military service, is estimated to be a total of three hundred fifty men who will be needed from March until September. Similar estimates of the demand for women workers are for thirty-five women before the first of July and for a total of one hundred twenty-five thruout the next six months.

These demands include that for one hundred women for seasonal employment in the poultry processing plants from the middle of June until fall. These seasonal employees will chiefly have to be recruited from the reserve supply of workers who, in this case, will be housewives and older school pupils.

The additional number of workers who will be required for the expansion of essential industries will chiefly be women although a few men, with particular skills will have to be secured. Other skilled men, or men who are suitable for special training, will be needed by various employers as replacements for workers entering military service.

The estimate of the supply of available workers includes workers now employed, women and youths who will enter the labor market during the next six months either as seasonal or as regular workers, workers who will return to their permanent homes in this area when more jobs become available here, and a few older persons who will reenter the labor market as a special war service. The outlook is that all sources of potentially available workers must be tapped if industry within the next six months is to be supplied by local workers.

The supply of able-bodied men as well as of skilled men must be spread as far as possible and women must be hired instead of men whenever jobs are at all suitable for them. An acute shortage of men in industry when youths reenter school can only be avoided by a concerted community effort during the summer months. This effort must be expanded to make the available supply of male workers spread as far as possible toward meeting the demands of essential industries. This effort must also include the increased employment of women and either their pre-employment or on-the-job training to prepare them for skilled or semi-skilled as well as unskilled work.

The Thief River Falls WMC Area consists of the city of Thief River Falls and the counties of Red Lake, Pennington, Marshall, Roseau and Kittson. The population of the area in 1940 was 64,510, but was estimated to have been reduced to 54,042 by November, 1943.

Electrotype Printing

Electrotype printing plates are made by electrodepositing a thin layer of copper on a specially prepared mold of wax or some other substance. When the mold is removed, the copper "shell" is backed up with tin and an alloy and mounted on a wooden block for attachment to the printing press.

Drug Crop

Demands for digitalis have increased and production has been stimulated in Washington and Oregon where it is cultivated and also grows wild. A considerable amount of this drug crop is gathered from these wild plants on the Pacific slope. The leaves are gathered, dried and either bagged or baled prior to shipment.

WHO CAN BEAT THIS THRESHING RECORD?

Lakefield.— Challenged by the claim of F. M. Schwab of Mankato, that he had threshed a total of 1,000,114 bushels of grain with a separator purchased in 1908, R. G. Milbrath of Rost township looked over the record of a Minneapolis separator bought by the thresher company bearing his name in 1907. For the first four years no records were kept, but since 1912, 1,652,015 bushels have been handled by this machine. During the year 1912, 73,756 bushels were threshed and if this figure is used to arrive at an average for those four years, it would seem that the machine has taken care of well over two million bushels. Mr. Milbrath says it's still good for many years to come.

U. S. Cuts Timber

Government timber cutting on 2½ million acres of federally owned Oregon and California railroad grant lands yielded 415 million board feet of lumber last year and gave the counties in which the land is situated close to $1,000,000 in cash.

Keep Motors Clean

Electric motors should be kept clean and dry. Too much oil may cause as much trouble as too little oil. Follow the manufacturer's directions on lubrication. If motors get wet, do not use them until they become dry.

Announcement

On account of ill health we have found it necessary to dispose of the Sager Oil Company business which we have operated in Thief River Falls for the past twelve years and we announce the sale of the business to Mesrs. E. V. and O. P. Smith who have already assumed charge.

We wish to express our appreciation and thanks to our customers and friends for their patronage during the past years and hope that continuation of the same pleasant business relationship which we have enjoyed will be extended to the new proprietors.

Move Industry Inland

In the course of the Japanese invasion of China, the Chinese carried inland 120,000 tons of machinery from 639 coastal factories, nearly all of it on the backs of workers, to points more than 1,000 miles from Shanghai.

Cause Erosion

Soybeans and corn, which will be raised in greater quantity this year, are responsible for some of the greatest soil losses by erosion. For that reason, keep corn and soybeans, as well as other row crops, on level land. If planted on sloping land, the rows should run on the contour, or at right angles to the slope.

There are thousands and thousands of Long Distance calls every day. Three, five and ten times as many between some cities as before the war.
When your Long Distance call is on war-crowded circuits, the operator may ask you to—"Please limit your call to 5 minutes."
That's especially important these days when wires are needed for the war.

Are You Afraid?

Every individual feels fear at some time or other. Some fears serve a useful purpose in that they make us cautious and thoughtful and stimulate us to work hard in making plans and thinking of future as well as of present happiness. This type of fear, known as "caution" or "foresight" is essential for self-preservation. It is important that our children acquire some caution early—not only to keep them from bodily harm, but also to help them build habits that are socially acceptable. Some fears then may act as a protective force and a civilizing agent.

But there are many fears that are disintegrating to society, and have serious consequence to the individual. Injurious fears are those that prevent clear thinking in times of stress and make us cowardly in times of danger. The difference between useful and injurious fears may be illustrated as follows: Mrs. Adams and Mrs. Brown, near neighbors, each had a young child. When a child living nearby died with smallpox, both mothers were terribly afraid that their babies might get the dreaded disease.

Mrs. Adams could not sleep and frequently during the night would get up to see if her baby showed any signs of illness. Mrs. Brown was frightened also, but she met her problem by taking her baby to the clinic to be vaccinated. Here we see the wrong kind of fear producing bewilderment in an emergency, while the useful type of fear acts as a protection or safeguard.

This distinction is important in training the child. Parents often use fear unwisely in controlling their children. Casual observations in homes or on streets reveals threats such as "You better sit still or the policeman will put you off the car," "The big dog will get you," or "When you start to school, the teacher will take care of you!" While these threats may accomplish an immediate goal in controlling the child, they produce end results that are undesirable and which persist long after the threat is forgotten.

With children we want to promote that kind of fear which makes them cautious about crossing the streets or using dangerous tools, but we also want to avoid developing such an extreme fear that the child will shrink from crossing the street, be afraid to climb trees, or be unwilling to use a knife. We can meet this problem by teaching or guiding the child the ways of crossing streets, climbing or using tools. For instance, if the child is given some opportunity to use tools when guided or supervised, later when he has learned how to use them, he may be permitted to use them on his own. One of the best ways of overcoming fear is to acquire the skill that makes for the control of fear.

America in Action

Flag Etiquette Varies but Slightly in 50 Years; Display Violations Rare

The observance of Flag day on June 14, 1944, is of greater significance than at any time in history. For today Old Glory is flying at the peak of flagstaffs not only throughout our own broad nation but in many of the remotest spots on earth.

Every American should be familiar with the proper etiquette and respect which is to be accorded our national banner at all times. What American hasn't felt the surge of patriotism as he has watched the flag go by and stood at attention to salute it?

The custom of display and homage to the flag has been a standard one for more than half a century and today it remains essentially the same. However, a few slight changes and one or two rather pertinent ones have been made in the flag code during recent years.

Congress a year or so ago amended several of the existing rules and customs pertaining to the flag code. The main change, however, deals with the pledge of allegiance. The variation is a slight but purposeful one. Civilians repeating the pledge should merely place the right hand over the heart and should not raise their hands and point to the flag as was previously the custom.

Occasionally in the observance of Flag day there may occur an innocent violation in handling the flag. It might be well for us to refresh ourselves in a number of the salient phases to be adhered to in displaying the flag on this day.

The flag should be flown only from sunrise to sunset and on stationary flagstaffs in the open. Unless there is a special reason for doing so the flag should never be flown in rainy or stormy weather. It should always be raised briskly and lowered slowly. The flag should never be used for receiving or holding anything. It should never be permitted to trail on the ground.

But it is quite rare when an American permits any of these things to happen to it when handling the flag. And as for the display of the national emblem this Flag day the traditional effect will be heightened by the number of our American men and women who are fighting and working valiantly to keep it flying everywhere it has been hoisted.

And those of us on the home front, when we unfurl the Stars and Stripes to the breezes this Flag day, 1944, will again renew the allegiance, to its proud colors and to the gallant fighters who carry the flag with them into the battles they wage to see that it flies forever over a free land.

"Hats off—the Flag goes by . . ."

CAR AND GASOLINE FOR SERVICEMEN

Browns Valley—Folks at home are ever thoughtful of service men and women from their communities, whether away or at home on a furlough, but the idea of Leonard Olson when he ran a four inch ad in the newspaper last week is something new. The ad read: "Attention, Service Men on furlough. I've got an extra car, with a tank full of gas and an "A" book with three or four stamps left in it. If, while you're home on leave for a few days you've got a few business matters to attend, to, got a girl friend you'd like to take for a ride, or even if you just want to go fishing, look me up. The OPA (God bless their big hearts) allows you five gallons to attend to everything while you're home. If that isn't enough, look me up. You're welcome to the little extra I've got and a car to use it in."

BARN CARRIED OFF IN A FLASH

Stillwater.—Calmly milking his cows in the barn on his farm one night recently, Arthur Lindell suddenly found himself and the cows sitting in a wide open space—no barn. One moment he had enjoyed the snug comfort of the building, the next moment the barn was gone. A tornado struck the vicinity of Maple Island and carried the barn to spaces unknown in a big hurry. Neither Mr. Lindell nor any of the cows suffered injury, but milking time, of course, was postponed.

Egg Averages

In 1910 the average hen produced only 85 eggs per hen in a year. During the next 25 years production gradually rose to 96 eggs per hen in 1933. In the next eight years production went up more than it had in the previous 25, reaching its present average of 113 eggs per hen.

PLANS FOR NEXT PULPWOOD DRIVE MADE AT MEETING

Minnesota Mills Now Digging into Their Stockpiles, Report Shows

Plans for a 1944-45 Minnesota pulpwood campaign got under way at a recent meeting of the forest industries information committee held at International Falls.

L. A. Furlong, committee chairman, said that it will be more difficult to equal last winter's production due to an increased shortage of manpower, aging truck equipment and the unlikelihood of another winter like the one just past.

Last year's response from producers of pulpwood enabled mills in Minnesota to continue operation and build up a reasonable stockpile. In the Lake States the receipts for the second quarter will be less than consumption, forcing mills to go into inventories accumulative during the first quarter.

Pulp, paper, lumber and other forest products are higher than ever on the government's list of critical materials.

This year, Chairman Furlong emphasized, the mills are prepared to take the full production of spruce, balsam and jackpine, and cautioned producers of green rough popple to have definite contracts prior to cutting.

Mr. Furlong urged all producers having green popple to peel, to do so during the present peeling season.

Leslie Grange Named to Marshall County Board

Leslie Grange, co-owner of the One-O-One Service station and well known Warren businessman, was appointed county commissioner from the first district, Marshall county, at a meeting of the board of appointment in the court house Monday morning of last week. He succeeds A. W. Sommers, resigned. While several applicants were seeking the appointment from the eight man board representing the townships and municipalities in the district, only one vote was necessary to select the appointee. In the voting, Mr. Grange was given five votes and Orris Halvorson of Viking three votes.

Keep Meat Juicy

VITAL TO VICTORY

FIRST IN FOODS
ESSENTIAL
DAIRY FOODS
Building Vitality

Milk and its products have gone to war on every front, states War Food Administrator, Marvin Jones. They are dropped by parachute in the remotest jungles of the Pacific. They are carried by planes above the earth and by submarines under the seas. They nourish fighters on shipboard, on the beaches, in the deserts and in the mountains of all the continents of the earth.

They reduce accidents in war plants. They lessen fatigue periods. They keep workers producing at maximum efficiency.

Because these foods are so essential to Victory both on the fighting front and on the home front, civilians must in some cases do with less than usual. However, states the National Dairy Council, the very knowledge of the vital need of dairy foods in preserving the American way of living will make them even more appreciated in building a better and a stronger nation as normal quantities become available.

OPA Community Service Bulletin

By Mrs. Paul A. Lundgren, Chairman

You undoubtly have the information that your canning sugar must be obtained during two separate periods; instead of one as formerly planned. Perhaps you have wondered why this change was made as it means twice as much work for the office force.

This is the reason: When the program was first announced, applications came in from all parts of the country, long before fruit was ripe for canning. Nearly every application was for the maximum of 20 lbs. Since no one knew then how much fruit would be available for canning, many requests were refused; as the sugar allotted for canning would have been distributed and perhaps used for other purposes long before the late fruit crops were ripe.

There is still not enough sugar in America to supply all our wants. Now with the beginning of the invasion, we can imagine that the civilian supply in America will be further reduced. The OPA would surely stop rationing sugar, if the supply were adequate just as it stopped rationing coffee, pork and other meats that were plentiful.

Before you fill out your sugar application form ask yourself, "How much do I actually need for canning?" Please ask for just enough for your canning needs. Don't ask for any if you aren't going to do any canning or preserving. This is an appeal to your American patriotism.

SKELETON "CAUGHT" INSTEAD OF FISH

Red Wing.—Dr. M. W. Smith, one afternoon recently, went to Lake Pepin to fish but he didn't bring home fish. A ... attracted by something in the sand that appeared shiny and resembled a shell, Dr. Smith became so fascinated he probed and probed into the sand. Finally his digging brought forth the skull and knee bone from an elderly man who apparently lived many, many years ago. Heavy rains and high water in the lake had "invaded" the resting place of this early pioneer. Dr. Smith now plans to return to the spot and keep digging until he recovers the whole body.

Alien Patents Exhibit in Mill City Next Week

Final arrangements for the alien patents exhibit to be held by the Smaller War Plants corporation from June 13 through June 16 have been made according to Mr. P. W. Fawcett, district manager, Fargo.

The 45,000 foreign patents and patent applications now held by the office of the alien property custodian will be housed in the East Room, Curtis Hotel, Minneapolis. The exhibit will be open to all Minnesota and Dakota manufacturers from 9:00 A. M. to 8:00 P. M. each day, except Friday when it closes at 5:00 P. M.

In declaring that the patents may be licensed for $15 each, Mr. Fawcett emphasized that they are royalty free and good for the duration of the patent.

Health Good

In spite of shortage of medical facilities in many places, the picture of civilian health in the United States is generally good, according to data from the U. S. Public Health service, the War Manpower commission, and the Federal Works agency. In 1942 the death rate was lowest on record, 10.3 per thousand, the birth rate had risen to 20.7 from 18.7 per thousand in 1941, and the maternal mortality rate dropped for the 13th consecutive year.

MINNESOTA HISTORICAL SOCIETY

A. E. MATTSON, BUSINESS MGR. OF TIMES, DIES

Dies Unexpectedly Following Heart Attack Sustained Monday Evening

WAS CO-PUBLISHER OF THE TIMES SINCE 1923

Arrangements for Funeral Not Set, Pending Word from Relatives

Failing to rally from a heart attack suffered Monday evening, Alvin E. Mattson, co-publisher and business manager of the Times, succumbed in a local hospital Wednesday evening at 8 o'clock at the age of 56.

Arrangements for funeral services, which will be conducted at the Community church, have not been completed, pending the arrival of relatives.

Mr. Mattson had spent Monday at the Times office as usual, and in the evening was working in the yard when he became ill. A doctor was summoned, and early Tuesday morning he was taken to the hospital and placed under an oxygen tent, remaining there until his death. He was conscious until near the end.

Born in Warren April 18, 1888, Mr. Mattson was married there to Miss Florence Kezar November 24, 1912, and was associated with the publication of the Warren Sheaf. In 1923 he came to Thief River Falls with his brother, C. W. Mattson, and took over the publishing of the Times, serving since then as business manager.

He was a former member of the Thief River Falls board of education, and at the time of his death was serving as a director of the First Federal Savings and Loan association, as well as being a member of the board of the Community church.

With him at the time of his death were Mrs. Mattson and son John, stationed with the navy in New York, who arrived by plane shortly before his father passed away. Another son, Donovan, is serving with the Seabees in New Guinea.

Also surviving his death are three brothers and two sisters. They include C. W. Mattson of this city, Edgar and Oliver of Warren, Mrs. E. N. Schoen of Ortonville and Miss Edith Mattson of Appleton, Wisconsin. His parents, two sisters and a brother, preceded him in death.

Service Men Hold Reunion in Hawaii

Pictured above are seven service men from this community who participated in a surprise reunion in far-off Hawaii on June 11, the occasion being the second annual Minnesota Paul Bunyan picnic. Shown standing, left to right, are L. J. Duckworth, Erling Torgerson, Stanley Egenes and Iver Aaseby. In front are Gaynard Warnecke, George Linn and Howard Haugen. Also present at the outing, but not shown on the picture, was Richard Dablow.

ELECTION JUDGES NAMED HERE FOR JULY 10 PRIMARY

Little Interest to Date in Election; Local Contests Lacking

With local contests lacking, little interest has been displayed locally to date in the biennial primary election scheduled to be conducted Monday, July 10. Thief River Falls voters, as usual, will cast their ballots in the municipal Auditorium, and the polls will be open from 7 A. M. to 9 P. M.

Judges of election to preside over the polls in this city were chosen at the last meeting of the city council, and include:

First ward: A. O. Buringrud, W. K. Hoefer and Gustav Schilbred. Second ward: Mrs. Lyla Hanson, Mrs. Abbie Wassgren and Russell Olson. Third ward: Harry Roberts, Matt Schalz and Mrs. Frank Comstock. Fourth ward: Ben Erickson, Mrs. Martha Fuller and Mrs. T. P. Anderson.

GERALD WETCH IS EXPLOSION VICTIM FRIDAY AFTERNOON

Chemical Experiment Causes Local Youth to Lose Right Hand

Gerald Wetch, 15, son of Mr. and Mrs. Frank Wetch, sustained serious injuries when chemicals with which he was experimenting exploded in his room in the Northern hotel last Friday afternoon at 6 o'clock.

When a test tube containing the chemical mixture dropped, a powerful explosion followed, blowing off all of Gerald's right hand except the thumb, the flying glass inflicting numerous cuts on his body, resulting in the loss of a considerable quantity of blood.

Art Bossman, roomer in the hotel, and Phil Huerd applied a tourniquet to the injured hand and rushed the boy to a local hospital, where three blood transfusions were administered. His condition yesterday was reported as favorable, and it was indicated his eyesight would not be impaired as a result of his experience.

WELFARE BOARD PAYS OFF $8,340 BALANCE OF DEBT

Mrs. E. J. Richards Again Is Appointed to Board for Two-year Term

The Pennington county welfare board is now free of funded debt, having this week retired the remaining balance of $8,340 in bonds issued some years ago to refinance poor relief obligations. In July, 1943, a slash of $12,850 in the debt had been made, it was announced by O. M. Mandt, chairman of the welfare board.

Announcement of the reappointment of Mrs. E. J. Richards as a member of the board for a two-year term expiring July 4, 1946, also was made this week by Earl L. Berg of St. Paul, acting director of the state division of social welfare.

The annual organization meeting of the county welfare board will be conducted at the court house Thursday, July 6.

Formal Opening of Elks Lodge in New Quarters Draws Big Attendance

The formal opening of the attractive new quarters of the local Elks lodge in its recently acquired building attracted large attendances last Thursday and Friday evenings, with delegations of Elks present from Crookston, Fargo, Grand Forks and International Falls. A class of twenty candidates was initiated Thursday evening, in addition to which outstanding entertainment features were provided that evening as well as Friday night by Phil Johnson and his variety show, featuring excellent musical, magic, dancing and acrobatic numbers.

G. N. OFFICIAL IS ROTARY SPEAKER ON LADIES NIGHT

Edward Flynn Gives Preview of Coming Scientific Developments

A large gathering of Rotarians, their ladies and other guests was attracted by the annual Rotary club ladies' night program Tuesday evening in the Evelyn hotel. Stanton R. Dahlen, retiring president, was in charge of the program, and introduced the speaker, Edward F. Flynn, director of public relations of the Great Northern railway, St. Paul.

"Many people believe that because geographical frontiers have vanished that all opportunity has gone with these frontiers," said Mr. Flynn. "There is, however, a new frontier for every generation. Present frontiers are largely mechanical and technological. Many believe that we are reaching the end of the automotive frontier which began some forty years ago, but a great automotive research engineer (Charles F. Kettering of General Motors) recently said that 'We are coming into a new automotive frontier because we do not know anything about engineering yet.' Undoubtedly this new automotive frontier will open up as soon as the war is over. We are likely to have a new, lighter and less expensive automobile operating with 150 octane gasoline, which will give us perhaps fifty miles to the gallon."

Mr. Flynn described new houses, which he thinks will be built of lignin, a wood or lumber plastic, with perhaps more or less magnesium or aluminum for roofs and other parts of the homes. "In ten or fifteen years from now no one will want to live in any house that we today consider modern, because the new houses will have so many electrical and other new and automatic features that the present homes will soon be considered obsolete."

JUNIOR CHAMBER WILL HOLD MEETING TONIGHT

The Junior Chamber of Commerce will hold its regular meeting this evening at 6:30 in the Palm Garden Cafe, Archie Henrud, president, stated today.

Lions Congratulate Dr. Amesbury on New Post

At the Lions club luncheon Wednesday noon in the Palm Garden Cafe, Dr. E. S. Amesbury received the congratulations of his fellow members on his recent elevation to the office of Lions district governor. He responded by expressing appreciation for the support given his candidacy at the convention by the delegation from the Thief River Falls club.

CIVIC GROUP HOLDS REGULAR MEETING THURSDAY JUNE 22

Members Are Given Reports on Various Projects at Luncheon

Several matters came up for discussion at the luncheon meeting of the Civic and Commerce association last Thursday noon in the Palm Garden Cafe.

Russell E. Olson, manager of the local U. S. employment office, told of the new regulations governing hiring of men to be put into effect July 1 by the War Manpower Commission.

F. E. Tunberg, chairman of the merchants committee, announced that nearly all business places in the city would be closed next Monday, July 3, as well as Tuesday, July 4, thus giving employes a three-day holiday.

W. E. Dahlquist told of recent developments in connection with the Red Lake river flood control project, an account of which was given in the last issue of the Times.

Professor Theodore Prichard of the University of Idaho at Moscow, Idaho, discussed architectural problems in connection with communities created to serve wartime industries.

Harry Flasch Takes over Elmer's Cafe on Third st.

Harry Flasch announced this week that he has taken over the proprietorship of Elmer's Cafe on East Third st. and will operate it in the future under the name of Flasch's Cafe, serving lunches and beer.

CITY TO CLOSE UP FOR THREE DAYS HOLIDAY

Stores, Banks, Public Offices to Close Monday as Well as Tuesday

FIREWORKS DISPLAY IN CITY ON THE 4TH

Outings Planned by Several Church Congregations in This Area

A considerable portion of the population of Thief River Falls, in common with many other communities thruout the nation, will enjoy a three-day respite from their usual duties when local stores, banks and city and county offices will remain closed all day Monday, July 3, and Tuesday, July 4.

Some residents will use their precious stored-up gasoline coupons to drive to the lake region for an outing, while others will brave the discomforts of train and bus travel to make a longer journey.

Most people, however, will remain in the city over the holiday, and for their benefit a display of fireworks will be staged Tuesday night, July 4, on the river bank near the Third st. bridge. The display is financed by the city council, and presented under the joint direction of the park board and Civic and Commerce association.

As a feature of a Fourth of July program at Gatzke, the Thief River Falls baseball club will play a return engagement with the Gatzke team. Several churches in the rural areas of the county also are planning to observe the Fourth, with the Silverton congregation serving a noon dinner on the Syvert Henson farm near the Silverton church, while the Black River church will stage a picnic at the O. E. Naplin home, and the Oak Ridge church ladies aid is sponsoring a picnic and chicken dinner at the Axel Anderson home, better known as the George Bugge farm.

May and June Dairy Feed Payments Due after July 1st, Says Carl Anderson

The Pennington county AAA office will issue dairy feed payments for the months of May and June after the first of July or when producers have received their cream and milk statements from the creameries and dairies. The payments for this period will be six cents per pound for butterfat and thirty-five cents per hundredweight for whole milk. The county committee is authorized to approve these payments when satisfactory evidence is submitted by the producers, said Carl R. Anderson, AAA chairman.

To Hold Services Here

REV. ARTHUR OLSON

Missionary to China and former prisoner of the Japanese in a concentration camp, who will speak and show motion pictures this week-end in several churches in this community. His schedule includes Satesdal Lutheran church, Saturday evening, July 1, at 8 o'clock; Zion Lutheran church in this city Sunday evening at 8 o'clock; Rindal Lutheran church Sunday afternoon at 3 o'clock; and Reiner church, Goodridge, Sunday morning at 10:30. Recently returned to this country on the Gripsholm as an exchange prisoner, Reverend Olson is a brother-in-law of Miss Esther Shirley of the public school teaching staff here.

RURAL 8TH GRADE GRADUATES GIVEN DIPLOMAS MONDAY

Rev. Dan T. Beadle Delivers Commencement Address to Class of 41

Eighth grade graduates of the Pennington county rural schools, numbering 41, received diplomas at commencement exercises Monday afternoon in the Lincoln high school auditorium. Mrs. A. C. Matheson, county superintendent of schools, presided.

The address to the graduates was delivered by Rev. Dan T. Beadle, pastor of the Community church, who selected for his topic, "What Are You Worth?". He pointed out that their value might be appraised on the basis of the worth of the chemical elements in their bodies or of their financial assets, but should properly be rated in terms of their contributions to society.

Reverend Beadle cited numerous illustrations of the individual's value to himself, to his community, to his school and to his family.

Musical numbers on the program included two groups of vocal solos by James Jorde, accompanied by Mrs. H. F. Harrison, and marimba solos by Joan Lynde, accompanied by Mrs. Harrison. Mrs. Allan Johnson played the processional and recessional marches.

Price Ceilings Are Set on Used Cars July 10

Beginning July 10, specific dollar-and-cents prices will go into effect on 23 makes and about 6,000 models of passenger automobiles manufactured from 1937 through 1942, OPA announced this week.

Cars older than 1937 models may not sell at higher prices than those established for the nearest comparable 1937 models. Ceilings apply both for sales between individuals and to sales to or by dealers. These ceilings have been set at levels on which used cars were being sold in January 1944.

There are two types of ceilings set for each model and body type, an "As is" and a warranty price. All individuals who do not maintain repair services must sell at or below the "as is" price ceiling. The "Warranty" price ceiling is for dealers who maintain normal automobile repair service and they must furnish each buyer with a written guarantee that the car is in good operating condition and will remain so for 30 days or 1,000 miles, whichever occurs first.

A dealer may sell at either "as is" or warranty prices. If he wishes to recondition the used car 25% of the "as is" sale or $100, whichever is higher, may be added to the ceiling. The following maximum charges may be added for accessories: $10 for any heater, $30 for any radio, and certain authorized dollar-and-cents amounts for a specific list of built-in equipment, such as overdrive, fluid drive, vacuum transmission, etc.

Ceiling prices of used cars will drop at the rate of 4% of the "as is" price every six months. This should bring back into market, cars which would have been held for speculation purposes.

For each sale, the buyer and seller must jointly fill out a transfer certificate and turn this in to the buyer's local war price and ration board.

Every automobile dealer and each war price and rationing board will have official price lists for prospective buyers to see.

Severe penalties are promised for offenders.

1. Buyers may sue both individual sellers and dealers for three times the amount of any overcharges, or $50, whichever is the greater.

2. Dealers who violate the regulations after receiving a warning notice, may be forbidden by a court order to sell used cars.

3. Any seller who wilfully violates the regulation may be prosecuted by the U. S. for criminal action and punished by a fine of $5,000 or by one year's imprisonment.

2 County Men Wounded on Europe Battlefront

Word was received here this week of the wounding in action in the European theatre of two Pennington county men, Pvt. Maurice Ralston of this city and T/Sgt. Dirvin D. Deihl of Goodridge.

News of the wounding of Pvt. Ralston, stationed with a medical detachment in England, was received in a letter from him to his wife, written June 11, shortly after the opening of the invasion of France. He did not go into details as to the nature of his wounds, but stated that he is confined in an army hospital in England. He had arrived in England January 6.

T/Sgt. Deihl was wounded in action while flying on a mission over Belgium. He recently was awarded the oak leaf cluster in addition to the air medal by Lt. Gen. Doolittle, commanding general of the Eighth air force.

The citation accompanying the award states:

"For meritorious achievement in accomplishing with distinction numerous aerial operational missions over enemy occupied Europe. The courage, coolness and skill displayed by each of these individuals in the face of determined opposition materially aided in the successful completion of these missions. Their actions reflect great credit upon themselves and the armed forces of the United States."

Sergeant Deihl is the son of Mr. and Mrs. D. D. Deihl, Fosston. His wife is the former Olga L. Frodahl, Long Beach, Calif.

Volunteer Contingent Left City Today Noon for U. S. Navy Duty

A contingent of Pennington county U. S. navy volunteers left this city today for Fort Snelling to be assigned to their duties. Included in the group were Oscar Ahlstrom, John L. Wold, Ingvold N. Wold, Charles F. Wold, Roy G. Lee, LaVerne Engelstad, Bernard Kobetsky, Raymond Berg, Herbert Miller and Duane Battleson, all of Thief River Falls; Charles Finley, Grygla; and Maurice Paulson, Strandquist. Accepted for navy duty last week were David Welch and Lawrence Wold, while Alfin Simonson joined the army.

DR. J. N. NESSE IS DEATH VICTIM ON WEDNESDAY NOON

Longtime Local Dentist Dies While Visiting in Rolla, N. D.

Dr. J. N. Nesse, local dentist for approximately 30 years, succumbed Wednesday noon in Rolla, N. D., where he had gone with Mrs. Nesse for a visit at the home of her brother, Casper Dale, proprietor of the Rolla Cafe. He was about 65 years old.

Death resulted from a cerebral hemorrhage suffered while listening to the radio in the cafe. He had suffered a stroke last year which left him in impaired health and necessitated giving up his practice.

The body is being taken to Thief River Falls today. He is survived by Mrs. Nesse and three sons, Lieut. James, in the air forces; Lowell, in the U. S. navy; and Milton, a senior student at Luther Theological seminary, St. Paul.

A more detailed obituary will be published in the next issue of the Times.

Pvt. Virgil Moeller Has Part in France Invasion

Serving with the U. S. gliderborne infantry during the invasion of France, Pvt. Virgil Moeller had a rough time, but came thru safely, according to a letter received this week by his parents, Mr. and Mrs. Alvin Moeller. He stated that he had acquired a German pistol, and hopes to keep it.

PLEASE GET IN COPY EARLY FOR NEXT ISSUE

With both Monday and Tuesday, July 3 and 4, scheduled to be generally observed as holidays, the publishers of the Times will appreciate the cooperation of correspondents, advertisers and others having material for publication in next week's issue in getting their copy into the Times office as early in the week as possible.

TENT MISSION TO START SERIES OF MEETINGS JULY 23

Three Churches to Sponsor Services in Tent on LaBree av.

The Gospel tent of Evangelist A. B. Ost, well known gospel preacher and writer, has been secured by the Union Gospel Tent Mission of Thief River Falls for meetings which are scheduled to open Sunday afternoon, July 23.

The tent will be pitched on the vacant lots along LaBree avenue, south of the postoffice, in Thief River Falls. Meetings are planned nightly, except Monday. The one Monday meeting will be Labor Day, closing day of the series, according to Leonard W. Lindholm, committee chairman.

The tent mission includes three members from each of the three congregations, Evangelical Free, First Baptist and Mission Covenant churches, besides the three pastors, who sponsor the meetings. While each church is responsible for a two-week period, insofar as speakers are concerned, there will be general participation throughout the entire series with Sunday night and week night services cancelled in favor of the tent meetings. Sunday morning services are held in each of the participating churches.

BUILDING SITE IS BOUGHT BY LOCAL ORDER OF EAGLES

Plan Construction of Three Story Building on 3rd st. After War

The local aerie of the Fraternal Order of Eagles, established in this city three years ago, this week completed negotiations for the purchase of the lots on East Third st. across the alley from the rear of the Oen Mercantile company, and west of the Evelyn hotel.

At the same time James Parkins, chairman of the Eagles building committee, announced that the lodge is developing plans for the erection of a three-story structure on the site as soon as possible after the close of the war.

The site, one of the best-located in the business district, was purchased from the LaCrosse Brewing company. A two-story building that at one time occupied the site, was destroyed by fire about 25 years ago.

Cpl. Jack Conley of Camp Breckenridge, Ky., is visiting his parents, Mr. and Mrs. James Conley, on his furlough.

5TH WAR LOAN DRIVE SHOWS GOOD HEADWAY

Approximately $130,000 Left to Raise Before End of Campaign July 8

LUNDGREN FORESEES CHANCE TO REACH GOAL

Five County Subdivisions Had Attained Quota by Wednesday

The Fifth War Loan Drive for Pennington county has taken a decided turn for the better during the past week. State tabulations show the county has risen from 42nd place in the state to 29th.

While this record is not impressive, the gains which we have made during the past week is appreciable and holds forth a ray of hope that before the drive is over Pennington county will have attained its quota, said Paul A. Lundgren, county war finance chairman. This loyalty on the part of our citizens is commendable and we sincerely urge upon each a continued cooperation in these last days of the drive so that on July 8 Pennington County will not be found wanting, he added.

On the basis of local tabulations the sales now exceed $340,000.00, leaving approximately $130,000.00 still to raise. On the basis of reports received from township chairmen, while many of them doubt that their respective townships will be able to make the quota assigned them, they assure substantial performance.

In going over the reports with Andrew Anderson, Chairman for the city of Thief River Falls, Mr. Lundgren stated, we find that on the basis of pledges Thief River Falls will attain its quota with a small margin to spare. We are hoping for an over-run from general solicitation.

Thus far five municipalities have attained their quotas. They are Goodridge first, [illegible] second, River Falls third, [illegible] township fourth, and [illegible] fifth. Of these the village of Goodridge is first in the county and the township of River Falls among rural areas. Goodridge Village, with a quota of $2,000.00, has actually purchased $4,800.00 which on the basis of percentages makes them not only first in raising their quota, but also first in attainment. The Township of River Falls with a quota of $8,500.00 has made purchases in excess of $9,800.00 and leads the rural area by a fine margin.

While it had been the hope of the committee to finish the Fifth War Loan Drive before the 4th of July, Mr. Lundgren said such attainment is apparently not now possible in view of the fact that business places will be closed on Monday, July 3. It is hoped, he said, that some of the leisure time afforded by this vacation period will be used in thinking about our boys in the fox holes. The purchase of bonds after the 4th may then be a lighter burden.

The tabulations are set forth elsewhere in this issue and the committee urges upon each to check the attainment of the municipality wherein he lives and decide for himself whether his township is doing all that it can.

Highway 59 Contract Is Awarded to Jay W. Craig

Tentative awards of contracts on five trunk highway projects are announced by M. J. Hoffmann, commissioner of highways. The projects are part of a program for repair and resurfacing sections of highways damaged by the 1944 spring break-up. Bids on these projects were received June 16. The work is located in six counties, and includes: Pennington and Red Lake Counties: T. H. 59 between Thief River Falls and Brooks, 22.3 miles base repair and bituminous wearing surface; low bidder, Jay W. Craig Co. of Minneapolis at $86,900.

Curfew to be Extended to 12 P. M. July Fourth

Harry Oen and Elaine Juelson Speak Wedding Vows Saturday Evening

White peonies and tall white tapers in branched candelabra decorated the chancel of Concordia Lutheran church in Fertile for the marriage of Miss Elaine Juelson, daughter of Mr. and Mrs. J. A. Juelson of Fertile, and Harry Oen, son of Henry Oen of this city. Rev. G. W. Tele read the double ring ceremony at 8:30 P. M. Saturday, June 24.

Mr. and Mrs. H. F. Harrison of this city provided organ and piano nuptial music, while Mrs. Melvin Skiem sang "Because" and "The Lord's Prayer."

The bride was gowned in white bridal satin fashioned with a sweetheart neckline, long fitted sleeves, and a court train. Her finger-tip veil of tulle was edged in lace and she carried a white Bible topped with gardenias and streamers of stephanotis.

Attending the bride were her sisters, Mrs. Guy R. Harris, matron of honor, and Miss Bernice Juelson, bridesmaid. They wore similar gowns of aqua and yellow taffeta, respectively, and carried colonial bouquets. DeLloyd Olson, cousin of the bridegroom, and Ray Oen, a brother, attended the groom.

A reception for forty guests was held in the church parlors following the ceremony. For the occasion Mrs. Juelson wore a gray print dress with orchid accessories and a corsage of sweetheart roses and swansonia. Miss Corinne Juelson poured at the reception assisted by Misses Mildred Duckstad and Vivian Torkelson.

The bride and groom left on a short wedding trip, for which the bride wore an aqua suit with black accessories and a corsage of gardenias. Upon their return, they will make their home in this city.

Both the bride and groom attended the University of Minnesota, where the latter is a member of the Farm House professional agriculture fraternity. He was graduated from Lincoln high school here in 1939.

Out of town guests at the wedding included Misses Corrine and Bernice Juelson of St. Paul; Henry Oen, Ray Oen, Mr. and Mrs. Roy J. Oen, Mrs. Haakon M. Olson, Joyce Olson, Mr. and Mrs. H. F. Harrison, James Engelstad, Arnold Engelstad, Verne Engelstad, all of this city; and Joyce M. Olson and LeRoy Olson of Sunburg, Minn.

Roy Weflen Marries Kathleen Vanous at Ceremony in Badger

Friday afternoon at 2 o'clock the marriage of Kathleen Vanous of Strathcona and Roy Weflen of this city was solemnized at the Lutheran parsonage at Badger by Rev. J. M. Runestad. Only the immediate members of the families witnessed the ceremony.

Dorothy Vanous, sister of the bride, and Betty Jane Weflen, sister of the bridegroom, served as bridesmaids, while the bridegroom was attended by his brother Rudolph, and Fred Vanous, brother of the bride.

A white taffeta floor-length gown trimmed with lace was worn by the bride with a long veil. Her only ornament was a necklace of pearls, and she carried a bouquet of pink and white peonies with ferns. Dorothy Vanous wore a formal gown of aqua taffeta trimmed with lace and carried pink and white carnations. Miss Weflen's gown was of peach taffeta trimmed with tiny ruffles of self material, and she also had pink and white carnations for her bouquet.

The bride is a daughter of Mr. and Mrs. Edward Vanous of Strathcona, while her husband is the son of Mrs. Julius Weflen of Tioga, N. Dak. Mr. and Mrs. Weflen will make their home on a farm northwest of this city.

Newfolden Couple Are Feted Sunday on 25th Wedding Anniversary

A large group of relatives and friends gathered at the Oscar Tunheim home at Newfolden to honor Mr. and Mrs. Tunheim on their 25th wedding anniversary Sunday afternoon. Rev. P. M. FINAL EXERCISES FOR BIBLE SCHOOL TONIGHT & FRIDAY

Vacation School Conducted by Two Local Churches Is Concluded

Public closing exercises of the daily vacation Bible school, sponsored by the Evangelical Free and Mission Covenant churches since June 20, are announced for tonight and Friday night at 8 o'clock.

Tonight's program, which will be held in the Evangelical Free church on Horace avenue, will feature the beginners' and primary departments in brief recitations, group singing and other group and individual numbers. Tomorrow night's program is held in the Mission Covenant church, First and Markley, when the junior and intermediate departments will appear. Colored hand work and other projects of the two weeks of school also will be on display in both of these programs.

Orlanda Kompelien has served as superintendent of the Bible school; Mrs. Verner Anderson, principal in the beginners' and primary departments, and Clara Lund, registrar.

By Wednesday noon 138 had been enrolled, according to Miss Lund, registrar. Peak attendance to date was last Friday, when 115 were present.

Evangelical Free Sunday School to Picnic on 4th

Erik Olson, 96, Dies Here Friday; Services Held Monday Afternoon

Last rites were conducted at the Erickson & Lund funeral home Monday afternoon for Erik Belflood Olson, who passed away at a local hospital Friday. Rev. J. O. Jacobsen officiated at the service and interment was made in Greenwood cemetery. Mr. Olson was 96 years and 8 months old.

The deceased had been a resident of this community since 1897, at which time he made his home in Sanders twp., moving to this city in 1920. He was born in Ordal, Stavanger, Norway, Oct. 10, 1847, and came to this country in 1868, making his home in Chicago. Later he moved to Marshalltown Iowa, and in 1882 he moved to the township of Springbrook, Kittson county, where he made his home until moving here.

Survivors include a daughter, Mrs. Mae Antonson of White Bear Lake; four sons, Ordean of St. Hilaire, and Arthur, Alvin, and Elmer of this city; and two grandchildren. His wife, whom he married in Marshalltown, Ia., March 21, 1884, preceded him in death as well as a daughter and a grandchild.

Attendance at Summer Teachers College Term in This City Is 100%

Attendance has been 100% at the summer workshop at the Knox school. Fourteen students are enrolled in music principles and speech fundamentals.

Among the curricula being stressed this week are ear training, rhythms and music signatures and their value in successful music teaching.

The importance of speech has been emphasized in correlations with music, drama, social studies and penmanship and other school subjects in developing children's programs.

Home Wedding Unites Elaine Hoard-Albert Koop Last Thursday

At the home of her parents, Mr. and Mrs. Henry Hoard of this city, Miss Elaine Hoard became the bride of Albert Koop, son of Mrs. Henry Koop, the single ring ceremony taking place at 4:30 Thursday afternoon, June 22. The vows were exchanged before an improvised altar in the living room in the presence of the immediate families with Rev. V. E. Schroeder reading the ceremony.

Pink and white streamers, to which greens were attached, formed an archway in back of the altar, while huge bouquets of peonies, roses, and larkspur were arranged throughout the rooms.

The bride's floor length gown of white, embroidered in an all-over design with lilies of the valley, was fashioned with a sweetheart neckline, full skirt, and puffed sleeves. A finger-tip veil of Chantilly illusion with lace border fell from a coronet cap and tiara of orange blossoms. She carried a white Bible complimented with a lovely corsage of roses and white streamers tied in love knots. She wore a gold chain of Mrs. Henry Koop as "something old" and had a handkerchief of Miss Sophia Gunderson as "something borrowed."

Miss Betty Hoard, who attended her sister as bridesmaid, wore a pink gown fashioned similar to that of the bride with a design of lilies of the valley. She wore a gold locket and her corsage was of roses and frises. Wilbur Koop, a nephew of the bridegroom, was the best man and all the gentlemen, including the bride's father, wore carnation boutonnieres.

Mrs. Hoard, mother of the bride, was attired in a light rayon jersey dress while Mrs. Koop wore a blue rayon chiffon frock for her son's wedding. Both had identical corsages.

After the ceremony Mrs. Hoard served a two-course dinner to the immediate families, and that evening a reception was held for over one hundred relatives. A two-tiered wedding cake of pink and white topped with a miniature bride and groom was the centerpiece on the serving table between lighted pink tapers.

Accordian music entertained the group on the lighted lawn of the Hoard home, and the honored couple received a large number of beautiful gifts and a purse of money, after which lunch was served. Mrs. Martin Alby cut the cake after the bride cut the first piece which brought forth the tune of the wedding march. Miss Marie Swanson poured, while Mrs. Hanna Egenes and Miss Phyllis Sook assisted with the serving.

The bride is a graduate of Lincoln high school in 1939 and prior to her marriage was employed with L. B. Hartz stores. Her husband operates a farm southwest of the city where they will make their home.

Out of town guests for the reception were Mr. and Mrs. H. Koop of Chicago; Mr. and Mrs. H. Wilken and Mr. and Mrs. Walter Wilken of Grand Forks; Mr. and Mrs. Knutson and family of Gully; Mr. and Mrs. F. Stuemke and family of Warren; Mr. and Mrs. G. Conklin of Minneapolis; Mr. and Mrs. Art Conklin and son, Mr. and Mrs. Ed Furr, Mrs. Ole Lunke and daughter, Mr. and Mrs. Bertal Ness and family, and Mr. and Mrs. Harry Engen and family, all of Holt.

Surprise Party Held At Oscar Baker Home

Mrs. T. W. Styrlund, who is visiting here from Mount Angel, Oregon, was honored guest at a party Sunday given by a group of her children honoring her birthday anniversary. The gathering was held at the home of her daughter, Mrs. Oscar Baker, and was attended by Mr. and Mrs. Fritz Christianson and family, Mr. and Mrs. Theodore Knutson and family of Angus, Mr. and Mrs. Emil Axelson and family, Mr. and Mrs. Herman Axelson and family, and Mr. and Mrs. Oscar Baker and family. Lunch, contributed by the guests, was served at the close of the afternoon and the honored guest received a gift.

T/Sgt. Orien Newton Gets Order of Purple Heart

T/Sgt. Orien S. Newton, who recently was wounded in action while serving with the U. S. Fifth army in Italy, has been awarded the Purple Heart, according to word received by his parents, Mr. and Mrs. Ole Newton of Smiley township. He has been overseas since the invasion of Africa.

ADDITIONAL LOCALS

Max Marciniak spent a few days last week visiting friends at Emo, Ontario, Canada.

Mrs. Larrie Grace of St. Paul, president of the Minnesota Council of Church Women, arrived in the city yesterday and is a guest at the C. R. Rose home. She came from Fargo, where she attended the organization of a new North Dakota council, and today she is leaving for Warroad to visit her parents.

Mr. and Mrs. Albert Anderson and Hattie Dahlstrom left Sunday night for Lanyon, Iowa, for a visit with Pastor and Mrs. Elmer B. Dahlstrom. The Iowa pastor, a brother of Mrs. Anderson and Miss Dahlstrom, is a native of the Black River community. Accompanying the travelers to Iowa were Pastor Dahlstrom's son Robert and daughter Kathryn, who came here with their parents this month. Robert's twin brother Donald remains, however, with his uncle Alvin Dahlstrom on a farm in Black River during the summer. Mr. Anderson is expected to return here next week, while Mrs. Anderson and Miss Dahlstrom will make a longer stay in Iowa.

NEWFOLDEN

Stores Closed July 2, 3 4

The stores and business places in Newfolden will be closed from Saturday evening until Wednesday morning. This will give the business people and the employees a three days vacation to go visiting or try their luck at fishing and try and catch some of those big ones we hear so much about but seldom see. The consumers will have to do their shopping this week-end to tide them over until Tuesday.

Andrew Ramstad Dies

Many friends and relatives of Andrew Ramstad in this community were shocked when they learned of his death after a brief illness. Mr. Ramstad was highly honored as an honest and reliable man in his business dealings with the public and for the company he worked for here.

Funeral services were held from the Newfolden Mission church Saturday, June 24, at 2 P. M. with the Rev. Thv. Myhrer officiating assisted by Rev. G. P. Ronholm. Songs were rendered by Mrs. Kore Myhrer and Mr. A. O. Gudim. Pallbearers were John Dyrud, Otto Hjelle, Halbert Amundson, Ole Lausness, A. O. Gudim and Stanley Lausness. Burial was made at the Bjornaness cemetery.

Andrew Ramstad was born in Sigdahl, Norway August 1, 1878, of the parents Halvor and Kari Ramstad. He came with his parents to America in the year 1883 and settled in Grafton, N. Dak., where they lived seven years. In 1890 they moved to West Valley township, Marshall county, where his folks have made their home these many years. In 1906 Mr. Ramstad went to Williston, N. Dak., where he took a homestead and lived for five years. He then came back to West Valley, where he was united in marriage to Miss Emma Eckman in 1916 who died the following year. After that he stayed with his mother, sister and brothers until 1934 when he came to Newfolden where he was appointed manager of the Land O' Lakes service station, where he faithfully served the public until a week before his death. He was stricken with a paralatic stroke Wednesday morning, June 14 and was taken to a Thief River Falls hospital where he passed away Wednesday, June 21, at the age of 65 years 10 months and 21 days. His father, one sister and one brother preceded him in death. He leaves to mourn his death his aged mother, one sister and four brothers, Ida; Dan, and Oscar at home and Thorvald and Henry who also live near there.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

Our July and August quota of surgical dressing gauze has arrived. Because we finished our last quota in record time, we are hoping the same will hold true with this and all future quotas. Work will begin the Monday after the 4th of July, so everyone will be on hand one hundred per cent after the three day holiday.

"There can be no 'summer letdown' in production for our fighting forces", Mrs. George Werstlein, production chairman said today. "The need for chapter produced articles — knitted comfort items, surgical dressings, kit bags in Europe and in the South Pacific will continue no matter how warm the weather gets in Thief River Falls nor how much we long to sit in front of the fan in our homes.

Although we are having warm weather, millions of our fighting men are facing different conditions, among them large numbers of airmen are exposed to extreme cold in their operational missions against the enemy. American knitted helmets and scarfs will aid these men. Surgical dressings will help the wounded. Whether knitting or folding dressings, we must continue to meet our quota as long as there is a need for our efforts." Mrs. L. W. Rullen chairman of surgical dressing work, has asked that we begin the week of July 10th by turning out in full force Monday afternoon at two o'clock sharp. We'll be seein' you!

The advisory board of the local Red Cross met in Herman A. Kjos' office Wednesday evening. There will be an account of its proceedings in next week's paper.

Willmar. — Celebration of an 86th birthday for any one man is a mark of distinction but when twin brothers live to enjoy that day together, it is most unusual. Early in June John and August Fremberg, twins born in Sweden in 1858 were honored at a family party on the occasion of their 86th birthday. For 72 years they have been residents of this community. Both men are sturdy and active for their years.

In Territory Beyond Adjoining Counties—Six Months, $1.25; One Year, $2.00.

Thief River Falls stores are taking an extra holiday by remaining closed Monday, giving employees three days in a row thru the 4th of July. For many of the employees this will be their vacation and from this standpoint the suspension of service is justified. Maybe some day we will get around to adopting a more simple calendar and arrange for all holidays to fall on Monday.

This is the season of the year when our interest in the weather is based on financial considerations. What the weather does to us during the next couple of months will have an important bearing on the financial condition of our community for the next year. Up to the present we have much to feel good about. By contrast with other parts of the Northwest we have been favored time and again. Now, with so much more than usual at stake, the weather has taken on increased importance.

Former governor Harold E. Stassen of Minnesota and Governor Bricker of Ohio didn't have a look-in at the Republican convention which, as expected, gave solid support to Governor Dewey of New York. Other things being equal, a governor of New York State has quite an advantage in a gathering of this kind, and this is understandable. In terms of votes one New York is equal to five Minnesotas. Governor Dewey has never appealed to us as presidential timber but maybe he has got what it takes. In the months of campaigning that are ahead of him he will have opportunities to meet head-on the problems with which we are confronted as a nation and by his conduct of this campaign he will be judged on election day. He starts the campaign with a good record as governor of a great state and with the solid backing of his party. These are great advantages with which to start the race.

Former Congressman Buckler is now saying mean things about his former secretary, Harold Hagen, because Hagen is seeking re-election to Congress on the Republican ticket. He calls Hagen a traitor to the Farmer-Labor party. This is rather an unhappy ending to a relationship that over a period of many years was beneficial to both these men. Hagen owes much to Buckler. On the other hand Buckler would not have been Congressman as long as he was had it not been for Hagen. Considering the present situation strictly on its merits, Hagen has not deserted the Farmer-Labor party. The party deserted him. His only offence has been in refusing to follow a group of Farmer-Labor leaders into a new political alignment that is neither fish nor fowl. Senator Shipstead actually did desert the Farmer-Labor party when it was still an active organization, and some of the party's leaders said mean things about him at that time. His friends continued to support him however. Hagen probably will lose the support of those who think only in terms of party, but those who consider qualifications in a candidate probably will continue to like Hagen if they liked him before.

Fire-Fighting Taxis

Even taxi drivers are playing an important part in San Francisco's fire defense setup. Through an arrangement with a local taxi company, taxis have been equipped so a 300-gallon pumping unit on a two-wheel trailer can be hooked to any cab and whisked to places where needed in record time.

PUBLIC OPINION

Dear Vacationer:

As the three day holiday approaches, what are you planning on doing? Are you planning on helping the war effort or are you going to hinder the war effort by spending money instead of investing in war bonds, using rationed gasoline, endangering your life as well as the life of others and not heeding the advice of the government which is asking everyone to Please stay at home.

Before you plan too much on your fishing trip why don't you consider our boys and girls over in Normandy, Italy or down in the South Pacific. They won't have any vacation from their fighting. They are fighting and sweating for their lives and yours. The most you can do is to try in some way to help them get some of the things they need.

Food is one of those things. Right now the farmer is working from sunrise to sunset to meet the food quota set up by the government. He needs every bit of help he can get from now until late fall. Because of the weather we have been having I dare say there won't be a farmer or any member of his family who will be able to take off even one day.

Can anyone of you go on a three or four day vacation with a clean conscience when you know how badly the farmers in this area could use your extra help? Little jobs soon add up to a big job. That big job for the farmer is food production.

In Memoriam

In loving memory of our father John T. Coan, Sr., who passed away 5 years ago July 2.

Five sad years have passed
Since dear old Dad has left,
Our happy circle here
To be up where there are no more tears.
No one knows how much we miss him,
Nor how many corners of our hearts he really filled.
But we will always cherish the memory
Of the love that he there instilled.
We are so glad that Jesus opened
The way for him to come,
And so glad that he accepted
His rightful share in that blest home.
May we each be waiting and watching
And ever faithful and patient be
To bear the pain and the suffering
Before entering eternity.

Sadly missed by Mr. and Mrs. John T. Coan Jr. and family, Mr. and Mrs. Bert Coan and family, Mr. and Mrs. Oscar Sisnvik and family, Mr. and Mrs. Leon McMahon and family and Harry Coan. 26p

LOCALS WIN TIGHT TILT FROM GATZKE BY MARGIN OF 1-0

Single by Stephens in Last of Ninth Paves Way for Victory

"Blackie" Stephens' ground single in the last half of the 9th inning, scoring Woody Almquist from third base with the game's only run, gave the locals a well-earned 1 to 0 win over Gatzke here Sunday afternoon. The two teams, with the series standing at one game apiece, will continue their rivalry on July 4th, being scheduled to play at Gatzke.

Sunday's game was a pitching duel between the locals' Woody Almquist and Gatzke's Marshall Myhrer, with Almquist having a slight edge. Gatzke, held to five hits, made their most dangerous scoring gesture in the 6th inning when, with one man out, Irv Vigen singled into centerfield and moved to second base when Wally DuChamp and Jimmy Welton made errors on the play. Vigen gained third on Haack's infield out, but Glen Bernsteen sent a bounder to Almquist who tossed to first base for the third out.

Haack opened the 9th inning for Gatzke with a single, but an attempted sacrifice play mis-fired and Red Bossman whipped the ball to Bob Baker and Haack was out at second. Bernsteen then flied out; and Hank Sandland was a strikeout victim. In the locals half of the 9th, Wally DuChamp lined out to Arne Engelstad, but Woody Almquist poled a single into left field and advanced to second base on Gordy Peterson's infield out. Almquist stole third base, and with the count at two-and-two, Stephens, playing with his broken little finger in a splint, bounced a hard single through infield, sending Almquist across the plate with the winning tally.

Jimmy Welton, pounding out two singles, led the local hitters. Bob Baker connected for the game's only extra-base blow, getting a double in the 2nd inning. Irv Vigen accounted for two of Gatzke's five hits, nudging out singles in the 6th and 8th innings.

Almquist collected 11 strikeouts and did not allow a base on balls; while Myhrer racked up 10 strikeouts and issued one walk.

Misses Christine Giefer and Barbara Votava spent Sunday and Monday fishing at Anglers resort, Cass Lake.

Grand Forks Junior Ball Club to Play Here on 4th

The Grand Forks junior legion baseball team will play here on the evening of July 4th, with the game being scheduled for the fair grounds at 6:30 P. M. Admission will be 25 cents for adults and 9 cents for high school students and juniors. On Wednesday evening the Newfolden junior baseball team will meet the locals on the fair grounds diamond, with the same admission fees being charged.

TRF JUNIOR BALL CLUB DEFEATED BY GRAND FORKS NINE

Game Was Feature of Ninth Dist. Legion Meeting at Oslo Sunday

Playing before a large crowd at the Ninth District American Legion Convention at Oslo on Sunday, the local junior baseball team dropped a 4 to 2 decision to the Grand Forks junior baseball team.

The Grand Forks team, coached by Joe Bach, former Northern league player, scored twice in the opening frame, taking advantage of a pair of errors. The locals tallied a run in the 2nd inning, and with the score 4 to 1 in the 5th inning, added another run. With Glenn Bye on the mound for Grand Forks in the 7th inning, the locals nearly knotted the count, having two men on base but Bye retired the side, getting Tony Dorn on a strikeout for the final out.

The Newfolden Juniors are billed to play a game here next Wednesday evening, meeting the local juniors on the Fair Grounds diamond.

A minute for safety is better than a month for recovery.

Friday's evening's schedule:
Soo Line vs. Lincoln Life
Oen's vs. Bratrud Clinic
Hartz Bakery vs. Wangenstein's
J & B Drugs vs. Pharmacy
Poppler's Furniture vs. Firestone

The Soo Line and Oen's continued undefeated in Victory Golf league play, both teams scoring wins in last week's matches. The Soo Line, with a net of 156, defeated the Poppler's Furniture team by 4 strokes; while the Oen's marked up a 169 to 180 win over Wangenstein's. Frank Kobliska's net 36 led the Soo Line golfers, with Guy Hinton having a 42, Charley Hoffos a 40, and Wally Carlson a 38. Stan Larson and Dr. Robertson had net 39's for Poppler's, with Walt Smith and Clarence Knudsen posting net 41's. Haakon Olson's net 38 earned low honors for Oen's. Frank Tunberg's net 42 was the low score recorded by Bart Wangenstein's team.

The Lincoln Life team, on a pair of net 36's by Lloyd Bennes and Ray Jude, and Hans Chommie's net 40, chalked up a 10-stroke win over the Pharmacy. And the Hartz Bakery team, with 157-stroke total, defeated Kern Olson's Firestone team, the Firestones having a 164 total. Erling Mellby's net 37 paced the Hartz team, with Bill Claffy having a 38 and Ed. Carlson a 39. Chris Rinkel marked up a net 38 for the Firestone.

The J & B Drugs with a fine net total of 154, defeated the Bratrud Clinics. The net scores for the J & B's were: Ed. Anderson, 36; Dr. Borreson, 38; Stan Dahlen, 38; and Archie Hensrud, 42. Dr. H. Helseth's net 39 was the Clinics low score.

A Ball Game

Fans that witnessed Sunday's 1 to 0 ball game between the locals and Gatzke are agreed that the game was of pre-war caliber, and that they are due for some more top-rate entertainment when the two teams meet at Gatzke on Tuesday afternoon, the game being billed as one of the features of Gatzke's Fourth of July celebration.

Pitchers Woody Almquist and Marsh Myhrer had their stuff on Sunday, with the result that Gatzke could garner but five hits while the locals were collecting six safeties. Gatzke played errorless ball in the field and while the local nine was charged with five mis-plays, four of those errors were debatable. Gatzke admitted that the locals' win was clean-cut, but they felt that if they had received a break or two that they would have won the game; and they intend to get the breaks on Tuesday.

For instance, in the 9th inning, with the singing Haack on 1st base and no one out, Bernsteen attempted to bunt a sacrifice, but missed the ball and Red Bossman's throw to second caught Haack for the out. And in the last half of the 9th inning, with Almquist on third and Stephens at bat, Myhrer, having a two-and-two count on Blackie, should have tossed up a curve ball. Instead he tried to slide in a high inside pitch, and when the pitch got away from Marsh and came across the plate for a groove ball, Blackie drilled a sharp single into centerfield.

Expect Crowd July 4th

The Gatzke players feel that they "let down" on young Marsh, and several of the out-of-town fans felt the same way. There should be a fine crowd on hand Tuesday afternoon, and after watching horse-racing, steer-riding and other features of the entertainment program, they should enjoy a bang-up ball game. Glen Bernsteen, Gatzke manager, stated that his club would be strengthened considerably for the game, with Rube Engevik and Clayton Stordahl, a pair of fine hitters, in the lineup.

By the way, Blackie Stephens, the fellow that punched out the game-winning hit, played Sunday's game with the little finger of his right hand in a splint. During Friday evening's practice session, Blackie, in fielding a hard-hit ball, broke the finger.

Another Ball Game

And the city's junior baseball team, playing the veteran Grand Forks team at Oslo, played a ball game too, losing by a 4 to 2 score. The locals weren't expected to press the North Dakotans very hard, but they surprised the fans with their fine play and the outcome of the game was in doubt until the final out in the 7th inning. With the score at 4 to 2, in favor of Grand Forks, the locals had two men on base, two men out, and Tony Dorn at bat. Tony fouled off two pitches and then was called out on strikes, the umpire claiming that a low ball was in the strike area.

Virg Evenstad, who hurled the seven innings for the locals, held Joe Bach's team to six hits, and with better support he would have held the Forkers to a run or two. The locals five hits were credited to Swede Lund, Herb Claffy, Wes Hovie, and Tony Dorn having two hits.

The Juniors are scheduled to play the Newfolden Juniors on the Fair Grounds diamond next Wednesday evening and, according to all reports, they will face nifty a pitcher.

News

Rob Kielty, among others, will be interested to learn that Mr. and Mrs. LaRue Anderson are the proud parents of a baby boy. LaRue is the Andy of the Prowler football teams of '39 and '40 and is, without a doubt, one of the Prowlers all-time football greats. Andy, who enlisted in the navy with Rob in the autumn of 1940, has been in the southwest Pacific area.

JULY 4 ACCIDENT TOLL IS DREADED BY STATE PATROL

Four-day Holiday, Bad Tires Stress Necessity for Careful Driving

How many people will be killed in July traffic accidents in Minnesota in 1944? Can the number be held down to 16, as in 1943? Or will it be closer to 72, the 1941 record? The Minnesota highway patrol is deeply concerned, Elden Rowe, chief patrol officer, says, because July Fourth comes on Tuesday and many people will be taking a Saturday to Tuesday four-day vacation trip. All too often such extended holidays are accompanied by careless driving and a heavy traffic toll.

"These days when many of our boys are giving their lives for their country, it is doubly important that we do everything possible to save human lives on the home front," said Mr. Rowe. "Every motor vehicle owner or operator and every pedestrian should make it his business to exercise caution and help prevent accidents.

"There is special danger this year because of the tire situation. The majority of passenger car tires are now three or more years old. Many are badly worn. Many have hidden breaks or weak spots not visible on the surface. To insure safe driving, two things are suggested:

"Have tires inspected carefully and regularly, even though rationing regulations do not now require inspection for all cars.

"Observe the wartime speed limits, and if you have any doubt about your tires, drive considerably slower than 35 miles an hour. Driving at high speed with poor tires is playing with dynamite.

"Other suggestions for safe driving include a check of brakes, wheel alignment, and other working parts of the car, slowing down for curves and turns, stopping for all stop signs, and looking both ways at intersections and grade crossings. If the view is obscured, STOP, even if there is no stop sign.

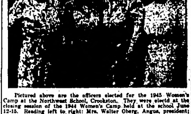
VALENTINE IS LIFE SAVER

Hibbing.—It wasn't a sentimental little piece with lace and sentimental words that Pfc. Elliot Zingman received from his gal last St. Valentine's day, but it was a precious piece as it saved his life. The valentine was funny and bulky and on the front appeared a picture of a smiling horse with a mouth full of celluloid teeth. Zingman treasured it so much he placed it next to his heart along with 15 V-mail letters. Not many days afterward his squad, in the 5th Army in Italy, found themselves under heavy fire. A shell exploded and a piece of Nazi shrapnel sped toward him, ripping through the 15 letters but when it reached the valentine it caught in the horse's mouth and kicked back, taking the teeth along with it.

Forests on Farms

There are 185 million acres of farm woodland in the country, or an average of 27 acres on each farm.

Valley Women's Camp Officers Elected



Pictured above are the officers elected for the 1945 Women's Camp at the Northwest School, Crookston. They were electd at the closing session of the 1944 Women's Camp held at the school June 12-15. Reading left to right: Mrs. Walter Oberg, Angus, president; Miss Ragna Skarstad, East Grand Forks, secretary; Mrs. Emil Larson, Thief River Falls, treasurer; Mrs. J. C. Hallgrimson, Milton, N. Dak., sergeant-at-arms; Mrs. Ray F. Thibodo of Stephen, vice-president, is not in the picture. 138 women from the Red River Valley counties of Minnesota and North Dakota were "in residence" at the 19th annual Women's Camp.

CROPS AND SOILS DAY SET JULY 17 AT N. W. SCHOOL

Demonstration Plots at the Crookston Station to be Inspected

Crops and Soils Day for Red River Valley farmers will be held at the Northwest School and station at Crookston on Monday, July 17. Superintendent T. M. McCall states that the field inspection of the experimental plots and increase fields will be held during the morning starting at 10:00 A. M. The speaking program will start at 1:30 P. M. immediately following the picnic dinner hour. Specialists from the central experiment station, St. Paul, and the Northwest experiment station at Crookston will bring to the crops men the latest information on new varieties of crops, soil fertilization, identification, and control of weeds and crop diseases.

A feature of the field tour at the experiment station will be the inspection of increase fields of the new Mars barley, Mida, Newthatch and Carlton wheats, Tama and Vicland oats, and new varieties of potatoes and flax. Meetings and tours have been scheduled for the women.

The annual meeting of the Red River Valley Crops and Soils association will be held in conjunction with the field crops day. Adolph Skyberg of Fisher, president of the association, has issued a call for a picnic dinner business meeting starting at 12:00 o'clock noon.

R. S. Dunham, agronomist of the Northwest Station, will be in charge of the crops tour.

Paint Before Puttying

It is poor practice to apply putty to bare wood. A priming coat of paint should first be applied to the wood, with care taken to thoroughly coat the inside of nail holes and other indentations or cavities in the wood which are to be filled with putty. After the openings have been filled with putty, the putty should be smoothed off level with the surface, and finally covered over with the finishing coat of paint.

NEVER TOO OLD FOR A VICTORY GARDEN

Grand Rapids.—A victory garden 40 by 80 feet in size, free of weeds, with each row of vegetables carefully cultivated is not an easy task for any one person but when an 81-year-old gardener achieves such an undertaking, he is to be highly commended. Emil Litchke, who will celebrate his 82nd birthday next October has that kind of a garden. Mr. Litchke says he'll be sure of a good crop of vegetables too, "if it weren't for the drafted dogs and mischievous boys." Although born in Germany, he has little sympathy with Nazi ideals. His sons fought in World War One, and he has a number of grandsons in different parts of the world today fighting in World War Two.

CITY COUNCIL PROCEEDINGS

Pursuant to adjournment the City Council of the City of Thief River Falls, Minnesota, met in the Council Chambers, the Municipal Court Rooms, in the Auditorium and Municipal Building on Tuesday, June 20, 1944. The meeting was called to order at eight o'clock P. M. with all members present.

Minutes of the meetings of May 9th, 29th and June 13th were read and by motion made and duly carried the same were declared as approved.

Monthly reports of the Clerk, Treasurer, Municipal Judge, Weighmaster, Manager of Sports Arena, Park Department and Fire Department were presented, examined and ordered filed.

A large delegation of citizens, representing Civic & Commerce Association, Junior C. & C., Rotary Club, Lions Club and Thief River Falls Chapter of National Aeronautics Association, was present, their spokesmen advocating the repassage of that certain resolution adopted at the meeting of April 11th, authorizing the execution of contract with the State of Minnesota for employment of engineers in making a survey of the land proposed to be used for a municipal airport and the setting aside from the Current Expense Fund the sum of $1,500.00 for such purpose, which resolution had been returned unsigned by the Mayor with his reasons for disapproval, such veto communication being as follows:

May 11, 1944

To P. G. Pederson, City Clerk
and the City Council of the
City of Thief River Falls, Minn.

Gentlemen:

At the present time and under present war conditions, I am unable to sign the resolution of April 11th, 1944 in regard to the $1,500.00 appropriation for surveying the airport.

My objections are that, in the first place, Thief River Falls is not in direct line with the already established routes between Minneapolis, Fargo, Grand Forks and Winnipeg. Secondly, it is my opinion that it will be some time before commercial aviation will be developed to be of any value to a community of our size. Thirdly, it will, in my opinion, cost a lot of money to maintain it. I am therefore advising you that I am not in favor of the above mentioned resolution.

Yours truly,
WM. J. DOUVILLE, Mayor.

It was then moved by Alderman Rinkel, seconded by Alderman Petersen that the said resolution be again adopted and passed notwithstanding the objections of the Mayor, which said motion prevailed. The question being then put upon the passage of the resolution notwithstanding objections thereto, the following Aldermen Voted Aye: Griebstein, Petersen, Hunt, McLeod, McKechnie, Rinkel. The following Aldermen voted Naye: None. There being six votes cast in favor of adoption and repassage of the resolution and no votes cast against its adoption and repassage, the resolution was duly carried, adopted and passed and was by the President of the Council, then presiding, so declared.

The Superintendent of Police advised the Council of the resignation of Patrolman Harvey R. McMahon, effective as of May 14, 1944. Mayor Douville presented the appointment of Lawrence H. Krause to fill such vacancy. Alderman McKechnie moved that such appointment be confirmed and ratified. The motion was seconded by Alderman Hunt and such appointment was thereupon confirmed by unanimous vote.

A communication signed by J. H. Baugh, St. Paul, Minnesota, a registered Engineer was presented in which he made formal application for appointment as City Engineer. The communication was read and filed.

Mayor Douville presented the reappointment as members of Carnegie Library Board, Mrs. Grace E. Holen, Mrs. W. W. Prichard and Anton Hall for the term expiring on July 1, 1947. Alderman Rinkel moved that such appointments be confirmed and ratified. The motion was seconded by Alderman Hunt and such appointments were thereupon confirmed by unanimous vote.

A communication was presented and read, the same being signed by A. Williams of the Home Lumber Company, requesting permission of the Council for piling of lumber in the alley directly east of their yard. Alderman Petersen moved that such request be granted, which motion was seconded by Alderman McLeod and duly adopted.

The Carnegie Library Board informed the Council of the re-election of Library Staff, as follows: Hazel Halgrim, Librarian, $145.00 per month; Frances Shanahan, assistant, $93.00 per month; Inga Thompson, assistant, $90.00 per month and Fred Jacklin, Janitor, $70.00 per month; such salaries to be effective as of July 1, 1944. Alderman Petersen introduced a resolution authorizing the issue and delivery of salary checks in accordance with recommendation of the Board and moved its adoption. The motion was seconded by Alderman McKechnie and the resolution was thereupon adopted by unanimous vote.

The Recreation Board of the City presented the appointments of Robert Baker and Herbert Claffy as life guards, stationed at the Tindolph Park Swimming Beach, at a salary of $100.00 per month each, effective as of June 1st, 1944. Alderman Rinkel introduced a resolution establishing such salaries, drawn upon the Current Expense Fund, in the amount of $100.00 per month and moved adoption of such resolution. The motion was seconded by Alderman McLeod and the resolution was thereupon passed and adopted by unanimous vote.

Mayor Douville raised the question of increasing the license fees governing the sale of 3.2% beer and recommended that such fees be increased from $120.00 to $150.00 per year for on sale licenses. No action was taken by the Council in the matter.

The application of H. A. Baumann for a reduction in the assessed valuation of Jay-Bee Drug Store, which has previously been referred to the Tax Committee of the Council was again laid before the Council with the recommendation of such committee, that such application be approved. Alderman McKechnie moved that the action of the committee be ratified and that the Clerk be instructed to transmit to the County Board of Pennington County the recommendation that the actual value of Class 3, Item 26 be fixed at $3,085.00 and Item 27 at $1,000.00 and that the assessed value be adjusted on such basis. The motion was seconded by Alderman Hunt and the said motion was adopted by unanimous vote. In the matter of the former request of Gilbert Gilbertson, owner of East 100 feet Lots 9-12, Block 13, Original Townsite, that the special assessment for storm sewer construction was excessive, it was moved by Alderman McKechnie that the Clerk be directed to credit his deferred installments in the amount of $3.20 to adjust such assessment in line with other properties in the District. The motion was seconded by by Alderman Petersen and such motion was unanimously adopted.

It was moved by Alderman Petersen, seconded by Rinkel and duly adopted, that the following named persons be appointed to serve as Judges of Election during the year 1944. First Ward: A. Buringrud, W. K. Hoefer and Gustav Schilbred. Second Ward: Lyla Hanson, Abbie Wassgren and Russell Olson. Third Ward: H. E. Roberts, Matt Schulz and Mrs. Frank Comstock. Fourth Ward: Ben Erickson, Mrs. Martha Fuller and Mrs. T. P. Anderson.

Application for transfer of licenses as to ownership for the sale of 3.2% beer were presented as follows: C. M. Ryan, 207 Third Street East to Harry Flasch. Gunder Grovum, 211 Main Avenue North, to Talsound and Dyrdal. Motion was made by Alderman Rinkel that such transfers be granted subject to the formal approval of the License Committee. The motion was seconded by Alderman McLeod and adopted. Application for cigarette license was presented by Smith Oil Co. 601 6th St. West and for license to sell milk and cream at retail by City Dairy, Bridgeman Creamery, Hardy North Nielsen Creamery and Newland Cream Products. Motion was made by Alderman Petersen that the same be approved and that the Clerk be instructed to issue licenses accordingly. The motion was seconded by Alderman Hunt and the same was adopted by unanimous vote.

It was moved by Alderman McKechnie, seconded by Hunt and unanimously carried that those certain applications for building permits, presented at the time of the regular meeting of May 9th and at that time referred to the committee for investigation and which had been so investigated, be now approved and granted.

Applications for building moving permits were presented by Iver Austad for moving a residence building from Lots 10-11, Block 2 of Hemmingsen's Addition to Lot 13, Block 7, Oakland Addition and M. C. Gulbranson, moving into corporate limits a frame residence and placing the same on Lots 8-9, Block 30, Red Lake Rapids. Alderman Petersen moved that the application of M. C. Gulbranson be approved and that the application of Iver Austad be laid over for further investigation. The motion was seconded by Alderman McKechnie and adopted.

Application for building permits were presented, as follows: [illegible] Berg, erection of garage, Lots 3-4, Block 4, O.T.S. cost $300.00; J. C. Kretschmer, remodeling of cafe front, cost $1,500.00; Harold R. Sundstrom, remodeling residence, Lots 16-18, Block 16, Red Lake Rapids, cost $350.00; Robertson Lumber Company, Warehouse Addition Block 41, O.T.S. cost $1,100.00; H. A. Haslahl, residence foundation, basement and minor repairs, Lots 8-9, Block 30, Red Lake Rapids, cost $600.00; Eugene Nesland, residence foundation and repairs, Lot 3, No. 19 Block 5 Conley's Third Addition, cost $125.00 and Triangle Transportation, erection of Bus Depot and Garage, Lots 13-16 and North ½ Lot 17, Block 36, O.T.S. cost $20,000.00. Motion was made by Alderman Petersen that such applications be granted subject, however, to investigation and formal approval of the Building Committee.

Motion was made by Alderman Rinkel, seconded by McKechnie and adopted that bids for the house located on the Marshall County Sand Pit land, duly advertised for consideration this date be opened and read. Proposals were as follows: George Barnett, $200.00; Otto Myhrer, $200; L. H. Pomme, $200.00 and Neal L. Paulson, $130.00. In the discussion which developed, Mr. Barnett increased his bid to $250.00 and stated that it was his intention to move the building into the city, placing the same on lots owned by him for residential purposes. Alderman Petersen introduced a resolution accepting the proposal of George Barnett at his bid of $250.00 and moved adoption of the resolution. Motion seconding was made by Alderman Rinkel and the resolution was by roll call unanimously passed and adopted.

Motion was made by Alderman Petersen, seconded by Rinkel and unanimously carried that there be appropriated from the Current Expense Fund the necessary funds for expense of representatives of the Fire Department in attendance at the Fire School, Fire Department Regional Conference and District meetings during the year 1944.

Alderman Rinkel introduced a resolution appropriating to Civic and Commerce Association the sum of $150.00 to be used for the purpose of providing a fireworks display on the evening of July 4th and moved the adoption of such resolution. The motion was seconded by Alderman Petersen and the resolution was thereupon by roll call unanimously passed and adopted.

Alderman Rinkel introduced a resolution authorizing the investment of [illegible] Savings Bonds, 2% of the Electric Light Department Surplus to the extent of $20,000.00 in United States series 1952-54, in denominations of $10,000 each, registered as to principal and interest in the name of the City of Thief River Falls and moved adoption of such resolution. The motion was seconded by Alderman Petersen and by roll call the resolution was adopted by unanimous vote.

Alderman Petersen introduced a resolution approving for payment various current bills against the City and moved its adoption. The motion was seconded by Alderman Hunt and the same was adopted by unanimous vote.

Mayor Douville, after a motion had been made to adjourn, presented and read a communication signed by him in which he called the attention of the Council members to Chapter 620.04 Minnesota Statutes for the year 1941 relating to a public officer being directly or indirectly interested in any business transaction involving the City and stated that Aldermen Jack McKechnie, J. Robert Petersen and Frank Rinkel had violated the law in that respect and asked such Aldermen to forfeit their office as Aldermen of the city. He then requested that the President of the Council put the question before the members as to what action they would take in response to his communication. No action being indicated in the matter a motion was made by Alderman Petersen that the meeting adjourn. The motion was seconded by Alderman Rinkel, duly carried and the meeting was declared adjourned.

EMIL GRIEBSTEIN,
President of the Council.

RESOLUTION

At a regular meeting of the City Council held April 11, 1944, Alderman Petersen, seconded by Alderman Rinkel, introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that whereas, the City has heretofore duly determined to construct and maintain a Municipal Airport and has acquired ground for such airport consisting of 300 acres of land.

And, whereas, it is desirable to have a standard survey of said grounds made preparatory to installing such airport or landing strips and other navigation facilities.

And, whereas, it is required by law that all proposed airports or emergency landing strips or other air navigation facilities shall be first approved by the Commissioner of Aeronautics before they or any of them shall be used or operated and the Commissioner is required in determining whether he should issue the certificate of approval for the use or operating of any proposed airport, to take into consideration the proposed location, the financial status of the municipalities, the relationship of the proposed airport to a comprehensive plan and statewide and nationwide development, the proximity of the proposed site to the municipality, the relationship of the airport to the residential and industrial area of the municipality, whether there is a sufficient area available for expansion purposes; whether the adjoining area is free of obstructions, based on a proper glide ratio; existing transportation facilities; the natural terrain; the possibility for future development and the presence of public interest and the interest of adjacent property owners.

And, whereas, it is necessary that engineers be employed to make the necessary survey of said grounds proposed to be used for a municipal airport and that such survey be made under the supervision and with the approval of the State Commissioner of Aeronautics.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Clerk of the City be and hereby are authorized to enter into contract with the State of Minnesota, and with such engineers to be approved by the Commissioner of Aeronautics for the survey of said ground under the direction of the Commissioner of Aeronautics and that there be and hereby is appropriated and set aside from the current expense fund of the City, the sum of $1,500.00 to pay the expense of such services.

It is further resolved, that whereas a large amount of engineering work has been done and information gathered by the City Engineer of the City that a reasonable allowance be made to the City for the work so done and that the value of this work be arrived at and taken into consideration in making such contract.

1929 CAR TRAVELS ON ORIGINAL TIRES

Pillager.—Driving a Model A Ford, purchased in 1929, 81-year-old Adolph Pietz recently came to town to renew his driver's license. The car has the original set of tires on it, and in the 15 years he has had only one puncture. Mr. Pietz drives slowly and carefully, his usual speed being 15 to 25 miles an hour which probably accounts for the long wear of the tires.

Pvt. and Mrs. Holmstrom and Barry left on Sunday for Fort Bliss, Texas.

Miss Mitzi Hall spent Tuesday night at the Emil Helquist home at Rosewood.

Culver Dean Bottom is visiting at the Johnnie Ness home.

Mr. and Mrs. Ray Gusa and Mr. and Mrs. Marvin Sandberg enjoyed a fishing trip at Waskish over the week-end.

LAND O'LAKES NEWS
"FOLLOW-THROUGH" HELPS DAIRY FARMERS
When nearly 100,000 dairy farmers, members of Land O' Lakes, deliver their milk and cream to their cooperative creameries, they aren't done with it by a long shot.
Land O' Lakes dairy farmers "follow through" with their products—"follow through" all the way to the grocer's counter—and with advertising and merchandising that builds consistent preference for Land O' Lakes products.
In this sort of "follow-through," there are additional advantages to Land O' Lakes members. They assure themselves a steady market. They get returns from their shares of interest in a great marketing organization. They receive the benefits of a group which has pioneered in and protected improvement of dairy product quality for 22 years.

Attention
JUNE GRASS GROWERS
The Nebraska Seed Co. are this week sending all new strippers for stripping June grass. We are also having a drying yard at Grygla.

Have a Coca-Cola = He's coming home tomorrow

... preparing to welcome a returning soldier
When your fighting man returns home, it's the simple joys he seeks ... reunion with his family ... moments in the living room ... a snack and refreshment in the old familiar kitchen ... and ice-cold "Coke". So remember to keep some of his favorite snacks and have ice-cold Coca-Cola in the refrigerator. He'll respond as always to the invitation Have a "Coke". In camp or home town, the pause that refreshes is a symbol of a friendly way of living.

Some of the best tannin comes from the barks, woods, nuts, and pods grown in the tropical regions of Haiti, Nicaragua, Mexico and other countries of Middle America.

Please Remember to Call by Number

An important way in which telephone users can help speed service is always to place calls by number instead of by name. Whenever operators must stop to look up numbers, calls are delayed.

Other ways in which you can help service are by answering your ring promptly, keeping the receiver on the hook when not telephoning, and not tying up farm or party lines with long conversations.

Cooperation of all telephone users in these ways will help everyone in this community to obtain better service than otherwise would be possible under wartime conditions.

Pennington County Now Over Top in Bond Drive

$475,000 Pennington Quota Is Attained Wednesday Evening

BUSINESS FIRMS BUY LARGE PART OF TOTAL

Purchases by Individuals of Series E Bonds Still Below Goal

The $475,000 quota set for Pennington county on the Fifth War Loan Drive was reached late Wednesday night and Pennington county now goes into the 100% column for the fifth consecutive time, Paul A. Lundgren, county war finance chairman, stated today. The attainment of this goal has been largely due to the purchase of large sums of negotiable bonds by business firms, and the quota set for Series E bonds of individual purchasers has not yet been reached.

While the bond drive closes officially on July 8 on all negotiable bonds, the state office is holding the purchases of Series E bonds open during the entire month of July and all purchases made of E bonds will be credited to the Fifth War Loan Drive. In conformity with that ruling Pennington county will continue to tabulate the results during the month of July and a report will be made each week.

"We find in the tabulations which have been made thus far that a considerable number of bond subscriptions have not yet been purchased", said Mr. Lundgren. "While the large majority of them will undoubtedly be bought before July 8, this arrangement will give those who find it impossible to buy their bonds before July 8 an opportunity to buy their bonds during the month of July. On July 8 a recheck will be made on all pledges and a report will be made to the various chairman of the pledges on hand for which no purchases have been made.

"Considerable credit is due the newly organized Business and Professional Women's Club for the active interest which this organization has taken in community affairs. Through the cooperation of this organization the county bond committee has been able to keep the tabulations current during the entire drive. The tabulations for this drive have been made under

BUDE E. ANDERSON CIRCUS WILL SHOW HERE ON JULY 7TH

First Event of Kind to Show in Thief River Falls This Season

Arrangements were concluded recently for the "Bud E. Anderson" all-American Three-ring circus to exhibit at Thief River Falls Friday, July 7, for two performances at 2 and 8 P. M.

The show making its first appearance here traveling via motorized units carries about 60 head of trained and wild animals, together with performers and working people.

The 1944 victory tour of the circus offers 25 acts starring the "Rodeo Ranger" (Bud E. Anderson) with "Tonto", the famous Hollywood horse, and his silver saddle.

Buck Lucas, popular Western cowboy star with his group of Texas cowgirls, presents an act of roping and Western horses. Also to appear are Jumbo and Susie Q, performing elephants.

Douglas Miller, Grygla, Now Second Lieutenant

Silver wings of the aerial navigator were awarded Saturday at San Marcos army air field Texas, to several hundred newly appointed second lieutenants and flight officers in the U. S. army air forces, qualifying them for assignment to active duty as navigator for the powerful new bomber fleets of the AAF. Included in the group was Second Lieut. Douglas Eugene Miller, 22, son of Mr. and Mrs. Albert J. Miller of Grygla.

Pfc. Clifford Kolstrand Is Wounded in Action

Casualty lists from the Mediterranean theatre last Friday contained the name of Pfc. Clifford N. Kolstrand, who was reported as having been wounded in action. He is the son of Mrs. Neddie Kolstrand of the Goodridge community.

Dennis LeRoy Urdahl Dies Here Wednesday; Rites to Be Monday

Last rites will be held Monday, July 10, for Dennis LeRoy Urdahl, 20, who passed away Wednesday morning at a local hospital. Rev. G. S. Thompson will officiate at 2:00 P. M. in Trinity church, and interment will be made in Greenwood cemetery.

Dennis was born August 15, 1923 in this city and made his home here until 1941, at which time he went to Washington, D. C., to be employed for the Veterans Administration. The next year he moved to Duluth, where he attened the War Production school, and in the latter part of 1942 he moved to Seattle, Wash., to be employed in a defense plant. There he received an injury which eventually caused his death. The deceased was a member of the Order of DeMolay.

Left to mourn are his mother, Mrs. Ida Urdahl, and two sisters, Miss Dolories Urdahl and Mrs. Verona Carlson, both of this city. His father preceded him in death.

VOLUME AT LOCAL POSTOFFICE HITS NEW HIGH TOTAL

Receipts for 1943-44 Fiscal Year Reaches Total of $51,426.83

Continuing its record of consistent increases in volume of business in recent years, the Thief River Falls postoffice during the fiscal year ending July 1 recorded cash receipts of $51,426.83, a new high mark, and a gain of $1,587.19 over the previous year, Postmaster Andrew Anderson announced this week.

Receipts by quarters were as follows for the past two fiscal years.

	1943-44	1942-43

	$51,426.83	$49,839.64

Mr. Anderson stated that during the past twelve months the postoffice sold U. S. war savings bonds with a cash value aggregating $147,187.50, compared to a total of $127,912.50 for the preceding year.

ALBERT KOOP OF SANDERS NAMED ON FAIR BOARD

Appointed to Succeed S. E. Hunt at Meeting Held Last Week

At a meeting of the Pennington county fair board last Thursday, Albert Koop of Sanders township was appointed a member of the board to fill out the unexpired term of S. E. Hunt, who recently moved to the west coast.

The board members made a tour of inspection of the fair grounds, which are now being put in readiness for the 1944 fair, which will be in progress August 2, 3 and 4, with August 1 designated as entry day. Buildings on the grounds are now being repainted, and other necessary repairs made.

Premium lists in connection with the annual event are now in the hands of the printers, and will be ready for distribution shortly, A. F. Berge, secretary, announced.

July Selective Service Contingent to Go July 21

The July contingent of Pennington county selective service registrants will leave for Fort Snelling July 21 to be inducted into the U. S. army and navy, it was announced today by Arthur Berg, chief clerk of the local board, who added that the group will be made up largely of volunteers. Another group will go to Fort Snelling July 18 to undergo physical examinations previous to induction.

Seaman Orlin Gjernes Gives Life in Florida

Mr. and Mrs. Carl Gjernes of this city last week-end received from the war department the sad news that their son, Seaman First Class Orlin L. Gjernes, 19, had been killed Friday in an airplane crash near Miami, Florida, where he had been stationed at the naval training station.

Funeral rites will be conducted Saturday afternoon at 2 o'clock from Trinity Lutheran church, Rev. G. S. Thompson officiating. Military rites will be held at the graveside, with veterans of the first World War and service men of the present war participating.

Born January 15, 1925 at Oklee, Orlin later came to Thief River Falls with his parents and was graduated in 1942 from Lincoln high school, being a member of the football and basketball teams while in attendance.

He attended the University of North Dakota and Grand Forks until attaining his 18th birthday, when he enlisted in the navy in January 1943. After receiving his boot training at Farragut, Idaho, he received training as a machinist at the Navy Pier in Chicago.

On June 10 of this year, Orlin was graduated from the naval air gunners school at Purcell, Oklahoma, earning the rank of third highest in a class of 150. He had been at Miami since June 16.

He is survived by his parents, a brother, Earl, petty officer second class with a submarine unit in the South Pacific; and two sisters, Mrs. Owen Scramstad, St. Paul, and Mrs. Clayton Taylor, Minneapolis.

The carnival will feature demonstrations of swimming, diving and other water sports, and suitable prizes will be awarded. Further details of the event will be revealed in later issues of the Times.

JOHN CRONKHITE, RETIRED RAILWAY MAIL CLERK, DIES

Local Resident Since 1907; Funeral Rites Held Monday

John Quincy Cronkhite, who served as mail clerk on the Soo Line for 34 years until his retirement in 1938, passed away at a local hospital last Thursday at the age of 68. Rev. D. T. Beadle conducted rites Monday at 2:00 P. M. in the Erickson & Lund funeral chapel, and interment was made at Greenwood cemetery.

Mr. Cronkhite was born in Olin, Iowa, June 8, 1876. He moved from Olin to Argyle in 1885 and to St. Paul in 1904. Three years later he came to this city to make his permanent home. His marriage to Lillian Aalberg took place June 9, 1909, at Henning.

Left to mourn besides his wife are two daughters, Mrs. Donald B. Chalmers of Minneapolis and Mrs. John R. Mathieu of Washington, D. C.; two brothers, Wm. O. Cronkhite of Grand Rapids and Clarence E. Cronkhite of Yakima, Wash.; and one grandchild.

LAST RITES HELD HERE WEDNESDAY FOR DR. J. N. NESSE

Had Practiced Profession of Dentistry in City Since 1912

Rev. G. S. Thompson conducted rites Wednesday afternoon at 2 o'clock for Dr. James N. Nesse, 62, who passed away suddenly June 28 at Rolla, N. Dak., at the home of his brother-in-law, Casper Dale. Following the services at Trinity church, the remains were taken to Minneapolis where final services and interment were made at the Sundseth Memorial cemetery.

The deceased, born at Mabel, April 4, 1882, had been practicing dentistry here since 1912, following his graduation from the dental school at the University of Minnesota. He was married to Eleanore Dale in McIntosh June 27, 1917, and while making his home here he was a member of the Trinity Lutheran church, serving for several years on the church board. Before coming to this city he served as superintendent of schools at Bertrum.

Surviving are his wife and three sons, Lieut. James A. Nesse with the army air force in England, Milton of Minneapolis, and Pharmacists Mate Lowell D. Nesse with the navy in France; one sister, Mrs. Ella Paquin of Minneapolis; three brothers, Dr. George Nesse of Owatonna, Chas. Nesse of Mabel, and Dr. Arthur Nesse of Nome, N. Dak. His parents preceded him in death.

T. R. Falls Residents Enjoy Quiet Three-day Holiday over the 4th

With firecrackers and other noise-making devices off the market this year, this city experienced one of the most peaceful Fourth of July holidays in its history. Numerous residents took advantage of the triple holiday to make trips out of the city, but the majority remained at home. Hundreds of stay-at-homes assembled in the Elks park Tuesday evening to witness a brilliant display of fireworks provided by the city council in cooperation with the park board and Civic and Commerce association. Police reported that no accidents marred the holiday here.

Boy Scouts Will Conduct July Waste Paper Pickup Saturday from 1-3 P. M.

The local Boy Scout organization will conduct its July waste paper pickup Saturday afternoon, July 8, between the hours of 1 and 3 o'clock, Morris Owen, scout commissioner, announced today. In view of the current critical paper shortage, he added, all residents of the city are asked to cooperate in the drive. The paper should be securely tied in bundles and deposited along the curb, from where it will be picked up by trucks covering the entire city.

To Consider Water Pollution Problems at Session in Grand Forks

The Tri-State Waters Commission wishes to announce that a public hearing will be held in the auditorium of the city hall in Grand Forks on Friday, July 14th at 2:30 P. M.

The purpose of this meeting is to give all interested persons an opportunity of expressing their views, relative to the pollution problems on the Red River of the North and its tributaries.

Members of the Red River drainage basin interstate sanitation committee and representatives of the North Dakota and Minnesota state departments of health, also the North Dakota state water conservation commission and the Minnesota department of conservation will be present.

TRIANGLE BUS LINE DEFERS PLANS FOR NEW DEPOT IN CITY

Company to Occupy South Half of Firestone Super-Service Garage

Hugh Carlson, local representative of the Triangle Transportation company, announced this week that the company will not proceed immediately with plans to erect a new bus depot and garage on Horace av. as had been planned.

He stated that it had been found impossible to procure priorities making it possible to erect the entire structure at this time, but that the company expects to erect the building when war conditions permit.

In the meantime, Mr. Carlson said, the company has leased the south half of the Firestone Super-service garage on Main av., and will move its office and waiting room to the new location on August 1.

New Rotary Officers to Assume Duties Tuesday

No session of the Rotary club was held this week, owing to the meeting date falling on the Fourth of July. At the luncheon meeting next Tuesday, Stanton R. Dahlen, retiring president, will install the recently elected set of new officers, including F. E. Tunberg, president; Roy J. Oen, vice president; and Philip L. Fjelsted, secretary-treasurer.

STATE AIR CHIEF GUEST OF LOCAL CHAPTER FRIDAY

Commr. Les Schroeder Visits Site of Local Airport While Here

Leslie Schroeder of St. Paul, Minnesota commissioner of aeronautics, was the guest of the local chapter of the National Aeronautics association and city officials at a luncheon last Friday noon in the Rex Cafe.

Mr. Schroeder, who came here in the course of a tour of inspection of airport projects in Northern Minnesota, visited the site of the Thief River Falls airport while in the city, and expressed the view that a minimum amount of work will be required to create a satisfactory landing strip.

He also commented favorably on the city's action in arranging for an engineering survey of the local site as soon as the crop is taken off next fall, as well as on the airport lease entered into between the city council and the aeronautics chapter.

Mr. Schroeder urged support of local citizens for the proposed Amendment 18 to the state constitution to be voted on in the November election. The amendment would permit the state to give financial assistance to the development of municipal airports, and would be similar in operation to the Babcock highway amendment.

Olaf G. Winger Is Going to Minneapolis; Leases Store to Sears Roebuck

After having been engaged in the men's clothing business in Thief River Falls since 1924, Olaf G. Winger shortly will close his establishment here, and on July [illegible] will open a men's clothing store in Minneapolis at 1819 East Lake st. He announced that his lease on the building on LaBree av. occupied by his store has been taken over by Sears Roebuck company, who this month will open an order office here. Mr. Winger added that he had sold his residence property at 223 Duluth av. N. to Charles Warner.

Dr. Billings Inspects County Turkey Flocks

Dr. W. A. Billings, noted turkey authority from University Farm, St. Paul, and County Agent Ernest Palmer Tuesday and Wednesday of last week inspected Pennington county turkey flocks totaling 56,000 birds being raised by 26 growers. They reported that growers in the River Falls-Highlanding area alone will produce approximately 40,000 birds this year.

Dr. Billings stated that county flocks are coming along fine, some growers reporting losses as small as five per cent to date. In the state as a whole, he said, the turkey crop looks better than a year ago in spite of extremely wet weather in some localities.

Pointers given by Dr. Billings to local growers included the following: "Good alfalfa pasture will cut feed costs as much as 20 per cent. The present corn shortage demonstrates that raisers can get along with a simple growing ration, millet being a good substitute for corn, while barley will fill the bill nicely.

"Any grower who wants to can mix a simple growing ration and do a good feeding job with the following mixture: 40 pounds wheat, 20 pounds of oats, 20 pounds of corn or millet or barley, and 20 pounds of meat scraps or meat scraps and soybean oil meal. This mixture should be used in conjunction with good green pastures."

Dr. Billings declared that Pennington county is on the comeback trail, and that there is no reason why it cannot be developed into the leading turkey producing county of the state.

County Agent Ernest Palmer stated that a fall turkey tour and get-together, similar to those held here some years ago, is being planned for the month of October.

Church Wedding Unites Esther Ortloff and Albert Meyer Friday

The Evangelical Free church was the scene of the wedding of Esther Ortloff, lieutenant in the Salvation Army stationed at Crookston, and Pfc. Albert Meyer of Camp Adair, Ore., captain in the Salvation Army, Friday evening at 8 o'clock. Brigadier T. M. Larson of Minneapolis, divisional commander of Minnesota and North Dakota, performed the ceremony in the presence of a large number of relatives and friends.

Preceding the ceremony Mrs. Ruth Poppenhagen played "God Made Thee Mine" and "O Promise Me", while Major Lee of Bismarck, N. Dak., sang "I Love You Truly". Cadet Lois Wilsey and Captain Lavona Blakeman sang a duet, "Just Me Love Thee". The "Bridal Chorus" from "Lohengrin" and Mendelssohn's "Wedding March" were played by Mrs. Poppenhagen for the processional and recessional, respectively.

The bride, who was given in marriage by her brother, Robert Ortloff, wore the full dress uniform and carried a bouquet of pink and yellow roses and pompons. Lieut. LaVine Finley of Grand Forks was bridesmaid in full dress uniform and Mrs. Raymond Ortloff of St. Hilaire was matron of honor wearing a costume of navy blue with matching accessories. Both attendants had bouquets similar to the bride's. Lieut. Leslie Rogers of Mandan, N. Dak., and Fred Meyer, brother of the bridegroom, attended Pfc. Meyer.

A reception was held for approximately 100 people in the Salvation Army hall immediately following the ceremony, and the following day Pfc. and Mrs. Meyer left on a wedding trip to Duluth. For travel Mrs. Meyer wore a beige suit with brown accessories.

The bride will return to her duties at Crookston, while Pfc. Meyer will report to Camp Adair, Ore., for further training. The bride is the daughter of Mr. and Mrs. Andrew Ortloff of St. Hilaire, while the bridegroom is the son of Mr. and Mrs. Fred Meyer of this city.

Eye "Shock Absorber"

A cushion of soft, fatty tissue forms an excellent "shock absorber" for the eye in its socket. When a blunt instrument strikes the eye the blow is rendered less damaging because of this shock absorber.

Causes of Erysipelas

Erysipelas may be caused by organisms from contaminated soil or may be spread by animals which are carriers of the disease. The disease is deadly for young pigs, but older hogs show more resistance. Serum treatments reduce death losses in sick hogs but the animals treated are protected only two or three weeks. A more effective serum is being tested but is not generally available.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

The Red Cross Advisory Board met last Wednesday evening at 8 o'clock in the chairman's office. A gift of $38.74 was acknowledged from the Rosewood 4-H club. A motion was made to add it to the general fund. We wish to thank the club very heartily for this gift.

Quentin Jones, Red Cross instructor, gave a report of the work being done in the Tindolph park and gave a schedule of classes which is printed elsewhere in this paper. He stated that as far as bathing beach facilities were concerned, the Red Cross was in no way responsible, but that organizations having the welfare of the youth at heart, should try to improve conditions such as putting in a telephone, water and bath house, and putting in play equipment. He stressed the fact that spending a few dollars now would save in the future for higher cost of juvenile delinquency. He asked that parents help to see that children come down in pairs and work in pairs, so as to prevent mishaps, and that children be told not to jump from the tower as medical authorities state this was the cause of much ear and nose troubles.

Mrs. L. W. Rullen stated that the work on the surgical dressings would be carried on at the time best suited for the majority, that workers would be asked which time they prefer.

Mrs. A. C. Matheson gave a report on the Junior Red Cross Institute she had attended at Minneapolis. She had a fine display of articles made by members. Mr. Kjos announced that a home service institute would be held here soon. Any one interested in Red Cross work is welcome to attend. Meeting adjourned until July 26th.

Here is a list of beginners who are taking Red Cross instruction in swimming: Jack LaSalle, Darlene Dahl, Carol Ann Froiland, Virginia Grindeland, Dwight Hensrud, Mary Lind, Floydeen Lidstrom, Richard Oen. Watch this column grow. It is expected that there will be about 200 beginners. There are about thirty already taking instruction. "Let's help with safety in swimming by insisting on your boy and girl going to and from the swimming beach with a chum," stated Mr. Jones, Red Cross instructor. "Insist that they go into the water together and leave together. Caution them about jumping froom rafts and platforms because it causes irritations in the nose and sinuses."

An American National Red Cross certificate will be given each advanced swimmer as soon as he has completed the course and has passed the following tests: 1. 50 yds. elem. back stroke, 2. 100 yds. breast stroke, 3. 50 yds. inverted breast stroke, 4. 100 yds. side stroke, 5. 100 yds. overarm side stroke, 6. 100 yds. trudgen, 7. 100 yds. back crawl, 8. 100 yds. crawl or trudgen crawl, 9. 5 min. floating, 10. 5 min. support (in place), 11. Surface dive, 10 yds. swim under water, 12. Standing front dive, 13. Running front dive, 14. Thirty min. swim.

GIRL SCOUT NOTES

The Birch Lane day camp is in its second successful week. The brownies came Friday to spend the day at the camp and will be here tomorrow. Four units entitled "Mesquite Paradise", The Minnehaha", "Cookstown", and Oak Diamond" each made a cup tree and a fireplace, while some of the units made a cache, which is used to keep food fresh and cool. The cache is lined with bricks.

Odors of delicious cooking have penetrated the air. Some of the units have been making wiener kabobs. The "Cookstown" unit has had a delicious pot luck, while the "Oak Diamond" has made bread twists, flapjacks, and french toast.

A council fire was held last Thursday evening. As part of the entertainment, each unit gave a charade, which is a modified form of drama. Joyce Lunke treated the camp to her birthday cake. The Oak Diamond unit gave a skit entitled "Skippers Day up North," and the Minnehaha group gave a powwow around the council fire. Cookstown's contribution to the program was "Name a Song Before the Gong", which was carried on similar to the radio program. The youngest group, Mesquite Paradise, gave an amusing and very original amateur hour.—Alice Lind, scribe.

Mrs. Hilding Peterson, director of the day camp, with Mrs. Bratrud as co-director, issues a cordial invitation to all parents and friends of scouting to visit the camp this (Thursday) evening at 7:30, when there will be an inspection of camp, and from 8:00 to 9:30 a program. The brownies are especially invited to bring their parents. Today the camp will open for scouts at 2 o'clock through the supper hour and will continue until after the camp fire.

Keep Air Force Busy

During the first nine months of 1942, the army air forces flew, within the continental United States, almost a billion and a half miles, the equivalent of 7½ round trips to the sun or almost 57,000 trips around the world. This is about 135 per cent more miles than were flown by the army during the entire 10-year period from 1930-1939 inclusive.

SALVAGE NEWS

By Mrs. Leonard Hanson,
Chairwoman

Save to Save Lives

Millions of pounds of waste paper have been lost daily because housewives have not been told the necessity of saving the little scraps such as letters, envelopes, toothpaste boxes, gift wrappings and even paper match covers. Except for waxed paper or paper which has been contaminated by tar or other foreign matter, all paper is badly needed.

If you are in doubt as to how this loose paper should be packed put it inside of a flat newspaper and pack as you do the rest and tie.

When shopping don't ask your grocer to wrap merchandise already packaged in a box, bottle, jar or can. Put small items in your shopping bag.

Don't burn paper. Save and use old containers over again. Send all usable salvage to your local waste dealer.

Use post cards to write on when possible. Use half sheets for short letters. Use both sides of the paper when writing a long letter.

Eliminate wide margins and double spacing. Use small size envelopes. So critical is the need of all waste paper that some cities have prohibited the disposal of any paper in refuse or garbage collected by the city.

Don't forget rags, fat and tin cans. Bring in your salvage and help.

The long awaited invasion has started and the fighting Allies have undertaken one of the greatest projects ever attempted in the history of the world and our job is to see that things are kept moving to the front. The only way we can do this is to provide the raw materials for which we have pledged ourselves.

Lieutenant Gen. Brehon Somervell commanding Gen. Army Service Forces says: "We are fighting for liberty, the most expensive luxury known to man—The men who will win this war are the fighting men. Those are the men we serve. It is our sacred duty and our high privilege to serve them. No matter what we give no matter how we labor, we cannot approach their sacrifice. Their valor is a blazing torch to light our way."

Doors a Problem

The more doors there are in the storage house the greater is the cost of construction and the greater the air leakage and consequent difficulties with temperature and humidity.

Rich in TNT

Borneo's crude petroleum is specially rich in toluene, which the island supplied in large quantities during the first World war for the manufacture of TNT—trinitrotoluene.

Shipping Uses

The percentage allotments of the War Shipping administration tonnage in a typical month were these: army, 36.2 per cent; navy, 11.1 per cent; Lend-Lease, 37 per cent; all others, 15.7 per cent.

Auxiliary Notes

The regular meeting of the Legion auxiliary will be held this evening at 8 o'clock. As this is the first meeting since the War Conference held in Oslo last month, a good turn-out is expected. A number of important business matters will be taken up.

At the regular meeting, election of officers took place with Mrs. Lynde unanimously reelected president; Mrs. Gustav Schilbred, first vice-president; Mrs. W. W. Powell, second vice-president; and Mrs. Hector Bergstrom, sergeant at arms. The appointive offices will be filled at a later date.

So that the girl orphans of veterans may take advanced schooling, national president's scholarships of $400 each are being offered by the American auxiliary, according to an announcement by Mrs. Joseph Forster, national vice-chairman of child welfare committe in charge of the education of orphans. Selection of candidates will be based on these four points—character, 30%; Americanism, 30%; leadership, 20; and scholarship, 20%.

A fund of ten thousand dollars has been provided for extension courses at the University of California by the Department of California for use by disabled servicemen, who have been honorably discharged form the service and who can meet the scholastic requirements. This will be determined by the education and rehabilitation chairmen of the American Legion auxiliary.

Cardinal Rule for Cook

The one cardinal rule in meat cookery is to always use a low temperature. Regardless of the fact that a longer cooking time is required, less fuel is consumed than when meat is cooked at high temperature. Roasts of beef, veal, and lamb should be cooked at an even temperature of 300 degrees, fresh pork at 350 degrees. Meats cooked in water should be simmered, never boiled.

SILVERTON

(Crowded out last week)

Radio Technician 2nd class Severin Barstad and Mrs. Barstad arrived on Thursday morning from Clarksville, Ark. They were called home by the serious illness of Mrs. A. M. Barstad, who passed away on Friday.

Milton Jerome was the name selected by Mr. and Mrs. Melvin Grinde for their infant son whose baptismal service was held last Sunday at the Silverton church. Sponsors chosen were Misses Eileen Grinde and Emma Hanson and the two grandfathers of the baby Henry Hanson and Ole Grinde. Following the ceremony a group of relatives gathered for a picnic lunch on the lawn of the Melvin Grinde home. Guests were Miss Emma Hanson, Mrs. H. O. Grinde and daughters Jeanette and Eileen, Mr. and Mrs. Einar Barstad, daughter June and little son, Henry Hanson and daughter Inanda, R/T Severin and Mrs. Barstad of Clarksville, Ark., Mr. A. M. Barstad, Pvt. Martin Barstad of Sioux Falls, S. Dak., Mr. and Mrs. Wilhelm Hanson, Mr. and Mrs. Syvert Hanson and Silas, Mr. and Mrs. Odin Hanson and children, Julius Hanson and the minister, Rev. Sabo.

District President, R. M. Fjelstad of Moorhead was a guest on Tuesday at the Henry Hanson home. He called upon Reverend Sabo later in the afternoon.

Mr. and Mrs. Emil Lerud of Twin Valley were visitors on Sunday of last week at the Syvert Hanson home.

Friday evening supper guests at the Woolson home were Mr. and Mrs. Frank Johnson, Sandra, Marge and Barry, Mrs. Chris Paulson and her house guests, Miss Anne Yeko and Mrs. Chas. Schenck of Milwaukee, Wisc., Mr. and Mrs. Lester Chapman and Mr. and Mrs. Vernon Sorenson. Miss Yeko and Mrs. Schenck returned Monday to Milwaukee.

Miss Hannah Johnson returned from Crookston last week but will return for further treatments.

Mrs. John Stewart and daughter of Thief River Falls attended the last rites held on Monday in Silverton for Mrs. A. M. Barstad.

Sgt. Vernon Sorenson came Wednesday morning from Mississippi, where he had spent the past two weeks since returning from Panama, where he had been stationed since Nov. of 1942, after spending a few days with his wife at the Woolson home. They both left for Duluth, where they will spend a week with Mr. Sorenson's relatives.

Mrs. Barstad

On Friday, June 23rd at 6:00 P. M. in a local hospital our good neighbor and faithful friend, Mrs. A. M. Barstad passed away.

We all deeply feel the loss of one who pioneered in our community,—pioneered not just in the sense of being an early settler upon the soil, but one who saw and helped fullfill the necessities for a good full life for her family and for her neighbors. Mrs. Barstad worked devotedly to build a spiritual foundation for her family. The church grew through her efforts. She by no means neglected the educational foundations for her family as due to her efforts nearly all her fine sons and daughters were able to attend high school and some went on to college.

Sunflower Oil Drys

Oil from sunflower seed has drying properties which have been found useful in some types of paints. Increased plantings of sunflowers were made in Argentina and exports of the oil increased notably in 1942. Due to drouth, the 1942-43 planting in Argentina was reduced from 1,875,000 acres to about 1,637,000 acres.

Devil Dogs

German folk lore tells of fierce wild dogs called "teufel hunden" (hounds of the devil) which raided the countryside. When crack Bavarian regiments first met American marines in battle, these badly beaten troopers wrote home "We have met with 'teufel hunden.'" Thus the enduring nickname of Devil Dog was born.

PUBLIC OPINION

Mr. Editor:

I wish to call your attention to a bad feature of the Minnesota law, because you are our State Senator. In my case, this year, I cannot vote for more than one candidate because I am an Independent voter. The present law disfranchises an Independent voter. I have to vote the Republican ticket although I am not a Republican as to party. I am a strong Republican as to the original principles such as that party at the time of Lincoln. But at present the struggle between political parties is only a struggle for control over resources that can give its owners much money and over established economic systems which can give big dividends.

Mr. Dewey said that plainly in his acceptance speech at Chicago, namely, (when he criticised the Roosevelt administration for interfering with private business): "It is by business most of us make our living, therefore business should have free hands." It was, namely, one of the biggest business systems of our country that the administration interfered with.

Mr. Dewey would be right if those big concerns were so fair to their employees that both employer and employees could work together peacefully, but the big labor unions disagree also. For these reasons an Independent voter should not be hindered from voting for a candidate whom he believes is honest and capable.

For my part I am convinced that Harold C. Hagen is honest and capable to have for our representative in congress. He was doing his very best for all classes of his constituents in this district, and now we must remember that it takes a man about two terms in congress to get well posted on how to go at things, and establish friends that will be of help for him when he tries to get legislation passed that is necessary for his district. The other candidates may be good and capable men to have in congress, but I do not know them nor enough about them.

But I do know quite a bit about Harold Hagen. Consequently I claim that I have the constitutional right and duty to vote for a candidate which I can trust. Otherwise I would be voting blindly. I find no reason to believe that Mr. Hagen has changed his entire character these few weeks since he joined the Republican party. I believe he is just as honest now as he was a few weeks ago, and that he will do the very best he can for the constituents of this district if he be returned to congress this fall.

I am sorry I cannot agree with Mr. Buckler when he claims that Hagen has betrayed the F-L party. If the F-L party had the right to change its organization, I cannot see why Mr. Hagen should not have the same right, when he continues to be just as honest to his constituents now as before the F-L party changed its organization. The F-L party of Minnesota has very little influence over congress. It has influence on state affairs here in our own state, but that is as far as it reaches. I hope its influence will reach out wider if members are wise enough to share views with the Democratic members, after this.

But it will get nowhere by hanging in the coat tails of the tyrannical labor unions in our largest cities. They will go to extremes just as well as the big capitalists. For such reasons, and others, I am an Independent voter, and claim that the election law of Minnesota is not fair when I cannot vote for the candidates I wish, only because such a one belongs to another political party. I want to vote for honesty and ability, no matter what political party such a candidate belongs to. The ballot should have all the candidates' names, and be only one ballot instead of two distinct party ballots, as here in Minnesota.

That would be justice also to the Independent voters, I would like to vote F-L and Democratic in several cases, but not be led by the party rope. What do you say, Mr. Senator?

A. K. Lockrem

Editor Times:—About the only argument against Congressman Hagen's candidacy, so far, does not come from Republicans, but from a few ultra radicals. The argument is that Hagen "Betrayed" the Farmer-Labor party and that is an entirely incorrect and illogical argument, because the fusionists had already managed to destroy our Farmer-Labor party for all practical purposes, and now they finally have wiped it out entirely, so it is easy to understand Hagen had to shift party in order to run in the Primary, as running entirely independent is not an easy and effective plan for a candidate.

Let us use reason, and not cast aside one who has been tried, and found on the side of the common folks everytime, for anyone who has never been tried out.

I stated at a Farmer-Labor rally in Thief River Falls 8 years ago that if we allowed the fusion crowd to dominate our Farmer-Labor party, the party would be off the ballot inside of 10 years, because I knew from the party's history just how fusion of a reform with an old party works in any campaign. Over ¾ of the F-L voters in the Ninth district originally came out of the Republican fold anyway, so how can the Democrats reasonably expect us to go into such a minority party as they have here. If these few Democrats have the F-L ideology, why did not join our F-L party?

Mr. Hagen has represented his district about as correctly and truly according to popular ideals as possible, so let us be fair and return him to Washington.

Andrew Trovaton,
McIntosh, Minn.

Cold Well Water .... and plenty of it
That's the best insurance against milk and cream losses. America can't afford such losses now when the supply of dairy products falls far short of the need.
- Be sure your Cooling Tank is designed right, and that the water for it is taken directly from the well. The diagram below will guide you.
- Run water directly from the well through the Cooling Tank for at least two hours after the milk or cream has been placed in it for cooling.
- To keep milk cold, the water in the Cooling Tank must be replaced frequently. Preferably keep a stream of water running through the tank continuously.

For several members of the Times staff the death of A. E. Mattson brought to an end an association that had extended over a period of many years. Al was the business manager and the boss, but in a small town newspaper the duties of the workers are not clearly defined and jobs overlap. To those of us who worked with him day in and day out, thruout the years, Al was just another worker, doing whatever needed to be done, always ready to lend a hand, always steady and always cheerful. As business manager Al held the purse strings—an assignment that does not always make for popularity. But besides being a good businessman he was well grounded in the fundamentals of good journalism. In directing the financial affairs of a community newspaper he recognized the responsibility of a newspaper to its community and its opportunities of community service. Always considerate of those who worked for him and always cooperative with those who worked with him, the loss of Al Mattson is keenly felt by those of us with whom he has been closely associated.

Hundreds of youngsters are taking advantage of the Red Cross program of swimming instruction at the Tindolph Park beach. As far as the youngsters themselves are concerned this program needs no plug. Now, however, while the program is well under way, those whose contributions make the program possible might derive some pleasure as sideline spectators and spectators are always welcome. In a few weeks the progress that has been made will be demonstrated at a Water Carnival and this is an event that should be looked forward to with much interest.

Heavy losses have been suffered by our armed forces in the battle for Saipan now nearing a successful conclusion. This well defended island is a part of the inner defense ring that the Japs depended on to give protection to their home waters, and its loss probably is the most serious reversal they have suffered in the war. Now that the island is in our possession it is just as much a threat to Jap security as our landing on the Cherbourg peninsula is a threat to Hitler's Germany. Saipan cost us many men but its occupation is of great strategic importance.

No doubt the German "Robombs" are doing a great deal of damage in England along the channel coast and so have a high nuisance value. If they had been introduced earlier in the war in large quantities they might have materially changed the course of events. It does not seem possible, however, that they can give Hitler any military advantage at this stage of the war. Their real importance must lie in the possibilities of future development. They presage a new instrument of destruction that must be reckoned with at some time in the future, a weapon that is an experiment now as the airplane was in the last war, and which, like the airplane, may be made highly effective at some future time. In their present form they seem better suited for offensive tactics, useful only in a ruthless destruction of massed populations regardless of military objectives. They would have served Hitler well in the days of his blitz attacks.

Don't forget to remember that Monday is election day. The polls will be open until 9:00 o'clock under the new law which takes into consideration the problem of farmers under daylight saving time. To vote is a duty as well as a privilege. Go to the polls Monday. Vote as you please—but vote.

Once again Pennington county is among the first to go over the top in war bond purchases, a credit to the people who buy the bonds and a credit too to the organization that sells them. It is a good job well done and a round of cheers for all who have done their bit.

More Babies Are Born in Hospitals Now; Mortality in Childbirth Declines

In 1943, 84.5% of all babies born in Minnesota (including stillborns) were born in licensed hospitals, and Minnesota had the third lowest state maternal and second lowest infant death rates in the nation, according to a study made by the Minnesota Hospital association council on public education, based on figures released by the state department of public health.

The council points out that twice as many babies are born in licensed hospitals today as were born in licensed hospitals ten years ago (1933) when only 42.2% of the babies in Minnesota were born in licensed hospitals.

Minnesota's infant death rate, like the maternal death rate, has consistently declined from 70.1 per 1000 live births in 1915 to 29.9 per 1000 live births in 1942. Infant mortality figures are based on the number of infants under one year of age who die.

Looking Backward

1934—TEN YEARS AGO

Chris Porter, former alderman and resident of this community for 51 years, died at the age of 68.—Ted Wold of this city is leaving to take over the management of a Winona hotel.—Miss Clara Halvorson, first grade teacher at the Northrop school, was seriously injured in an automobile accident west of Warren. —Dr. J. A. Aasgaard and Dr. J. A. O. Stub of Minneapolis were among the speakers at the 25th anniversary convention of the Setesdalslag in this city. — Mr. and Mrs. Paul Lundgren returned from a visit with relatives in the southern part of the state.—A. L. Craver, accompanied by Alvin Christofferson and Robert Booren, left on an extended trip to the West Coast.

1924—TWENTY YEARS AGO

A top price of $300 was fetched at a Guernsey cattle sale at the fair grounds here, 92 head being disposed of.—More than 200 local people assembled at the Math Barzen home to help Mr. and Mrs. Barzen celebrate their silver wedding anniversary.—Miss Dorothy Holm of Roseau and Bart Wangenstein of this city were married at the Presbyterian parsonage by Rev. Chas. Gerlinger. — Mr. and Mrs. Fred Holzknecht left on a trip to Montana. — Emil Zeh, prominent local businessman, died June 25.

FARM HELP DOES NOT COME UNDER NEW WMC RULING

To be Handled by Extension Service, Says Dreng Bjornaraa

The hiring of farm help, along with domestic workers and certain persons in a limited number of minor job categories such as state, county and municipal employees, are not affected by new War Manpower regulations requiring all male industrial employment to be cleared through the U. S. Employment Service, says Dreng Bjornaraa, state WMC director.

"Recruitment of farm help," Bjornaraa said, "is the responsibility of the agricultural extension service, that agency having been assigned to recruit manpower needed for vital food production. The purpose of WMC's revised program is to assure that all available male workers are exposed to important war jobs.

"Since food production is in this category, and since farm hand recruitment is the responsibility of another agency, it is logical that WMC should assist the county agents as much as possible."

The new WMC rule became effective July 1. Details can be obtained from any USES office.

Dreng Bjornaraa Announces Details of New Plan for Minnesota

The employment of all males in Minnesota, excepting farm workers, will be through the U. S. employment service, beginning July 1. This is the result of approval by the War Manpower Commission's area management-labor committees throughout the state.

This announcement was made Wednesday by Dreng Bjornaraa, state WMC director, after details had been completed for instituting WMC's new priority referral plan proposed by Paul V. McNutt in Washington late in May.

"What this plan means", Bjornaraa explained, "is that every USES office will have an opportunity to expose every available male worker to an essential war job. This plan is the result of WMC's experience in labor shortage areas, in meeting the war-worker needs, on a 100 per cent democratic basis".

This plan is designed to procure maximum manpower for such important industries as logging, lumbering, foundries, machine shop and others having a high wartime priority.

"The plan," Bjornaraa said, "is a development of voluntary action as best for industry and labor with a high degree of personal choice on the part of the worker. By giving free rein to patriotic impulses, WMC believes that the most efficient apportionment of labor throughout the state can be secured."

Increased Collections of Tin Cans Are Needed, Says State WPB Official

The syrette, a hypodermic needle carried by every soldier to save his life when seriously wounded, is made entirely of tin, yet people are still throwing away their tin cans instead of saving them, said Byron Hanson, Minnesota executive secretary general salvage branch of WPB, today.

Increased collections of tin cans are necessary to offset the nation's dwindling tin stockpile, said Hanson. Since January 1, Northwest tin can collections have averaged less than ½ pound per person per month, which is the equivalent of two cans.

DON'T WASTE FEED ON EARLY QUITTERS

Once a hen stops laying she will not lay again until through molting. Early quitters take a long vacation which spells wasted feed. A comb that starts to shrink and fade is a sure-fire notice that loafing is about to begin. Keep a sharp eye out for loafers from June 1 to September. CULL THEM AS FAST AS THEY QUIT.

In Memoriam

In memory of our beloved son, Dewayne, who passed away five years ago July 6th.

White Carnation
This is the symbol of that deep slumber
Which holds you in its clasp, beyond my sight;
Through pale spring dawns I have not dared to number,
And crystal silences of winter night.
But, ah, this transient bit of fragrant whiteness
Bespeaks no likeness to that living you
Who touched all other lives with warmth and brightness,
And gathered beauty even from life's rue.
Soon will it fade—this token of remembrance—
But naught can ever make the heart forget
The high bright flame of you — whose petaled semblance
Still blurs through quick warm teardrops . . . even yet.
—Jessie Wilmore Murton.

GRAND FORKS NINE SHUTS OUT LOCAL JUNIOR TEAM 5-0

Newfolden Team Will Meet Locals on Fair Grounds Diamond Sunday

Joe Bach's Grand Forks junior baseball team scored their second win over the local juniors, winning a 5 to 0 twilight game Tuesday evening on the fair grounds diamond. Glenn Bye and Marly Bjerke, Grand Forks hurlers, held the locals to but three hits in registering the shutout, while Virg Evenstad, local pitcher, was touched for 8 hits, with three of the hits coming in the 7th inning, and racked up 5 strikeouts.

The game slated to have been played with Newfolden on Wednesday evening has been postponed to Sunday afternoon, with the contest being played on the fair grounds diamond.

Some Shoes for Adults Ration Free July 10-29

A limited number of men's, women's and youth's shoes will be released from rationing July 10 thru July 29. Shoe retailers taking advantage of the ration release are required to comply with certain ceiling price orders, which bring the shoes within the usual sale prices, allowing dealers to clear their stocks of odd lot or seasonal shoes.

Ammunition Available

Farmers can get additional ammunition for control of predatory animals and game birds.

Gets Lieutenant Rating

Frank V. Francis, Route No. 1, Thief River Falls, has received a commission as second lieutenant in the corps of military police at Fort Custer, Michigan, according to an announcement by Col. I. B. Summers, commanding officer of the fort. Lt. Francis enlisted in the army in 1930, and served 14 years in Hawaii.

Gives up Rank in Coast Guard to Join Marines

Private Philip E. Poppler, son of J. A. Poppler of Grand Forks and Thief River Falls, formerly a lieutenant in the U. S. coast guard, is the only marine of his rank entitled to the designation of naval aviator. Poppler resigned his commission in the coast guard because he foresaw no chance of aerial combat, and because he figured the marine corps would put him in close touch with the Japs. At the Cherry Point, N. C., marine air station, Private Poppler is getting his share of "unofficial" flying time while waiting for favorable action on his application for a Leatherneck commission.

Sgt. David Jaranson Is With Air Corps Overseas

Sgt. David Jaranson, serving with the U. S. army air corps, recently arrived in England to undergo a final period of training before going on active duty in the battle area. The son of Mr. and Mrs. Ole Jaranson, he has been in the service since October, 1942.

LT. PHIL PRICHARD GETS SILVER STAR ON ITALIAN FRONT

Local Officer with 5th U. S. Army Is Honored for Gallantry

With the Fifth Army, Italy—First Lieutenant Philip J. Prichard of Thief River Falls, has been awarded the Silver Star for gallantry in action in the initial Fifth Army struggle in Italy last fall.

Son of Mr. and Mrs. William W. Prichard, he serves with an infantry unit of the 36th "Texas" division.

Prichard was assigned the mission of supplying ammunition for self-propelled guns in support of an infantry battalion during an attack. As the attack progressed, the battalion was cut off and in immediate danger of being wiped out.

Under intense enemy fire and on his own initiative, the citation accompanying the award said, Prichard moved among his men, reorganizing scattered elements, setting up defense positions, assisting wounded men to safety and materially assisting in the holding of all lines.

During the ensuing days he voluntarily took command of a beachhead sector which was under heavy enemy shelling. His magnificent leadership was a vital factor in repelling savage enemy attacks and holding the beachhead, the citation concluded.

Two Local Youths Join the U. S. Marine Corps

LaVern Engelstad and Herbert Miller, both of Thief River Falls, have enlisted in the United States Marines following a call to active duty from their draft board. They were enlisted in the marine corps reserve in Minneapolis on Friday, June 30, and have left for the marine corps base at San Diego, Calif., for training.

T-Sgt. Dirvin D. Deihl Is Missing in Action in Bombing Mission May 28

T/Sgt. Dirvin D. Deihl of Goodridge, who last week was reported as having been wounded in action while flying on a mission over Belgium, has been missing in that area since May 28, the Times was informed. He was inducted into the service September 28, 1942, and is 26 years old. He is married, and is the son of Mr. and Mrs. D. D. Deihl.

Total of 7.14 Inches of Rain Fell Here in June

Verifying suspicions that June was a wet month, Harry Schuster, in charge of the fire department weather reporting station, reported that the total pecipitation for the month was 7.14 inches, well above the average of recent years. During the past week a total rainfall of .43 inch was recorded, the major portion, .33 inch, falling Wednesday night. Moderate temperatures prevailed this week, with the exception of Sunday, when a high mark of 85 was recorded.

LOCAL BALL CLUB WINS LOP-SIDED TILT AT GATZKE

Luther Gronseth, Pitching for Locals, Allows Only Three Hits

Playing fine ball behind the nifty three-hit pitching of Luther Gronseth, the local nine defeated Gatzke, 8 to 1, in a game played as a feature of the Gatzke Fourth of July celebration Tuesday afternoon.

Two errors, due to the rough condition of the playing field, and Art Bossman's single into right field, gave the locals two runs in the opening frame; and they added runs, by pairs, in the 5th, 7th, and 9th innings. Woody Almquist's terrific three-base hit into right-center accounted for the final pair of tallies, Gordy Reierson and Jimmy Welton scoring on the hit. Woody was barely tagged out at the plate as he tried to stretch the drive into a homerun.

Gatzke racked up their lone marker in the 2nd inning, when they bunched two of the three hits they secured off the right-handed slants of Gronseth. Hank Sandland singled into right field, stole second base, moved to third on an infield out, and scored on Arne Engelstad's single into left field.

Lute Gronseth, former Augsburg hurler, retired the Gatzke batters in order in six of the nine innings, did not allow a base on balls, and struck out nine batters. Marsh Myhrer pitched effective ball for Gatzke, allowing only three earned runs, and while he was charged with 9 hits, four of those bingles were of the scratch variety and due to the rough playing field.

The locals are scheduled to return to Gatzke again next Sunday afternoon for another game with the Pirates.

Grygla Brothers Have Reunion in Guadalcanal

S2/c James Salveson and Sgt. Selmer Salveson, sons of Mr. and Mrs. Sivert Salveson of Grygla, recently enjoyed their first reunion in nearly three years in far-off Guadalcanal. Sgt. Selmer was en route home after having been on overseas duty since May, 1942, having been stationed in the Fiji Islands, Guadalcanal and the Russell Islands, as well as having shared in the Munda campaign. James has been with the Seabees since October, 1943. Mrs. Myron Haroldson, sister of the young men, is a resident of Thief River Falls.

Friday evening's schedule:
Oen's vs. J & B Drugs.
Soo Line vs. Firestone.
Wangenstein's vs. Bratrud Clinic.
Hartz Bakery vs. the Pharmacy.
Poppler's Furniture vs. Lincoln Life.

The Lincoln Life's six stroke win over the Soo Line, 154 to 160, and Oen's four stroke margin over the Bratrud Clinic, 160 to 164, boosted the undefeated Oen's team into first place in the league standings. Hans Chommie's net 35, Ray Jude's net 36, and Lloyd Bennes' net 37, carried the Lincoln Life to the win over the Soo Line, the first defeat that the railroaders have received this year. The Soo Line's Guy Hinton had a net 34, tying Dr. H. Helseth of the Bratrud Clinic and Ed. Carlson of the Hartz Bakery for the evening's low net honors.

In the closest match of the evening, the Poppler's Furniture team scored a 166 to 167 win over Kern Olson's Firestones. Stan Larson had a net 37 for winners, while Olson had a net of 38 for the Firestone.

The J & B Drugs, with Drs. Borreson and Jacobson having net 36's, Ed. Anderson a net 39, and Archie Henarud a net 43, defeated the Pharmacy, 154 to 161. Ole Ekeren and Rudy Sagmoen had net 39's for the Pharmacy. The Hartz Bakery moved into a tie for second place with a 118 to 129 conquest of Wangenstein's. Low net totals for the winners were Ed. Carlson's 34, Bill Claffy's 41, and Rev. Beadle's 43.

The Spirit of '76

Hans Chommie, city golf champion, performed his habitual Fourth of July feat on Tuesday when he made two rounds of the local course and posted a score of 76. Hans declared his score before he drove off the first tee, saying that he always enters into the spirit of '76 on the Fourth and marks up a score of 76.

And Father Merth performed a golfing feat too, and he hopes it becomes habitual, for he scored a 39. That's the first time that he has broken forty, and it means that Bill Sponheim has a match on his hands, for Bill is to play him sometime this month.

The "sheep" really turned on the wolves the other evening when Wally Carlson, playing in a fivesome that included Ed Carlson, Father Merth, and Bill Claffy, scored a birdie deuce on the ninth hole and won an eight-hole carryover. Ed, Bill, and Father Merth had been shooting ties on all the holes from the second to the eighth, and with one-tied-all-tied, the match was "open" coming to the ninth hole. Wally laid his tee shot eight feet from the pin and then, in spite of considerable heckling, dropped the putt for the birdie.

A Neat Workman

With Luther "Lute" Gronseth on the mound, the locals had the benefit of a classy pitcher at Gatzke on Tuesday afternoon. Gronseth, a graduate of Augsburg college this spring, is entering the ministry and is spending the summer assisting various pastors in this vicinity, being at present at Bagley. Gordy Reierson was a teammate of Gronseth at Augsburg, and when Lute visited here this week Gordy prevailed on him to accompany the team to Gatzke.

Lute has a fine appearance on the mound, with motions that are reminiscent of Hemmy Sahl and having much of the "stuff" that Hemmy possessed. Gatzke connected for but three singles on Tuesday, two of the blows being credited to Hank Sandland and Arne Engelstad getting the third. Those three hits and a fly ball hit to Wally DuChamp, were the only balls hit to the outfield, giving an indication of Gronseth's effectiveness. Lute's change-of-pace, a knuckle-ball, proved extremely baffling.

Gronseth, during the college year, was the No. 2 husler on the Augsburg pitching staff, the No. 1 spot being filled by the widely-known Clair Strommen, who's now with Rochester in the International league. If the locals can arrange some home games, there is a possibility that Gronseth will be able to do some more pitching for the city team. And he worth watching.

Another Gold Star

With the notice that Orlin Gjernes had been killed in a plane crash while in training in Florida, the roll of former Prowler athletic stars adds another gold star. Orlin, who was more familiarly known as "Guernsey", played basketball and football for the blue-and-gold, being an all-district guard on Harry Newby's 1942 team, and a halfback on the football team the previous fall. Guernsey, who usually ran from the right halfback position, was a very powerful runner and he picked up many yards in slants off the tackles. Most vivid in the memory, perhaps, is the recollection of Guernsey circling end with the ball in his outstretched hand, carrying it like a loaf of bread. Coach Newby used to get the "fidgets" whenever that happened, fearing a fumble would occur, but Guernsey never fumbled.

Needed: Hitters

The city's junior baseball team will need to sharpen their batting eyes if they expect to reach the state tournament, and they are aiming at that tournament. Chuck Dostal, newly appointed manager of the team, intends to "ride herd" on the boys and get them out for the practice sessions.

In Sunday's game against Grand Forks, the locals could garner but three hits off the left-handed slants of Glenn Bye, and Bye isn't a top-flight pitcher. But the boys do have possibilities, and Chuck is going to try to get the kids tournament and baseball-minded.

TO DEMONSTRATE POULTRY CULLING HERE NEXT WEEK

(Continued from page one)

morning and the public is invited to attend.

Miss Cora Cook, extension poultry specialist from University Farm, St. Paul, will conduct these demonstrations, according to Mr. Palmer. On these two farms, Miss Cook will demonstrate on the flocks what to look for in non laying hens. The entire flocks in each case will be gone over and the non laying hens taken out.

Because of the feed shortage, it is important that all non-laying hens be taken out of the flock immediately says Mr. Palmer. Hens which are not laying now will probably not start again until early winter. It is therefore, best to get them on the market now before they have a chance to eat up their value in feed.

PENNINGTON COUNTY IS NOW OVER TOP IN 5TH WAR LOAN DRIVE

(Continued from page one)

the supervision of Marjorie Kiland, president, assisted by Eleanor Christopherson, Alice Geske and Hildegaard Green. This club will continue to make the tabulations until the Fifth War Loan Drive officially closes on August 1.

"It is hoped that by August 1 those townships who have not yet attained 100% of their goal will be over the top. This club will also check upon the individual purchases of the personnel of the various business places and a report will be made showing the number of firms in the city of Thief River Falls that have attained 100% in the drive. The latter plan was inaugurated by the committee in the belief that every person employed should purchase at least one bond during the drive. Cards will be distributed to all of the business places who have attained 100% goal.

"The county owes a debt of gratitude to the 200 people who have carried the burden of individual solicitation. They have willingly donated their time, the use of their cars and their own gas in putting Pennington county in the 100% column, not only for this drive but for the other drives as well. If the public generally realized that this is an unpleasant task perhaps it would be simpler and at least they would not be confronted with such stories as were circulated in this drive; namely, that the solicitors received 10% of the money subscribed.

"The achievement of a goal of almost half a million dollars for a county as small as Pennington county in the Fifth War Loan Drive is a record in which all have a right to be proud. The committee therefore wishes to take this opportunity in thanking all of the loyal citizens who made this drive possible."

RECEIVING TELLER
UNCLE SAM NEEDS IT NOW...
YOU'LL NEED IT LATER

TO PUSH THE ATTACK — to drive Hitler and Tojo off the deep end, Uncle Sam needs more money than ever before. To raise this money we have all got to do the biggest job of its kind in all history.

None of us can lag. We must keep backing the attack. War costs going higher and higher mean just one thing — we, the people, must buy more War Bonds than ever before.

We must invest all we possibly can afford.

So, when you are asked to buy, don't put it off. Don't, of all things, say you can't afford more bonds. Make up your mind that you will buy more than you ever did before. It will mean more money for Uncle Sam driving for victory — and security for you to the extent you buy and keep bonds.

If you ask for Hamm's Preferred Stock Beer and your dealer has none, it probably is because Uncle Sam has first call, but ask, nevertheless.
